Georgia Radiation Therapy Center

The purpose of this appropriation is to provide care and treatment for cancer patients and to administer baccalaureate programs in Medical Dosimetry and Radiation Therapy.

Program Overview

Summary of Activities: Provide care and treatment for cancer patients and administer baccalaureate programs in Medical Dosimetry and Radiation Therapy.

Target Population: Treats 1000 new cancer patients each year, including private, state, military, and Department of Veteran Affairs Referrals. Radiation Therapy and Medical Dosimetry Education targets those enrolled in the program through the Medical College of Georgia.

Location: Located in the Medical College of Georgia campus. Radiation Therapy and Medical Dosimetry Education is administered through the School of Allied Health Sciences at Medical College of Georgia.

Delivery Mechanism: The cancer treatment facility is 25,672 square feet and houses four Varian linear accelerators, a Varian Ximatron conventional simulator and Varian and Nucletron treatment planning computer systems. The center also has a Philips Big Bore CT-simulator that is interfaced with the Varian Eclipse three dimensional treatment planning system.

Fund Sources: No state funds in budget.

Georgia Tech Research Institute

The purpose of this appropriation is to provide funding to laboratories and research centers affiliated with the Georgia Institute of Technology whose scientific, engineering, industrial, or policy research promotes economic development, health, and safety in Georgia.

Program Overview

Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Estimated total economic impact of Georgia Tech Research Institute's sponsored funded research and activities	\$390,340,000	\$472,240,000	\$508,580,000	\$722,718,676

External sponsored research funds generated	\$205,905,772	\$194,727,862	\$205,495,289	\$306,236,727

Summary of Activities: This institute is the applied research entity of Georgia Tech. GTRI performs research in areas including Environmental Safety and Occupational Health (ESOH) which bridges the communications gap between government regulations and Georgia business, industry, community organizations and individuals. It is linked to GTRI's Occupational Safety and Health (OSHA) consultation and education program. Also has an Office Policy Analysis and Research division that supports the Georgia General Assembly with policy analysis and expertise in science and technology. There is also research being done at the Institute for agricultural/food processing technology, severe weather early warning systems, and the usage of technology in the classroom for grades K-12. Other services such as aerospace, nanotechnology, and information technology are provided in the GTRI Laboratories and Research Centers.

Target Population: Clients are international and domestic.

Location: Headquartered on the Georgia Tech campus in Atlanta. The headquarters also has five of the organization's eight laboratories. Two GTRI laboratories are located in Cobb County (Smyrna and near the Dobbins Air Force Base) and another is located in Huntsville, AL. In addition, there are fifteen field offices located in Aberdeen, MD; Dallas, TX; Dayton, OH; Hampton Roads, VA; Huntsville, AL; Jacksonville, FL; Orlando, FL; Panama City, FL; Pearl City, HI; Quantico, VA; San Diego, CA; Shalimar, FL; Tucson, AZ; Warner Robins, GA; Washington, DC; and an international field office in Athlone, Ireland.

Delivery Mechanism: Performs scientific, engineering, industrial, and policy research in the Research Institute labs and field offices.

Fund Sources: Majority of the budgeted amount is received from intergovernmental transfers from the University System of Georgia Research Funds. GTRI also receives funds from rebates, refunds, and reimbursements in addition to the money received from sales and services. According to Regents, over 97% of the Georgia Tech Research Institute's funding comes from externally sponsored research which amounts to over \$200 million every year.

Timing: The Institute operates year-round.

Marine Institute

The purpose of this appropriation is to support research on coastal processes involving the unique ecosystems of the Georgia coastline and to provide access and facilities for graduate and undergraduate classes to conduct field research on the Georgia coast.

Program Overview

Summary of Activities: A field research laboratory that supports and conducts basic research on coastal processes involving the ecosystems of the Georgia coastline. Postsecondary education is also supported with hands-on field experiences for classes, teachers' workshops, and logistical support of graduate thesis research. The Institute is part of The University of Georgia under the Franklin College of Arts and Sciences in the Department of Marine Sciences.

Target Population: Supports ongoing research by resident and visiting researchers while providing classes to graduate students who have completed their formal classroom studies and are pursuing their degree requirement research in estuarine or marine ecological sciences. Also welcomes those with requests from official university classes and researchers with a reasonable need for access to Sapelo Island for education or research.

Location: Sapelo Island, a barrier island situated between the Atlantic Ocean and a salt-marsh dominated estuarine ecosystem. The Institute lies within a 8,700-acre National Estuarine Research reserve composed of marshes, uplands, and tidal creeks.

Delivery Mechanism: Facilities include laboratories, boats, vehicles, an auditorium, library, makeshift greenhouse facilities, seawater systems and tanks, housing facilities, and a digital conferencing room.

Fund Sources: In addition to state funds, receives Intergovernmental Transfers with the University System of Georgia Research funds. According to Regents, reimbursement for research expenses is done through agency funds, and fees from visiting classes and scientists to cover housing, fuel, and use of facilities

Timing: Closed on weekends and state recognized holidays.

Marine Resources Extension Center

The purpose of this appropriation is to fund outreach, education, and research to enhance coastal environmental and economic sustainability.

Program Overview

Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Total dollars generated from new commercial aquaculture operations including hard clams and oysters	\$1,377,075	\$1,881,505	\$1,466,003	\$1,668,649
Number of interactions with Marine Extension Service coastal marine constituents	53,540	38,241	23,239	51,417

Summary of Activities: Utilizes education and research to foster understanding of the Georgia coastal environment. This is done through the University of Georgia Marine Extension's Services, a unit of the UGA Public Service and Outreach Division, which conducts outreach, education, and research. Marine Advisory Services focuses on seven program areas: coastal water quality, seafood technology, commercial fisheries, recreational fisheries, marine businesses, coastal ecosystem stewardship, aquaculture and smart growth through Nonpoint Education for Municipal Officials. The University of Georgia's Marine Education Center and Aquarium is the education branch of the Marine Extension Center, providing a resource for students, teachers, and the general public in matters relating to Georgia's coastal marine environments. The Shellfish Research Laboratory is a unit of the Marine Extension Service and conducts applied research and outreach in developing wild fisheries and marine aquaculture industries such as clam and oyster farming. The laboratory also conducts research on biological information pertaining to various commercial or potential commercial species in order to protect or develop those commercial fisheries. Such information is provided to the Georgia Department of Natural Resources for implementing rules and regulations to maximize the sustainability of the fishery or aquacultural enterprises.

Target Population: Marine Advisory Services seeks to enhance the compatibility of resource use among existing marine industries, businesses, regulators, and stakeholders. The Marine Education Center and Aquarium targets students, teachers, and the general public. The Shellfish Research Laboratory has graduate students from the University of Georgia, Georgia Tech, Georgia Southern, and Savannah State University conduct research on shellfish species.

Location: The Marine Advisory Services' Brunswick Center is located on a three-acre site with 300 feet of frontage on the Brunswick River. The Shellfish Research Laboratory and the Marine Education Center and Aquarium are located in Savannah, GA. The facility overlooks the marshland on the north end of Skidaway Island (an interior barrier island outside Savannah).

Delivery Mechanism: The Brunswick Center includes classrooms, a lecture hall, offices, a seafood technology and water quality microbiological laboratory, a chemistry laboratory for seafood technology and water quality analyses, a seafood processing pilot plant built to USDA standards, a seafood sanitation training facility, a video editing suite, and a warehouse. The Shellfish Research Laboratory has developed an artificial oyster reef in both Clam and Beach Creeks on Jekyll Island. The Laboratory also includes a histology laboratory, seawater plumbing, conference room, water chemistry laboratory, demonstration classroom, wet laboratory, microscope room, greenhouse, small vessels for estuarine research projects, and an analytical laboratory.

Fund Sources: Relies on state and agency funds. Receives intergovernmental transfers through the University System of Georgia Research Funds. Also relies on agency funds through reimbursement for research expenses and other sales and services.

Timing: The Marine Extension Service is closed on state and federal holidays. Aquarium is open on Saturdays.

Noteworthy: Marine Advisory Service works with the Georgia Sea Grant Marine Advisory Service.

Section 45: Student Finance Commission and Authority, Georgia

Accel

The purpose of this appropriation is to allow students to pursue post-secondary study at approved public and private post-secondary institutions, while receiving dual high school and college credit for courses successfully completed.

Performance Measures:	Program Overview			
	FY 2009	FY 2010	FY 2011	FY 2012
Number of awards granted per year	6,775	7,048	7,856	9,030

Number of semester credit hours	40,262	42,303	46,688	55,478

Summary of Activities: Funds high school students who are dually enrolled by receiving credit at the high school and college. Students are eligible for Accel funding for up to four semesters or six quarters. As of fall 2011, the award covers tuition and mandatory fees at public institutions or up to \$4,000 per year for students at private institutions. It also includes a book allowance for students at public institutions. GSFC is responsible for establishing program regulations, processing invoices and payments, and conducting compliance reviews.

Target Population: Public and private high school students taking college courses as part of an academic program. Students must be dually enrolled (receiving credit at the high school and college) and can only take courses from an approved list that includes core subjects. Most students in the Accel program are part-time, but students are able to take college courses full-time.

Location: Eligible high schools throughout the state of Georgia.

Delivery Mechanism: GSFC does not have staff dedicated solely to administering ACCEL as many of the functions are conducted in conjunction with other financial aid services. GaDOE is responsible for reviewing and approving courses available through Accel.

Fund Sources: FY2012 marked the beginning of the Accel Program awards being funded through state general funds. Prior to FY2012, the awards were funded through lottery revenue.

Timing: Offered during the fall, winter, and spring terms of the school year.

HOPE GED

The purpose of this appropriation is to award a \$500 voucher once to each student receiving a general educational development (GED) diploma awarded by the Technical College System of Georgia.

Program Overview				
Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Number of students receiving the Helping Outstanding Pupils Educationally General Education Diploma grant	4,884	5,689	5,276	3,877
Summary of Activities: Awards a \$500 voucher to each student receiving a General Educational Development (GED) diploma awarded by the Technical College System of Georgia after June 30, 1993. The HOPE GED Voucher provides a one-time \$500 HOPE award that can be used towards tuition, books, and other educational costs at an eligible public technical college or public or private college or university.				
Target Population: Students who have received a GED and are seeking a higher education at a Georgia public technical college or at an eligible public or private college or university. Full-time enrollment is not required. Must also be a U.S. citizen and meet HOPE's Georgia Residency Requirements.				
Location: An eligible Georgia public technical college or public or private college or university.				
Delivery Mechanism: A HOPE GED Voucher is automatically mailed to recipients along with their GED diploma. The voucher may be submitted to a HOPE-eligible post-secondary institution at the time of enrollment. In return, the student's account will be credited for \$500 to cover eligible educational costs.				
Fund Sources: Lottery Proceeds.				
Timing: Students must use their HOPE GED Voucher within 24 months of the date of their GED diploma.				
Noteworthy: GED students are eligible for the HOPE Scholarship in a degree program once they have attempted their first 30 semester or 45 quarter hours of study with a 3.00 cumulative grade point average. The entry points are based on all degree credit attempted and coursework converted to degree credit after the award date for the GED diploma. GED students can also qualify for the HOPE Grant for Certificate and Diploma Programs covering tuition, approved mandatory fees, and a book allowance at public colleges and technical colleges. The HOPE Grant is in addition to the \$500 GED Grant.

Average dollar amount per award	\$538	\$611.98	\$667.31	\$559.51
Summary of Activities: A grant program for Georgia students working toward a technical diploma or certificate at public postsecondary institutions in the State of Georgia. To qualify for HOPE Grant funding, the certificate or diploma program must be approved by the Georgia Department of Technical and Adult Education or be a comparable program of study approved by the Board of Regents. The certificate or diploma must be awarded and issued by the institution. Continuing education programs are not eligible for HOPE Grant funding.				
Target Population: Georgia's HOPE Grant (a separate program from the HOPE Scholarship) is available to residents of Georgia who are working towards a technical diploma at a public postsecondary institution in the State of Georgia. Full-time enrollment is not required, but satisfactory academic progress must be sought to maintain eligibility. A candidate is not eligible if he or she has earned a baccalaureate degree or received payment from any combination of HOPE Scholarship, Zell Miller Scholarship, HOPE Grant, or, through Summer term 2011, Accel Program funds totaling 127 semester (190 quarter) hours of credit. (Dual Credit Enrollment hours for which a high school student received HOPE Grant payment are not included in these totals.)				
Location: Georgia public higher education institutions offering a technical diploma and approved by the Georgia Student Finance Commission.				
Fund Sources: Funded through lottery proceeds.				
Timing: Recipients cannot receive funding once they have exceeded 63 semester or 95 quarter hours.

Low Interest Loans

The purpose of this appropriation is to implement a low-interest loan program to assist with the affordability of a college education, encourage timely persistence to the achievement of postsecondary credentials, and to incentivize loan recipients to work in public service. The loans are forgivable for recipients who work in certain critical need occupations. The purpose of this appropriation is also to provide loans for students eligible under O.C.G.A. 20-3-400.2(e.1).

Program Overview

Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Number of students obtaining student access loans				2,745
Average dollar amount of loan				\$6,092.50

Summary of Activities: The Student Access Loan Program is designed to offer 1% interest rate loan assistance to students and families who have exhausted other forms of federal and state student aid including scholarships, grants and loans but are still in need of additional funding to meet their cost of attendance.

Target Population: Eligibility requirements include Georgia residency, attendance at an approved college or university, maintenance of a 2.0 grade point average in college, and exhaustion of other forms of federal and state student aid.

Delivery Mechanism: Recipients are chosen at random from each pool of eligible applicants. The maximum amount a student may borrow each year under the program is \$10,000 with a lifetime maximum of \$40,000.

Fund Sources: Recipients must pay the accrued interest on the loan annually and can delay repayment of the principal until after they graduate.

Noteworthy: As of September 2011, the program has provided about \$10 million in loan funds to nearly 1,600 Georgians.

Nonpublic Postsecondary Education Commission

The purpose of this appropriation is to authorize private post-secondary schools in Georgia; provide transcripts for students who attended schools that closed; and resolve complaints.

Program Overview

Performance Measures:	FY 2009	FY 2010	FY 2011	FY 2012
Percentage of authorized colleges and schools that meet prescribed academic and financial standards annually without remediation	75%	70%	68%	82%
Average number of schools assigned to each full-time Standard Administrator	88	89	95	100

Summary of Activities: Authorizes private post-secondary schools in Georgia; provides transcripts for students who attended schools that closed; and resolves complaints. The staff reviews and authorizes each college or school annually, provides consumer information and protection, resolves student complaints, manages institution closures and resulting student records, prepares required publications and grants exemptions as applicable. The staff also develops new and/or revised standards, procedures, regulations and schedules in response to changing laws, needs and circumstances. The Commission also approves degree programs. Since July 1992 authorized institutions are required to make annual payments to the Tuition Guarantee Trust Fund (TGTF). The TGTF is designed to provide reimbursement to students at institutions which close and fail to honor commitments to complete the students' programs of study. Basically, the TGTF serves as an insurance fund for student protection.

Target Population: Postsecondary institutions within the state of Georgia.

Location: Commission is located in Tucker, GA.

Delivery Mechanism: Eight employees.

Fund Sources: State General Funds.

Section 47: Technical College System of Georgia

Adult Literacy

The purpose of this appropriation is to develop Georgia's workforce by providing adult learners in Georgia with basic reading, writing, computation, speaking, and listening skills.

Performance Measures:	Program Overview			
	FY 2009	FY 2010	FY 2011	FY 2012
Passage rate of adult learners who enrolled in an Adult Basic Education course with the goal of obtaining a General Educational Development diploma	70.20%	66%	63.70%	72%

Enrollment in adult education	95,218	91,704	82,428	77,432
Summary of Activities: Promotes and provides adult education programs throughout the state of Georgia. Literacy programs are available to adults needing basic, general, or specialized skills instruction. Adult Literacy administers the GED Testing Program and awards the GED diploma to successful GED test takers. It also facilitates cooperation among state and local entities for the purpose of increasing and improving adult literacy efforts in Georgia. Therefore, Adult Literacy has two primary roles: it provides direct services through the service delivery areas and Georgia's technical colleges, and it coordinates services with other organizations.				
Target Population: Adult learners who would like to attain basic skills (reading, writing, computation, speaking, and listening).				
Location: 37 service delivery areas throughout Georgia.				
Delivery Mechanism: Has 37 facilities and offers an online Professional Information Center which provides essential information to adult education administrators and teachers in Georgia.				
Fund Sources: Federal Funds: Adult Education State Grant Program (CFDA84.002) (NOTE: To maintain this grant, states, the District of Columbia, and Puerto Rico must provide a nonfederal contribution in an amount equal to 25 percent of the total amount of funds expended for adult education and literacy activities in the State); Agency Funds: Intergovernmental Transfers (Authority/Local Government Payments to State Agencies) and General Educational Development Fees.

Summary of Activities: Provide workforce development through certificate, diploma, and degree programs in technical education and continuing education programs for adult learners.				
Target Population: Youth and adult learners				
Location: Technical College Campuses are divided throughout the state into 31 service delivery areas: 25 Technical Colleges with multiple satellite campuses.				
Delivery Mechanism: Technical colleges and online learning (Georgia Virtual Technical Connection)				
Fund Sources: Agency Funds: Auxiliary Services, Continuing Education Fees, Educational Department Service Fees, Sales and Services Not Itemized, Training Fees, Tuition and Fees for Higher Education; Federal Funds: Vocational Education Basic Grants (Perkins) (CFDA84.048) (NOTE: The formula provides for a minimum State allocation, and a "hold-harmless" provision in the formula ensures that no state's share of the appropriation is less than its share of the fiscal year 1998 appropriation). MOEs on the Adult Education State Grant and the Carl Perkins Career Technical Education Grant are not in jeopardy unless state contribution decreases.				
Timing: Switched from the quarter to semester structure (2011-2012 academic year is the first year on semesters).				
Noteworthy: No enrollment growth funding in FY2012.
