(2) Immediately deliver such child to a medical facility if such child is believed to suffer from a serious physical condition or illness which requires prompt treatment and, upon delivery, shall promptly contact a juvenile court intake officer. Immediately upon being notified by the person taking such child into custody, the juvenile court intake officer shall determine if such child can be administered a detention assessment and if so, shall conduct such assessment and determine if such child should be released, remain in protective custody, or be brought before the court;

or

(3) Bring such child immediately before the juvenile court or promptly contact a juvenile court intake officer. (a) Restraints on the freedom of an alleged delinquent child prior to adjudication shall be imposed only when there is probable cause to believe that such child committed the act of which he or she is accused, that there is clear and convincing evidence that such child's freedom should be restrained, that no less restrictive alternatives will suffice, and that:

(1) Such child's detention or care is required to reduce the likelihood that he or she may inflict serious bodily harm on others during the interim period;

(2) Such child has a demonstrated pattern of theft or destruction of property such that detention is required to protect the property of others;

- (3) Such child's detention is necessary to secure his or her presence in court to protect the jurisdiction and processes of the court; or

- (f) Before entering an order authorizing detention, the court shall determine whether a child's continuation in his or her home is contrary to his or her welfare and whether there are available services that would prevent or eliminate the need for detention. The court shall make that determination on a case-by-case basis and shall make written findings of fact referencing any and all evidence relied upon in reaching its decision.
- (g) If an alleged delinquent child can remain in the custody of his or her parent, guardian, or legal custodian through the provision of services to prevent the need for removal, the court shall order that such services shall be provided.

- (d) A child shall not be transported with adults who have been charged with or convicted of a crime. DJJ may transport a child with children who have been charged with or convicted of a crime in superior court.
- (e) The official in charge of a jail or other facility for the detention of adult offenders or persons charged with a crime shall inform the court or the juvenile court intake officer immediately when a child who appears to be under the age of 17 years is received at such facility and shall deliver such child to the court upon request or transfer such child to the facility designated by the juvenile court intake officer or the court.

- (12) Date of and authority for release or transfer; and

(h) If an alleged delinquent child cannot be returned to the custody of his or her parent, guardian, or legal custodian, a probation officer shall provide referrals for services as soon as possible to enable such child's parent, guardian, or legal custodian to obtain any assistance that may be needed to effectively provide the care and control necessary for such child to return home.

(b) If a child accused of a violent delinquent act is detained pending adjudication, a juvenile court intake officer shall provide notice to the victim, whenever practicable, that such child is to be released from detention not less than 24 hours prior to such child's release from detention.

(c) Not less than 48 hours prior to a child who has been adjudicated to have committed a violent delinquent act being released from detention or transferred to a nonsecure

residential facility, a juvenile court intake officer shall, whenever practicable, provide notice to the victim of such pending release or transfer.

(d) Victim notification need not be given unless a victim has expressed a desire for such notification and has provided a juvenile court intake officer with a current address and telephone number. It shall be the duty of a juvenile court intake officer to advise the victim of his or her right to notification and of the requirement of the victim to provide a primary and personal telephone number to which such notification shall be directed.

Part 4

15-11-510.

(a) If an alleged delinquent child has not been detained after the filing of a complaint, he or she shall be promptly referred to intake or given a date for arraignment.

(b) At intake, the court, the juvenile court intake officer, or other officer designated by the court shall inform a child of:

(1) The contents of the complaint;

(2) The nature of the proceedings;

(3) The possible consequences or dispositions that may apply to such child's case following adjudication; and

(4) His or her due process rights, including the right to an attorney and to an appointed attorney; the privilege against self-incrimination; that he or she may remain silent and that anything said may be used against him or her; the right to confront anyone who testifies against him or her and to cross-examine any persons who appear to testify against him or her; the right to testify and to compel other witnesses to attend and testify in his or her own behalf; the right to a speedy adjudication hearing; and the right to appeal and be provided with a transcript for such purpose.

(c) A juvenile court intake officer may elect to pursue a case through informal adjustment or other nonadjudicatory procedure in accordance with the provisions of Code Section 15-11-515.

(d) If a case is to be prosecuted further and handled other than by informal adjustment or other nonadjudicatory procedure, a referral shall be made to the prosecuting attorney and a petition for delinquency shall be filed within 30 days of the filing of a complaint.

15-11-511.

(a) At arraignment, the court shall inform a child of:

(1) The contents of the petition alleging delinquency;

(2) The nature of the proceedings;

(3) The possible consequences or dispositions that may apply to such child's case following adjudication; and

(4) His or her due process rights, including the right to an attorney and to an appointed attorney; the privilege against self-incrimination; that he or she may remain silent and that anything said may be used against him or her; the right to confront

anyone who testifies against him or her and to cross-examine any persons who appear to testify against him or her; the right to testify and to compel other witnesses to attend and testify in his or her own behalf; the right to a speedy adjudication hearing; and the right to appeal and be provided with a transcript for such purpose.

(b) The court may accept an admission at arraignment and may proceed immediately to disposition if a child is represented by counsel at arraignment or if a child's liberty is not in jeopardy, he or she may waive the right to counsel at arraignment. A child represented by counsel or whose liberty is not in jeopardy may make a preliminary statement indicating whether he or she plans to admit or deny the allegations of the complaint at the adjudication hearing, but the court shall not accept an admission from a child whose liberty is in jeopardy and who is unrepresented by counsel.

(c) The court shall appoint an attorney to represent an alleged delinquent child whose liberty is in jeopardy and who is an indigent person.

Part 5

15-11-515.

(a) Before a petition for informal adjustment is filed, a probation officer or other officer designated by the court, subject to the court's direction, may inform the parties of informal adjustment if it appears that:

(1) The admitted facts bring the case within the jurisdiction of the court;

(2) Counsel and advice without an adjudication would be in the best interests of the public and a child, taking into account at least the following factors:

(A) The nature of the alleged offense;

(B) The age and individual circumstances of such child;

(C) Such child's prior record, if any;

(D) Recommendations for informal adjustment made by the complainant or the victim; and

(E) Services to meet such child's needs and problems may be unavailable within the formal court system or may be provided more effectively by alternative community programs; and

(3) A child and his or her parent, guardian, or legal custodian consent with knowledge that consent is not obligatory.

(b) The giving of counsel and advice shall not extend beyond three months unless extended by the court for an additional period not to exceed three months and shall not authorize the detention of a child if not otherwise permitted by this article.

(c) An incriminating statement made by a participant in an informal adjustment to the person giving counsel or advice and in the discussion or conferences incident thereto shall not be used against the declarant over objection in any hearing except in a hearing on disposition in a juvenile court proceeding or in a criminal proceeding upon conviction for the purpose of a presentence investigation.

(d) If a child is alleged to have committed a class A designated felony act or class B designated felony act, the case shall not be subject to informal adjustment, counsel, or

advice without the prior consent of the district attorney or his or her authorized representative.

Part 6

15-11-520.

A petition alleging delinquency shall be filed by an attorney as set forth in Code Section 15-18-6.1.

15-11-521.

(a) If a child is in detention prior to adjudication, a petition alleging delinquency shall be filed not later than 72 hours after the detention hearing. If no petition alleging delinquency is filed within the applicable time, such child shall be released from detention and the complaint shall be dismissed without prejudice. Such petition may be refiled as provided in subsection (b) of this Code section within the statute of limitations.

(b) If a child is not in detention prior to adjudication, a petition alleging delinquency shall be filed within 30 days of the filing of the complaint alleging violation of a criminal law or within 30 days of such child's release pursuant to a determination that detention is not warranted. Upon a showing of good cause and notice to all parties, the court may grant an extension of time for filing a petition alleging delinquency. The court shall issue a written order reciting the facts justifying any extension.

15-11-522.

A petition alleging delinquency shall be verified and may be on information and belief. It shall set forth plainly and with particularity:

(1) The facts which bring a child within the jurisdiction of the court, with a statement that it is in the best interests of such child and the public that the proceeding be brought and that such child is in need of supervision, treatment, or rehabilitation, as the case may be;

(2) The name, age, and residence address of such child on whose behalf such petition is brought;

(3) The name and residence address of such child's parent, guardian, or legal custodian; or, if such child's parent, guardian, or legal custodian does not reside or cannot be found within this state or if such place of residence address is unknown, the name of any of such child's known adult relative residing within the county or, if there is none, such child's known adult relative residing nearest to the location of the court;

(4) If a child is in custody, the place of his or her detention and the time such child was taken into custody;

(5) If a child is being charged with a class A designated felony act or class B designated felony act; and

(6) Whether any of the information required by this Code section is unknown.

15-11-523.

(a) A prosecuting attorney may amend a petition alleging delinquency at any time prior to the commencement of the adjudication hearing. However, if an amendment is made, a child may request a continuance of his or her adjudication hearing. A continuance may be granted by the court for such period as required in the interest of justice.

(b) When a petition alleging delinquency is amended to include material changes to the allegations or new charges of delinquency for adjudication, the petition shall be served in accordance with Code Sections 15-11-530 and 15-11-531.

(c) After jeopardy attaches, a petition alleging delinquency shall not be amended to include new charges of delinquency.

Part 715-11-530.

(a) The court shall direct the issuance of a summons to a child and his or her parent, guardian, or legal custodian requiring them to appear before the court at the time fixed to answer the allegations of a petition alleging delinquency. A copy of the petition shall accompany the summons.

(b) The summons shall state that a party shall be entitled to have an attorney in the proceedings and that the court will appoint an attorney if the party is an indigent person.

15-11-531.

(a) If a party to be served with a summons is within this state and can be found, the summons shall be served upon him or her personally as soon as possible and at least 24 hours before the adjudication hearing.

(b) If a party to be served is within this state and cannot be found but his or her address is known or can be ascertained with due diligence, the summons shall be served upon such party at least five days before the adjudication hearing by mailing him or her a copy by registered or certified mail or statutory overnight delivery, return receipt requested.

(c) If an individual to be served is outside this state but his or her address is known or can be ascertained with due diligence, notice of the summons shall be made at least five days before the adjudication hearing either by delivering a copy to such party personally or by mailing a copy to him or her by registered or certified mail or statutory overnight delivery, return receipt requested.

(d) Service of the summons may be made by any suitable person under the direction of the court.

(e) The court may authorize payment from county funds of the costs of service and of necessary travel expenses incurred by persons summoned or otherwise required to appear at the hearing.

15-11-532.

(a) In the event a child's parent, guardian, or legal custodian willfully fails to appear personally at a hearing on a petition alleging delinquency after being ordered to so

appear or a child's parent, guardian, or legal custodian willfully fails to bring such child to a hearing after being so directed, the court may issue a rule nisi against the person directing the person to appear before the court to show cause why he or she should not be held in contempt of court.

(b) If a parent, guardian, or legal custodian of the alleged delinquent child fails to appear in response to an order to show cause, the court may issue a bench warrant directing that such parent, guardian, or legal custodian be brought before the court without delay to show cause why he or she should not be held in contempt and the court may enter any order authorized by the provisions of Code Section 15-11-31.

(c) If a child 16 years of age or older fails to appear at a hearing on a petition alleging delinquency after being ordered to so appear, the court may issue a bench warrant requiring that such child be brought before the court without delay and the court may enter any order authorized by the provisions of Code Section 15-11-31.

(d) If there is sworn testimony that a child 14 years of age but not yet 16 years of age willfully refuses to appear at a hearing on a petition alleging delinquency after being ordered to so appear, the court may issue a bench warrant requiring that such child be brought before the court and the court may enter any order authorized by the provisions of Code Section 15-11-31.

Part 8

15-11-540.

A delinquency petition shall be dismissed by the court upon the motion of the prosecuting attorney setting forth that there is not sufficient evidence to warrant further proceedings.

15-11-541.

(a) Except as limited by subsection (d) of Code Section 15-11-542, in all cases in which a child is charged with having committed a delinquent act, such child shall, upon filing a motion for discovery with the court and serving a copy of the motion to the prosecuting attorney, have full access to the following for inspection, copying, or photographing:

(1) A copy of the complaint;

(2) A copy of the petition for delinquency;

(3) The names and last known addresses and telephone numbers of each witness to the occurrence which forms the basis of the charge;

(4) A copy of any written statement made by such child or any witness that relates to the testimony of a person whom the prosecuting attorney intends to call as a witness;

(5) A copy of any written statement made by any alleged coparticipant which the prosecuting attorney intends to use at a hearing;

(6) Transcriptions, recordings, and summaries of any oral statement of such child or of any witness, except attorney work product;

(7) Any scientific or other report which is intended to be introduced at the hearing or

that pertains to physical evidence which is intended to be introduced;

(8) Photographs and any physical evidence which are intended to be introduced at the hearing; and

(9) Copies of the police incident report and supplemental report, if any, regarding the occurrence which forms the basis of the charge.

(b) The prosecuting attorney shall disclose all evidence, known or that may become known to him or her, favorable to such child and material either to guilt or punishment.

(c) If a child requests disclosure of information pursuant to subsection (a) of this Code section, it shall be the duty of such child to promptly make the following available for inspection, copying, or photographing to the prosecuting attorney:

(1) The names and last known addresses and telephone numbers of each witness to the occurrence which forms the basis of the defense;

(2) Any scientific or other report which is intended to be introduced at the hearing or that pertains to physical evidence which is intended to be introduced;

(3) Photographs and any physical evidence which he or she intends to introduce at the hearing; and

(4) A copy of any written statement made by any witness that relates to the testimony of a person whom the child intends to call as a witness.

(d) A request for discovery or reciprocal discovery shall be complied with promptly and not later than 48 hours prior to the adjudication hearing, except when later compliance is made necessary by the timing of the request. If the request for discovery is made fewer than 48 hours prior to the adjudication hearing, the discovery response shall be produced in a timely manner.

(e) Any material or information furnished to a child pursuant to a discovery request shall remain in the exclusive custody of such child and shall only be used during the pendency of the case and shall be subject to such other terms and conditions as the court may provide.

15-11-542.

(a) If a request for discovery is refused, application may be made to the court for a written order granting discovery.

(b) Motions to compel discovery shall certify that a request for discovery was made and was refused.

(c) An order granting discovery shall require reciprocal discovery.

(d) The court may deny, in whole or in part, or otherwise limit or set conditions concerning discovery upon sufficient showing by a person or entity to whom a request for discovery is made that disclosure of the information would:

(1) Jeopardize the safety of a party, witness, or confidential informant;

(2) Create a substantial threat of physical or economic harm to a witness or other person;

(3) Endanger the existence of physical evidence;

(4) Disclose privileged information; or

(5) Impede the criminal prosecution of a child who is being prosecuted as an adult or

the prosecution of an adult charged with an offense arising from the same transaction or occurrence.

15-11-543.

(a) Upon written request by a prosecuting attorney stating the time, date, and place at which the alleged delinquent act was committed, a child shall serve upon the prosecuting attorney a written notice of his or her intention to offer a defense of alibi.

(b) A notice to offer an alibi defense shall state the specific place or places at which a child claims to have been at the time of the alleged delinquent act and the names, addresses, dates of birth, and telephone numbers of the witnesses, if known to the child, upon whom such child intends to rely to establish his or her alibi, unless previously supplied.

(c) A request for alibi evidence shall be complied with promptly and not later than 48 hours prior to the adjudication hearing, except when later compliance is made necessary by the timing of the request. If the request for alibi evidence is made fewer than 48 hours prior to the adjudication hearing, the alibi evidence shall be produced in a timely manner.

(d) If a child withdraws his or her notice of intention to rely upon an alibi defense, the notice and intention to rely upon an alibi defense shall not be admissible; provided, however, that a prosecuting attorney may offer any other evidence regarding alibi.

(e) A prosecuting attorney shall serve upon a child a written notice stating the names, addresses, dates of birth, and telephone numbers of the witnesses, if known to the state, upon whom the state intends to rely to rebut such child's evidence of alibi, unless previously supplied.

15-11-544.

If, subsequent to providing a discovery response, the existence of additional evidence is found, it shall be promptly provided to the state or child making the discovery request.

15-11-545.

Nothing contained in the provisions governing discovery procedure under this part shall prohibit the court from ordering the disclosure of any information that the court deems necessary and appropriate for proper adjudication.

15-11-546.

If at any time during the course of the proceedings it is brought to the attention of the court that a person or entity has failed to comply with a discovery request, the court may order the person or entity to permit the discovery or inspection of evidence, grant a continuance, or upon a showing of prejudice and bad faith, prohibit the party from introducing in evidence the information not disclosed or presenting the witness not disclosed, or enter such other order as the court deems just under the circumstances. The court may specify the time, place, and manner of making the discovery, inspection, and interview and may prescribe such terms and conditions as are just.

Part 9

15-11-560.

(a) Except as provided in subsection (b) of this Code section, the court shall have concurrent jurisdiction with the superior court over a child who is alleged to have committed a delinquent act which would be considered a crime if tried in a superior court and for which an adult may be punished by loss of life, imprisonment for life without possibility of parole, or confinement for life in a penal institution.

(b) The superior court shall have exclusive original jurisdiction over the trial of any child 13 to 17 years of age who is alleged to have committed any of the following offenses:

(1) Murder;

(2) Voluntary manslaughter;

(3) Rape;

(4) Aggravated sodomy;

(5) Aggravated child molestation;

(6) Aggravated sexual battery; or

(7) Armed robbery if committed with a firearm.

(c) The granting of bail or pretrial release of a child charged with an offense enumerated in subsection (b) of this Code section shall be governed by the provisions of Code Section 17-6-1.

(d) At any time before indictment, the district attorney may, after investigation and for cause, decline prosecution in the superior court of a child 13 to 17 years of age alleged to have committed an offense specified in subsection (b) of this Code section. Upon declining such prosecution in the superior court, the district attorney shall cause a petition to be filed in the appropriate juvenile court for adjudication within 72 hours if the child is in detention or 30 days if the child is not in detention. Except as provided in paragraph (8) of subsection (b) of Code Section 15-11-602, any case transferred by the district attorney to the juvenile court pursuant to this subsection shall be subject to the class A designated felony act provisions of Code Section 15-11-602, and the transfer of the case from superior court to juvenile court shall constitute notice to such child that such case is subject to the class A designated felony act provisions of Code Section 15-11-602.

(e) After indictment, the superior court may after investigation and for extraordinary cause transfer to the juvenile court any case involving a child 13 to 17 years of age alleged to have committed voluntary manslaughter, aggravated sodomy, aggravated child molestation, or aggravated sexual battery. Any such transfer shall be appealable by the State of Georgia pursuant to Code Section 5-7-1. Upon such a transfer by the superior court, jurisdiction shall vest in the juvenile court and jurisdiction of the superior court shall terminate. Except as provided in paragraph (8) of subsection (b) of Code Section 15-11-602, any case transferred by the superior court to the juvenile court pursuant to this subsection shall be subject to the class A designated felony act provisions of Code Section 15-11-602, and the transfer of the case from superior court

to juvenile court shall constitute notice to such child that such case is subject to the class A designated felony act provisions of Code Section 15-11-602.

(f) The superior court may transfer any case involving a child 13 to 17 years of age alleged to have committed any offense enumerated in subsection (b) of this Code section and convicted of a lesser included offense not included in subsection (b) of this Code section to the juvenile court of the county of such child's residence for disposition. Upon such a transfer by the superior court, jurisdiction shall vest in the juvenile court and jurisdiction of the superior court shall terminate.

(g) Within 30 days of any proceeding in which a child 13 to 17 years of age is convicted of certain offenses over which the superior court has original jurisdiction as provided in subsection (b) of this Code section or adjudicated as a delinquent child on the basis of conduct which if committed by an adult would constitute such offenses, the superior court shall provide written notice to the school superintendent or his or her designee of the school in which such child is enrolled or, if the information is known, of the school in which such child plans to be enrolled at a future date. Such notice shall include the specific criminal offense that such child committed. The local school system to which such child is assigned may request further information from the court's file.

15-11-561.

(a) After a petition alleging delinquency has been filed but before the adjudication hearing, on its own motion or on a motion by a prosecuting attorney, the court may convene a hearing to determine whether to transfer the offense to the appropriate superior court for criminal trial if the court determines that:

(1) There is probable cause to believe that a child committed the alleged offense;

(2) Such child is not committable to an institution for the developmentally disabled or mentally ill; and

(3) The petition alleges that such child:

(A) Was at least 15 years of age at the time of the commission of the offense and committed an act which would be a felony if committed by an adult; or

(B) Was 13 or 14 years of age and either committed an act for which the punishment is loss of life or confinement for life in a penal institution or committed aggravated battery resulting in serious bodily injury to a victim.

(b) At least three days prior to the scheduled transfer hearing, written notice shall be given to a child and his or her parent, guardian, or legal custodian. The notice shall contain a statement that the purpose of the hearing is to determine whether such child is to be tried in the juvenile court or transferred for trial as an adult in superior court. A child may request and the court shall grant a continuance to prepare for the transfer hearing.

(c) After consideration of a probation report, risk assessment, and any other evidence the court deems relevant, including any evidence offered by a child, the court may determine that because of the seriousness of the offense or such child's prior record, the welfare of the community requires that criminal proceedings against such child be

instituted.

(d) No child, either before or after reaching 17 years of age, shall be prosecuted in superior court for an offense committed before the child turned 17, unless the case has been transferred as provided in this part. In addition, no child shall be subject to criminal prosecution at any time for an offense arising out of a criminal transaction for which the juvenile court retained jurisdiction in its transfer order.

15-11-562.

(a) The criteria which the court shall consider in determining whether to transfer an alleged delinquent child as set forth in subsection (b) of Code Section 15-11-560 to superior court includes, but shall not be limited to:

(1) The age of such child;

(2) The seriousness of the alleged offense, especially if personal injury resulted;

(3) Whether the protection of the community requires transfer of jurisdiction;

(4) Whether the alleged offense involved violence or was committed in an aggressive or premeditated manner;

(5) The culpability of such child including such child's level of planning and participation in the alleged offense;

(6) Whether the alleged offense is a part of a repetitive pattern of offenses which indicates that such child may be beyond rehabilitation in the juvenile justice system;

(7) The record and history of such child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions, and other placements;

(8) The sophistication and maturity of such child as determined by consideration of his or her home and environmental situation, emotional condition, and pattern of living;

(9) The program and facilities available to the juvenile court in considering disposition; and

(10) Whether or not a child can benefit from the treatment or rehabilitative programs available to the juvenile court.

(b) A probation officer shall prepare a written report developing fully all available information relevant to the transfer criteria. A probation officer shall submit such report to the parties and the court as soon as practicable but not later than 24 hours before the scheduled hearing. The child subject to transfer and the prosecuting attorney shall have the right to review such report and cross-examine the individual making such report.

(c) The court may order a transfer evaluation of a child's clinical status as it may impact the criteria in subsection (a) of this Code section. Statements made by a child in a transfer evaluation shall only be admissible into evidence in an adjudication hearing or in a criminal proceeding as provided by Code Sections 15-11-479 and 15-11-563.

15-11-563.

Statements made by a child at a transfer hearing shall not be admissible against such

child over objection in a criminal proceedings if transfer is ordered except as impeachment or rebuttal evidence.

15-11-564.

(a) The decision of the court regarding transfer of the case shall only be an interlocutory judgment which either a child or the prosecuting attorney, or both, have the right to have reviewed by the Court of Appeals.

(b) The pendency of an interlocutory appeal shall stay criminal proceedings in superior court. A child transferred for trial as an adult in superior court shall be detained only in those places authorized for the preadjudication detention of a child as set forth in Code Section 15-11-504.

15-11-565.

(a) Prior to the entry of a judgment ordering a child's transfer or during the pendency of an appeal of a judgment ordering a child's transfer, such child shall be detained only in those places authorized for the preadjudication detention of a child as set forth in Code Section 15-11-504.

(b) After the entry of a judgment ordering transfer, a child shall be detained only in those places authorized for the detention of a child until such child, as set forth in Code Section 15-11-34, reaches 17 years of age.

15-11-566.

(a) If the court decides to transfer a child for trial in superior court, it shall dismiss the juvenile court petition alleging delinquency, set forth the offense or offenses which are being transferred, and make the following findings of fact in its dismissal order:

(1) That the court had jurisdiction of the cause and the parties;

(2) That the child subject to transfer was represented by an attorney; and

(3) That the hearing was held in the presence of the child subject to transfer and his or her attorney.

(b) The dismissal order shall also recount the reasons underlying the decision to transfer jurisdiction.

(c) A dismissal of the petition alleging delinquency terminates the jurisdiction of the juvenile court over such child as to those offenses which are transferred. If the petition alleging delinquency alleges multiple offenses that constitute a single criminal transaction, the court shall either retain or transfer all offenses relating to a single criminal transaction.

(d) Once juvenile court jurisdiction is terminated, the superior court shall retain jurisdiction even though, thereafter, a child pleads guilty to, or is convicted of, a lesser included offense. The plea to, or conviction of, a lesser included offense shall not reconstitute juvenile jurisdiction over such child.

(e) A copy of the petition alleging delinquency and order of dismissal shall be sent to the district attorney of the judicial circuit in which the proceeding is taking place.

(f) If the court decides not to transfer a child for trial in superior court, it shall set a date for an adjudication hearing in juvenile court on the petition alleging delinquency.

15-11-567.

(a) Except in those cases in which the superior court has exclusive original jurisdiction or juvenile court jurisdiction has been terminated and the child has been transferred to superior court, if it appears to any court in a criminal proceeding or a quasi-criminal proceeding that the accused is a child, the case shall forthwith be transferred to the juvenile court together with a copy of the indictment, special presentment, accusation, or citation and all other papers, documents, and transcripts of testimony relating to the case.

(b) The transferring court shall order that a child be taken forthwith to the juvenile court or to a place of detention designated by the court or shall release him or her to the custody of his or her parent, guardian, legal custodian, or other person legally responsible for him or her to be brought before the juvenile court at a time designated by that court. The indictment, special presentment, accusation, or citation may not serve in lieu of a petition alleging delinquency in the juvenile court except as provided in Part 14 of this article.

Part 10

15-11-580.

(a) At the commencement of the adjudication hearing, the court shall address the alleged delinquent child, in language understandable to the child, and determine whether such child is capable of understanding statements about his or her rights under this article.

(b) If a child is capable, the court shall inquire how he or she responds to the allegations of the delinquency petition. The child may:

(1) Deny the allegations of such petition, in which case the court shall proceed to hear evidence on such petition; or

(2) Admit the allegations of such petition, in which case the court shall further inquire to determine whether there is a factual basis for adjudication. If so, the court may then adjudge such child to have committed a delinquent act.

(c) If a child stands mute, refuses to answer, or answers evasively, the court shall enter a denial of the allegations.

15-11-581.

The state shall have the burden of proving the allegations of a delinquency petition beyond a reasonable doubt.

15-11-582.

(a) The court shall fix a time for the adjudication hearing. If an alleged delinquent child is in detention, the hearing shall be scheduled to be held no later than ten days after the filing of the delinquency petition. If a child is not in detention, the hearing shall be scheduled to be held no later than 60 days after the filing of such petition.

(b) Adjudication hearings shall be conducted:

(1) By the court without a jury;

- (2) In accordance with Article 5 and Part 1 of Article 6 of Chapter 7 and Chapter 8 of Title 17, unless otherwise provided in this article;
- (3) In accordance with the rules of evidence set forth in Title 24; and
- (4) In language understandable to the child subject to the delinquency petition and participants, to the fullest extent practicable.
- (c) The court shall determine if the allegations of the petition alleging delinquency are admitted or denied in accordance with the provisions of Code Section 15-11-580.
- (d) After hearing all of the evidence, the court shall make and record its findings on whether the delinquent acts ascribed to a child were committed by such child. If the court finds that the allegations of delinquency have not been established, it shall dismiss the delinquency petition and order such child be released from any detention or legal custody imposed in connection with the proceedings.
- (e) The court shall make a finding that a child has committed a delinquent act based on a valid admission made in open court of the allegations of the delinquency petition or on the basis of proof beyond a reasonable doubt. If the court finds that a child has committed a delinquent act, the court may proceed immediately or at a postponed hearing to make disposition of the case.

Part 11

15-11-590.

- (a) After an adjudication that a child has committed a delinquent act, the court may direct that a written predisposition investigation report be prepared by the probation officer or other person designated by the court.
- (b) A predisposition investigation report shall contain such information about the characteristics, family, environment, and the circumstances affecting the child who is the subject of the report as the court determines may be helpful in its determination of the need for treatment or rehabilitation and a proper disposition of the case, including but not limited to:
 - (1) A summary of the facts of the conduct of such child that led to the adjudication;
 - (2) The sophistication and maturity of such child;
 - (3) A summary of such child's home environment, family relationships, and background;
 - (4) A summary of such child's prior contacts with the juvenile court and law enforcement agencies, including the disposition following each contact and the reasons therefor;
 - (5) A summary of such child's educational status, including, but not limited to, his or her strengths, abilities, and special educational needs. The report shall identify appropriate educational and vocational goals for such child. Examples of appropriate goals include:
 - (A) Attainment of a high school diploma or its equivalent;
 - (B) Successful completion of literacy courses;
 - (C) Successful completion of vocational courses;

- (D) Successful attendance and completion of such child's current grade if enrolled in school; or
- (E) Enrollment in an apprenticeship or a similar program;
- (6) A summary of the results and recommendations of any of such child's significant physical and mental examinations;
- (7) The seriousness of the offense to the community;
- (8) The nature of the offense; and
- (9) Whether the offense was against persons or against property.
- (c) If the court has ordered a child's physical or mental examination to be conducted, the report shall include a copy of the results of the examination.
- (d) If the court has ordered a risk assessment for a child, that assessment shall be included in the predisposition investigation report.
- (e) All information shall be presented in a concise and factual manner. The report shall indicate the sources of information in the report.
- (f) The original report and any other material to be disclosed shall be furnished to the court, and copies shall be furnished to the attorney for the child who is the subject of such report and to the prosecuting attorney at least five days prior to the disposition hearing.

Part 12

15-11-600.

- (a) After a finding that a child has committed a delinquent act, the court shall hear evidence on whether such child is in need of treatment, rehabilitation, or supervision and shall make and file its findings.
- (b) The court may proceed immediately to the disposition hearing after the adjudication hearing or conduct the disposition hearing within 30 days of the adjudication hearing. The disposition hearing may occur later than 30 days after the adjudication hearing only if the court makes and files written findings of fact explaining the need for delay.
- (c) In the absence of evidence to the contrary, evidence sufficient to warrant a finding that felony acts have been committed shall also be sufficient to sustain a finding that the child is in need of treatment or rehabilitation.
- (d) If the court finds that a child who committed a delinquent act is not in need of treatment, rehabilitation, or supervision, it shall dismiss the proceeding and discharge such child from any detention or other restriction previously ordered.
- (e) If the court finds that a child who committed a delinquent act is in need of supervision but not of treatment or rehabilitation, it shall find that such child is a child in need of services and enter any disposition authorized by Code Section 15-11-442.
- (f) The court may consider any evidence, including hearsay evidence, that the court finds to be relevant, reliable, and necessary to determine the needs of a child who committed a delinquent act and the most appropriate disposition.
- (g)(1) Prior to the disposition hearing, and upon request, the parties and their

attorneys shall be afforded an opportunity to examine any written reports received by the court.

(2) Portions of written reports not relied on by the court in reaching its decision which if revealed would be prejudicial to the interests of any party to the proceeding, or reveal confidential sources, may be withheld in the court's discretion.

(3) Parties and their attorneys shall be given the opportunity to controvert written reports received by the court and to cross-examine individuals making such reports.

(h) In scheduling investigations and hearings, the court shall give priority to proceedings in which a child is in detention or has otherwise been removed from his or her home.

15-11-601.

(a) At the conclusion of the disposition hearing, if a child who committed a delinquent act is determined to be in need of treatment or rehabilitation, then after considering the results of such child's risk assessment if the court is contemplating placing such child in restrictive custody, the court shall enter the least restrictive disposition order appropriate in view of the seriousness of the delinquent act, such child's culpability as indicated by the circumstances of the particular case, the age of such child, such child's prior record, and such child's strengths and needs. The court may make any of the following orders of disposition, or combination of them, best suited to such child's treatment, rehabilitation, and welfare:

(1) Any order authorized for the disposition of a dependent child other than placement in the temporary custody of DFCS unless such child is also adjudicated as a dependent child;

(2) An order requiring such child and his or her parent, guardian, or legal custodian to participate in counseling or in counsel and advice. Such counseling and counsel and advice may be provided by the court, court personnel, probation officers, professional counselors or social workers, psychologists, physicians, physician assistants, qualified volunteers, or appropriate public, private, or volunteer agencies and shall be designed to assist in deterring future delinquent acts or other conduct or conditions which would be harmful to such child or society;

(3) An order placing such child on probation under conditions and limitations the court prescribes and which may include the probation management program. The court may place such child on probation under the supervision of:

(A) A probation officer of the court or the court of another state;

(B) Any public agency authorized by law to receive and provide care for such child; or

(C) Any community rehabilitation center if its chief executive officer has acknowledged in writing its willingness to accept the responsibility for the supervision of such child;

(4) An order placing a child on unsupervised probation under conditions and limitations the court prescribes;

(5) In any case in which such child who has not achieved a high school diploma or

the equivalent is placed on probation, the court shall consider and may order as a condition of probation that he or she pursue a course of study designed to lead to achieving a high school diploma or the equivalent;

(6) An order requiring that such child perform community service in a manner prescribed by the court and under the supervision of an individual designated by the court;

(7) An order requiring that such child make restitution. In ordering a child to make restitution, the court shall follow the procedure set forth in Article 1 of Chapter 14 of Title 17. Such order may remain in force and effect simultaneously with another order of the court, including but not limited to an order of commitment to DJJ. However, no order of restitution shall be enforced while such child is at a secure residential facility or nonsecure residential facility unless the commissioner of juvenile justice certifies that a restitution program is available at such facility. Payment of funds shall be made by such child or his or her family or employer directly to the clerk of the juvenile court entering the order or to another employee of such court designated by the judge, and that court shall disburse such funds in the manner authorized in the order. While an order requiring restitution is in effect, the court may transfer enforcement of its order to:

(A) DJJ;

(B) The juvenile court of the county of such child's residence and its probation staff, if he or she changes his or her place of residence; or

(C) The superior court once such child reaches 18 years of age as set forth in Code Section 17-14-5 if he or she thereafter comes under the jurisdiction of such court, and the court shall transfer enforcement of its order to superior court if the terms of such order are not completed when such child reaches 21 years of age;

(8) An order requiring such child remit to the general fund of the county a sum not to exceed the maximum fine applicable to an adult for commission of any of the following offenses:

(A) Any felony in the commission of which a motor vehicle is used;

(B) Driving under the influence of alcohol or drugs;

(C) Driving without proof of minimum required motor vehicle insurance;

(D) Fraudulent or fictitious use of a driver's license;

(E) Hit and run or leaving the scene of an accident;

(F) Homicide by vehicle;

(G) Manslaughter resulting from the operation of a motor vehicle;

(H) Possession of controlled substances or marijuana;

(I) Racing on highways or streets;

(J) Using a motor vehicle in fleeing or attempting to elude an officer; or

(K) Any violation of the provisions contained in Title 40 which is properly adjudicated as a delinquent act;

(9) An order suspending such child's driver's license for a period not to exceed the date on which he or she reaches 18 years of age or, in the case of a child who does not have a driver's license, an order prohibiting the issuance of a driver's license to such

child for a period not to exceed the date on which he or she reaches 18 years of age. The court shall retain the driver's license during such period of suspension and return it to such child at the end of such period. The court shall notify the Department of Driver Services of any actions taken pursuant to this paragraph:

(10) An order placing such child in an institution, camp, or other facility for delinquent children operated under the direction of the court or other local public authority only if such child was adjudicated for a delinquent act involving:

(A) An offense that would be a felony if committed by an adult; or

(B) An offense that would be a misdemeanor if committed by an adult and such child has had at least one prior adjudication for an offense that would be a felony if committed by an adult and at least three other prior adjudications for a delinquent act as defined in subparagraph (A) of paragraph (19) of Code Section 15-11-2; or

(11) With the same exceptions as set forth in subparagraphs (A) and (B) of paragraph (10) of this subsection, an order committing such child to DJJ.

(b)(1) This subsection shall apply to cases involving:

(A) An offense that would be a felony if committed by an adult; or

(B) An offense that would be a misdemeanor if committed by an adult and such child has had at least one prior adjudication for an offense that would be a felony if committed by an adult and at least three other prior adjudications for a delinquent act as defined in subparagraph (A) of paragraph (19) of Code Section 15-11-2.

(2) In addition to any other treatment or rehabilitation, the court may order such child to serve up to a maximum of 30 days in a secure residential facility or, after a risk assessment and with the court's approval, in a treatment program provided by DJJ or the juvenile court.

(c) Any child ordered to a secure residential facility under subsection (b) of this Code section and detained after the adjudication hearing in a secure residential facility or nonsecure residential facility pending placement in a secure residential facility shall be given credit for time served in a secure residential facility or nonsecure residential facility awaiting placement.

(d) A child shall be given adequate information concerning the obligations and conditions imposed upon him or her by the disposition ordered by the court and the consequences of failure to meet such obligations and conditions. Such information shall be given in terms understandable to a child to enable such child to conform his or her conduct to the requirements of the disposition.

15-11-602.

(a) When a child is adjudicated to have committed a class A designated felony act or class B designated felony act, the order of disposition shall be made within 20 days of the conclusion of the disposition hearing. The court may make one of the following orders of disposition best suited to provide for the rehabilitation of such child and the protection of the community:

(1) Any order authorized by Code Section 15-11-601, if the court finds that placement in restrictive custody is not required; or

(2) An order placing such child in restrictive custody.

(b) Every order shall include a finding, based on a preponderance of the evidence, of whether such child requires placement in restrictive custody. If placement in restrictive custody is ordered for a child classified as low risk, the court shall make a specific written finding as to why placement in restrictive custody is necessary. In determining whether placement in restrictive custody is required, the court shall consider and make specific written findings of fact as to each of the following factors:

(1) The age and maturity of such child;

(2) The needs and best interests of such child;

(3) The record, background, and risk level of such child as calculated by a risk assessment, including, but not limited to, information disclosed in the probation investigation, diagnostic assessment, school records, and dependency records;

(4) The nature and circumstances of the offense, including whether any injury involved was inflicted by such child or another participant, the culpability of such child or another participant in planning and carrying out the offense, and the existence of any aggravating or mitigating factors;

(5) The need for protection of the community;

(6) The age and physical condition of the victim;

(7) If the act was trafficking of substances in violation of Code Section 16-13-31 or 16-13-31.1, whether the circumstances involved sale, delivery, or manufacture of the substances, and if such circumstances were not involved, the court shall dispose of the act as a class B designated felony act; and

(8) If the act was aggravated child molestation and subject to the provisions of paragraph (2) of subsection (d) of Code Section 16-6-4, the court shall adjudicate the act as a delinquent act and impose a disposition in accordance with Code Section 15-11-601.

(c) An order for a child adjudicated for a class A designated felony act placing such child in restrictive custody shall provide that:

(1) Such child be placed in DJJ custody for an initial period of up to 60 months;

(2) Such child be confined for a period set by the order in a secure residential facility, except as provided in subsection (e) of this Code section. All time spent in a secure residential facility or nonsecure residential facility shall be counted toward the period set by the order;

(3) After a period of confinement set by the court, such child shall be placed under intensive supervision not to exceed 12 months;

(4) Such child shall not be released from intensive supervision unless by court order; and

(5) All home visits shall be carefully arranged and monitored by DJJ personnel while such child is placed in a secure residential facility or nonsecure residential facility.

(d) An order for a child adjudicated for a class B designated felony act placing such child in restrictive custody shall provide that:

(1) Such child be placed in DJJ custody for an initial period of up to 36 months; provided, however, that not more than 18 months of such custodial period shall be

spent in restrictive custody;

(2) Except as provided in subsection (e) of this Code section, if such child is classified as moderate risk or high risk, he or she shall be confined for a period set by the order in a secure residential facility for half of the period of restrictive custody and the other half of the period of restrictive custody may, at the discretion of DJJ, be spent in a nonsecure residential facility. All time spent in a secure residential facility or nonsecure residential facility shall be counted toward the confinement period set by the order;

(3) Except as provided in subsection (e) of this Code section, if such child is classified as low risk, he or she be confined for a period set by the order in a nonsecure residential facility. All time spent in a secure residential facility or nonsecure residential facility subsequent to the date of the disposition hearing and prior to placement in a nonsecure residential facility shall be counted toward the confinement period set by the order;

(4) Such child be placed under intensive supervision not to exceed six months either after a period of confinement set by the court or as an initial period of supervision;

(5) Such child shall not be released from intensive supervision unless by court order; and

(6) All home visits shall be carefully arranged and monitored by DJJ personnel while a child is placed in a secure residential facility or nonsecure residential facility.

(e)(1) Any child who is ordered to be confined in restrictive custody who is diagnosed with a developmental disability and is not amenable to treatment in a secure residential facility may be transferred by DJJ to a nonsecure residential facility determined to be appropriate for such child by DJJ, provided that the court and prosecuting attorney are notified of such change of placement.

(2) Notwithstanding subsection (b) of this Code section, the court shall order placement in restrictive custody in any case where the child is found to have committed a class A designated felony act or class B designated felony act in which such child inflicted serious physical injury upon another person who is 72 years of age or older.

(f) During a child's placement order or any extension of the placement in restrictive custody:

(1) While in a secure residential facility or nonsecure residential facility, such child shall be permitted to participate in all services and programs and shall be eligible to receive special medical and treatment services, regardless of the time of confinement in such facility. A child adjudicated to have committed a class A designated felony act or class B designated felony act may be eligible to participate in programs sponsored by such facility, including community work programs and sheltered workshops under the general supervision of DJJ staff outside of such facility. In cooperation and coordination with the DJJ, such child shall be allowed to participate in state sponsored programs for evaluation and services under the Georgia Vocational Rehabilitation Agency and the Department of Behavioral Health and Developmental Disabilities;

(2)(A) A child adjudicated to have committed a class A designated felony act or class B designated felony act shall not be discharged from placement in a secure residential facility or nonsecure residential facility prior to the period of time provided in the court's order except as provided in paragraph (1) of subsection (e) of this Code section or when a motion to be discharged from placement in a secure residential facility or nonsecure residential facility is granted by the court. After a court order denying a motion to discharge a child from placement in a secure residential facility or nonsecure residential facility, a subsequent such motion shall not be filed until at least six months have elapsed. Notwithstanding Code Section 15-11-32, DJJ or any party may file a motion with the court seeking a child's release from placement in a secure residential facility or nonsecure residential facility, an order modifying the court's order requiring placement in a secure residential facility or nonsecure residential facility, or termination of an order of disposition for a child committed for a class A designated felony act or class B designated felony act.

(B) All motions filed under this paragraph shall be accompanied by a written recommendation for release, modification, or termination from a child's DJJ counselor or placement supervisor, filed in the court that committed such child to DJJ, and served on the prosecuting attorney for such jurisdiction.

(C) At least 14 days prior to the date of the hearing on the motion, the moving party shall serve a copy of the motion, by first-class mail, upon the victim of the class A designated felony act or class B designated felony act, if any, at the victim's last known address, the child's attorney, if any, the child's parents or guardian, and the law enforcement agency that investigated the class A designated felony act or class B designated felony act. In addition to the parties to the motion, the prosecuting attorney and the victim, if any, shall have a right to be heard and to present evidence to the court relative to any motion filed pursuant to this paragraph.

(D) A court hearing a motion filed under this paragraph shall determine the disposition of a child based upon a preponderance of the evidence. In determining whether a motion for release from custody, modification of placement in a secure residential facility or nonsecure residential facility, or termination of an order of disposition should be granted or denied due to changed circumstances, the court shall be required to find whether or not such child has been rehabilitated and shall consider and make specific findings of fact as to each of the following factors:

(i) The needs and best interests of such child;

(ii) The record and background of such child, including the disciplinary history of such child during the period of placement in a secure residential facility or nonsecure residential facility and subsequent offense history;

(iii) The academic progress of such child during the period of placement in a secure residential facility or nonsecure residential facility, including, if he or she is receiving services under the federal Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973, a review of his or her Individualized Education Program (IEP) and such child's progress toward IEP goals;

(iv) The victim's impact statement submitted for purposes of a hearing conducted pursuant to this paragraph;

(v) The safety risk to the community if such child is released; and

(vi) Such child's acknowledgment to the court and victim, if any, of his or her conduct being the cause of harm to others; and

(3) Unless otherwise specified in the order, DJJ shall report in writing to the court not less than once every six months during the placement on the status, adjustment, and progress of such child.

(g) Notwithstanding the initial periods of placement in restrictive custody ordered by the court pursuant to subsection (c) or (d) of this Code section, the period of placement may be extended on motion by DJJ, after a disposition hearing, for two additional periods not to exceed 12 months each, provided that no placement or extension of custody may continue beyond a child's twenty-first birthday.

(h) The court shall identify the school last attended by a child adjudicated for a class A designated felony act or class B designated felony act and the school which such child intends to attend and shall transmit a copy of the adjudication to the principals of both schools within 15 days of the adjudication. Such information shall be subject to notification, distribution, and other requirements as provided in Code Section 20-2-671.

15-11-603.

(a) As part of any order of disposition regarding a child adjudged to have committed a delinquent act constituting an AIDS transmitting crime, the court may in its discretion and after conferring with the director of the health district, order that such child submit to an HIV test within 45 days following the adjudication of delinquency. The court shall mail DJJ a copy of the order within three days following its issuance.

(b) Within 30 days following receipt of the copy of the order, DJJ shall arrange for the HIV test for such child.

(c) Any child placed in the custody and control of DJJ shall be HIV tested in accordance with DJJ's policies and procedures.

(d) If a child is determined to be infected with HIV, that determination and the name of the child shall be deemed to be AIDS confidential information and shall only be reported to:

(1) DJJ or the Department of Corrections, as the case may be, and the Department of Public Health, which may disclose the name of such child if necessary to provide counseling and which shall provide counseling to each victim of the AIDS transmitting crime or to any parent, guardian, or legal custodian of any victim who is a minor or incompetent person if DJJ or the Department of Corrections believes the crime posed a reasonable risk of transmitting HIV to the victim. Counseling shall include providing the person with information and explanations medically appropriate for such person which may include all or part of the following: accurate information regarding AIDS and HIV; an explanation of behaviors that reduce the risk of transmitting AIDS and HIV; an explanation of the confidentiality of information relating to AIDS diagnoses and HIV tests; an explanation of information regarding

both social and medical implications of HIV tests; and disclosure of commonly recognized treatment or treatments for AIDS and HIV;

(2) The court which ordered the HIV test; and

(3) Those persons in charge of any facility to which such child has been confined by order of the court. In addition to any other restrictions regarding the confinement of a child, a child determined to be an HIV infected person may be confined separately from any other children in that facility other than those who have been determined to be infected with HIV if:

(A) That child is reasonably believed to be sexually active while confined;

(B) That child is reasonably believed to be sexually predatory either during or prior to detention; or

(C) The commissioner of juvenile justice reasonably determines that other circumstances or conditions exist which indicate that separate confinement would be warranted.

15-11-604.

(a) A child adjudicated to have committed a delinquent act shall be given credit for each day spent in a secure residential facility or nonsecure residential facility awaiting adjudication and for each day spent in a secure residential facility or nonsecure residential facility in connection with and resulting from a court order entered in the proceedings for which the disposition was imposed and in any institution or facility for treatment or examination of a physical or mental disability. Such credit shall be applied toward the child's disposition.

(b) Subsection (a) of this Code section shall apply to dispositions for all offenses, whether classified as violations, misdemeanors, or felonies.

15-11-605.

(a) In addition to any other terms or conditions of probation provided for under this article, the court may require that children who receive a disposition of probation:

(1) Be ordered to a probation management program; or

(2) Be ordered to a secure probation sanctions program by a probation officer or hearing officer.

(b) When a child has been ordered to a probation management program or secure probation sanctions program, the court shall retain jurisdiction throughout the period of the probated sentence and may modify or revoke any part of a probated sentence as provided in Code Section 15-11-32.

(c)(1) DJJ in jurisdictions where DJJ is authorized to provide probation supervision or the county juvenile probation office in jurisdictions where probation supervision is provided directly by the county, as applicable, shall be authorized to establish rules and regulations for graduated sanctions as an alternative to judicial modifications or revocations for probationers who violate the terms and conditions of a probation management program.

(2) DJJ or the county juvenile probation office, as applicable, shall not sanction

probationers for violations of conditions of probation if the court has expressed an intention in a written order that such violations be heard by the court.

(d) DJJ or the county juvenile probation office, as applicable, shall impose only those restrictions equal to or less restrictive than the maximum sanction established by the court.

(e) The secure probation sanctions program shall be established by DJJ. Exclusion of a child from a secure probation sanctions program otherwise authorized by this Code section to enter such program shall be mutually agreed upon by the Council of Juvenile Court Judges and DJJ. The secure probation sanctions program shall be available to the juvenile courts to the extent that each secure facility has capacity for such offenders within its facilities. Prior to reaching full capacity, DJJ shall inform the various juvenile courts of its capacity constraints.

(f)(1) When requesting the secure probation sanctions program, probation officers supervising a child under a probation management program shall provide an affidavit to the court specifying:

(A) The elements of such child's probation program;

(B) Such child's failures to respond to graduated sanctions in the community; and

(C) Such child's number of violations and the nature of each violation.

(2) If a probation officer fails to document the violations and specify how a child has failed to complete a probation management program, such child shall be ineligible to enter the secure probation sanctions program.

(3) A child may enter the secure probation sanctions program if ordered by the court and:

(A) The probation officer has complied with the provisions of paragraph (1) of this subsection and the criteria set by the department for entrance into such program and such child has had three or more violations of probation; or

(B) A child in a probation management program and his or her parent or guardian, or a child in such program and his or her attorney, admit to three or more violations of such program and sign a waiver accepting the sanction proposed by the probation officer.

(4) Each new violation of a condition of a probated sentence may result in a child being sentenced to the secure probation sanctions program; provided, however, that if a child is sentenced to the secure probation sanctions program and completes all program components in the seven, 14, and 30 day programs, such child shall be ineligible to attend the secure probation sanctions program for a future violation of a condition of the same probated sentence.

(g)(1) When a violation of a condition of probation occurs, a child may have an administrative hearing conducted by a hearing officer. If the hearing officer determines by a preponderance of the evidence that such child violated the conditions of probation, the probation officer shall be authorized to impose graduated sanctions. A child's failure to comply with a sanction imposed under this paragraph shall constitute another violation of probation.

(2) A hearing officer's decision shall be final unless such child files, within five days

of the service of such decision, a written demand with the hearing officer who conducted the administrative hearing for review of such decision. Such demand shall not stay the sanction decision. Such hearing officer shall issue a response to such demand within five days of receiving such demand.

(3) If such hearing officer insists on the sanction, his or her decision shall be final unless the child subject to the sanction files an appeal in the court that originally adjudicated such child. Such appeal shall be filed within ten days of the date of the decision of the hearing officer.

(4) The appeal shall first be reviewed by the court upon the record. At the court's discretion, a de novo hearing may be held on the decision. The filing of the appeal shall not stay the sanction decision.

(5) Where the court does not act on the appeal within 15 days of the date of the filing of the appeal, the sanction decision shall be affirmed by operation of law.

15-11-606.

An order of disposition or adjudication shall not be a conviction of a crime and shall not impose any civil disability ordinarily resulting from a conviction nor operate to disqualify the child in any civil service application or appointment.

15-11-607.

(a) Except as otherwise provided in Code Section 15-11-602, an order of disposition committing a child adjudicated for a delinquent act to DJJ shall continue in force for two years or until such child is sooner discharged by DJJ. The court which made the order may extend its duration for a period not to exceed two years subject to like discharge, if:

(1) A hearing is held upon DJJ's motion prior to the expiration of the order;

(2) Reasonable notice of the factual basis of the motion and of the hearing and an opportunity to be heard are given to such child and his or her parent, guardian, or legal custodian; and

(3) The court finds that the extension is necessary for the treatment or rehabilitation of such child.

(b) Any other order of disposition except an order of restitution as allowed by paragraph (7) or (8) of subsection (a) of Code Section 15-11-601 shall continue in force for not more than two years. An order of extension may be made if:

(1) A hearing is held prior to the expiration of the order on the court's own motion or upon motion of DJJ or the prosecuting attorney;

(2) Reasonable notice of the factual basis of the motion and of the hearing and opportunity to be heard are given to the parties affected;

(3) The court finds that the extension is necessary to accomplish the purposes of the order extended; and

(4) The extension does not exceed two years from the expiration of the prior order.

(c) The court may terminate an order of disposition or an extension of such a disposition order prior to its expiration, on its own motion or an application of a party,

if it appears to the court that the purposes of the order have been accomplished.

(d) Except as otherwise provided in paragraph (7) of subsection (a) of Code Section 15-11-601 and Code Section 17-14-5, when a child reaches 21 years of age, all orders affecting him or her then in force terminate and he or she is discharged from further obligation or control.

15-11-608.

(a) An order granting probation to a child adjudicated for a delinquent act may be revoked on the ground that the conditions of probation have been violated.

(b) Any violation of a condition of probation may be reported to the prosecuting attorney who may file a motion in the court for revocation of probation. A motion for revocation of probation shall contain specific factual allegations constituting each violation of a condition of probation.

(c) The motion for revocation of probation shall be served upon the child serving the probated sentence, his or her attorney, and his or her parent, guardian, or legal custodian in accordance with the provisions of Code Section 15-11-531.

(d) If a child serving a probated sentence is taken into custody because of an alleged violation of probation, the provisions governing the detention of a child shall apply.

(e) A revocation hearing shall be scheduled to be held no later than 30 days after the filing of such motion or, if a child has been detained as a result of the filing of such motion for revocation, not later than ten days after the filing of the motion.

(f) If the court finds, beyond a reasonable doubt, that a child violated the terms and conditions of probation, the court may:

(1) Extend probation;

(2) Impose additional conditions of probation; or

(3) Make any disposition that could have been made at the time probation was imposed.

(g) In the case of a class A designated felony act or class B designated felony act, if the court finds that a child violated the terms and conditions of probation, the court shall reconsider and make specific findings of fact as to each of the factors in subsection (b) of Code Section 15-11-602 to determine whether placement in restrictive custody.

(h) In the case of a class A designated felony act or class B designated felony act, if the court finds, beyond a reasonable doubt, that a child violated the terms and conditions of probation and revokes the order granting probation, the child shall be given credit for time served on probation and time served in preadjudication custody.

Part 13

15-11-620.

(a) When a child is alleged to have committed a delinquent act and be a dependent child, the date such child is considered to have entered foster care shall be the date of the first judicial finding that such child has been subjected to child abuse or neglect or the date that is 60 days after the date on which such child is removed from his or her

home, whichever is earlier.

(b) If a child alleged or adjudicated to have committed a delinquent act is detained in a facility operated primarily for the detention of delinquent children but is later placed in foster care within 60 days of such child's removal from the home, then the date of entry into foster care shall be 60 days after the date of removal.

(c) If a child is detained in a facility operated primarily for the detention of delinquent children pending placement in foster care and remains detained for more than 60 days, then the date of entry into foster care shall be the date such child is placed in foster care.

15-11-621.

The periodic review hearing requirements under Code Sections 15-11-216, 15-11-217, and 15-11-218 shall apply to proceedings involving a child alleged or adjudicated to have committed a delinquent act and placed in foster care.

15-11-622.

(a) The permanency plan requirements under Code Sections 15-11-230, 15-11-231, and 15-11-232 shall apply to proceedings involving a child alleged or adjudicated to have committed a delinquent act and placed in foster care.

(b) In addition to the compelling reasons set forth in Code Section 15-11-233, a compelling reason for determining that filing a termination of parental rights petition is not in the best interests of a child alleged or adjudicated to have committed a delinquent act may include, but not be limited to:

(1) A child's developmental needs require continued out-of-home placement for an additional number of months, and his or her parent, guardian, or legal custodian has cooperated with referrals, visitation, and family conferences, as well as therapy;

(2) A child is uncooperative with services or referrals; and

(3) The length of the delinquency disposition affects the permanency plan.

Part 14

15-11-630.

(a) A juvenile traffic offense consists of a violation by a child of:

(1) A law or local ordinance governing the operation of a moving motor vehicle upon the streets or highways of this state or upon the waterways within or adjoining this state; or

(2) Any other motor vehicle traffic law or local ordinance if a child is taken into custody and detained for its violation or is transferred to the juvenile court by the court hearing the charge.

(b) The following offenses shall be acts of delinquency and shall not be handled as juvenile traffic offenses: aggressive driving, reckless driving, a four-point speeding offense, homicide by vehicle, manslaughter resulting from the operation of a vehicle, any felony in the commission of which a motor vehicle is used, racing on highways and

streets, using a motor vehicle in fleeing or attempting to elude an officer, fraudulent or fictitious use of a driver's license, hit and run or leaving the scene of an accident, driving under the influence of alcohol or drugs, and any offense committed by an unlicensed driver under 16 years of age.

(c) A juvenile traffic offense shall not be an act of delinquency unless the case is transferred to the delinquency calendar.

(d) The summons, notice to appear, or other designation of a citation accusing a child of committing a juvenile traffic offense constitutes the commencement of the proceedings in the court of the county in which the alleged violation occurred and serves in place of a summons and petition under this article. These cases shall be filed and heard separately from other proceedings of the court. If a child is taken into custody on the charge, Code Sections 15-11-503 and 15-11-505 shall apply. If a child is, or after commencement of the proceedings becomes, a resident of another county of this state, the court in the county where the alleged traffic offense occurred may retain jurisdiction over the entire case.

(e) The court shall fix a time for a hearing and shall give reasonable notice thereof to the child accused of committing a juvenile traffic offense and, if his or her address is known, to his or her parent, guardian, or legal custodian. If the accusation made in the summons, notice to appear, or other designation of a citation is denied, a hearing shall be held at which the parties shall have the right to subpoena witnesses, present evidence, cross-examine witnesses, and appear with their attorney. The hearing shall be open to the public.

(f) If the court finds on the admission of a child or upon the evidence that a child committed the offense charged, it may make one or more of the following orders:

(1) Reprimand, counsel, or warn such child and his or her parent, guardian, or legal custodian; provided, however, that this disposition order shall not be available for any act of delinquency;

(2) As a matter of supervised or unsupervised probation, order the Department of Driver Services to suspend such child's privilege to drive under stated conditions and limitations for a period not to exceed 12 months;

(3) Require such child to attend a traffic school approved by the Department of Driver Services or a substance abuse clinic or program approved by either DBHDD or the Council of Juvenile Court Judges for a reasonable period of time;

(4) Assess a fine and order such child to remit to the general fund of the county a sum not exceeding the maximum applicable to an adult for a like offense. The fine shall be subject to all additions and penalties as specified under this title and Title 47;

(5) Require such child to participate in a program of community service as specified by the court;

(6) Impose any sanction authorized by Code Section 15-11-442 or 15-11-601; or

(7) Place such child on probation subject to the conditions and limitations imposed by Title 40 governing probation granted to adults for like offenses, provided that such probation shall be supervised by the court or shall be unsupervised probation.

(g) In lieu of the orders provided by subsection (f) of this Code section, if the evidence

warrants, the court may transfer the case to the delinquency calendar of the court and direct the filing and service of a summons and delinquency petition.

(h) Upon finding that a child has committed a juvenile traffic offense or an act of delinquency which would be a violation of Title 40 if committed by an adult, the court shall forward, within ten days, a report of the final adjudication and disposition of the charge to the Department of Driver Services; provided, however, that this procedure shall not be applicable to those cases which have been dismissed or in which a child and his or her parent, guardian, or legal custodian have been reprimanded, counseled, or warned by the court. The Department of Driver Services shall record the adjudication and disposition of the offense on such child's permanent record, and such adjudication and disposition shall be deemed a conviction for the purpose of suspending or revoking such child's driver's license. Such record shall also be available to law enforcement agencies and courts as are the permanent traffic records of adults.

ARTICLE 7

15-11-650.

The purpose of this article is:

- (1) To set forth procedures for a determination of whether a child is incompetent to proceed; and
- (2) To provide a mechanism for the development and implementation of competency remediation services, when appropriate, including treatment, habilitation, support, or supervision services.

15-11-651.

As used in this article, the term:

- (1) 'Competency remediation services' means outpatient interventions directed only at facilitating the attainment of competence to proceed for a child adjudicated to be incompetent to proceed. Such term may include mental health treatment to reduce interfering symptoms, specialized psychoeducational programming, or a combination of these interventions.
- (2) 'Comprehensive services plan' shall have the same meaning as set forth in Code Section 15-11-381.
- (3) 'Incompetent to proceed' means lacking sufficient present ability to understand the nature and object of the proceedings, to comprehend his or her own situation in relation to the proceedings, and to assist his or her attorney in the preparation and presentation of his or her case in all adjudication, disposition, or transfer hearings. - (4) 'Mental competency proceeding' means a hearing conducted to determine whether a child is incompetent to proceed in adjudication, a disposition hearing, or a transfer proceeding.

15-11-652.

(a) If at any time after the filing of a petition alleging delinquency or that a child is a child in need of services the court has reason to believe that the child named in the petition may be incompetent to proceed, the court on its own motion or on the motion of the attorney representing such child, any guardian ad litem for such child, such child's parent, guardian, or legal custodian, or the prosecuting attorney shall stay all proceedings relating to such petition and, unless the court accepts a stipulation by the parties as to such child's incompetency, shall order a competency evaluation of and report on such child's mental condition.

(b) When a delinquency petition is filed alleging a child under the age of 13 has committed a serious violent felony, as defined in Code Section 17-10-6.1, the court shall stay all delinquency proceedings relating to such petition and, unless the court accepts a stipulation by the parties as to such child's incompetency, shall order a competency evaluation and report concerning such child's mental condition.

(c) Any motion, notice of hearing, order, or other pleading relating to a child's incompetency to proceed shall be served upon him or her, his or her attorney, his or her guardian ad litem, if any, his or her parent, guardian, or legal custodian, and the prosecuting attorney.

(e) All time limits set forth in Articles 5 and 6 of this chapter for adjudication and disposition of a delinquency or a child in need of services proceeding shall be tolled during the evaluation, adjudication, and disposition phases of the mental competency proceeding and during provision of competency remediation services.

15-11-653.

(a) The court ordered evaluation and report shall be conducted by an examiner who shall consider whether a child is incompetent to proceed. The court shall provide the examiner with any law enforcement or court records necessary for understanding the petition alleging delinquency. The attorney for the child being examined and the prosecuting attorney shall provide the examiner with any records from any other available sources that are deemed necessary for the competency evaluation.

(b) The competency evaluation shall be performed on an outpatient basis; provided, however, that if a child is in an out-of-home placement, the evaluation shall be performed at such child's location.

(c) The examiner who conducts the evaluation shall submit a written report to the court within 30 days of receipt of the court order for evaluation. The court may, in its discretion, grant the examiner an extension in filing such report. The report shall contain the following:

- (1) The specific reason for the evaluation, as provided by the court or the party requesting the evaluation;

 - (B) The ability to comprehend his or her situation in relation to the proceedings;
and
 - (C) The ability to assist his or her attorney in the preparation and presentation of his or her case;
 - (6) An opinion regarding the potential significance of a child's mental competency, strengths, and deficits;
 - (7) An opinion regarding whether or not a child should be considered incompetent to proceed; and
 - (8) A specific statement explaining the reasoning supporting the examiner's final determination.
- (d) If, in the opinion of the examiner, a child should be considered incompetent to proceed, the report shall also include the following:
- (1) An opinion on whether the primary cause of incompetency to proceed is immaturity, mental illness, developmental disability, or a combination of mental illness and developmental disability;
 - (2) An opinion on whether there is a substantial probability that the examined child will attain the mental competency necessary to participate in adjudication, a disposition hearing, or a transfer hearing in the foreseeable future;
 - (3) If the examiner believes that the examined child will attain mental competency, recommendations for the general level and type of competency remediation services necessary for significant deficits;
 - (4) A recommendation on the appropriate treatment or services;
 - (5) When appropriate, recommendations for modifications of court procedure which may help compensate for mental competency weaknesses; and
 - (6) Any relevant medication history.
- (e) If the examiner determines that the examined child is currently competent because of ongoing treatment with medication or other services, the report shall address the necessity of continuing such treatment and shall include a description of any limitation such treatment may have on competency.
- (f) Copies of the written evaluation report shall be provided by the court to the attorney representing the examined child, the prosecuting attorney or a member of his or her staff, and any guardian ad litem for the examined child no later than five days after

receipt of the report by the court.

(g) Upon a showing of good cause by any party or upon the court's own motion, the court may order additional evaluations by other licensed psychologists or psychiatrists. In no event shall more than one evaluation be conducted by an examiner employed by DBHDD.

15-11-654.

(a) If at any time following a finding that a child is incompetent to proceed the court determines that such child is a resident of a county of this state other than the county in which the court sits, the court may transfer the proceeding to the county of such child's residence.

(b) When any case is transferred, certified copies of all legal, social history, health, or mental health records pertaining to the case on file with the clerk of the court shall accompany the transfer. Compliance with this subsection shall terminate jurisdiction in the transferring court and initiate jurisdiction in the receiving court.

(c) If a court determines that such child's competency is remediated, jurisdiction of the case may be returned to the transferring court for the adjudication hearing and any subsequent proceedings.

15-11-655.

(a) A hearing to determine if a child is incompetent to proceed shall be conducted within 60 days after the initial court order for evaluation. The hearing may be continued by the court for good cause shown.

(b) Written notice shall be given to all parties and the victim at least ten days prior to such hearing.

(c) The burden of proving that a child is incompetent to proceed shall be on such child. The standard of proof necessary for proving mental competency shall be a preponderance of the evidence.

(d) At the hearing to determine incompetency to proceed, a child's attorney and the prosecuting attorney shall have the right to:

- (1) Present evidence;
- (2) Call and examine witnesses;
- (3) Cross-examine witnesses; and
- (4) Present arguments.

(e) The examiner appointed by the court shall be considered the court's witness and shall be subject to cross-examination by both a child's attorney and the prosecuting attorney.

(f) The court's findings of fact shall be based on any evaluations of a child's mental condition conducted by licensed psychologists or psychiatrists appointed by the court, any evaluations of a child's mental condition conducted by independent licensed psychologists or psychiatrists hired by the parties, and any additional evidence presented.

(g) If the court finds that a child is not incompetent to proceed, the proceedings which

have been suspended shall be resumed. The time limits under Article 5 or 6 of this chapter for adjudication and disposition of the petition shall begin to run from the date of the order finding such child mentally competent.

(h) Copies of the court's findings shall be given to the parties within ten days following the issuance of such findings.

15-11-656.

(a) If the court finds that a child is incompetent to proceed but such child's incompetence may be remediated, if such child is alleged:

(1) To be a child in need of services, the court shall either dismiss the petition without prejudice or order competency remediation services for such child; or

(2) To have committed a delinquent act, the court may order competency remediation services for such child.

(b) In determining whether to order competency remediation services, the court shall consider:

(1) Whether there is probable cause to believe the allegations in the petition are true;

(2) The nature of the incompetency;

(3) An incompetent child's age; and

(4) The nature of the act alleged to have been committed by the incompetent child, in particular whether the act is a serious violent felony as such term is defined in Code Section 17-10-6.1.

(c) If a child is determined to be incompetent to proceed, the court has ordered that competency remediation services should be provided, and:

(1) Such child is alleged to have committed an act that would be a felony if committed by an adult, the court may retain jurisdiction of such child for up to two years after the date of the order of incompetency, with review hearings at least every six months to redetermine competency or proceed as provided in subsection (f) of this Code section; or

(2) A child is alleged to have committed an act that would be a misdemeanor if committed by an adult, the court may retain jurisdiction of a child for up to 120 days after the date of the order of incompetency or proceed as provided in subsection (f) of this Code section.

(d) All court orders determining incompetency shall include specific written findings by the court as to the nature of the incompetency and the mandated outpatient competency remediation services. If such child is in an out-of-home placement, the court shall specify the type of competency remediation services to be performed at such child's location. A child may be placed in a secure treatment facility or program, not to include DJJ facilities, if the court makes a finding by clear and convincing evidence that:

(1) A child is mentally ill or developmentally disabled and meets the requirements for civil commitment pursuant to Chapters 3 and 4 of Title 37; and

(2) All available less restrictive alternatives, including treatment in community residential facilities or community settings which would offer an opportunity for

improvement of a child's condition, are inappropriate.

(e) A child who is incompetent to proceed shall not be subject to transfer to superior court, adjudication, disposition, or modification of disposition so long as the mental incompetency exists.

(f) If the court determines that an alleged delinquent child is incompetent to proceed, the court may dismiss the petition without prejudice.

(g) If a child is detained in a secure residential facility or nonsecure residential facility and the court determines that such child is incompetent to proceed, within five days of such determination the court shall issue an order to immediately release such child to the appropriate parent, guardian, or legal custodian.

15-11-657.

(a) All competency remediation service orders issued by the court shall contain:

(1) The name of the competency remediation service program provider and the location of the program;

(2) A statement of the arrangements for a child's transportation to the program site;

(3) The length of the competency remediation service program;

(4) A statement of the arrangements for a child's transportation after the program ends; and

(5) A direction concerning the frequency of reports required by the court.

(b) DBHDD or a licensed psychologist or psychiatrist shall file a written report with the court:

(1) Not later than six months after the date the court orders that competency remediation be attempted but prior to the first review hearing;

(2) Every six months after the first review hearing if a child remains incompetent to proceed and under an order for remediation;

(3) At any time DBHDD or a licensed psychologist or psychiatrist opines a child has attained competency; or

(4) At shorter intervals designated by the court in its competency remediation order.

(c) DBHDD or the licensed psychologist or psychiatrist written report shall include, but not be limited to:

(1) Whether a child's competency can be remediated or whether a child is likely to remain incompetent to proceed for the foreseeable future;

(2) Whether additional time is needed to remediate a child's competency; and

(3) If a child has attained competency, the effect, if any, of any limitations that are imposed by any medication or other treatment used in the effort to remediate competency.

15-11-658.

(a) If the court initially finds that a child is unrestorably incompetent to proceed, the court shall dismiss the petition, appoint a plan manager, and order that procedures for a comprehensive services plan be initiated under Article 5 of this chapter. When appropriate, the court may:

- (1) Order that a child be referred for civil commitment pursuant to Chapters 3 and 4 of Title 37. Such proceedings shall be instituted not less than 60 days prior to the dismissal of the delinquency or a child in need of services petition; or
- (2) Order that referral be made for appropriate adult services if a child has reached the age of 18 years at the time of the competency determination.
- (b) If at any time after a child is ordered to undergo competency remediation services DBHDD or a licensed psychologist or psychiatrist opines that a child is likely to remain incompetent to proceed for the foreseeable future, DBHDD or the licensed psychologist or psychiatrist shall submit a report to the court so stating.
- (c) Upon receipt of the report specified in subsection (b) of this Code section, the court shall make a competency determination and shall dismiss the delinquency petition, appoint a plan manager, and order that procedures for a comprehensive services plan be initiated under Article 5 of this chapter. When appropriate, the court may:
- (1) Order that a child be referred for civil commitment pursuant to Chapters 3 and 4 of Title 37. Such proceedings shall be instituted not less than 60 days prior to the dismissal of the delinquency or child in need of services petition; or
- (2) Order that referral be made for appropriate adult services if a child has reached the age of 18 years at the time of the competency determination.

15-11-659.

If at any time after a child is adjudicated to be incompetent to proceed due to age, immaturity, or for any reason other than mental illness or developmental disability and is ordered to undergo competency remediation services and DBHDD determines that such child is likely to remain incompetent to proceed for the foreseeable future, DBHDD shall submit a report and its conclusions to the court. Upon receipt of such report, the court shall:

- (1) Make a competency determination;
- (2) Order that the applicable petition be dismissed; and
- (3) Order that a plan manager be appointed and that the procedures for a comprehensive services plan be initiated under Article 5 of this chapter.

15-11-660.

- (a) The court shall hold a hearing to review a child's progress toward competency:
- (1) At least every six months;
- (2) At any time, on its own motion or on the motion of the prosecuting attorney, a child's attorney, or a child's guardian ad litem, if any;
- (3) On receipt of a report submitted by DBHDD; or
- (4) Not less than three months before a child's eighteenth birthday.
- (b) If at a review hearing the court finds that a child has attained competency, the suspended proceedings shall be resumed and the time limits applicable under Article 5 or 6 of this chapter shall begin to run from the date of the order finding the child mentally competent.
- (c) If at a review hearing held following the court's receipt of a DBHDD or licensed

psychologist or psychiatrist's report the court finds that a child's incompetency has not been remediated but that such child has made substantial progress toward remediation, the court may extend the competency remediation program period for an additional 60 days if the court determines by clear and convincing evidence that further participation is likely to lead to remediation of competency.

(d) If at a review hearing the court finds that a child's competency is not remediated and is not likely to be remediated within the time left before such child's eighteenth birthday, the court shall dismiss the petition with prejudice if such child is alleged to be a child in need of services or to have committed a delinquent act which would be a misdemeanor if committed by an adult.

(e) At each review hearing, the court shall also consider whether the petition alleging delinquency or that a child is a child in need of services should be withdrawn, maintained, or dismissed, without prejudice, upon grounds other than a child's being incompetent to proceed. If the court dismisses the petition, the prosecuting attorney may seek to refile a petition alleging a delinquent act which would be a felony if committed by an adult if a child is later determined to be mentally competent. The prosecuting attorney may also seek transfer to superior court if a child is later determined to be mentally competent and otherwise meets all the requirements for transfer under Article 6 of this chapter.

ARTICLE 8

15-11-680.

This article shall be known and may be cited as the 'Parental Notification Act.'

15-11-681.

As used in this article, the term:

(1) 'Abortion' means the use or prescription of any instrument, medicine, drug, or any other substance or device with the intent to terminate the pregnancy of a female known to be pregnant. The term 'abortion' shall not include the use or prescription of any instrument, medicine, drug, or any other substance or device employed solely to increase the probability of a live birth, to preserve the life or health of the child after live birth, or to remove a dead unborn child who died as a result of a spontaneous abortion. The term 'abortion' also shall not include the prescription or use of contraceptives.

(2) 'Proper identification' means any document issued by a governmental agency containing a description of the person, the person's photograph, or both, including but not limited to a driver's license, an identification card authorized under Code Sections 40-5-100 through 40-5-104 or similar identification card issued by another state, a military identification card, a passport, or an appropriate work authorization issued by the United States Immigration and Customs Enforcement Division of the Department of Homeland Security.

(3) 'Unemancipated minor' means any person under the age of 18 who is not or has

not been married or who is under the care, custody, and control of such person's parent or parents, guardian, or the juvenile court of competent jurisdiction.

15-11-682.

(a) No physician or other person shall perform an abortion upon an unemancipated minor unless:

(1)(A) The unemancipated minor seeking an abortion is accompanied by his or her parent or guardian who shall show proper identification and state that he or she is the lawful parent or guardian of the unemancipated minor and that he or she has been notified that an abortion is to be performed on the unemancipated minor;

(B) The physician or the physician's qualified agent gives at least 24 hours' actual notice, in person or by telephone, to the parent or guardian of the unemancipated minor of the pending abortion and the name and address of the place where the abortion is to be performed; provided, however, that, if the person so notified indicates that he or she has been previously informed that the unemancipated minor was seeking an abortion or if the person so notified has not been previously informed and he or she clearly expresses that he or she does not wish to consult with the unemancipated minor, then in either event the abortion may proceed in accordance with Chapter 9A of Title 31; or

(C) The physician or a physician's qualified agent gives written notice of the pending abortion and the address of the place where the abortion is to be performed, sent by registered or certified mail or statutory overnight delivery, return receipt requested with delivery confirmation, addressed to a parent or guardian of the unemancipated minor at the usual place of abode of the parent or guardian. Unless proof of delivery is otherwise sooner established, such notice shall be deemed delivered 48 hours after mailing. The time of mailing shall be recorded by the physician or agent in the unemancipated minor's file. The abortion may be performed 24 hours after the delivery of the notice; provided, however, that, if the person so notified certifies in writing that he or she has been previously informed that the unemancipated minor was seeking an abortion or if the person so notified has not been previously informed and he or she certifies in writing that he or she does not wish to consult with the unemancipated minor, then in either event the abortion may proceed in accordance with Chapter 9A of Title 31; and

(2) The unemancipated minor signs a consent form stating that she consents, freely and without coercion, to the abortion.

(b) If the unemancipated minor or the physician or a physician's qualified agent, as the case may be, elects not to comply with any one of the requirements of subparagraph (a)(1)(A), (a)(1)(B), or (a)(1)(C) of this Code section, or if the parent or legal guardian of the unemancipated minor cannot be located, the unemancipated minor may petition, on his or her own behalf or by next friend, any juvenile court in the state for a waiver of such requirement pursuant to the procedures provided for in Code Section 15-11-684. The juvenile court shall assist the unemancipated minor or next friend in preparing the petition and notices required pursuant to this Code section. Venue shall be lawful in

any county.

(c) No abortion shall be performed unless the requirements of subparagraph (a)(1)(A), (a)(1)(B), or (a)(1)(C) of this Code section have been met or the unemancipated minor has obtained a court order waiving such requirements.

15-11-683.

Notwithstanding Code Sections 15-11-40, 15-11-150, 15-11-152, 15-11-160, 15-11-281, 15-11-424, and 15-11-531, the unemancipated minor or next friend shall be notified of the date, time, and place of the hearing in such proceedings at the time of filing the petition. The hearing shall be held within three days of the date of filing, excluding weekends and legal holidays. The parent, guardian, or legal custodian of the unemancipated minor shall not be served with the petition or with a summons or otherwise notified of the proceeding. If a hearing is not held within the time prescribed in this Code section, the petition shall be deemed granted.

15-11-684.

(a) An unemancipated minor may participate in proceedings in the court on such minor's own behalf and the court shall advise such minor of the right to court appointed counsel and shall provide such minor with such counsel upon request or if such minor is not already adequately represented.

(b) All court proceedings under this Code section shall be conducted in a manner to preserve the complete anonymity of the parties and shall be given such precedence over other pending matters as is necessary to ensure that a decision is reached by the court as expeditiously as is possible under the circumstances of the case. In no event shall the name, address, birth date, or social security number of such minor be disclosed.

(c) The requirements of subparagraph (a)(1)(A), (a)(1)(B), or (a)(1)(C) of Code Section 15-11-682 shall be waived if the court finds either:

(1) That the unemancipated minor is mature enough and well enough informed to make the abortion decision in consultation with her physician, independently of the wishes of such minor's parent or guardian; or

(2) That the notice to a parent or, if the unemancipated minor is subject to guardianship, the legal guardian pursuant to Code Section 15-11-682 would not be in the best interests of such minor.

(d) A court that conducts proceedings under this Code section shall issue written and specific factual findings and legal conclusions supporting its decision and shall order that a record of the evidence be maintained. The juvenile court shall render its decision within 24 hours of the conclusion of the hearing and a certified copy of same shall be furnished immediately to the unemancipated minor. If the juvenile court fails to render its decision within 24 hours after the conclusion of the hearing, then the petition shall be deemed granted. All juvenile court records shall be sealed in a manner that will preserve anonymity.

(e) An expedited appeal completely preserving the anonymity of the parties shall be available to any unemancipated minor to whom the court denies a waiver of notice.

The appellate courts are authorized and requested to issue promptly such rules as are necessary to preserve anonymity and to ensure the expeditious disposition of procedures provided by this Code section. In no event shall the name, address, birth date, or social security number of such minor be disclosed during the expedited appeal or thereafter.

(f) No filing fees shall be required of any unemancipated minor who uses the procedures provided by this Code section.

15-11-685.

The requirements and procedures of this article shall apply to all unemancipated minors within this state whether or not such persons are residents of this state.

15-11-686.

This article shall not apply when, in the best clinical judgment of the attending physician on the facts of the case before him or her, a medical emergency exists that so complicates the condition of the unemancipated minor as to require an immediate abortion. A person who performs an abortion as a medical emergency under the provisions of this Code section shall certify in writing the medical indications on which this judgment was based when filing such reports as are required by law.

15-11-687.

Any physician or any person employed or connected with a physician, hospital, or health care facility performing abortions who acts in good faith shall be justified in relying on the representations of the unemancipated minor or of any other person providing the information required under this article. No physician or other person who furnishes professional services related to an act authorized or required by this article and who relies upon the information furnished pursuant to this article shall be held to have violated any criminal law or to be civilly liable for such reliance, provided that the physician or other person acted in good faith.

15-11-688.

Any person who violates the provisions of this article shall be guilty of a misdemeanor and any person who intentionally encourages another to provide false information pursuant to this article shall be guilty of a misdemeanor.

ARTICLE 9

15-11-700.

(a) As used in this Code section, the term 'dependency proceeding' means a court proceeding stemming from a petition alleging that a child is a dependent child.

(b) The general public shall be admitted to:

(1) An adjudicatory hearing involving an allegation of a class A designated felony act or class B designated felony act;

- (2) An adjudicatory hearing involving an allegation of delinquency brought in the interest of any child who has previously been adjudicated for committing a delinquent act; provided, however, the court shall close any delinquency hearing on an allegation of sexual assault or any delinquency hearing at which any party expects to introduce substantial evidence related to matters of dependency;
- (3) Any child support hearing;
- (4) Any hearing in a legitimation action filed pursuant to Code Section 19-7-22;
- (5) At the court's discretion, any dispositional hearing involving any proceeding under this article; or
- (6) Any hearing in a dependency proceeding, except as otherwise provided in subsection (c) of this Code section.
- (c) The court may close the hearing in a dependency proceeding only upon making a finding upon the record and issuing a signed order stating the reason or reasons for closing all or part of a hearing in such proceeding and stating that:
- (1) The proceeding involves an allegation of an act which, if done by an adult, would constitute a sexual offense under Chapter 6 of Title 16; or
- (2) It is in the best interests of the child. In making such a determination, the court shall consider such factors as:
- (A) The age of the child alleged or adjudicated as a dependent child;
- (B) The nature of the allegations;
- (C) The effect that an open court proceeding will have on the court's ability to reunite and rehabilitate the family unit; and
- (D) Whether the closure is necessary to protect the privacy of a child, of a foster parent or other caretaker of a child, or of a victim of domestic violence.
- (d) The court may close a hearing or exclude a person from a hearing in any proceeding on its own motion, by motion of a party to the proceeding, or by motion of the child who is the subject of the proceeding or the child's attorney or guardian ad litem.

SECTION 14.

Code Section 35-3-37 of the Official Code of Georgia Annotated, relating to review of individual's criminal history record information, definitions, and privacy considerations, is amended by revising paragraph (1) of subsection (j) and subsection (n) as follows:

"(j)(1) When an individual had a felony ~~charges~~ charge dismissed or nolle prossed or was found not guilty of ~~felony charges~~ such charge but was convicted of a misdemeanor offense ~~or offenses arising out of the same underlying transaction or occurrence~~ that was not a lesser included offense of the felony charge, such individual may petition the superior court in the county where the arrest occurred to restrict access to criminal history record information for ~~such~~ the felony ~~charges~~ charge within four years of the arrest. Such court shall maintain jurisdiction over the case for this limited purpose and duration. Such petition shall be served on the arresting law enforcement agency and the prosecuting attorney. If a hearing is requested, such hearing shall be held within 90 days of the filing of the petition. The court shall hear evidence and shall grant an order restricting such criminal history record information if the court determines ~~the charges in question did not arise out of the same underlying transaction or occurrence~~ that the misdemeanor conviction was not a lesser included offense of the felony charge and that the harm otherwise resulting to the individual is clearly outweighed by the public interest in the criminal history record information being publicly available."

"(n)(1) Except as provided in subsection (j) of this Code section, as As to arrests occurring before July 1, 2013, an individual may, in writing, request the arresting law enforcement agency to restrict the criminal history record information of an arrest, including any fingerprints or photographs taken in conjunction with such arrest. If the prosecuting attorney denies such request, he or she shall cite with specificity the reason for such denial in writing and attach to such denial any relevant documentation in his or her possession used to make such denial. There shall be a presumption that the prosecuting attorney does not object to the request to restrict the criminal history record information if he or she fails to respond to the request for a determination within the 90 day period set forth in this paragraph. The arresting law enforcement agency shall inform the individual of the prosecuting attorney's decision, and, if record restriction is approved by the prosecuting attorney, the arresting law enforcement agency shall restrict the criminal history record information within 30 days of receipt of the prosecuting attorney's decision.

(3) If a prosecuting attorney declines an individual's request to restrict access to criminal history record information, such individual may file a civil action in the superior court where the entity is located. A copy of the civil action shall be served on the entity and prosecuting attorney for the jurisdiction where the civil action is filed, and they may become parties to the action. A decision of the prosecuting attorney to decline a request to restrict access to criminal history record information shall not be upheld if it is determined unless the individual demonstrates by clear and convincing evidence that the arrest is eligible for record restriction pursuant to subsection (h) of this Code section and the harm otherwise resulting to the privacy of the individual clearly outweighs the public interest in the criminal history record information being publicly available.

"(a) Except as provided in Code Section 40-5-76, the ~~The~~ driver's license of any person convicted of any violation of Article 2 of Chapter 13 of Title 16, the 'Georgia Controlled Substances Act,' including, but not limited to, possession, distribution, manufacture, cultivation, sale, transfer of, trafficking in, the attempt or conspiracy to possess, distribute, manufacture, cultivate, sell, transfer or traffic in a controlled substance or marijuana, or the law of any other jurisdiction, shall by operation of law be suspended, and such suspension shall be subject to the following terms and conditions:

(1) Upon the first conviction of any such offense, with no arrest and conviction of and no plea of nolo contendere accepted to such offense within the previous five years, as measured from the dates of previous arrests for which convictions were obtained to the date of the current arrest for which a conviction is obtained, the period of suspension shall be for not less than 180 days. At the end of 180 days, the person may apply to the department for reinstatement of his or her driver's license. Such license shall be reinstated only if the person submits proof of completion of a DUI Alcohol or Drug Use Risk Reduction Program and pays to the ~~Department of Driver Services~~ department a restoration fee of \$210.00 or \$200.00 when such reinstatement is processed by mail. For purposes of this paragraph, a plea of nolo contendere by a person to a charge of any drug related offense listed in this subsection shall, except as provided in subsection (c) of this Code section, constitute a conviction;

(2) Upon the second conviction of any such offense within five years, as measured from the dates of previous arrests for which convictions were obtained to the date of the current arrest for which a conviction is obtained, the period of suspension shall be for three years, provided that after one year from the date of the conviction, the person may apply to the department for reinstatement of his or her driver's license by submitting proof of completion of a DUI Alcohol or Drug Use Risk Reduction Program and paying to the ~~Department of Driver Services~~ department a restoration fee of \$310.00 or \$300.00 when such reinstatement is processed by mail. For purposes of this paragraph, a plea of nolo contendere and all previous pleas of nolo contendere within such five-year period of time shall constitute a conviction; and

(3) Upon the third or subsequent conviction of any such offense within five years, as measured from the dates of previous arrests for which convictions were obtained to the date of the current arrest for which a conviction is obtained, such person's license shall be suspended for a period of five years. At the end of two years, the person may apply to the department for a three-year driving permit upon compliance with the following conditions:

(A) Such person has not been convicted or pleaded nolo contendere to any drug related offense, including driving under the influence, for a period of two years immediately preceding the application for such permit;

(B) Such person submits proof of completion of a licensed drug treatment program. Such proof shall be submitted within two years of the license suspension and prior to the issuance of the permit. Such licensed drug treatment program shall be paid

for by the offender. The offender shall pay a permit fee of \$25.00 to the department;

(C) Such person submits proof of financial responsibility as provided in Chapter 9 of this title; and

(D) Refusal to issue such permit would cause extreme hardship to the applicant. For the purposes of this subparagraph, the term 'extreme hardship' means that the applicant cannot reasonably obtain other transportation, and, therefore, the applicant would be prohibited from:

(i) Going to his or her place of employment or performing the normal duties of his or her occupation;

(ii) Receiving scheduled medical care or obtaining prescription drugs;

(iii) Attending a college or school at which he or she is regularly enrolled as a student; or

(iv) Attending regularly scheduled sessions or meetings of support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by the commissioner.

At the end of five years from the date on which the license was suspended, the person may apply to the department for reinstatement of his or her driver's license by submitting proof of completion of a DUI Alcohol or Drug Use Risk Reduction Program and paying to the ~~Department of Driver Services~~ department a restoration fee of \$410.00 or \$400.00 when such reinstatement is processed by mail. For purposes of this paragraph, a plea of nolo contendere and all previous pleas of nolo contendere within such five-year period of time shall constitute a conviction."

"(b) Except as provided in Code Section 40-5-76, whenever ~~Whenever~~ a person is convicted of possession, distribution, manufacture, cultivation, sale, transfer of, the attempt or conspiracy to possess, distribute, manufacture, cultivate, sell, or transfer a controlled substance or marijuana, or driving or being in actual physical control of any moving vehicle while under the influence of such substance in violation of subsection (b) of Code Section 16-13-2, subsection (a), (b), or (j) of Code Section 16-13-30, or Code Section 16-13-33; paragraph (2), (4), or (6) of subsection (a) of Code Section 40-6-391; or the law of any other jurisdiction, the court in which such conviction is had shall require the surrender to it of any driver's license then held by the person so convicted, and the court shall thereupon forward such license and a copy of its order to the department within ten days after the conviction. The periods of suspension provided for in this Code section shall begin on the date of surrender of the driver's license or on the date that the department processes the conviction or citation, whichever shall first occur."

"(e) Notwithstanding any other provision of this Code section or any other provision of this chapter, any person whose license is suspended pursuant to this Code section shall not be eligible for early reinstatement of his or her license and shall not be eligible for a limited driving permit, but such person's license shall be reinstated only as provided in this Code section or Code Section 40-5-76."

A RESOLUTION recognizing and commending Mr. Robert F. Ewing on his service to the State of Georgia and on the occasion of his retirement; and for other purposes.

The President recognized and commended Mr. Robert F. Ewing. Honorable Secretary of the Georgia State Senate Bob Ewing addressed the Senate:

Mr. President and members of the Senate,

I have been truly blessed to work in the office of the Secretary of the Senate for 34 years. When I was placed at my first desk and given my IBM Selectric II typewriter and my white out paper, I felt like I had died and gone to heaven..... I was off the roof for good... and actually working my first indoor job!!!

Over the years I was mentored and essentially raised by a kind Southern gentleman and eight deeply protective women who taught me the intricacies of recording the legislative process. For every question I posed, I would get a long history lesson, showing how the answers had come to be. As I've learned, the process is always evolving!

I have served under 6 Governors and 4 Lieutenant Governors and have witnessed 276 Senators grace this chamber throughout the years.... Being elected Secretary was without question, the highlight of my career. This room is my sanctuary. I often come here in the evening and sit in my seat. It is as if I can hear the voices of members past, debating the stirring issues of their day. It inspires awe. You are a part of a great tradition.

When I received the title of "Secretary" in 2006, I was filled with pride. Returning to my office after my election, that morning, I clearly remember the first letter I received from the Lieutenant Governor's office. The address on the envelope left a deep and lasting impression on me. It read "Honorable" Bob Ewing. It impressed upon me the awesome responsibilities conferred by title. Being worthy of "Honor"is not to be taken lightly. You all are addressed as "Honorable" by your colleagues and constituents. I hope the weight of that title likewise humbles you each and every day.

I want to leave this body with that one thing that influenced me the most. I thought back over the years of listening to the speeches from the well. The vision that will stay with me forever... is the deep breath and exhalation that a member takes, who after rising and speaking his heart; states "Mr. President, I yield the well". As he steps down... the members on the aisle shake his hand... and pat him on the back... he knows deep down inside how it feels to be a statesman... that he is a statesman and not just a politician. This is the highpoint of this arena. It's not the rote passing of day to day legislation but the speech that occurs on an issue of substance – a speech that stirs the hearts of those in favor and of those opposed. That is what I will remember. What an amazing process!

I want to thank everyone I have met over the years who has made this Senate such a special family. You know who you are..... I know that we have made great changes for the members and for all Georgians so that their government and its actions are available right at their fingertips. I want to thank my family and my staff for their support. Thank you all for what you do. I wish you long life and happiness.

SR 651. By Senators Shafer of the 48th, Chance of the 16th, Miller of the 49th, Staton of the 18th, Wilkinson of the 50th and others:

A RESOLUTION recognizing and commending Mr. Jeffrey W. Foley on his service to the State of Georgia and on the occasion of his retirement; and for other purposes.

Section 54: Budgetary Control and Interpretation

The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. For authorizations for general obligation debt in Section 50, the indented, bold-faced paragraphs following each Bond number are the lowest level of detail and constitute appropriations in accordance with Article VII, Section IV, Paragraph III(a)(1) of the Georgia Constitution. The caption above the Bond number, the light-faced text immediately following the Bond number before the bold-faced text, and the light-faced after the bold-faced text are information only.

Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement of purpose but constitutes information as to how the appropriation was derived. Amounts in the columns other than the right-most column are for informational purposes only. The summary and lowest level of detail for the fund source categories

"Total Agency Funds" and "Total Intra-State Governmental Transfers," are for informational purposes only. The blocks of text and numerals immediately following the section header and beginning with the phrases, "Section Total - Continuation" and "Section Totals - Final" are for informational purposes only. Sections 51, 52, and 53 contain, constitute, or amend appropriations.

Section 55: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid" and "Medicaid: Aged, Blind, and Disabled" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other program to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the two programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

Part II: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

Part III: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.

(3) The commissioner shall notify each qualified investor of the tax credits tentatively approved and allocated to such qualified investor by December 31 of the year in which the application was submitted. In the event that the credit amounts on the tax credit applications filed with the commissioner exceed the maximum aggregate limit of tax credits under this subsection, then the tax credits shall be allocated among the qualified investors who filed a timely application on a pro rata basis based upon the amounts otherwise allowed by this Code section. Once the tax credit application has been approved and the amount approved has been communicated to the applicant, the qualified investor may then apply the amount of the approved tax credit to its tax liability for the tax year for which the approved application applies."

REPORT OF THE MINORITY
IN THE MATTER OF:
SENATE FINANCE COMMITTEE MEETING
March 14, 2013

Mr. Bob Ewing
Secretary of the Senate
353 State Capitol
Atlanta, Georgia 30334

Dear Mr. Secretary,

Pursuant to Section 2-1.6(a), I submit the following minority report in reference to the Senate Finance Committee meeting held on March 14, 2013.

As a member of the Senate Finance Committee, I strongly believe that the committee should make every effort to be fiscally responsible in its actions on bills before the committee, very carefully and deliberately maintaining the balance of protecting the state's revenue stream while guarding the financial burden on Georgia's taxpayers. This year, however, I am afraid that as a committee we have strayed far from this commitment, overlooking the rules that govern us in order to appease those in positions of control and power.

Senate Rule 2-1.3 Standing Committees; Number of Members

(a) The Committee on Assignments shall appoint standing committees and the maximum number of Senators which may serve on that committee as follows:

FINANCE - 10

Without counting Ex-Officio members (as provided for in Senate Rule 2-3.2a), the number of committee members currently serving on the Senate Finance Committee, and noted on the Senate's official website as of March 22, 2012, is 11.

Senate Rule 3-1.4 Fiscal Notes

(b) Failure to request a fiscal note by November 1 or December 1 will preclude consideration by the Senate unless the committee to which a bill is assigned determines, on a specific motion, for waiver, that the bill has a significant impact, waives the November 1 or December 1 deadline, requests a fiscal note from the director of the Office of Planning and Budget and the state auditor and the chair of the committee suggests a preferred order of completion to guide the director of the Office of Planning and Budget. (O.C.G.A. 28-5-42)

(e) No substitute or amendment to any bill shall be offered which changes the version of the bill on which the most recent fiscal note was submitted until a new fiscal note covering the provisions of the substitute or amendment is supplied to the Secretary of the Senate and made available to all members.

In the March 14th committee meeting, there was a great deal of concern expressed over the fact that no one really knew what language was being voted on due to the fact that there were no less than 4 versions of HB 318 in front of the committee- none of which had a fiscal note.

2-3.2 Ex-officio Members

(a) In addition to the members otherwise provided for on any committee, the Committee on Assignments may add one or more ex-officio members to any committee. Ex-officio members shall count as a voting member for purposes of determining whether a quorum is present at any given meeting and may vote on any matter before the committee. The limitations provided by Rules 2-1.3 and 2-3.1 shall not apply with respect to such ex-officio memberships.

The Committee's vote on HB 318 was 3 to 3. The Senator from the 45th voted in the affirmative leading to a tie; the Chairman then voted in favor of the bill, breaking the tie.

After the vote was taken, I questioned the Chairman as to whether the Senator from the 45th was a committee member. She and the Chairman both stated that she was. I requested a copy of the appointment letter from the Committee on Assignments and the Chairman promised it to me by the end of the day.

I visited the Secretary of Senate's office after the meeting to see if a copy of the letter had been filed with his office. While he had many copies of such letters, he did not find a copy of the appointment of the Senator from the 45th as an ex-officio to the committee.

As of Friday morning, the following day, I had still not received a letter or other form of confirmation from the Senate Finance Committee, Lt. Governor's Office or Secretary of the Senate. On Friday morning, March 15, 2013, I checked the Senate Finance Committee's webpage on the State Legislature's website and the Senator from the 45th was not listed as an ex-officio member. By the afternoon, the Senate's webpage had been updated to reflect her status as a member.

It was not until Tuesday, March 19th that I received the letter I requested. While the letter signed by the Lt. Governor appointing the Senator from the 45th as an ex-officio member was dated February 27th, my fear is that this letter may have been created at a later date and predated. In addition to these concerns, I remember the Senator from the 45th attending a meeting of the Senate Finance Committee as an ex-officio member on February 18th. If this is truly the case, the letter should have been dated the week prior.

Constitutionality of SB 224 and HB 318

Please see the two attached letters provided by the Office of Legislative Counsel.

I want to highlight that this minority report is not solely in regards to any specific piece of legislation. It's about the process and lack of respect for the Rules we as a body have put in place to govern us. How can we as legislators expect the people of this state to follow the laws this body is enacting if we cannot follow our own?

The present leadership model is not working. A committee chair, and not the majority party's leadership or the President of the Senate, should hold authority over his/her committee. We as members of the Senate should not continue to fear and give in to the wishes of the one person who currently holds control of the Senate. I don't believe that this is what our constituents elected us to do. Additionally, each one of us needs to make a firm commitment to adhere to our Senate Rules.

Respectfully submitted this 20th day of March, 2013,

/s/ Bill

The Senate Education and Youth Committee offered the following substitute to HB 131:

A BILL TO BE ENTITLED
AN ACT

To amend Part 3 of Article 6 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to educational programs, so as to define a certain term; to provide that

dual credit courses shall be treated in the same manner as advanced placement and international baccalaureate courses for purposes of determining eligibility for the HOPE scholarship; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Part 3 of Article 6 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to educational programs, is amended by revising Code Section 20-2-157, relating to uniform reporting system for certain purposes and academic eligibility requirements to receive HOPE scholarship, as follows:

"20-2-157.

(a) It is the intent of the General Assembly to establish a uniform reporting system to be used as one of the criteria to determine eligibility of students seeking educational scholarships, grants, or loan assistance administered by the Georgia Student Finance Commission pursuant to Article 7 of Chapter 3 of this title.

(a.1) As used in this Code section, the term 'dual credit course' shall have the same meaning as in Code Section 20-2-159.5.

(b) Each school system and private school shall adopt the reporting system described in this subsection for purposes of identifying and qualifying graduating seniors for the HOPE scholarship program and other programs identified in this Code section:

(1) Each school system and private school shall transmit, in a manner and at times prescribed by the Georgia Student Finance Commission, an electronic transcript of courses and course grades for each graduating senior that reflects the complete high school academic record of the student, including scores on any state tests required for graduation, the grading scales used by the school system or private school for the time periods referenced by the transcripts, and any other pertinent information as determined by the Georgia Student Finance Commission. Each grade reported by a school system or private school to the commission for the purpose of calculating the grade point average for HOPE scholarship eligibility shall be the actual grade earned by the student, with no weighting or addition of points by the local school system or private school;

(2) The Georgia Student Finance Commission shall calculate a grade point average for the purpose of determining eligibility for the HOPE scholarship from these electronic transcripts and shall notify students of their eligibility and high schools as to the eligibility of students;

(3) For students otherwise qualified and enrolling as freshmen students in eligible public or private postsecondary institutions for the first time on May 1, 2007, or thereafter, except as otherwise provided in paragraph (3.1) of this subsection, the Georgia Student Finance Commission shall calculate grade point averages for determining eligibility for the HOPE scholarship and other scholarships referenced in this Code section as follows:

(A) For students receiving a college preparatory diploma, each grade for a student in attempted coursework in English, mathematics, science, social studies, and foreign language that would, if successfully completed, satisfy a core graduation requirement for the college preparatory curriculum shall be equated to a grade on a 4.0 scale, such that a grade of 'A' = 4.0, a grade of 'B' = 3.0, a grade of 'C' = 2.0, a grade of 'D' = 1.0, and a grade of 'F' = 0; or

(B) For students receiving a career/technical diploma, each grade for a student in attempted coursework in English, mathematics, science, and social studies that would, if successfully completed, satisfy a core graduation requirement for the career/technical curriculum shall be equated to a grade on a 4.0 scale, such that a grade of 'A' = 4.0, a grade of 'B' = 3.0, a grade of 'C' = 2.0, a grade of 'D' = 1.0, and a grade of 'F' = 0.

Grades for coursework that is classified as advanced placement, a dual credit course, or international baccalaureate shall be weighted uniformly by the Georgia Student Finance Commission in calculating the overall grade point averages for students, provided that the weighting of such course grades is uniformly applied to all students in ~~the~~ this state taking the specified coursework. The sum of the equated grades shall be divided by the number of course grades, adjusted for term length, to yield a grade point average on a 4.0 scale;

(3.1) For students otherwise qualified and enrolling in the ninth grade for the first time during the 2008-2009 school year and thereafter, the Georgia Student Finance Commission shall calculate grade point averages for determining eligibility for the HOPE scholarship and other scholarships referenced in this Code section by equating each grade for a student in attempted coursework in English, mathematics, science, social studies, and foreign language during the student's ninth, tenth, eleventh, or twelfth grade year to a grade on a 4.0 scale, such that a grade of 'A' = 4.0, a grade of 'B' = 3.0, a grade of 'C' = 2.0, a grade of 'D' = 1.0, and a grade of 'F' = 0. Grades for coursework that is classified as advanced placement, a dual credit course, or international baccalaureate shall be weighted uniformly by the Georgia Student Finance Commission in calculating the overall grade point averages for students, provided that the weighting of such course grades is uniformly applied to all students in ~~the~~ this state taking the specified coursework. The sum of the equated grades shall be divided by the number of course grades, adjusted for term length, to yield a grade point average on a 4.0 scale; and

(4) Qualification for the HOPE scholarship shall be determined from the grade point average calculated either as set out in paragraph (3) of this subsection or as set out in paragraph (3.1) of this subsection for students enrolling in the ninth grade for the first time in a Georgia public school during the 2008-2009 school year and thereafter. Beginning May 1, 2007, students with grade point averages equal to or in excess of 3.0 on the 4.0 scale with a college preparatory diploma shall meet achievement standards for the HOPE scholarship; students receiving a career/technical diploma shall meet achievement standards for the HOPE scholarship with a grade point average equal to or in excess of 3.2 on a 4.0 scale. For students enrolling in the ninth

grade for the first time in a Georgia public school during the 2008-2009 school year and thereafter, such students with grade point averages equal to or in excess of 3.0 on a 4.0 scale shall meet achievement standards for the HOPE scholarship. This paragraph shall apply regardless of when a student graduated from high school and regardless of such student's eligibility status prior to May 1, 2007.

(c)(1) Beginning with the school year beginning after May 1, 2011, each school system and private school shall adopt the reporting system described in this subsection for purposes of determining potential eligibility for freshman, sophomore, and junior high school students for the HOPE scholarship program and other programs identified in this Code section.

(2) Each school system and private school shall transmit to the Georgia Student Finance Commission, in such manner and at such times as the commission may prescribe, an electronic transcript of courses and course grades for each freshman, sophomore, and junior high school student that reflects the complete high school academic record of the student, including scores on any state tests required for graduation, the grading scales used by the school system or private school for the time periods referenced by the transcripts, and any other pertinent information as determined by the Georgia Student Finance Commission. To amend Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to ad valorem taxation of property, so as to provide for a revision of the requirements for land that is classified as bona fide conservation use property; to provide for changes to requirements for land subject to a forest land conservation use covenant; to provide for a performance review board to be appointed by the revenue commissioner; to change certain criteria relating to current use of conservation use property; to provide for penalties for violations; to provide for valuation of property while an appeal of the assessment is in process; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to ad valorem taxation of property, is amended in paragraph (1) of subsection (a) of Code Section 48-5-7.4, relating to bona fide conservation use property, by deleting "and" at the end of division (v) of subparagraph (D), by replacing "or" with "and" at the end of division (iv) of subparagraph (E), and by adding a new subparagraph to read as follows:

"(F) The primary purpose described in this paragraph includes land conservation and ecological forest management in which commercial production of wood and wood fiber products may be undertaken primarily for conservation and restoration purposes rather than financial gain; or"

SECTION 2.

Said chapter is further amended by revising subsections (b), (c), (f), (i), (j), and (m) of Code Section 48-5-7.7, relating to the "Georgia Forest Land Protection Act of 2008," as follows:

"(b) As used in this Code section, the term:

(1) 'Contiguous' means real property within a county that abuts, joins, or touches and has the same undivided common ownership. If an applicant's tract is divided by a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track, then the applicant has, at the time of the initial application, a one-time election to declare the tract as contiguous irrespective of a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track.

(2) 'Forest land conservation use property' means forest land each tract of which consists of more than 200 acres of tangible real property of an owner subject to the following qualifications:

(A) Such property must be owned by an individual or individuals or by any entity registered to do business in this state;

(B) Such property excludes the entire value of any residence and its underlying land located on the property; as used in this subparagraph, the term 'underlying land' means the minimum lot size required for residential construction by local zoning ordinances or two acres, whichever is less. This provision for excluding the underlying land of a residence from eligibility in the conservation use covenant shall only apply to property that is first made subject to such a covenant, or is subject to a renewal of a previous conservation use covenant, on or after January 1, 2014;

(C) Such property has as its primary use the good faith subsistence or commercial production of trees, timber, or other wood and wood fiber products from or on the land. Such primary use includes land conservation and ecological forest management in which commercial production of wood and wood fiber products may be undertaken primarily for conservation and restoration purposes rather than financial gain. Such property may, in addition, have one or more of the following secondary uses:

(i) The promotion, preservation, or management of wildlife habitat;

(ii) Carbon sequestration in accordance with the Georgia Carbon Sequestration Registry;

(iii) Mitigation and conservation banking that results in restoration or conservation of wetlands and other natural resources; or

(iv) The production and maintenance of ecosystem products and services, such as, but not limited to, clean air and water.

'Forest land conservation use property' may include, but is not be limited to, land that has been certified as environmentally sensitive property by the Department of Natural Resources or which is managed in accordance with a recognized sustainable forestry certification program, such as the Sustainable Forestry Initiative, Forest Stewardship Council, American Tree Farm Program, or an equivalent sustainable forestry

certification program approved by the State Forestry Commission.

(3) 'Qualified owner' means any individual or individuals or any entity registered to do business in this state.

(4) 'Qualified property' means forest land conservation use property as defined in this subsection.

(5) 'Qualifying purpose' means a use that meets the qualifications of subparagraph (C) of paragraph (2) of this subsection.

(c) The following additional rules shall apply to the qualification of forest land conservation use property for conservation use assessment:

(1) All contiguous forest land conservation use property of an owner within a county for which forest land conservation use assessment is sought under this Code section shall be in a single covenant unless otherwise required under subsection (e) of this Code section;

(2) When one-half or more of the area of a single tract of real property is used for the qualifying purpose, then the entirety of such tract shall be considered as used for such qualifying purpose unless some other type of business is being operated on the portion of the tract that is not being used for a qualifying purpose; provided, however, that such other portion must be minimally managed so that it does not contribute significantly to erosion or other environmental or conservation problems or must be used for one or more secondary purposes specified in subparagraph (b)(2)(C) of this Code section. The following uses of real property shall not constitute using the property for another type of business:

(A) The lease of hunting rights or the use of the property for hunting purposes; shall not constitute another type of business.

(B) The charging of admission for use of the property for fishing purposes; shall not constitute another type of business.

(C) The production of pine straw shall not constitute another type of business or native grass seed; and

(D) The granting of easements solely for ingress and egress; and

(E) Any type of business devoted to secondary uses listed under subparagraph (b)(2)(C) of this Code section; and

(3) No otherwise qualified forest land conservation use property shall be denied conservation use assessment on the grounds that no soil map is available for the county or counties, if applicable, in which such property is located; provided, however, that if no soil map is available for the county or counties, if applicable, in which such property is located, the board of tax assessors shall use the current soil classification applicable to such property."

"(f)(1) A qualified owner shall not be authorized to make application for and receive conservation use assessment under this Code section for any property which at the time of such application is receiving preferential assessment under Code Section 48-5-7.1 or current use assessment under Code Section 48-5-7.4; provided, however, that if any property is subject to a covenant under either of those Code sections, it may be changed from such covenant and placed under a covenant under this Code section if it

is otherwise qualified. Any such change shall terminate the existing covenant and shall not constitute a breach thereof. No property may be changed more than once under this ~~subsection~~ paragraph.

(2) Any property that is subject to a covenant under this Code section and subsequently fails to adhere to the qualifying purpose, as defined in paragraph (5) of subsection (b) of this Code section, may be changed from the covenant under this Code section and placed under a covenant provided for in Code Section 48-5-7.4 if the property otherwise qualifies under the provisions of that Code section. In such a case, the existing covenant under this Code section shall be terminated, and the change shall not constitute a breach thereof. No property may be changed more than once under this paragraph."

"(i)(1) If ownership of all or a part of ~~the a~~ forest land conservation use property ~~constituting at least 200 acres~~ is acquired during a covenant period by another qualified owner ~~qualified to enter into an original forest land conservation use covenant~~, then the original covenant may be continued only by both such acquiring owner and the transferor for the remainder of the term, in which event, no breach of the covenant shall be deemed to have occurred if the total size of a tract from which the transfer was made is reduced below 200 acres or the size of the tract transferred is less than 200 acres. Following the expiration of the original covenant, no new covenant shall be entered with respect to ~~the either~~ tract ~~from which the transfer was made~~ unless such tract exceeds 200 acres. If a qualified owner has entered into an original forest land conservation use covenant and subsequently acquires additional qualified property contiguous to the property in the original covenant, the qualified owner may elect to enter the subsequently acquired qualified property into the original covenant for the remainder of the 15 year period of the original covenant; provided, however, that such subsequently acquired qualified property shall be less than 200 acres.

(2) If, following such transfer, a breach of the covenant occurs by the acquiring owner, the penalty and interest shall apply to the entire transferred tract and shall be paid by the acquiring owner who breached the covenant. In such case, the covenant shall terminate on such entire transferred tract but shall continue on such entire remaining tract from which the transfer was made and on which the breach did not occur for the remainder of the original covenant.

(3) If, following such transfer, a breach of the covenant occurs by the transferring owner, the penalty and interest shall apply to the entire remaining tract from which the transfer was made and shall be paid by the transferring owner who breached the covenant. In such case, the covenant shall terminate on such entire remaining tract from which the transfer was made but shall continue on such entire transferred tract and on which the breach did not occur for the remainder of the original covenant.

(j)(1) For each taxable year beginning on or after January 1, ~~2010~~ 2014, all applications for conservation use assessment under this Code section, including any forest land covenant required under this Code section, shall be filed on or before the last day for filing ad valorem tax ~~returns in each county in which the property is~~

~~located for the tax year for which such forest land conservation use assessment is sought, except that in the case of property which is the subject of a reassessment by the board of tax assessors an application for forest land conservation use assessment may be filed in conjunction with or in lieu of an appeal of the reassessment appeals of the annual notice of assessment except that in the case of property which is the subject of a tax appeal of the annual notice of assessment under Code Section 48-5-311, an application for forest land conservation use assessment may be filed at any time while such appeal is pending.~~ An application for continuation of such forest land conservation use assessment upon a change in ownership of all or a part of the qualified property shall be filed on or before the last date for filing tax returns in the year following the year in which the change in ownership occurred. Applications for forest land conservation use assessment under this Code section shall be filed with the county board of tax assessors in which the property is located who shall approve or deny the application. Such county board of tax assessors shall file a copy of the approved covenant in the office of the clerk of the superior court in the county in which the eligible property is located. The clerk of the superior court shall file and index such covenant in the real property records maintained in the clerk's office. If the covenant is not so recorded in the real property records, a transferee of the property affected shall not be bound by the covenant or subject to any penalty for its breach. The fee of the clerk of the superior court for recording such covenants shall be paid by the qualified owner of the eligible property with the application for forest land conservation use assessment under this Code section and shall be paid to the clerk by the board of tax assessors when the application is filed with the clerk. If the application is denied, the board of tax assessors shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306 and shall return any filing fees advanced by the owner. Appeals from the denial of an application or covenant by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(2) In the event such application is approved, the qualified owner shall continue to receive annual notification of any change in the forest land fair market value of such property, and any appeals with respect to such valuation shall be made in the same manner as other property tax appeals are made pursuant to Code Section 48-5-311."

"(m)(1) A penalty shall be imposed under this subsection if during the period of the covenant entered into by a qualified owner the covenant is breached.

(2) Except as provided in subsection (i) of this Code section and paragraph (4) of this subsection, the penalty shall be applicable to the entire tract which is the subject of the covenant, ~~and:~~

~~(A) If breached during years one through five, shall for each covenant year beginning with year one be three times the difference between the total amount of tax paid pursuant to conservation use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed or partially completed year of the covenant period;~~

~~(B) If breached during years six through ten, shall for each covenant year beginning~~

~~with year one be two and one half times the difference between the total amount of tax paid pursuant to conservation use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each year or partially completed year of the covenant period; and~~

~~(C) If breached during years 11 through 15, shall for each covenant year beginning with year one be twice the difference between the total amount of tax paid pursuant to conservation use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed year or partially completed year of the covenant period.~~

(3) ~~Any such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached. The penalty shall be twice the difference between the total amount of the tax paid pursuant to the conservation use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed or partially completed year of the covenant period. Any such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.~~

(4) If ownership of a portion of the land subject to the original covenant constituting at least 200 acres is transferred to another owner qualified to enter into an original forest land conservation use covenant in a bona fide arm's length transaction and breach subsequently occurs, then the penalty shall either be assessed against the entire remaining tract from which the transfer was made or the entire transferred tract, on whichever the breach occurred. The calculation of penalties in paragraph ~~(2)~~ (3) of this subsection shall be used except that the penalty amount resulting from such calculation shall be multiplied by the percentage which represents the acreage of such tract on which the breach occurs to the original covenant acreage. The resulting amount shall be the penalty amount owed by the owner of such tract of land on which the breach occurred."

SECTION 3.

Said chapter is further amended by revising Code Section 48-5-295.1, relating to the performance review board, as follows:

"48-5-295.1.

(a) The county governing authority may, upon adoption of a resolution, request that a performance review of the county board of tax assessors be conducted. Such resolution shall be transmitted to the commissioner who shall appoint an independent performance review board within 30 days after receiving such resolution. The commissioner shall appoint three competent persons to serve as members of the performance review board, one of whom shall be an employee of the department and two of whom shall be ~~assessors or chief appraisers, provided that neither chief appraiser shall be who are not members of the board or a chief appraiser for the county under review.~~

(b) It shall be the duty of a performance review board to make a thorough and complete investigation of the county board of tax assessors with respect to all actions of the county board of tax assessors and appraisal staff regarding the technical competency

of appraisal techniques and compliance with state law and regulations, including the Property Tax Appraisal Manual. The performance review board shall issue a written report of its findings to the commissioner and the county governing authority which shall include such evaluations, judgments, and recommendations as it deems appropriate. The county governing authority shall reimburse the members of the performance review board for reasonable expenses incurred in the performance of their duties, including mileage, meals, lodging, and costs of materials.

(c) The findings of the report of the review board under subsection (b) of this Code section or of any audit performed by the Department of Revenue at the request of the Governor may be grounds for removal of one or more members of the county board of tax assessors pursuant to subsection (b) of Code Section 48-5-295.

(d) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section."

SECTION 4.

Said chapter is further amended by adding a new Code section to read as follows:

"48-5-295.2.

(a) The commissioner shall appoint an independent performance review board if he or she determines, through the examination of the digest for any county in a digest review year pursuant to Code Section 48-5-342, that there is evidence which calls into question the technical competence of appraisal techniques and compliance with state law and regulations, including the Property Tax Appraisal Manual, with respect to the conservation use value of forest land.

(b) The commissioner shall appoint three competent persons to serve as members of the performance review board, one of whom shall be an employee of the department and two of whom shall be chief appraisers, provided that neither chief appraiser shall be a chief appraiser for the county under review.

(c) The performance review board shall issue a written report of its findings to the commissioner and the county governing authority which shall include such evaluations, judgments, and recommendations as it deems appropriate. The county governing authority shall reimburse the members of the performance review board for reasonable expenses incurred in the performance of their duties, including mileage, meals, lodging, and costs of materials.

(d) The findings of the report of the review board under subsection (c) of this Code section or of any audit performed by the Department of Revenue or the Department of Audits shall be grounds for the state to withhold local assistance grants pursuant to Code Section 48-5A-3; provided, however, that any portion of a local assistance grant designated for use by a board of education of any political subdivision shall not be withheld pursuant to this subsection. If the findings in the report of the performance review board indicate that the provisions of paragraph (6) of Code Section 48-5-2 have been knowingly violated by a local government in order to receive a larger local assistance grant than allowed by law, then the most recent local assistance grant requested by the local government shall be withheld by the Department of Revenue.

For a second or subsequent offense, the next two requests for local assistance grants shall be withheld by the Department of Revenue.

(e) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section."

SECTION 5.

Said chapter is further amended by revising division (e)(6)(D)(iii) of Code Section 48-5-311, relating to county boards of equalization and review of assessments, as follows:

"(iii)(I) If the county's tax bills are issued before the county board of equalization has rendered its decision on property which is on appeal, the county board of tax assessors shall specify to the county tax commissioner the ~~higher of the taxpayer's return valuation or 85 percent of the current year's valuation as set by the county board of tax assessors.~~ lesser of the valuation in the year preceding the year in which the appeal was filed or 85 percent of the current year's value, unless the property in issue has been issued a building permit and structural improvements have occurred, or structural improvements have been made without a building permit, in which case, it shall specify 85 percent of the current year's valuation as set by the county board of assessors. Depending on the circumstances of the property, this ~~This~~ amount shall be the basis for a temporary tax bill to be issued; provided, however, that the taxpayer may elect to pay the temporary tax bill in the amount of 100 percent of the current year's valuation if no property improvement has occurred. The county tax commissioner shall have the authority to adjust such tax bill to reflect the 100 percent value as requested by the taxpayer. Such tax bill shall be accompanied by a notice to the taxpayer that the bill is a temporary tax bill pending the outcome of the appeal process. Such notice shall also indicate that upon resolution of the appeal, there may be additional taxes due or a refund issued.

(II) ~~If the final determination of the value on appeal is less than the valuation thus used, the taxpayer shall receive a deduction in such taxpayer's taxes for the year in question. Such deduction shall be refunded to the taxpayer and shall include interest on the amount of such deduction at the same rate as specified in Code Section 48-2-35 which shall accrue from November 15 of the taxable year in question or the date the final installment of the tax was due or was paid, whichever is later. In no event shall the amount of such interest exceed \$150.00. For the purposes of this Code section, any final value that causes a deduction in taxes and creates a refund that is owed to the taxpayer shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes within 60 days from the date of the final determination of value. Such refund shall include interest on the amount of the deduction at the same rate specified in Code Section 48-2-35 which shall accrue from November 15 of the taxable year in question or the date the final installment was due or was paid, whichever is later, through to the date paid or 60 days from the date of the final determination, whichever is earlier. In no event shall the amount of such interest exceed~~

\$150.00 for homestead property or \$5,000.00 for nonhomestead property. Any refund paid after the sixtieth day shall accrue interest from the sixty-first day until paid with interest at the same rate specified in Code Section 48-2-35. The interest accrued after the sixtieth day and forward shall not be subject to the limits imposed by this subsection. The tax commissioner shall pay the tax refund and any interest for the refund from current collections in the same proportion for each of the levying authorities for whom the taxes were collected.

~~(III) If the final determination of value on appeal is greater than the valuation thus used, the taxpayer shall be liable for the increase in taxes for the year in question due to the increased valuation fixed on appeal with interest at the rate as specified in Code Section 48-2-35. Such interest shall accrue from November 15 of the taxable year in question or the date the final installment of the tax was due to the date the additional taxes are remitted, but in no event shall the amount of such interest exceed \$150.00. For the purposes of this Code section, any final value that causes an increase in taxes and creates an additional billing shall be paid to the tax commissioner as any other tax due along with interest as specified in Code Section 48-2-35. The tax commissioner shall adjust the tax bill, including interest, within 15 days from the date of the final determination of value and mail the adjusted bill to the taxpayer. Such interest shall accrue from November 15 of the taxable year in question or the final installment of the tax was due through to the date the bill was adjusted and mailed or 15 days from the date of the final determination, whichever is earlier. The interest computed on the additional billing shall in no event exceed \$150.00 for homestead property or \$5,000.00 for nonhomestead property. After the tax bill notice has been mailed out, the taxpayer shall be afforded 60 days from the date of the postmark to make full payment of the adjusted bill and interest. Once the 60 day payment period has expired, the bill shall be considered past due, and interest shall accrue as specified in Code Section 48-2-40 without limit until the bill is paid in full. Once past due, all other fees, penalties, late charges, and collection notices shall apply as prescribed in this chapter for the collection of delinquent taxes."~~

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 20 of the Official Code of Georgia Annotated, relating to education, is amended by revising Code Section 20-2-73, relating to suspension and removal of local school board members under certain circumstances, as follows:

"20-2-73.

(a)(~~H~~) Notwithstanding Code Section 20-2-54.1 or any other provisions of law to the contrary, if a local school system or school is placed on the level of accreditation immediately preceding loss of accreditation for school board governance related reasons by one or more accrediting agencies included in subparagraph (A) of paragraph (6) of Code Section 20-3-519, the local board of education shall notify the State Board of Education in writing within three business days of such placement and the State Board of Education shall conduct a hearing in not less than ten days of such notice nor more than 30 90 days and recommend to the Governor whether to suspend all eligible members of the local board of education with pay. A majority of the members of a local board of education may petition the State Board of Education to continue any hearing scheduled under this subsection. Upon a showing of good cause, the state board may in its sound discretion continue any such hearing. Notwithstanding any other provision of law, deliberations held by the State Board of Education pursuant to this subsection to formulate its recommendation to the Governor shall not be open to the public; provided, however, that testimony shall be taken in an open meeting and a vote on the recommendation shall be taken in an open meeting following the hearing or at the next regularly scheduled meeting. If the State Board of Education makes such recommendation, the Governor may, in his or her discretion, suspend all eligible members of the local board of education with pay and, in consultation with the State Board of Education, appoint temporary replacement members who shall be otherwise qualified to serve as members of such board.

~~(2) Notwithstanding Code Section 20-2-54.1 or any other provisions of law to the contrary, if a local school system or school has been placed on, as of April 20, 2011, the level of accreditation immediately preceding loss of accreditation for school board governance related reasons by one or more accrediting agencies included in subparagraph (A) of paragraph (6) of Code Section 20-3-519 and does not regain full accreditation status by July 1, 2011, the State Board of Education shall conduct a hearing in not less than ten days nor more than 30 days and recommend to the Governor whether to suspend all members of the local board of education with pay. If the State Board of Education makes such recommendation, the Governor may, in his or her discretion, suspend all members of the local board of education with pay and, in consultation with the State Board of Education, appoint temporary replacement members who shall be otherwise qualified to serve as members of such board.~~

(b) Any local board of education member suspended under this Code section may petition the Governor for reinstatement no earlier than 30 days following suspension and no later than 60 days following suspension. In the event that a suspended member does not petition for reinstatement within the allotted time period, his or her suspension shall be converted into permanent removal, and the temporary replacement member shall become a permanent member and serve out the remainder of the term of the removed member.

(c) Upon petition for reinstatement by a suspended local board of education member, the Governor or his or her designated agent shall conduct a hearing for the purpose of receiving evidence relative to whether the local board of education member's continued service on the local board of education is more likely than not to improve the ability of the local school system or school to retain or regain its accreditation. The appealing member shall be given at least 30 days' notice prior to such hearing. Such hearing shall be held not later than 90 days after the petition is filed and in accordance with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' except that the individual conducting the hearing shall have the power to call witnesses and request documents on his or her own initiative. For purposes of said chapter and any hearing conducted pursuant to this Code section, the Governor shall be considered the agency, and the Attorney General or his or her designee shall represent the interests of the Governor in the hearing. If it is determined that it is more likely than not that the local board of education member's continued service on the local board of education improves the ability of the local school system or school to retain or regain its accreditation, the member shall be immediately reinstated; otherwise, the member shall be permanently removed, and the temporary replacement member shall become a permanent member and serve out the remainder of the term of the removed member or until the next general election which is at least six months after the member was permanently removed, whichever is sooner. Judicial review of any such decision shall be in accordance with Chapter 13 of Title 50.

(d) ~~Paragraph (1) of subsection~~ Subsection (a) of this Code section shall apply to a local school system or school which is placed on the level of accreditation immediately preceding loss of accreditation on or after April 20, 2011.

~~(e) This Code section shall apply to all local board of education members, regardless of when they were elected or appointed~~ For purposes of this Code section, an eligible member of a local board of education shall mean a board member who was serving on the local board at the time the accrediting agency placed the local school system or school on the level of accreditation immediately preceding loss of accreditation.

Honorable Mickey Channell, Chairman
House Ways and Means Committee
State Capitol, Room 133
Atlanta, Georgia 30334

SUBJECT: Fiscal Note
House Bill 193 (LC 34 3647)

Dear Chairman Channell:

The Carl Vinson Institute of Government at the University of Georgia provided the following narrative on the revenue impact of this bill:

This legislation amends O.C.G.A. Section 48-8-3 to provide an exemption for a limited period of time from the sales and use tax imposed pursuant to O.C.G.A. Section 48-8-30 relating to certain nonprofit health centers, nonprofit volunteer health clinics, qualified food banks, and donated food. For nonprofit health centers and nonprofit volunteer health clinics, the exemption would apply to certain sales or uses of tangible personal property occurring July 1, 2013 through July 1, 2016. For qualified food banks and donated food, the exemption would apply to certain sales of eligible food and beverages and the use of certain donated food occurring July 1, 2013 through June 30, 2016. The legislation's effective date is July 1, 2013.

Nonprofit Health Centers

For nonprofit health centers, the legislation specifies that in order to be entitled to the sales and use tax exemption the health center must (i) be located in Georgia, (ii) be established under the authority of and receiving funds pursuant to the United States Public Health Service Act, 42 U.S.C. Section 254b, and (iii) obtain an exemption determination letter from the Georgia Commissioner of Revenue (Commissioner). Nonprofit health centers that would meet the legislation's criteria are known as Federally Qualified Health Centers (FQHCs).

FQHCs purchase tangible personal property falling roughly into three categories: durable medical supplies, nondurable medical supplies, and administrative supplies. To estimate the amount spent on durable and nondurable medical supplies, historical expenditure data for Georgia for the years 1980 through 2009 were obtained from the Centers for Medicare & Medicaid Services. The percentage of durable medical supplies expenditures to total expenditures was first calculated. The percentage of nondurable medical supplies expenditures to total expenditures was then calculated.

The data did not include a similar breakout of administrative expenditures; however, based on information obtained from industry representatives, the percentage of administrative expenditures to total expenditures is assumed to be 5%. The amount of expenditures in future years was estimated by applying a growth rate based on historical data.

Data on the total accrued healthcare costs of FQHCs located in Georgia were available from the U.S. Department of Health & Human Services, Health Resources & Services Administration. Projected total healthcare costs of Georgia FQHCs for future years were estimated by applying a trend based on the historical data. The respective expenditure percentages for each category of tangible personal property were then applied to the estimates of the total costs of Georgia FQHCs to calculate eligible tangible personal property expenditures for FY2014 through FY2016.

The exemption for sales of tangible personal property to an FQHC only extends to the state portion of the sales and use tax and does not apply to any local sales and use tax. Accordingly, to estimate the revenue impact of the exemption the state sales and use tax rate of 4% was applied to eligible expenditures. The estimated state revenue impact from the exemption relating to nonprofit health centers ranges from -\$678,179 in FY2014 to -\$769,998 in FY2016 for a total state tax revenue impact of -\$2,172,287.

Nonprofit Volunteer Health Clinics

For nonprofit volunteer health clinics, the legislation specifies that in order to be entitled to the sales and use tax exemption the health clinic must (i) primarily treat persons with incomes below 200% of the federal poverty level, (ii) use such property and services exclusively in performing a general treatment function in Georgia, (iii) be a tax exempt organization under the Internal Revenue Code of 1986, as amended, and (iv) obtain an exemption determination letter from the Commissioner.

The Georgia Charitable Care Network (GCCN) provided data on the total number of patient visits and the average cost per patient visit at volunteer clinics in Georgia for the years 2009 through 2011. GCCN estimates that eligible expenditures constitute 70% of total costs for volunteer health clinics. According to GCCN, total patient visits at volunteer health clinics in Georgia have grown from 210,116 in 2009 to 444,620 in 2011; however, GCCN does not expect that patient visits will continue to grow at the same rate. Therefore, rather than applying the growth rate calculated from GCCN's patient numbers to determine the estimated costs in future years, the historical growth rate calculated for FQHCs was used as a proxy for volunteer health clinic patient growth and applied to 2011 total costs. The estimated costs for future years were then multiplied by 70% to estimate the amount of eligible expenditures.

To estimate the state revenue impact of the exemption relating to nonprofit volunteer health clinics, the state sales and use tax rate of 4% was applied to the eligible expenditures. The estimated state revenue impact from the exemption relating to nonprofit volunteer health clinics ranges from -\$793,443 in FY2014 to -\$902,280 in FY2016 for a total state tax revenue impact of -\$2,543,585. Local sales and use tax rates in Georgia vary from 1% to 4%, depending upon the aggregate local option sales and use tax rate imposed within any particular local jurisdiction. The most common local sales and use tax rate is 3% which was used to estimate the local government revenue impact using the same methodology described above. The estimated local revenue impact from the exemption relating to nonprofit volunteer health clinics ranges from -\$595,082 in FY2014 to -\$676,710 in FY2016 for a total local revenue impact of -\$1,907,688.

Qualified Food Banks and Donated Food

The legislation specifies that sales of food and food ingredients to a qualified food bank, the use of prepared food that is donated to a qualified nonprofit agency and used for hunger relief purposes, and the use of prepared food that is donated following a natural disaster and used for hunger relief purposes, will be exempt from sales and use taxes.

The Georgia Food Bank Association (GFBA) provided data on the dollar value of food purchased in 2011 and 2012 by qualified food banks. The amount of food purchased in future years was estimated by applying a trend calculated from the GFBA data. The GFBA also provided data on the volume, by weight, of prepared food donated for hunger relief and for disaster relief. Feeding America, one of the largest hunger relief charities in the United States, provided data indicating that it values donated prepared food at \$1.60 per pound, and this amount was multiplied by the volume of donated prepared food data obtained from GFBA. Although the amount of food donated for hunger relief decreased from 2011 to 2012, for purposes of this analysis the decline is assumed to level off and remain constant for the relevant time frame.

To estimate the revenue impacts of the exemptions relating to qualified food banks and donated food, the current 4% state sales and use tax rate and 3% local sales and use tax rate were applied to the food sales and donation data described above. The estimated state revenue impact from the exemption ranges from -\$434,623 in FY2014 to -\$497,436 in FY2016 for a total state tax revenue impact of -\$1,396,981. The estimated local government revenue impact ranges from -\$325,968 in FY2014 to -\$373,077 in FY2016 for a total local revenue impact of -\$1,047,737.

The following tables show the legislation's total estimated revenue impact for the three-year period beginning FY2014 through FY2016:

Table 1: Total State Revenue Impact

<u>FY2014</u>	<u>FY2015</u>	<u>FY2016</u>	<u>Total</u>

(b) Minor incidents, as defined by the applicable board, shall not be required to be reported pursuant to this article when the continuing practice by the subject nurse does not pose a risk of harm to a patient or others and can be addressed through corrective action by the nurse's employer. The applicable board shall adopt rules governing reporting of minor incidents. The applicable board may evaluate a complaint and determine that it is a minor incident under this Code section.

43-26-54.

The applicable board may seek an order from a court of competent jurisdiction for a report from a nurse as required by Code Section 43-26-51 if one is not forthcoming voluntarily. The applicable board may seek a citation for civil contempt if a court order for a report is not obeyed by such nurse.
