Three-year felony reconviction rate	25.34%	28.62%	29.48%	26.60%

Target Population: Probationers that require a greater level of security and supervision than regular community-supervised probation are placed in this facility.				
Location: This is a single PSATC facility located in Bainbridge, GA.				
Timing: This is a six-month residential substance abuse treatment program for Probationers. Offenders are court-mandated for this program and require a Texas Christian University Drug Screen (TCUDS) score of (3) or higher for placement.				
Noteworthy: In FY11A and FY12, GDC transferred funds from this program to Parole Revocation Centers to better align funds with the population needs of the facilities and the projected expenditures.

County Jail Subsidy

The purpose of this appropriation is to reimburse counties for the costs of incarcerating state prisoners in their local facilities after sentencing.

Program Overview				
Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Number of incomplete sentencing packets returned to counties for completion	1,841	1,667	1,879	2,435
Number of prisoner sentencing packets processed	22,580	26,807	26,282	27,277
Summary of Activities: Offenders who have been sentenced to state custody are usually held in county jails until GDC can make arrangements to move them into a diagnostic center. The state has a period of 15 days to pick up the inmate after the sentencing materials are received. After this time, GDC pays \$22 per day for each inmate who is still housed at county jails. This unit processes the requests for payment and arranges for the payments to be made to the county.				
Target Population: All funds go to county jails in Georgia housing state-sentenced offenders.				
Location: There are 159 county jails in Georgia, with one located in each county.				

Noteworthy: In FY11, the average number of offenders in jail backlog was 4,244, which is a 259 percent increase over the FY2008 jail backlog average. Because of this, the GDC County Jail Subsidy program ended FY11 with a \$15.5 million shortfall. The average jail backlog is high due to the majority of state prisons having a utilization rate of over 100 percent. The Jail Subsidy program is underfunded and has been for several years. FY'09, '10, and '11 expenditures were all nearly twice the appropriated budget. The opening of the private prison beds in 2012 brought some relief to the county jails. FYI, an increase of \$1 in the Jail Subsidy per diem amount equals approximately \$1.2 Million dollars.

State Prisons

The purpose of this appropriation is to provide housing, academic education, religious support, vocational training, counseling, and substance abuse treatment for violent and/or repeat offenders, or nonviolent offenders who have exhausted all other forms of punishment in a secure, well supervised setting; to assist in the reentry of these offenders back into society; and to provide fire services and work details to the Department, state agencies, and local communities.

Three-year felony conviction rates	29%	28%	27.50%	27.41%
Number of GED diplomas received	1,557	1,510	1,620	839

Summary of Activities: The State Prisons program is responsible for Academic Education, Vocational Training, Work Details, Inmate Construction, Fire Services, Counseling, Chaplaincy, Cafeteria Services, Operations & Security, and Administrative Support for all the State Prisons. The program also includes Substance Abuse Treatment and Pre-Release Centers, which are attached to many State Prisons.

Target Population: All offenders detained within a state prison facility.

Location: There are currently thirty state prisons located in Georgia. Inmate Work Details, Fire Services, and Inmate Construction can have the inmates under supervision outside of the state prison and in local communities across the state.

Noteworthy: Large reductions in this program can result in the inability to fund the required number of Correctional Officers needed to maintain safe State Prison environments. Since FY2009, GDC has closed 8 State Prisons and 1 Private Prison, 4 Pre-Release Centers, 15 Probation Diversion Centers (eliminating the Program completely), 8 Probation Detention Centers, 1 Probation Boot Camp, and 1 Transitional Center – for a total bed reduction of 11,543. GDC has opened 12 Fast-Track facilities since FY2009 (total of 3,008 new beds). An additional 1,832 beds have been added at the Coffee and Wheeler Private Prison Facilities since FY09 and another 2,650 with the new private prisons that opened in FY2012. The increase in State Funds in FY11 is the result of ARRA Funds replacement and increases in SHBP and Worker’s Comp premiums.
