

Senator Mike Crane

Senate District 28

Senator Mike Crane was elected to the state Senate in December of 2011. Senator Crane represents the 28th District, which includes Coweta and Heard counties as well as portions of Carroll, Fulton and Troup counties.

Senator Crane currently serves as Chairman of the Reapportionment and Redistricting Committee. He is a member of the Retirement, Appropriations, and Judiciary Non-Civil committees. Senator Crane previously served on the Banking, Finance, Economic Development and Education committees.

After graduating from Stone Mountain High School, Senator Crane attended Georgia Tech where he earned a Bachelor's degree in Industrial Management in 1987.

He manages his general contracting firm that has been operating since 2001. During his construction career, he worked on and built some of Atlanta's most recognizable landmarks, including: the downtown Varsity, the CNN Center and Underground Atlanta. Senator Crane is a licensed general contractor in Georgia and a licensed builder in Florida.

He has been active with many local churches by teaching Sunday school, serving on finance and building committees, working on mission trips, participating in prison ministries, and supporting children's home outreach programs. His family currently attends Forward Church in Newnan.

Senator Crane and his wife of 26 years, Tracey, are blessed to have two children, Caitlin and Ethan.
