Section 19: Corrections, Department of

County Jail Subsidy

The purpose of this appropriation is to reimburse counties for the costs of incarcerating state prisoners in their local facilities after sentencing.

	Program Overview			
Performance Measures:	FY 2012	FY 2013	FY 2014	FY 2015
Number of incomplete sentencing packets returned to counties for completion	2,435	3,404	4,398	3,752
Number of prisoner sentencing packets processed	27,277	31,948	27,202	27,441
Summary of Activities: Offenders who have been sentenced to state custody are usually held in county jails until GDC can make arrangements to move them into a diagnostic center. The state has a period of 15 days to pick up the inmate after the sentencing materials are received. After this time, GDC pays \$30 per day for each inmate who is still housed at county jails. This unit processes the requests for payment and arranges for the payments to be made to the county.				
Target Population: All funds go to county jails in Georgia housing state-sentenced offenders.				
Location: There are 159 county jails in Georgia, with one located in each county.

---	----------------	----------------	----------------	----------------

Summary of Activities: This program consists of three divisions, Farm Operations, Food Distribution Unit, and Food Operations. The program oversees the operation of GDC's 14,000 acres of farmland statewide, which produce beef, pork, milk, fruit, vegetables, eggs, grits, and corn meal. The program also processes, purchases, and prepares food, operates the distribution unit where the products are warehoused and shipped to facilities statewide, and lastly, oversees GDC's various food production plants.

Target Population: GDC's cafeteria services operate through the products produced from this program.

Location: Statewide farmland is used, as well as a distribution unit located in Milledgeville, GA.

Delivery Mechanism: Inmates work on the farms and in the warehouses to produce the products.

Noteworthy: GDC has a contract with Georgia Correctional Industries that provides manufacturing services in this program. The increase from FY09 to FY10 reflects the realignment and placement of Food Service-related items in the correct program.

Number of telemedicine treatment/consultation hours	274	302	466	246

Summary of Activities: GDC provides Inmate Physical, Mental, and Dental healthcare within the state facilities. Physical care includes pharmacy services, emergency care, chronic care, long-term care, and acute care. All inmates are assigned mental health classifications upon entering the correctional system and can be treated by mental health counselors and nurses, psychologists, and psychiatrists. Dental Health is provided through sick call procedures and routine procedures include extractions and fillings.

Target Population: Health services are provided to all inmates with residential placements within the Georgia correctional system.

Location: Primary care services for Physical Health are provided at 79 facilities statewide.

Delivery Mechanism: Georgia Correctional HealthCare (GCHC), a division of the Georgia Regents University, is contracted to provide the majority (84%) of the health services for GDC.

Noteworthy: Healthcare costs for inmates are down 8.1% since FY2008.

Number of releases	19,947	21,325	20,634	18,083

Summary of Activities: Once offenders are in the custody of the Department of Corrections, the Offender Management Program is responsible for the inmate diagnostics and classification. This includes a comprehensive assessment of the needs and security risks of offenders upon state prison admission, as well as the assignment of offenders to certain security levels and institutional programs based on these initial evaluations. This program also includes the Jail Coordination Unit, which is responsible for the pick-up of state-sentenced inmates from county jails, as well as the Tactical Squads, Canine Units, and Correctional Emergency Response Teams (CERT).

Target Population: Target is on offenders entering the Correction’s system, as well as enforcement of the current inmates across the state.

Location: Inmate diagnostic and classification assessments are conducted at the Jackson, Lee Arrendale(F), and Coastal State Prisons.

Number of probationers receiving residential substance abuse treatment	3,200	2,445	2,243	2,135
Number of probationers completing substance abuse treatment in Day Reporting Centers	707	760	763	747

Summary of Activities: This program includes field supervision of all probationers, specialized forms of probation supervision such as boot camps and sexual offender supervision. This program also includes the Day Reporting Centers, which are six to nine month treatment programs for offenders who have not responded to more traditional supervision and treatment efforts, as well as other programs such as Residential Substance Abuse Treatment Centers among others. The program also includes the Community Impact Programs, which is a joint project involving GDC, local Police Departments, Department of Labor, Department of Juvenile Justice, and many others to provide surveillance and intense rehabilitative programming such as substance abuse counseling and treatment, individual and family counseling, and Moral Recognition Therapy to change cognitive behavior.

Target Population: Offenders released on probation who are either in a probation facility or who are on community supervision.

Number of GED diplomas received	839	749	605	236
Number of inmates earning vocational training certificates	3,230	3,088	3,663	3,444

Summary of Activities: The State Prisons program is responsible for Academic Education, Vocational Training, Work Details, Inmate Construction, Fire Services, Counseling, Chaplaincy, Cafeteria Services, Operations & Security, and Administrative Support for all the State Prisons. The program also includes Substance Abuse Treatment and Pre-Release Centers, which are attached to many State Prisons.

Target Population: All offenders detained within a state prison facility.

Location: There are currently thirty state prisons located in Georgia. Inmate Work Details, Fire Services, and Inmate Construction can have the inmates under supervision outside of the state prison and in local communities across the state.

Noteworthy: Large reductions in this program can result in the inability to fund the required number of Correctional Officers needed to maintain safe State Prison environments. Since FY2009, GDC has closed 8 State Prisons and 1 Private Prison, 4 Pre-Release Centers, 15 Probation Diversion Centers (eliminating the Program completely), 8 Probation Detention Centers, 1 Probation Boot Camp, and 1 Transitional Center – for a total bed reduction of 11,543. GDC has opened 12 Fast-Track facilities since FY2009 (total of 3,008 new beds). An additional 1,832 beds have been added at the Coffee and Wheeler Private Prison Facilities since FY09 and another 2,650 with the new private prisons that opened in FY2012. The increase in State Funds in FY11 is the result of ARRA Funds replacement and increases in SHBP and Worker’s Comp premiums.

Transition Centers

The purpose of this appropriation is to provide "work release," allowing inmates to obtain and maintain a paying job in the community, while still receiving housing, academic education, counseling, and substance abuse treatment in a structured center.

Program Overview

Performance Measures:	FY 2012	FY 2013	FY 2014	FY 2015
Three-year felony reconviction rate	19.82%	18.06%	18.70%	19.30%

Summary of Activities: This program primarily provides the opportunity for inmates to gain work experience while living in a supervised environment. The Centers provide employment assistance, as well as substance abuse, counseling, general education, and vocational training through classroom, shop, and on-the-job skills programs.

Target Population: Inmates who have been in prison for longer periods of time and will need more assistance transitioning back into life within the community.

Location: There are currently 11 Transitional Centers in Georgia.

Victim Services

The purpose of this appropriation is to provide notification to victims of changes in offender status or placement through the Victim Information Program, to conduct outreach and information gathering from victims during clemency proceedings, to host victim and visitor days, and act as a liaison for victims to the state corrections system.

	Program Overview			
Performance Measures:	FY 2012	FY 2013	FY 2014	FY 2015
Number of new people registered in the Georgia Victim Information Program system	3,894	2,026	1,989	1,768
Number of correspondence sent out to victims	12,516	10,517	9,590	8,791

Summary of Activities: The Victim Services program is responsible for victim notification in the event of inmate parole consideration, release, or escape, and presents victim impact statement information to Board members for review. The program operates an automated Victim Information Program system and serves as advocate for victims.

Target Population: Crime victims and their families.

Noteworthy: Georgia parolees are required to make monthly supervision fees payments of \$30 that go to the state treasury's general fund. Victim's compensation fees are paid by violent-crime offenders in lieu of this supervision fee and are deposited in the Crime Victims Compensation Fund, which provides payments to the victims of violent crimes. Parolees begin payment of any court-ordered restitution upon release from prison. The Office of Victim Services serves both the Parole Board and the Department of Corrections as a single point of contact for victims.
