Criminal Justice Information Services

The purpose of this appropriation is to provide the State of Georgia with essential information and identification services through the operation of the Automated Fingerprint Identification System, Criminal History System, Criminal Justice Information Services network, Protective Order Registry, Sexual Violent Offender Registry, and the Uniform Crime Reporting Program.

	Program Overview			
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Percentage of criminal history background service requests processed within 24 hours of receipt	97.00%	94.00%	98.50%	99.00%
Percentage of manually reported final disposition data processed within 30 days of receipt	100.00%	100.00%	100.00%	100.00%
Percentage of reported arrest data processed within two hours of receipt	93.00%	85.00%	92.00%	93.00%

Summary of Activities: Operates the Georgia Crime Information Center under which the bureau provides direct terminal access to computerized databases maintained by GA agencies, agencies in other states and the FBI Criminal Justice Services Division; some of the systems operated by CJIS include: Automated Fingerprint Id System (AFIS) and Criminal History System, which maintain fingerprints and criminal history records; The Protective Order Registry, an online services that stores protective orders issues by the superior courts. It provides 24hour access to law enforcement, prosecuting attorneys and courts; and the State's Sexually Violent Offender Registry which includes pictures of offenders and is available to the public online.

Target Population: Provides information for the criminal justice system of Georgia. Provides some registries (like the Sexually Violent Offender Registry) to the public via the internet.

Location: Decatur, GA (Headquarters)

Delivery Mechanism: The Georgia Criminal Justice Information System (CJIS) Network, operated by GCIC teleprocessing specialists, provides direct terminal access to computerized databases maintained by Georgia agencies, by agencies in other states and by the FBI Criminal Justice Services Division. Georgia's CJIS network has more than 1,500 member agencies operating over 10,000 terminals able to communicate instantly with tens of thousands of terminals operated by other federal, state and local criminal justice agencies throughout the United States. Also has a computerized criminal history database that includes the fingerprint and criminal history records of more than 2,600,000 persons. In addition to the operation the of the Georgia Sexually Violent Offender (SVO) Registry which has over 5,800 images of registered

sex offenders on the web site. A team of customer support analysts, located throughout Georgia, provides training and other consultative services to Georgia's criminal justice/public safety community on all GCIC program areas. A second GCIC team, also based locally throughout Georgia, conducts performance audits triennially for all agencies operating CJIS network terminals as well as many non-terminal agencies with authority to access information from the CJIS network. Audits are required by state law and operating policy of the FBI/National Crime Information Center (NCIC).

Fund Sources: Federal Funds: National Criminal History Improvement Program (CFDA16.554)(NOTE: Provision of a 20 percent cash or in-kind match by the recipient is required), BYRNE JAG (CFDA16.738 no matching or MOE required on the federal level, however, a formula is used to calculate funding which takes into account Georgia's population and Georgia's share of the national crime statistics)

Noteworthy: In FY10, CJIS began collecting fees for performing criminal background checks (OCGA 35-3-34); In FY2012 the bureau was directed to utilize these fees to update the Sexual Offender Registry (SOR). The SOR is being updated with federal funds. The User Fee collected has replaced state funds and is used for normal operations.

Forensic Scientific Services

The purpose of this appropriation is to provide forensic analysis and testimony in the areas of chemistry (drug identification), firearms, digital imaging, forensic biology (serology/DNA), latent prints, pathology, questioned documents, photography, toxicology, implied consent, and trace evidence in support of the criminal justice system; to provide medical examiner (autopsy) services; and to analyze and enter samples into national databases such as AFIS, CODIS, and NIBIN.

	Program Overview			
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Percentage of reports released in 45 days	74.00%	62.00%	73.00%	79.00%
Combined DNA Index System matches	894	783	941	1,182
Total number of reports released	85,523	89,597	95,206	91,961

Summary of Activities: Operates the State Crime labs where forensic analysis is performed on submitted evidence to make scientific conclusions about which the forensic scientists can provide testimony in court. Some of the areas in which analysis is performed include toxicology, latent prints, DNA database, firearms ID and medical examiner services (autopsies).

Target Population: Crime labs serve specific counties/regions within the state (Georgia is broken up into 3 regions) these counties utilize their corresponding crime lab for investigations. For services not offered at a specific location, the crime lab will transfer the evidence to another DOFS laboratory where the service is performed. Also, evidence received at one laboratory may be transferred to another laboratory in the crime lab system in order to expedite analysis.

Location: There are two state crime labs (Savannah, and Macon) in addition to the lab at Headquarters in Decatur.

Delivery Mechanism: Crime labs that utilize chemistry, firearms, forensic biology (DNA), latent prints, medical examinations, photography, toxicology to process evidence by trained forensic scientists.

Fund Sources: Federal: Injury Prevention & Control Research (CFDA93.136)(NOTE: no formula, matching, or MOE)

Noteworthy: The Augusta lab closed on January 1, 2014, due to an inability to hire an experienced doctor to replace the retiring Medical examiner. The former Eastern Regional Lab will now be split up between the Headquarters Lab in Atlanta, and the Coastal Regional Lab in Savannah. The Augusta Office is still able to provide DUI toxicology as well as evidence storage, but will no longer have a Medical Examiner.

Regional Investigative Services

The purpose of this appropriation is to identify, collect, preserve, and process evidence located during crime scene investigations, and to assist in the investigation, identification, arrest and prosecution of individuals. The purpose of this appropriation is also to coordinate and operate the following specialized units: bingo unit, anti-terrorist team, forensic art, bomb disposal unit, high technology investigations unit, communications center, regional drug enforcement, and polygraph examinations.

Program Overview

Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Number of criminal investigations closed	7,723	8,522	8,595	8,404

Agent turnover rate	3.50%	4.50%	3.60%	1.71%

Summary of Activities: The largest division in GBI utilizes special agents to coordinate and investigate incidents around the state. GBI agents use specialized skills to perform these tasks and assist local law enforcement agencies around the state who may not have the same capabilities. GBI agents are engaged at the request of local law enforcement but there are some cases which automatically trigger and require the GBI involvement. This program also includes the operation of Multi-Jurisdictional (Drug) Task Forces (MJTF).

Target Population: Assists local law enforcement around the state and any major drug case within the state.

Location: 11 MJTFs headed by GBI agents. These 11 are the only ones that receive any kind of state funds.

Delivery Mechanism: GBI Intelligence Unit maintains approximately 100,000 criminal intelligence reports gathered by GBI agents or submitted by other agencies who are members of various criminal justice organizations. The unit provides analytical assistance in major investigations, alerts GBI personnel about new crime trends and serves as the Georgia liaison for Interpol. The Georgia Center on Missing Children is part of the Intelligence Unit. Administers polygraph examinations for the GBI and other criminal justice agencies upon request. The GBI has eleven polygraph examiners in the Investigative Division. Provides operational twenty-four hours a day support for all GBI Divisions.

Fund Sources: Federal Funds: Missing Children's Assistance (CFDA16.543)(NOTE: has no statutory formula and no matching or MOE requirements), BYRNE JAG (CFDA16.738) (NOTE: utilizes a statutory formula based on population and violent crime statistics but has no match or MOE requirements on the federal level), and Homeland Security Grant Program (CFDA97.067)(NOTE: No MOE requirement, match requirement set by Homeland Security)

Noteworthy: In FY2012, the Task Forces program combined with the RIS program. The goal is to have all GBI agents and investigative operations under one program.

Section 30: Juvenile Justice, Department of Community Services

The purpose of this appropriation is to protect the public, hold youth accountable for their actions, assist youth in becoming law-abiding citizens and transition youth from secure detention, and provide the following alternative detention options: non-secure detention shelters, housebound detention, emergency shelters, a short-term stay in a residential placement, tracking services, wraparound services, electronic monitoring, or detention in an alternative program. Additionally, Community Supervision supervises youth directly in the community according to their risk and need levels, provides transitional and treatment services to those youth either directly or by brokering or making appropriate referrals for services, and provides agency-wide services, including intake, court services, and case management.

	Program Overview			
Performance Measures:	FY 2011	FY 2012	FY 2013	FY 2014
Percentage of youth with no new offense while under community supervision	83.20%	83.90%	85.10%	86.80%
Percentage of youth re-offending after completion at one-year interval	48.80%	48.30%	50.10%	47.80%
Percentage of DJJ youth days served in Community Services	82.00%	81.00%	80.70%	80.50%
Daily average of youth supervised by Community Services	15,398	13,002	12,375	12,255

Summary of Activities: Operate a variety of different programs that offer alternatives to placing juveniles in a DJJ facility. These programs may be used in lieu of those facilities or at the end of a juvenile's sentence as a means of easing him or her back into the community. Some of the programs include wilderness camps, residential treatments or short term stays in a contract home.

Target Population: Juvenile's who have served their sentence or already convicted and court decides to use non-secure commitment in lieu of DJJ facilities.

Location: State wide.

Delivery Mechanism: Other alternative detention options include: non-secure detention shelters, housebound detention, emergency shelters, institutional foster care, group homes, private family contract homes, electronic monitoring, tracking services, wrap-around services, wilderness programs, and weekend sanctions.

Fund Sources: Intra-State Government Transfers: Federal Funds Foster Care Title IV-E (CFDA93.658)

Timing: All year.

Noteworthy: This program is largely the operations cost of DJJ community programs. The personnel costs associated with community programs are primarily under the Community Supervision program. The two programs have the same purpose with the cost of personnel and operations split between the two.
