

Section 12: Administrative Services, Department of

Payments to Georgia Aviation Authority

The purpose of this appropriation is to provide oversight and efficient operation of state aircraft and aviation operations to ensure the safety of state air travelers and aviation property.

Program Overview

Summary of Activities: Provides flight hours of aviation support through contracts with private aviation companies, operates state air hangars, and provides aviation assistance for economic development flights and executive transportation.

Location: GAA currently operates out of eight airports around the state.

Delivery Mechanism: Administered by state employees

Noteworthy: GAA in 2009 consolidated the aviation services of the Department of Public Safety, Natural Resources, Transportation and the Forestry Commission. In 2011 GAA returned to DPS their previously transferred pilots, aircraft and funding. GAA owns a KingAir C-90 which is operated by the Board of Regents.

Federal Community and Economic Development Programs

The purpose of this appropriation is to administer federal grant and loan programs to promote volunteerism and community and economic development among local governments, development authorities, and private entities.

Program Overview				
Performance Measures:	FY 2012	FY 2013	FY 2014	FY 2015
Amount of private investment leveraged for Appalachian Regional Commission economic development projects	\$89,700,000.00	\$72,555,000.00	\$321,143,057.00	\$223,800,000.00
Number of persons who benefit from local government community development activities financed through the state Community Development Block Grant program	50,129	31,039	41,993	30,435

Summary of Activities: Administers the Americorps program which is a federal program that provides opportunities for young people to participate in community service programs for one to two-year commitments. Also includes the Appalachian Regional Commission (ARC) loans and grants for projects that create or retain jobs in Appalachia, the Community Development Block Grants (CDBG) regular competition and loan guarantee which provides economic and community development financing to local communities for federally eligible activities such as housing improvement projects and public facilities, the Employment Incentive Program which provides financing for economic development projects that will result in employment for low and moderate income persons and the Redevelopment Fund which finances projects that results in removal of "slum and blight." Also provides Immediate Threat and Danger funds for community development activities that have particular urgency as a result of disaster or threat to health or welfare of the community.

Target Population: Loans and grants are available to local governments for CDBG and financing to private business for ARC to benefit low and moderate income persons.

Delivery Mechanism: Administered by state employees. Pass through funds are granted to local governments, non-profits and private businesses.

Noteworthy: There is a federal matching requirement for Americorps funds which varies from 0-50% based on the duration that the program has been funded. For CDBG/State's Program funds for state administration of the program, after an initial allowance of \$100,000 with no match, states may take an additional allowance of up to 3% of the grant amount but must match such expenditures on a dollar for dollar basis. There are no federal matching requirements for Appalachian Regional Commission funds.
