SENATE APPROPRIATIONS COMMITTEE SUBSTITUTE TO H.B. 43 A BILL TO BE ENTITLED AN ACT

To amend an Act making and providing appropriations for the State Fiscal Year beginning July 1, 2016, and ending June 30, 2017, known as the "General Appropriations Act," Act No. 517, approved May 2, 2016 (Ga. L. 2016, Volume One, Appendix, commencing at page 1 of 145), so as to make, provide, and change certain appropriations for the operation of the State government and its departments, boards, bureaus, commissions, institutions, and other agencies, for the university system, common schools, counties, municipalities, and political subdivisions, for all other governmental activities, projects, and undertakings authorized by law, and for all leases, contracts, agreements, and grants authorized by law; to provide for the control and administration of funds; to provide an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA: PART I

An Act making and providing appropriations for the State Fiscal Year beginning July 1, 2016, and ending June 30, 2017, known as the "General Appropriations Act," Act No. 517, approved May 2, 2016 (Ga. L. 2016, Volume One, Appendix, commencing at Page 1 of 145), is amended by striking everything following the Part I designation up to but not including the Part II designation and by substituting in lieu thereof the following:

"The sums of money hereinafter provided are appropriated for the State Fiscal Year beginning July 1, 2016, and ending June 30, 2017, as prescribed hereinafter for such fiscal year:

State Soil and Water Conservation Commission

The purpose of this appropriation is to protect, conserve, and improve the soil and water resources of the State of Georgia; conserve ground and surface water in Georgia by increasing the uniformity and efficiency of agricultural water irrigation systems, by installing meters on sites with permits for agricultural use to obtain data on agricultural water usage, and by administering the use of federal funds to construct and renovate agricultural water catchments; inspect, maintain and provide assistance to owners of USDA flood control structures so that they comply with the state Safe Dams Act; and to provide funds for planning and research on water management, erosion and sedimentation control.

Rental Housing Programs

Continuation Budget

Appropriation (HB 43)

The purpose of this appropriation is to provide affordable rental housing to very low, and moderate-income households by allocating federal and state housing tax credits on a competitive basis, by administering low-interest loans for affordable rental housing, by researching affordable housing issues, and by providing tenant-based assistance to low-income individuals and families allowing them to rent safe, decent, and sanitary dwelling units in the private rental market.

Community Services

Continuation Budget

The purpose of this appropriation is to protect the public, hold youth accountable for their actions, assist youth in becoming law-abiding citizens and transition youth from secure detention, and provide the following alternative detention options: non-secure detention shelters, housebound detention, emergency shelters, a short-term stay in a residential placement, tracking services, wraparound services, electronic monitoring, or detention in an alternative program. Additionally, Community Supervision supervises youth directly in the community according to their risk and need levels, provides transitional and treatment services to those youth either directly or by brokering or making appropriate referrals for services, and provides agency-wide services, including intake, court services, and case management.

Coastal Resources

Continuation Budget

The purpose of this appropriation is to preserve the natural, environmental, historic, archaeological, and recreational resources of the state's coastal zone by balancing economic development with resource preservation and improvement by assessing and restoring coastal wetlands, by regulating development within the coastal zone, by promulgating and enforcing rules and regulations to protect the coastal wetlands, by monitoring the population status of commercially and recreationally fished species and developing fishery management plans, by providing fishing education, and by constructing and maintaining artificial reefs.

Environmental Protection

Continuation Budget

The purpose of this appropriation is to protect the quality of Georgia's air by controlling, monitoring and regulating pollution from large, small, mobile, and area sources (including pollution from motor vehicle emissions) by performing ambient air monitoring, and by participating in the Clean Air Campaign; to protect Georgia's land by permitting, managing, and planning for solid waste facilities, by implementing waste reduction strategies, by administering the Solid Waste Trust Fund and the Underground Storage Tank program, by cleaning up scrap tire piles, and by permitting and regulating surface mining operations; to protect Georgia and its citizens from hazardous materials by investigating and remediating hazardous sites, and by utilizing the Hazardous Waste Trust Fund to manage the state's hazardous sites inventory, to oversee site cleanup and brownfield remediation, to remediate abandoned sites, to respond to environmental emergencies, and to monitor and regulate the hazardous materials industry in Georgia. The purpose of this appropriation is also to ensure the quality and quantity of Georgia's water supplies by managing floodplains, by ensuring the safety of dams, by monitoring, regulating, and certifying water quality, and by regulating the amount of water used.

225.100 Environmental Protection

The purpose of this appropriation is to protect the quality of Georgia's air by controlling, monitoring and regulating pollution from large, small, mobile, and area sources (including pollution from motor vehicle emissions) by performing ambient air monitoring, and by participating in the Clean Air Campaign; to protect Georgia's land by permitting, managing, and planning for solid waste facilities, by implementing waste reduction strategies, by administering the Solid Waste Trust Fund and the Underground Storage Tank program, by cleaning up scrap tire piles, and by permitting and regulating surface mining operations; to protect Georgia and its citizens from hazardous materials by investigating and remediating hazardous sites, and by utilizing the Hazardous Waste Trust Fund to manage the state's hazardous sites inventory, to oversee site cleanup and brownfield remediation, to remediate abandoned sites, to respond to environmental emergencies, and to monitor and regulate the hazardous materials industry in Georgia. The purpose of this appropriation is also to ensure the quality and quantity of Georgia's water supplies by managing floodplains, by ensuring the safety of dams, by monitoring, regulating, and certifying water quality, and by regulating the amount of water used.

the unbuilt of water used.

It is the intent of this General Assembly that the following provisions apply:

a.) In order to meet the requirements for projects on the Interstate System, the Office of Planning and Budget is hereby authorized and directed to give advanced budgetary authorization for letting and execution of Interstate Highway Contracts not to exceed the amount of Motor Fuel Tax Revenues actually paid into the Office of the State Treasurer, attached agency of the Department of Administrative Services.

b.) Programs financed by Motor Fuel Tax Funds may be adjusted for additional appropriation or balances brought forward from previous years with prior approval by the Office of Planning and Budget.

c.) The Fiscal Officers of the State are hereby directed as of July 1st of each fiscal year to determine the collection of Motor Fuel Tax in the immediately preceding year less refunds, rebates and collection costs and enter this amount as being the appropriation payable in lieu of the Motor Fuel Tax Funds appropriated in this Bill, in the event such collections, less refunds, rebates and collection costs, exceed such Motor Fuel Tax Appropriation.

d.) Functions financed with General Fund appropriations shall be accounted for separately and shall be in addition to appropriations of Motor Fuel Tax revenues required under Article III, Section IX, Paragraph VI, Subsection (b) of the State Constitution. e.) Bus rental income may be retained to operate, maintain and upgrade department-owned buses.

[Bond # 16] From State General Funds, \$462,800 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 17] From State General Funds, \$535,720 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,900,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 18] From State General Funds, \$1,624,260 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$18,975,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 19] From State General Funds, \$208,260 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$900,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 20] From State General Funds, \$254,540 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,100,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 21] From State General Funds, \$578,500 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 22] From State General Funds, \$416,872 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,870,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 23] From State General Funds, \$321,000 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,750,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 24] From State General Funds, \$2,508,080 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$29,300,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 25] From State General Funds, \$1,515,120 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$17,700,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 26] From State General Funds, \$428,000 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 27] From State General Funds, \$445,120 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,200,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 28] From State General Funds, \$282,480 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,300,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 29] From State General Funds, \$971,880 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,200,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 30] From State General Funds, \$556,400 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 31] From State General Funds, \$136,960 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,600,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 32] From State General Funds, \$128,400 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 33] From State General Funds, \$171,200 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 34] From State General Funds, \$150,410 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$650,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 35] From State General Funds, \$363,200 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 36] From State General Funds, \$231,400 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 37] From State General Funds, \$454,000 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 38] From State General Funds, \$111,280 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing projects and facilities for the Board of Trustees of the Georgia Military College by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,300,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 39] From State General Funds, \$116,857 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing projects and facilities for the Board of Trustees of the Georgia Military College by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$505,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months. [Bond # 40] From State General Funds, \$171,200 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 41] From State General Funds, \$462,800 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 42] From State General Funds, \$171,200 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 43] From State General Funds, \$115,700 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing projects and facilities for the Georgia Public Telecommunications Commission by means of the acquisition,

construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months. [Bond # 44] From State General Funds, \$200,161 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing projects and facilities for the Georgia Public Telecommunications Commission by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$865,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months. [Bond # 45] From State General Funds, \$428,000 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 46] From State General Funds, \$272,400 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 47] From State General Funds, \$115,560 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,350,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 48] From State General Funds, \$327,420 is specifically appropriated for the purpose of financing projects and facilities for the Board of Regents of the University System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,825,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 49] From State General Funds, \$171,200 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 50] From State General Funds, \$171,200 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 51] From State General Funds, \$154,080 is specifically appropriated for the Board of Regents of the University System of Georgia for the purpose of financing public library facilities for counties, municipalities, and boards of trustees of public libraries or boards of trustees of public library systems, through the issuance of not more than \$1,800,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 52] From State General Funds, \$1,362,000 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$15,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 53] From State General Funds, \$2,776,800 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$12,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 54] From State General Funds, \$2,176,317 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$9,405,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 55] From State General Funds, \$4,382,916 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$48,270,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 56] From State General Funds, \$454,000 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 57] From State General Funds, \$1,468,690 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$16,175,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 58] From State General Funds, \$1,139,086 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$12,545,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 59] From State General Funds, \$817,200 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$9,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 60] From State General Funds, \$45,400 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 61] From State General Funds, \$90,800 is specifically appropriated for the purpose of financing projects and facilities for the Technical College System of Georgia by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 62] From State General Funds, \$433,564 is specifically appropriated for the purpose of financing projects and facilities for the Department of Behavioral Health and Developmental Disabilities by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,065,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 63] From State General Funds, \$694,200 is specifically appropriated for the purpose of financing projects and facilities for the Department of Community Health by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 64] From State General Funds, \$94,874 is specifically appropriated for the purpose of financing projects and facilities for the Department of Human Services by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$410,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 65] From State General Funds, \$1,115,348 is specifically appropriated for the purpose of financing projects and facilities for the Department of Human Services by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,820,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 66] From State General Funds, \$1,110,720 is specifically appropriated for the purpose of financing projects and facilities for the Department of Public Health by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,800,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 67] From State General Funds, \$92,560 is specifically appropriated for the purpose of financing projects and facilities for the Department of Public Health by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$400,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 68] From State General Funds, \$256,800 is specifically appropriated for the purpose of financing projects and facilities for the Department of Veterans Service by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 69] From State General Funds, \$227,000 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Vocational Rehabilitation Agency by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 70] From State General Funds, \$351,728 is specifically appropriated for the purpose of financing projects and facilities for the Department of Community Supervision by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,520,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 71] From State General Funds, \$134,212 is specifically appropriated for the purpose of financing projects and facilities for the Department of Community Supervision by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$580,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 72] From State General Funds, \$694,200 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 73] From State General Funds, \$537,568 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,280,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 74] From State General Funds, \$593,541 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,565,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 75] From State General Funds, \$960,432 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$11,220,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 76] From State General Funds, \$160,024 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,205,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of one hundred and twenty months.

[Bond # 77] From State General Funds, \$521,807 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,255,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 78] From State General Funds, \$1,175,716 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$13,735,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 79] From State General Funds, \$333,412 is specifically appropriated for the purpose of financing projects and facilities for the Department of Corrections by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,895,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 80] From State General Funds, \$168,922 is specifically appropriated for the purpose of financing projects and facilities for the Department of Defense by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$730,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 81] From State General Funds, \$17,120 is specifically appropriated for the purpose of financing projects and facilities for the Department of Defense by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$200,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 82] From State General Funds, \$1,914,835 is specifically appropriated for the purpose of financing projects and facilities for the Department of Driver Services by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$8,275,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 83] From State General Funds, \$48,594 is specifically appropriated for the purpose of financing projects and facilities for the Department of Driver Services by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$210,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 84] From State General Funds, \$234,871 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,015,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 85] From State General Funds, \$163,137 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$705,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 86] From State General Funds, \$399,165 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,725,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 87] From State General Funds, \$38,520 is specifically appropriated for the purpose of financing projects and facilities for the

Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$450,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 88] From State General Funds, \$69,420 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$300,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 89] From State General Funds, \$246,441 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,065,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 90] From State General Funds, \$462,800 is specifically appropriated for the Georgia Bureau of Investigation for the purpose of financing projects and facilities for the Criminal Justice Coordinating Council by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 91] From State General Funds, \$430,404 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Bureau of Investigation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,860,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 92] From State General Funds, \$470,800 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 93] From State General Funds, \$1,426,581 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,165,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 94] From State General Funds, \$647,920 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,800,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 95] From State General Funds, \$330,416 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,860,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 96] From State General Funds, \$115,700 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 97] From State General Funds, \$199,004 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$860,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 98] From State General Funds, \$174,707 is specifically appropriated for the purpose of financing projects and facilities for the Department of Juvenile Justice by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$755,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 99] From State General Funds, \$1,470,547 is specifically appropriated for the purpose of financing projects and facilities for the Department of Public Safety by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,355,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 100] From State General Funds, \$300,820 is specifically appropriated for the purpose of financing projects and facilities for the Department of Public Safety by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,300,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 101] From State General Funds, \$86,775 is specifically appropriated for the purpose of financing projects and facilities for the Department of Public Safety by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection

therewith, through the issuance of not more than \$375,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 102] From State General Funds, \$312,440 is specifically appropriated for the Department of Public Safety for the purpose of financing projects and facilities for the Georgia Public Safety Training Center by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,650,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 103] From State General Funds, \$578,500 is specifically appropriated for the purpose of financing projects and facilities for the State Accounting Office by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 104] From State General Funds, \$578,500 is specifically appropriated for the purpose of financing projects and facilities for the Department of Banking and Finance by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 105] From State General Funds, \$171,200 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Building Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 106] From State General Funds, \$556,400 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Building Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 107] From State General Funds, \$578,500 is specifically appropriated for the purpose of financing projects and facilities for the Georgia General Assembly Joint Offices by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 108] From State General Funds, \$419,991 is specifically appropriated for the purpose of financing projects and facilities for the Georgia House of Representatives by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,815,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 109] From State General Funds, \$138,840 is specifically appropriated for the purpose of financing projects and facilities for the Department of Labor by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$600,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 110] From State General Funds, \$173,550 is specifically appropriated for the purpose of financing projects and facilities for the Georgia Public Defender Council by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$750,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 111] From State General Funds, \$416,520 is specifically appropriated for the purpose of financing projects and facilities for the Public Service Commission by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,800,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 112] From State General Funds, \$5,322,200 is specifically appropriated for the purpose of financing projects and facilities for the Department of Revenue by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$23,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 113] From State General Funds, \$462,800 is specifically appropriated for the purpose of financing projects and facilities for the Department of Revenue by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$2,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 114] From State General Funds, \$231,400 is specifically appropriated for the purpose of financing projects and facilities for the Department of Agriculture by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 115] From State General Funds, \$115,700 is specifically appropriated for the purpose of financing projects and facilities for the Department of Agriculture by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 117] From State General Funds, \$428,000 is specifically appropriated for the Georgia Environmental Finance Authority for the purpose of financing loans to counties, municipal corporations, political subdivisions, local authorities, and other local government entities for water or sewerage facilities or systems or for regional or multijurisdictional solid waste recycling or solid waste facilities or systems, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 118] From State General Funds, \$856,000 is specifically appropriated for the Georgia Environmental Finance Authority for the purpose of financing loans to counties, municipal corporations, political subdivisions, local authorities, and other local government entities for water or sewerage facilities or systems or for regional or multijurisdictional solid waste recycling or solid waste facilities or systems, through the issuance of not more than \$10,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 119] From State General Funds, \$342,400 is specifically appropriated for the purpose of financing projects and facilities for the Jekyll Island State Park Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 120] From State General Funds, \$858,494 is specifically appropriated for the purpose of financing projects and facilities for the Department of Natural Resources by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,710,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 121] From State General Funds, \$1,747,900 is specifically appropriated for the purpose of financing projects and facilities for the Department of Natural Resources by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$19,250,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 122] From State General Funds, \$347,100 is specifically appropriated for the purpose of financing projects and facilities for the Department of Natural Resources by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,500,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 123] From State General Funds, \$29,960 is specifically appropriated for the purpose of financing projects and facilities for the Department of Natural Resources by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$350,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 124] From State General Funds, \$1,707,040 is specifically appropriated for the purpose of financing projects and facilities for the Department of Natural Resources by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$18,800,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 125] From State General Funds, \$417,677 is specifically appropriated for the Department of Transportation for the purpose of financing projects and facilities for the Georgia Regional Transportation Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,805,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

[Bond # 126] From State General Funds, \$428,000 is specifically appropriated for the Department of Transportation for the purpose of financing projects and facilities for the Georgia Regional Transportation Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$5,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 127] From State General Funds, \$573,520 is specifically appropriated for the purpose of financing projects and facilities for the State Soil and Water Conservation Commission by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,700,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 128] From State General Funds, \$8,560,000 is specifically appropriated for the purpose of financing projects and facilities for the Department of Transportation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$100,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 129] From State General Funds, \$170,250 is specifically appropriated for the purpose of financing projects and facilities for the Department of Transportation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$1,875,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 130] From State General Funds, \$558,420 is specifically appropriated for the purpose of financing projects and facilities for the Department of Transportation by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$6,150,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

[Bond # 131] From State General Funds, \$272,400 is specifically appropriated for the Department of Economic Development for the purpose of financing projects and facilities for the Georgia World Congress Center Authority by means of the acquisition, construction,

development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months. [Bond # 132] From State General Funds, \$363,200 is specifically appropriated for the Department of Economic Development for the purpose of financing projects and facilities for the Georgia World Congress Center Authority by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$4,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of two hundred and forty months.

Section 51: General Obligation Bonds Repealed, Revised, or Reinstated

The following paragraph of Section 50 of the General Appropriations Act for State Fiscal Year 2014 2015 (Ga. L. 2014, Volume One Appendix, commencing at p. 1 of 139, 134, Act No. 632, 2014 Regular Session, H.B. 744) signed by the Governor on April 28, 2014, carried forward in Section 50 of the Supplementary General Appropriations Act for State Fiscal Year 2014 2015 (Ga. L. 2015, Volume One Appendix, commencing at p. 1 of 98, 92, Act No. 1, 2015 Regular Session, H.B. 75) signed by the Governor on February 19, 2015, and which reads as follows:

[Bond # 110] From State General Funds, \$694,200 is specifically appropriated for the purpose of financing projects and facilities for the Secretary of State by means of the acquisition, construction, development, extension, enlargement, or improvement of land, waters, property, highways, buildings, structures, equipment or facilities, both real and personal, necessary or useful in connection therewith, through the issuance of not more than \$ 3,000,000 in principal amount of General Obligation Debt, the instruments of which shall have maturities not in excess of sixty months.

is hereby repealed in its entirety.

Section 52: Salary Adjustments

The appropriations to budget units made above include funds for, and have the added purpose of, the following salary increases and adjustments, to be administered in conformity with the applicable compensation and performance management plans as provided by law:

1.) Additional funds for personal services for employees of the Executive, Judicial, and Legislative Branches, excluding Board of Regents faculty and Technical College System of Georgia teachers and support personnel, to be used for merit based pay increases for high performing employees in Fiscal Year 2016 and salary adjustments to attract new employees with critical skills or keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2016.

2.) Before Item 1 above, but not in lieu of it, funds for supplementary salary adjustments to address employee retention needs for certain employees in the job titles specified in the appropriations stated above to the Department of Banking and Finance, Department of Behavioral Health and Developmental Disabilities, Department of Corrections, Georgia Bureau of Investigation, Department of Juvenile Justice, Department of Law, Department of Natural Resources, Department of Public Health, Department of Public Safety, Prosecuting Attorneys, and Georgia Public Defender Council. The amount for this item is calculated according to an effective date of July 1, 2016.

3.) In lieu of other numbered items, funds to provide a twenty percent salary adjustment to law enforcement personnel and to provide salary enhancements for criminal investigators. The amount for this item is calculated according to an effective date of January 1, 2017.

4.) In lieu of other numbered items, funds for the State Board of Education for the Quality Basic Education program, such funds to be used by the Quality Basic Education program for the purpose of reducing or eliminating furlough days, increasing instructional days, and providing salary increases to teachers in local education authorities. The amount for this item is calculated according to an effective date of July 1, 2016.

5.) In lieu of other numbered items, funds for the Department of Early Care and Learning for pre-kindergarten teachers to be used for employee recruitment and retention initiatives. The amount for this item is calculated according to an effective date of July 1, 2016.

6.) Before Item 5 above, but not in lieu of it, additional funds for the Department of Early Care and Learning to implement a new compensation model to retain lead teachers, increase assistant teacher salaries, and maintain classroom quality. The amount for this item is calculated according to an effective date of July 1, 2016.

7.) In lieu of other numbered items, additional funds for personal services for non-faculty employees of the Board of Regents, to be used for merit based pay increases for high performing employees in Fiscal Year 2016 and salary adjustments to attract new employees with critical skills or to keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2016.

8.) In lieu of other numbered items, to provide funds for supplementary salary adjustments to address needs for the recruitment and retention of Board of Regents faculty, funded through the Teaching program appropriation stated above. The amount for this item is calculated according to an effective date of July 1, 2016.

9.) In lieu of other numbered items, additional funds for personal services for public librarians, funded through the Public Libraries appropriation stated above, to be used for merit based pay increases for high performing employees in Fiscal Year 2016 and salary adjustments to attract new employees with critical skills or keep successful performers in critical jobs as administered by the Board of Regents. The amount for this item is calculated according to an effective date of July 1, 2016.

10.) In lieu of other numbered items, additional funds for personal services for teachers and support personnel within the Technical College System of Georgia, to be used for merit based pay increases for high performing employees in Fiscal Year 2016 and salary adjustments to attract new employees with critical skills or to keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2016.

Section 53: Refunds

HB 43 (FY 2017A)

In addition to all other appropriations, there is hereby appropriated, as needed, a specific sum of money equal to each refund authorized by law, which is required to make refunds of taxes and other monies collected in error, farmer gasoline tax refunds, and any other refunds specifically authorized by law.

Section 54: Leases

In accordance with the requirements of Article IX, Section III, Paragraph I(a) of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year under existing lease contracts between any department, agency, or institution of the State and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State Fiscal Year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, then there shall be taken from other funds appropriated to the department, agency, or institution involved an amount sufficient to satisfy such deficiency in full, and the lease payment shall constitute a first charge on all such appropriations.

Section 55: Budgetary Control and Interpretation

The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. The most specific level of detail for authorizations for general obligation debt in Section 50 shall be the authorizing paragraphs.

Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement of purpose but constitutes information as to how the appropriation was derived. Amounts in the columns other than the right-most column are for informational purposes only. The summary and lowest level of detail for the fund source categories "Total Agency Funds" and "Total Intra-State Governmental Transfers," are for informational purposes only. The blocks of text and numerals immediately following the section header and beginning with the phrases, "Section Total - Continuation" and "Section Totals - Final" are for informational purposes only. Sections 51, 52, 53 and 54 contain, constitute, or amend appropriations.

Section 56: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid," "Medicaid: Aged, Blind, and Disabled," and "PeachCare" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "Capital Construction Projects," "Capital Maintenance Projects," and "Local Road Assistance Administration" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added."

Part II: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

Part III: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.
