HOUSE SUBSTITUTE TO H.B. 742
A BILL TO BE ENTITLED AN ACT

To make and provide appropriations for the State Fiscal Year beginning July 1, 2012, and ending June 30, 2013; to make and provide such appropriations for the operation of the State government and its departments, boards, bureaus, commissions, institutions, and other agencies, for the university system, common schools, counties, municipalities, and political subdivisions, for all other governmental activities, projects and undertakings authorized by law, and for all leases, contracts, agreements, and grants authorized by law; to provide for the control and administration of funds; to provide an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

That the sums of money hereinafter provided are appropriated for the State Fiscal Year beginning July 1, 2012, and ending June 30, 2013, as prescribed hereinafter for such fiscal year:

					Governor		House

Environmental Protection — Continuation Budget

The purpose of this appropriation is to protect the quality of Georgia's air by controlling, monitoring and regulating pollution from large, small, mobile, and area sources (including pollution from motor vehicle emissions) by performing ambient air monitoring, and by participating in the Clean Air Campaign; to protect Georgia's land by permitting, managing, and planning for solid waste facilities, by implementing waste reduction strategies, by administering the Solid Waste Trust Fund and the Underground Storage Tank program, by cleaning up scrap tire piles, and by permitting and regulating surface mining operations; to protect Georgia and its citizens from hazardous materials by investigating and remediating hazardous sites, and by utilizing the Hazardous Waste Trust Fund to manage the state's hazardous sites inventory, to oversee site cleanup and brownfield remediation, to remediate abandoned sites, to respond to environmental emergencies, and to monitor and regulate the hazardous materials industry in Georgia. The purpose of this appropriation is also to ensure the quality and quantity of Georgia's water supplies by managing floodplains, by ensuring the safety of dams, by monitoring, regulating, and certifying water quality, and by regulating the amount of water used.

232.100 Environmental Protection — Appropriation (HB 742)

The purpose of this appropriation is to protect the quality of Georgia's air by controlling, monitoring and regulating pollution from large, small, mobile, and area sources (including pollution from motor vehicle emissions) by performing ambient air monitoring, and by participating in the Clean Air Campaign; to protect Georgia's land by permitting, managing, and planning for solid waste facilities, by implementing waste reduction strategies, by administering the Solid Waste Trust Fund and the Underground Storage Tank program, by cleaning up scrap tire piles, and by permitting and regulating surface mining operations; to protect Georgia and its citizens from hazardous materials by investigating and remediating hazardous sites, and by utilizing the Hazardous Waste Trust Fund to manage the state's hazardous sites inventory, to oversee site cleanup and brownfield remediation, to remediate abandoned sites, to respond to environmental emergencies, and to monitor and regulate the hazardous materials industry in Georgia. The purpose of this appropriation is also to ensure the quality and quantity of Georgia's water supplies by managing floodplains, by ensuring the safety of dams, by monitoring, regulating, and certifying water quality, and by regulating the amount of water used.

It is the intent of this General Assembly that the following provisions apply:
a.) In order to meet the requirements for projects on the Interstate System, the Office of Planning and Budget is hereby authorized and directed to give advanced budgetary authorization for letting and execution of Interstate Highway Contracts not to exceed the amount of Motor Fuel Tax Revenues actually paid into the Office of the State Treasurer, attached agency of the Department of Administrative Services.
b.) Programs financed by Motor Fuel Tax Funds may be adjusted for additional appropriation or balances brought forward from previous years with prior approval by the Office of Planning and Budget.
c.) The Fiscal Officers of the State are hereby directed as of July 1st of each fiscal year to determine the collection of Motor Fuel Tax in the immediately preceding year less refunds, rebates and collection costs and enter this amount as being the appropriation payable in lieu of the Motor Fuel Tax Funds appropriated in this Bill, in the event such collections, less refunds, rebates and collection costs, exceed such Motor Fuel Tax Appropriation.
d.) Functions financed with General Fund appropriations shall be accounted for separately and shall be in addition to appropriations of Motor Fuel Tax revenues required under Article III, Section IX, Paragraph VI, Subsection (b) of the State Constitution.
e.) Bus rental income may be retained to operate, maintain and upgrade department-owned buses.

Financing and Investment Commission, Georgia State

375.760 BOND: Americans with Disability Act: $625,000 in principal for 5 years at 5%: Fund ADA-related facility modifications statewide.
From State General Funds, $144,375 is specifically appropriated for the purpose of financing projects and facilities for the Georgia State Financing and Investment Commission by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than $625,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of 60 months.

State General Funds	$144,375	$144,375

Section 52: General Obligation Bonds Repealed, Revised, or Reinstated

The following paragraph of Section 50 of the General Appropriations Act for State Fiscal Year 2010-2011 (Ga. L. 2010, Volume One, Book Two Appendix, commencing at p. 1 of 164, 160, Act No. 684, 2010 Regular Session, H.B. 948) which reads as follows:

[Bond # 78] From State General Funds, $872,000 is specifically appropriated for the purpose of financing projects and facilities for the Department of Economic Development by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than $10,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

and carried forward in Section 50 of the Supplementary General Appropriations Act for State Fiscal Year 2010-2011 (Ga. L. 2011, Volume One, Book Two Appendix, commencing at p. 1 of 147, 140, Act No. 2, 2011 Regular Session, H.B. 77), and which amended reads as follows:

[Bond # 73] From State General Funds, $872,000 is specifically appropriated for the purpose of financing projects and facilities for the Department of Economic Development by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than $10,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

is hereby repealed in its entirety.

The following paragraph of Section 50 of the General Appropriations Act for State Fiscal Year 2011-2012 (Ga. L. 2011, Volume One, Book Two Appendix, commencing at p. 1 of 231, Act No. 223, 2011 Regular Session, H.B. 78) which reads as follows:

Economic Development, Department of 379.212 BOND: Georgia World Congress Center: $5,000,000 in principal for 20 years at 5.75%: Fund an expanded parking facility and related improvements. From State General Funds, $454,000 is specifically appropriated for the purpose of financing projects and facilities for the Department of Economic Development by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than $5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of 240 months.

and carried forward in Section 51 of the Supplementary General Appropriations Act for State Fiscal Year 2011-2012 (H.B. 741), and which amended reads as follows:

[Bond # 74] From State General Funds, $454,000 is specifically appropriated for the purpose of financing projects and facilities for the Department of Economic Development by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than $5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

is hereby repealed in its entirety.

Section 53: Refunds

In addition to all other appropriations, there is hereby appropriated, as needed, a specific sum of money equal to each refund authorized by law, which is required to make refunds of taxes and other monies collected in error, farmer gasoline tax refunds, and any other refunds specifically authorized by law.

Section 54: Leases

In accordance with the requirements of Article IX, Section III, Paragraph I(a) of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year under existing lease contracts between any department, agency, or institution of the State and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State Fiscal Year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, then there shall be taken from other funds appropriated to the department, agency, or institution involved an amount sufficient to satisfy such deficiency in full, and the lease payment shall constitute a first charge on all such appropriations.

Section 55: Budgetary Control and Interpretation

The appropriations of State Funds in this Act shall consist of the amount stated for each line at the most specific level of detail associated with the statement of Program Name and Program Purpose. The appropriations of Federal Funds and of Other Funds in this Act shall consist of the amount stated at the broadest or summary level of detail associated with the statement of Program Name and Program Purpose, and the more specific levels of detail shall be for information only. In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds and Federal Funds, including in Other Funds without limitation all Intra-State Government Transfers. Regardless of placement on the page, both the broadest or summary level of detail and the more specific detail of appropriations of Intra-State Government Transfers shall be deemed more specific levels of detail of Other Funds, and the broadest or summary amount shall be deemed added to the broadest or summary amount of the appropriation of Other Funds for the program.

Within this Act, Program Names appear as underlined captions, and Program Purpose appears immediately below as italicized text. Text within a box is not an appropriation but rather is for information only. The most specific level of detail for authorizations for general obligation debt in Section 51 shall be the authorizing paragraphs.

Section 56: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; “Other Funds” means all other fund sources except State Funds or Federal Funds, including without limitation, Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid" and "Medicaid: Aged, Blind, and Disabled" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 2 percent (2%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other program to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the two programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

Section 57: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

Section 58: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.
