SUBJECT: Fiscal Note
House Bill 211 (LC 33 4918)

Dear Representative Coleman:

The Georgia State University Fiscal Research Center provided the following narrative on the revenue impact of this bill:

This legislation proposes to exempt the purchase of motor fuels by public school systems for the operation of school buses from the motor fuels excise tax. This tax consists of 7.5 cents per gallon tax charged on the quantity sold of motor fuels, and a four percent charge on the sale of motor fuels (also known as the “prepaid state tax”). The prepaid state tax actually consists of two separate taxes; a second motor fuel tax of three percent charged on the sale of motor fuels, which is dedicated to the Georgia Department of Transportation (GDOT) and a one percent state sales tax. O.C.G.A. §48-9-14, relating to levy of the second motor fuels tax, states that exemptions to the motor fuel tax in §48-9-3 also apply to the second motor fuel tax. The one percent state sales tax on motor fuels, which goes to the General Fund (GF), does not apply in the case of purchases of fuel by

public school systems as they are exempt pursuant to §48-8-3(1), the state sales and use tax exemption applicable to “any county or municipality of this state, or any bona fide department of such governments.”

This legislation will reduce motor fuel excise tax and second motor fuel tax revenue by excluding public school purchases of fuel for school buses from the current tax base. The existing language does not include an effective date for the proposed exemption so an effective date of July 1, 2013, the first day of fiscal year (FY) 2014, has been assumed. It is estimated that the revenue loss for FY 2014 would be between \$5.65 million and \$5.82 million. See Table 2 for detailed estimates of the revenue losses for fiscal years 2014 through 2018.

Revenue Estimate:

The school districts in Georgia submit a yearly detailed expenditure survey for financial reporting purposes to the Department of Education, including data on the costs incurred on motor fuels to operate school buses in the state of Georgia by public school districts. . The school bus fleet in Georgia is made up of 90 percent diesel buses and 10 percent gasoline buses according to a survey by the concerned Union of Concerned Scientists and data gathered by the trade organization School Bus Fleet, in which the Georgia Department of Education’s Transportation Department participates. Diesel buses are approximately 20 percent more efficient in terms of miles per gallon, according to federal government statistics, thus it is estimated that diesel buses make up 88 percent of total fuel consumption. This assumption together with average fuel price and expenditures data, consumption of diesel and gasoline for school bus operations is estimated for school years 2006 through 2011 as shown in Table 1.

Table 1. Georgia Department of Education Expenditures on Motor Fuels and Estimated Gallons Consumed of Diesel and Gasoline

Fiscal Year	2006	2007	2008	2009	2010	2011
Energy Expenditures for Student Transportation (\$ Millions)(i)	\$74.34	\$72.65	\$108.60	\$82.87	\$79.84	\$97.43
Price of Diesel (ii)	\$2.62	\$2.61	\$3.44	\$2.83	\$2.79	\$3.39
Price of Gas (ii)	\$2.57	\$2.53	\$3.14	\$2.49	\$2.70	\$3.17
Estimated Gallons Diesel Consumed (Millions)(iii)	24.98	24.50	27.80	25.81	25.22	25.28
Estimated Gallons Gas Consumed (Millions)(iii)	3.47	3.44	4.15	4.00	3.55	3.69

(i)Georgia Department of Education (ii) United States Energy Information Administration (EIA) average gasoline and diesel prices for Lower Atlantic (PADD 1C) region (iii) 88 percent of consumption is by diesel operating buses and 12 percent by gasoline operating buses

The Georgia school bus fleet grew modestly by 0.77 percent annually between school years 2003 and 2007 (the latest year available), approximately matching the growth in

fall enrollment over the same period. The National Center for Education Statistics (NCES) produces enrollment projections up to 2020 and predicts 0.89 percent annual growth in Georgia public school enrollment over that time period. Assuming the miles driven per bus and average fuel economy are static over the next five years, a high and low growth estimate of 1.2 and 0.6 percent annually in gallons of diesel and gasoline purchased for school buses has been assumed for the fiscal years 2014 through 2018.

The FY2014 through FY2018 projected consumption of gasoline and diesel assumes an 88 percent share of expenditure on diesel and a 12 percent gasoline share, as described above. The base year for the forecasted consumption growth, FY2013, was estimated as the average consumption over FY 2009 through FY 2011 or approximately 25.4 million gallons of diesel and 3.7 million gallons of gasoline.

The prices of diesel and gasoline have fluctuated over the last several years, with a peak in 2008 followed by a decline before rising again in 2011, as seen in Table 1. Since 2011, prices have risen further; the year-to-date average prices for school year 2013 (through January 2013) are \$3.96 for diesel and \$3.59 for gasoline. These prices are used as the base (FY2013) prices for projection purposes. The EIA's long-term price forecasts call for nominal price growth through 2018 of about 1.3 percent annually for gasoline and 2.1 percent for diesel. For projection purposes, low and high price growth assumptions are used, with zero growth for the "low fuel price" estimates and 4 percent for the "high fuel price" estimate.

Table two summarizes the high and low "current law" revenue estimates, based on the assumptions above, for the three relevant revenue categories—the 7.5 cents per gallon excise tax, and the DOT and general fund portions of the second motor fuel tax. The current law revenue estimates represent the estimated revenue loss from passage of the subject bill, LC 33 4918.

(2) Implied consent notice for suspects age 21 years of age or over older:

'Georgia law requires you to submit to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing, your privilege to operate a vessel on the waters of this state will be suspended for a minimum period of one year. Your refusal to submit to the required testing may be offered into evidence against you at trial. If you submit to testing, and the results of ~~that test or tests may be used against you.~~ and the results of such test or tests indicate an alcohol concentration of ~~0.10~~ 0.08 grams or more or the presence of any illegal drug, your privilege to operate a vessel on the waters of this state may be suspended for a minimum period of one year. After first submitting to the required state tests, you are entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which tests) under the implied consent law?'

If any such notice is used by a law enforcement officer to advise a person of his or her rights regarding the administration of chemical testing, such person shall be deemed to have been properly advised of his or her rights under this Code section and under

Code Section 52-7-12.6, and the results of any chemical test, or the refusal to submit to a test, shall be admitted into evidence against such person. ~~This notice shall be deemed sufficient if such notice read by an arresting officer is substantially complied with~~ Such notice shall be read in its entirety but need not be read exactly so long as the substance of the notice remains unchanged.

~~(c) Subsection (b) of this Code section shall apply to any case wherein the request for chemical testing is made regarding an offense committed on or after June 1, 1998. Subsection (b) of this Code section shall not apply to any case wherein the request for chemical testing was made regarding an offense committed prior to June 1, 1998, in which case those provisions of former Code Section 52-7-12 governing the admissibility of evidence of results of chemical testing or refusal to submit to chemical testing which were in effect at the time the offense was committed shall apply~~ Nothing in this Code section shall be deemed to preclude the acquisition or admission of evidence of a violation of Code Section 52-7-12 if such evidence was obtained by voluntary consent or a search warrant as authorized by the Constitution or laws of this state or the United States.

(d) If a person under arrest or a person who was involved in any boating accident resulting in serious injuries or fatalities submits to a chemical test upon the request of a law enforcement officer and the test results indicate that a suspension of the privilege of operating a vessel on the waters of this state is required under this Code section, the results shall be reported to the department. Upon the receipt of a ~~sworn~~ report of the law enforcement officer that the officer had reasonable grounds to believe the arrested person had been operating or was in actual physical control of a moving vessel upon the waters of this state in violation of Code Section 52-7-12 or that such person had been operating or was in actual physical control of a moving vessel upon the waters of this state and was involved in a boating accident involving serious injuries or fatalities and that the person submitted to a chemical test at the request of the law enforcement officer and the test results indicate either an alcohol concentration of ~~0.10~~ 0.08 grams or more or, for a person under the age of 21 years, an alcohol concentration of 0.02 grams or more, and the vessel being operated was a motorized vessel having ten or more horsepower or was a sailboat more than 12 feet in length, the department shall suspend the person's privilege to operate a vessel upon the waters of this state pursuant to Code Section 52-7-12.6, subject to review as provided for in this Code section.

(e) If a person under arrest or a person who was involved in any boating accident resulting in serious injuries or fatalities refuses, upon the request of a law enforcement officer, to submit to a chemical test designated by the law enforcement officer as provided in subsection (a) of this Code section, no test shall be given; but the law enforcement officer shall report the refusal to the department. Upon the receipt of a ~~sworn~~ report of the law enforcement officer that the officer had reasonable grounds to believe the arrested person had been operating or was in actual physical control of a moving vessel upon the waters of this state in violation of Code Section 52-7-12 or that such person had been operating or was in actual physical control of a moving vessel upon the waters of this state and was involved in a boating accident which resulted in

serious injuries or fatalities and that the person had refused to submit to the test upon the request of the law enforcement officer, and the vessel being operated was a motorized vessel having ten or more horsepower or was a sailboat more than 12 feet in length, the department shall suspend the person's privilege of operating a vessel on the waters of this state for a period of one year.

(f)(1) The law enforcement officer, acting on behalf of the department, shall personally serve the notice of intention to suspend or disqualify the privilege of operating a vessel on the waters of this state of the arrested person or other person refusing such test on such person at the time of the person's refusal to submit to a test or at the time at which such a test indicates that suspension or disqualification is required under this Code section. The officer shall forward to the department the notice of intent to suspend and the ~~sworn~~ report required by subsection (d) or (e) of this Code section within ten calendar days after the date of the arrest of such person. The failure of the officer to transmit the sworn report required by this Code section within ten calendar days shall not prevent the department from accepting such report and utilizing it in the suspension of an operator's privilege as provided in this Code section.

(2) If notice has not been given by the arresting officer, the department, upon receipt of the ~~sworn~~ report of such officer, shall suspend the person's privilege to operate a vessel and, by regular mail, at the last known address, notify such person of such suspension. The notice shall inform the person of the grounds of suspension, the effective date of the suspension, and the right to review. The notice shall be deemed received three days after mailing.

(g)(1) A person whose operator's privilege is suspended pursuant to this Code section shall request, in writing, a hearing within ten business days from the date of personal notice or receipt of notice sent by certified mail or statutory overnight delivery, return receipt requested, or the right to said hearing shall be deemed waived. Within 30 days after receiving a written request for a hearing, the department shall hold a hearing as is provided in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' The hearing shall be recorded. For purposes of such hearing, a copy of the report required by subsection (d) or (e) of this Code section shall be made a part of the hearing record and shall create a rebuttable presumption that the vessel being operated was a motorized vessel having ten or more horsepower or was a sailboat more than 12 feet in length.

(2) The scope of the hearing shall be limited to the following issues:

(A)(i) Whether the law enforcement officer had reasonable grounds to believe the person was operating or in actual physical control of a moving vessel while under the influence of alcohol or a controlled substance and was lawfully placed under arrest for violating Code Section 52-7-12.

(ii) Whether the person was involved in a vessel accident or collision resulting in serious injury or fatality;

(B) Whether at the time of the request for the test or tests the officer informed the person of the person's implied consent rights and the consequence of submitting or

refusing to submit to such test and:

(i) Whether the person refused the test; or

(ii) Whether a test or tests were administered and the results indicated an alcohol concentration of ~~0.10~~ 0.08 grams or more or, for a person under the age of 21 years, an alcohol concentration of 0.02 grams or more; and

(C) Whether the test or tests were properly administered by an individual possessing a valid permit issued by the Division of Forensic Sciences of the Georgia Bureau of Investigation on an instrument approved by the Division of Forensic Sciences or a test conducted by the Division of Forensic Sciences, including whether the machine at the time of the test was operated with all its electronic and operating components prescribed by its manufacturer properly attached and in good working order, which shall be required. A copy of the operator's permit showing that the operator has been trained on the particular type of instrument used and one of the original copies of the test results or, where the test is performed by the Division of Forensic Sciences, a copy of the crime lab report shall satisfy the requirements of this subparagraph.

(3) The hearing officer shall, within five calendar days after such hearing, forward a decision to the department to rescind or sustain the suspension of the person's privilege to operate a vessel on the waters of this state. If no hearing is requested within the ten business days specified in paragraph (1) of this subsection, and the failure to request such hearing is due in whole or in part to the reasonably avoidable fault of the person, the right to a hearing shall have been waived. The request for a hearing shall not stay the suspension of the person's privilege to operate a vessel on the waters of this state; provided, however, that if the hearing is timely requested and is not held within 60 days and the delay is not due in whole or in part to the reasonably avoidable fault of the person, the suspension shall be stayed until such time as the hearing is held and the hearing officer's decision is made.

(4) In the event the person is acquitted of a violation of Code Section 52-7-12 or such charge is initially disposed of other than by a conviction or plea of nolo contendere, then the suspension shall be terminated. An accepted plea of nolo contendere shall be entered on the operator's record and shall be considered and counted as a conviction for purposes of any future violations of Code Section 52-7-12.

(h) If the suspension is sustained after such a hearing, the person whose privilege to operate a vessel on the waters of this state has been suspended under this Code section shall have a right to file for a judicial review of the department's final decision, as provided for in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act'; while such appeal is pending, the order of the department shall not be stayed.

(i) Each time an approved breath-testing instrument is inspected, the inspector shall prepare a certificate which shall be signed under oath by the inspector and which shall include the following language:

'This breath-testing instrument (serial no. _____) was thoroughly inspected, tested, and standardized by the undersigned on (date _____) and all of its electronic and operating components prescribed by its manufacturer are properly

attached and are in good working order.'

When properly prepared and executed, as prescribed in this subsection, the certificate shall, notwithstanding any other provision of law, be self-authenticating, shall be admissible in any court of law, and shall satisfy the pertinent requirements of paragraph (1) of subsection (c) of Code Section 52-7-12 and subparagraph (g)(2)(C) of this Code section."

NOW, THEREFORE, BE IT RESOLVED AND ENACTED BY
THE GENERAL ASSEMBLY OF GEORGIA:

ARTICLE I
SECTION 1.

That the State of Georgia is the owner of the hereinafter described real property lying and being in GMD 243 Barrow County, Georgia, and that the property is in the custody of the Georgia Department of Natural Resources, which does not object to the granting of this easement, hereinafter referred to as the easement area and that, in all matters relating to the easement area, the State of Georgia is acting by and through its State Properties Commission.

SECTION 2.

That the State of Georgia, acting by and through its State Properties Commission, may grant to Georgia Power Company, or its successors and assigns, a nonexclusive easement area for installing, maintaining and operating overhead and underground utility lines to the Camp Will-A-Way campground host site and to recreational fields. Said easement area is located at Fort Yargo State Park, Camp Will-A-Way, Barrow County, Georgia and is more particularly described as follows:

That approximately 0.05 of an acre and that portion only as shown on a drawing prepared by Josh Sweat titled Georgia Power Company, Exhibit "A" and being on file in the offices of the State Properties Commission,
and may be more particularly described by a plat of survey prepared by a Georgia registered land surveyor and presented to the State Properties Commission for approval.

SECTION 3.

That the above-described premises shall be used solely for the purpose of installing, maintaining, and operating said overhead and underground utility lines.

SECTION 4.

That Georgia Power Company shall have the right to remove or cause to be removed from said easement area only such trees and bushes as may be reasonably necessary for

the proper installation, operation, and maintenance of said overhead and underground utility lines.

SECTION 5.

That, after Georgia Power Company has put into use the overhead and underground utility lines this easement is granted for, a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement granted herein. Upon abandonment, the Georgia Power Company, or its successors and assigns, shall have the option of removing its facilities from the easement area or leaving the same in place, in which event the siren system shall become the property of the State of Georgia, or its successors and assigns.

SECTION 6.

That no title shall be conveyed to Georgia Power Company and, except as herein specifically granted to Georgia Power Company, all rights, title, and interest in and to said easement area is reserved in the State of Georgia, which may make any use of said easement area not inconsistent with or detrimental to the rights, privileges, and interest granted to Georgia Power Company.

SECTION 7.

That if the State of Georgia, acting by and through its State Properties Commission, determines that in order to avoid interference with the state's use or intended use of the easement area, the easement area should be relocated to an alternate site within the property, it may grant a substantially equivalent nonexclusive easement to an alternate site under such terms and conditions as the State Properties Commission shall in its discretion determine to be in the best interest of the State of Georgia. The Grantee shall remove or relocate its facilities to the alternate easement area at its sole cost and expense, unless the State Properties Commission determines that the requested removal or relocation is to be for the sole benefit of the State of Georgia and Grantee provides, and the State Properties Commission receives and approves, in advance of any construction being commenced a written estimate for the cost of such removal and relocation. Upon written request from Grantee or any third party, the State Properties Commission, in its sole discretion, may grant a substantially equivalent nonexclusive easement within the property for the relocation of the facilities without cost, expense or reimbursement from the State of Georgia.

SECTION 8.

That the easement granted to Georgia Power Company shall contain such other reasonable terms, conditions, and covenants as the State Properties Commission shall deem in the best interest of the State of Georgia and that the State Properties Commission is authorized to use a more accurate description of the easement area so long as the description utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 9.

That this resolution does not affect and is not intended to affect any rights, powers, interest, or liability of the Department of Transportation with respect to the state highway system, of a county with respect to the county road system, or of a municipality with respect to the city street system. The grantee shall obtain any and all other required permits from the appropriate governmental agencies as are necessary for its lawful use of the easement area or public highway right of way and comply with all applicable state and federal environmental statutes in its use of the easement area.

SECTION 10.

That the consideration for such easement shall be \$10.00 since this action will solely benefit the Department of Natural Resources and the State of Georgia.

SECTION 11.

That this grant of easement shall be recorded by the grantee in the Superior Court of Barrow County and a recorded copy shall be forwarded to the State Properties Commission.

SECTION 12.

That the authorization in this resolution to grant the above-described easement to Georgia Power Company shall expire three years after the date this resolution is enacted into law and approved by the State Properties Commission.

SECTION 13.

That the State Properties Commission is authorized and empowered to do all acts and things necessary and proper to effect the grant of the easement area.

ARTICLE II**SECTION 14.**

That the State of Georgia is the owner of the hereinafter described real property lying and being in Land Lots 219 and 219 of the 5th Land District of Carroll County, Georgia, and that the property is in the custody of the Technical College System of Georgia, which does not object to the granting of this easement, hereinafter referred to as the easement area and that, in all matters relating to the easement area, the State of Georgia is acting by and through its State Properties Commission.

That the State of Georgia, acting by and through its State Properties Commission, may grant to Georgia Power Company, or its successors and assigns, a nonexclusive easement area for installation, operation and maintenance of an underground electrical power line and necessary equipment to provide electric service to a lighted sign. Said easement area is located at the West Georgia Technical College in Carroll County, Georgia and is more

SECTION 17.

That Georgia Power Company shall have the right to remove or cause to be removed from said easement area only such trees and bushes as may be reasonably necessary for the proper installation, operation, and maintenance of said electric power line and necessary equipment.

SECTION 18.

That, after Georgia Power Company has put into use the power line and necessary equipment this easement is granted for, a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement granted herein. Upon abandonment, the Georgia Power Company, or its successors and assigns, shall have the option of removing its facilities from the easement area or leaving the same in place, in which event the power line and any equipment shall become the property of the State of Georgia, or its successors and assigns.

The Grantee shall remove or relocate its facilities to the alternate easement area at its sole cost and expense,

unless the State Properties Commission determines that the requested removal or relocation is to be for the sole benefit of the State of Georgia and Grantee provides, and the State Properties Commission receives and approves, in advance of any construction being commenced a written estimate for the cost of such removal and relocation. Upon written request from Grantee or any third party, the State Properties Commission, in its sole discretion, may grant a substantially equivalent nonexclusive easement within the property for the relocation of the facilities without cost, expense or reimbursement from the State of Georgia.

SECTION 21.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 3 of Chapter 6 of Title 17 of the Official Code of Georgia Annotated, relating to proceedings for forfeiture of bonds or recognizances, is amended by revising Code Section 17-6-72, relating to conditions not warranting forfeiture of bond for failure to appear and remission of forfeiture, as follows:

"17-6-72.

(a) No judgment shall be rendered on a forfeiture of any appearance bond if it is shown to the satisfaction of the court by the written statement of a licensed physician that the principal on the bond was prevented from attending ~~by some court due to a~~ mental or physical disability or the principal on the bond was receiving inpatient treatment as involuntary treatment, as such terms are defined in Code Section 37-3-1.

(b) No judgment shall be rendered on a forfeiture of any appearance bond if it is shown to the satisfaction of the court that the principal on the bond was prevented from attending because he or she was detained by reason of arrest, sentence, or confinement in a penal institution or jail in the State of Georgia, or so detained in another jurisdiction, or because he or she was involuntarily confined or detained pursuant to court order in a mental institution in the State of Georgia or in another jurisdiction. An official written notice of the holding institution in which the principal is being detained or confined shall be considered proof of the principal's detention or confinement and such notice may be sent from the holding institution by mail or delivered by hand or by facsimile machine. Upon the presentation of such written notice to the clerk of the proper court, the prosecuting attorney, and the sheriff or other law enforcement officer having jurisdiction over the case, along with a letter of intent to pay all costs of returning the principal to the jurisdiction of the court, such notice and letter shall serve as the surety's request for a detainer or hold to be placed on the principal. Should there be a failure to place a detainer or hold within ~~15 days, excluding Saturdays, Sundays, and legal holidays~~ ten business days of the surety's service of a detainer or hold request, and after such presentation of such notice and letter of intent to pay costs, the surety shall then be relieved of the liability for the appearance bond without further order of the court.

(c) No judgment shall be rendered on a forfeiture of any appearance bond if it is shown to the satisfaction of the court that prior to the entry of the judgment on the forfeiture

the principal on the bond is in the custody of the sheriff or other responsible law enforcement agency. An official written notice of the holding institution in which the principal is being detained or confined shall be considered proof of the principal's detention or confinement and such notice may be sent from the holding institution by mail or delivered by hand or by facsimile machine. Upon presentation of such written notice to the clerk of the proper court, the prosecuting attorney, and the sheriff or other law enforcement officer having jurisdiction over the case along with a letter of intent to pay all costs of returning the principal to the jurisdiction of the court, such notice and letter shall serve as the surety's request for a detainer or hold to be placed against the principal. Should there be a failure to place a detainer or hold within ~~15 days, excluding Saturdays, Sundays, and legal holidays~~ ten business days of the surety's service of a detainer or hold request, and after presentation of such notice and letter of intent to pay costs, the surety shall then be relieved of the liability for the appearance bond without further order of the court.

(c.1) No judgment shall be rendered on a forfeiture of any appearance bond if it is shown to the satisfaction of the court that the principal on the bond was prevented from attending because he or she was deported by federal authorities. An official written notice of such deportation from a federal official shall be considered proof of the principal's deportation.

(d) In cases in which ~~paragraph (3) of this subsection (e) of this Code section~~ is not applicable, on application filed within 120 days from the payment of judgment, the court shall order remission under the following conditions:

(1) Provided the bond amount has been paid within 120 days after judgment and the delay has not prevented prosecution of the principal and upon application to the court with prior notice to the prosecuting attorney of such application, said court shall direct remission of 95 percent of the bond amount remitted to the surety if the ~~surety locates the principal in the custody of the sheriff in the jurisdiction where the bond was made or in another jurisdiction causing the return of the principal to the jurisdiction where the bond was made, apprehends, surrenders, or produces the principal, if the apprehension or surrender of the principal was substantially procured or caused by the surety, or if the location of the principal by the surety caused the adjudication of the principal in the jurisdiction in which the bond was made~~ principal is produced or otherwise appears before the court that has jurisdiction of the bond within such 120 day period. Should the surety, within two years of the principal's failure to appear, locate the principal in the custody of the sheriff in the jurisdiction where the bond was made or in another jurisdiction causing the return of the principal to the jurisdiction where the bond was made, apprehend, surrender, or produce the principal, if the apprehension or surrender of the principal is substantially procured or caused by the surety, or if the location of the principal by the surety causes the adjudication of the principal in the jurisdiction in which the bond was made, the surety shall be entitled to a refund of 50 percent of the bond amount. The application for 50 percent remission shall be filed no later than 30 days following the expiration of the two-year period following the date of judgment; or

(2) Remission shall be granted upon condition of the payment of court costs and of the expenses of returning the principal to the jurisdiction by the surety; ~~or.~~

~~(3)~~(e)(1) If, within 120 days ~~after~~ from payment of the judgment, the surety surrenders the principal to the sheriff or responsible law enforcement officer, or said surrender has been denied by the sheriff or responsible law enforcement officer, or the surety locates the principal in custody in another jurisdiction, the surety shall only be required to pay costs and 5 percent of the face amount of the bond, which amount includes all surcharges. If it is shown to the satisfaction of the court, by the presentation of competent evidence from the sheriff or the holding institution, that said surrender has been made or denied or that the principal is in custody in another jurisdiction or that said surrender has been made and that 5 percent of the face amount of the bond and all costs have been tendered to the sheriff, the court shall direct that the judgment be marked satisfied and that the writ of ~~execution, fi. fa.,~~ fieri facias be canceled.

(2)(A) The court shall direct that the judgment be marked satisfied and that the writ of fieri facias be canceled, if within 120 days from payment of the judgment, the surety:

(i) Tenders an amount equal to 5 percent of the face amount of the bond and all costs to the sheriff; and

(ii) Provides, in writing, the court and the prosecuting attorney for the court that has jurisdiction of the bond with competent evidence giving probable cause to believe that the principal is located in another jurisdiction within the United States and states that it will provide for the reasonable remuneration for the rendition of the principal, as estimated by the sheriff; and

(B) The prosecuting attorney for the court that has jurisdiction of the bond:

(i) Declines, in writing, to authorize or facilitate extradition; or

(ii) Within ten business days of the notice provided pursuant to division (2)(A)(ii) of this subsection, fails to enter the appropriate extradition approval code into the computerized files maintained by the Federal Bureau of Investigation National Crime Information Center thereby indicating an unwillingness to extradite the principal."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 5 of Chapter 4 of Title 10 of the Official Code of Georgia Annotated, relating to self-service storage facilities, is revised as follows:

"ARTICLE 5

10-4-210.

This article shall be known and may be cited as the 'Georgia Self-service Storage Facility Act of 2013.'

10-4-211.

For purposes of this article, the term:

(1) 'E-mail' means an electronic message or an executable program or computer file that contains an image of a message that is transmitted between two or more computers or electronic terminals. The term includes electronic messages that are transmitted within or between computer networks.

~~(4)~~(2) 'Last known address' means ~~that~~ the street address, post office box address, or e-mail address provided by the occupant in the latest rental agreement or the address provided by the occupant in a subsequent written notice of a change of address by hand delivery, verified mail, or e-mail.

~~(2)~~(3) 'Occupant' means a person, his or her sublessee, successor, or assign entitled to the use of the storage space at a self-service storage facility under a rental agreement, to the exclusion of others.

~~(3)~~(4) 'Owner' means the owner, operator, lessor, or sublessor of a self-service storage facility, his or her agent, or any other person authorized by him to manage the facility or to receive rent from an occupant under a rental agreement.

~~(4)~~(5) 'Personal property' means movable property not affixed to land and includes, but is not limited to, goods, wares, merchandise, motor vehicles, trailers, watercraft, and household items and furnishings.

~~(5)~~(6) 'Rental agreement' means any agreement or lease, written or oral, that

establishes or modifies the terms, conditions, rules, or any other provisions concerning the use and occupancy of a self-service storage facility.

~~(6)~~(7) 'Self-service storage facility' means any real property designed and used for the purpose of renting or leasing individual storage space to occupants who are to have access to such for the purpose of storing and removing personal property. No occupant shall use a self-service storage facility for residential purposes. A self-service storage facility is not a warehouse within the meaning of Article 1 of this chapter, known as the 'Georgia State Warehouse Act,' and the provisions of law relative to bonded public warehousemen shall not apply to the owner of a self-service storage facility. A self-service storage facility is not a safe-deposit box or vault maintained by banks, trust companies, or other financial entities.

(8) 'Verified mail' means certified mail, registered mail, statutory overnight delivery, or other method of mailing or delivery in which the post office or delivery service furnishes proof that the parcel was sent.

10-4-212.

The owner of a self-service storage facility and his or her heirs, executors, administrators, successors, and assigns have a lien upon all personal property located at a self-service storage facility for rent, labor, or other charges, present or future, in relation to the personal property and for expenses necessary for its preservation or expenses reasonably incurred in its sale or other disposition pursuant to this article. The lien provided for in this Code section is superior to any other lien or security interest except those which are perfected and recorded prior to the date of the rental agreement in Georgia in the name of the occupant, either in the county of the occupant's last known address or in the county where the self-service storage facility is located, except any tax lien as otherwise provided by law and except any lienholder with an interest in the property of whom the owner has knowledge either through the disclosure provision of the rental agreement or through other written notice. The lien attaches as of the date the personal property is brought to the self-service storage facility.

10-4-213.

Provided that it complies with the requirements of this Code section, an owner may enforce the lien without judicial intervention. The owner ~~Owner~~ shall obtain from the occupant a written rental agreement which includes the following language:

This agreement, made and entered into this _____ day of _____, _____, by and between _____, hereinafter called Owner, and _____, hereinafter called Occupant, whose last known address is _____. For the consideration hereinafter stated, ~~the~~ Owner agrees to let ~~the~~ Occupant use and occupy a space in the self-service storage facility, known as _____, situated in the City of _____, County of _____, State of Georgia, and more particularly described as follows: Building #_____, Space #_____, Size _____. Said space is to be occupied and used for the purposes specified herein and subject to the conditions set forth for a period of _____, beginning on the _____ day of

_____, _____, and continuing month to month until terminated.

'Space,' as used in this agreement, will be that part of the self-service storage facility as described above. ~~The~~ Occupant agrees to pay ~~the~~ Owner, as payment for the use of the space and improvements thereon, the monthly sum of \$_____. Monthly installments are payable in advance on or before the first of each month, in the amount of \$_____, and a like amount for each month thereafter, until the termination of this agreement.

If any monthly installment is not paid by the ~~tenth~~ seventh calendar day of the month due, or if any check given in payment is dishonored by the financial institution on which it is drawn, Occupant shall be deemed to be in default.

Occupant further agrees to pay the sum of one month's fees, which shall be used as a clean-up and maintenance fund, and is to be used, if required, for the repair of any damage done to the space and to clean up the space at the termination of the agreement. In the event that the space is left in a good state of repair, and in a broom-swept condition, then this amount shall be refunded to ~~the~~ Occupant. However, it is agreed to between the parties that ~~the~~ Owner may set off any claims it may have against ~~the~~ Occupant from this fund.

The space named herein is to be used by ~~the~~ Occupant solely for the purpose of storing any personal property belonging to ~~the~~ Occupant. ~~The~~ Occupant agrees not to store any explosives or any highly inflammable goods or any other goods in the space which would cause danger to the space. ~~The~~ Occupant agrees that the property will not be used for any unlawful purposes and ~~the~~ Occupant agrees not to commit waste, nor alter, nor affix signs on the space, and to keep the space in good condition during the term of this agreement.

OWNER HAS A LIEN ON ALL PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE FOR RENT, LABOR, OR OTHER CHARGES, PRESENT OR FUTURE, IN RELATION TO THE PERSONAL PROPERTY, AND FOR ITS PRESERVATION OR EXPENSES REASONABLY INCURRED IN ITS SALE OR OTHER DISPOSITION PURSUANT TO THIS AGREEMENT. PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE WILL BE SOLD OR OTHERWISE DISPOSED OF IF NO PAYMENT HAS BEEN RECEIVED FOR A CONTINUOUS THIRTY-DAY PERIOD AFTER DEFAULT. IN ADDITION, UPON OCCUPANT'S DEFAULT, OWNER MAY WITHOUT NOTICE DENY OCCUPANT ACCESS TO THE PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE UNTIL SUCH TIME AS PAYMENT IS RECEIVED. IF ANY MONTHLY INSTALLMENT IS NOT MADE BY THE ~~TENTH~~ SEVENTH CALENDAR DAY OF THE MONTH DUE, OR IF ANY CHECK GIVEN IN PAYMENT IS DISHONORED BY THE FINANCIAL INSTITUTION ON WHICH IT IS DRAWN, ~~THE~~ OCCUPANT IS IN DEFAULT FROM DATE PAYMENT WAS DUE.

I hereby agree that all notices other than bills and invoices shall be given by hand delivery, verified mail, or e-mail at the following addresses:

_____ (hand delivery)

 _____ (verified mail)

 _____ (e-mail).

and I further understand that I may designate to owner an agent to receive such notice by providing:

 _____ (hand delivery)

 _____ (verified mail)

 _____ (e-mail).

For purposes of Owner's lien: 'personal property' means movable property, not affixed to land, and includes, but is not limited to, goods, wares, merchandise, motor vehicles, trailers, watercraft, household items, and furnishings; 'last known address' means ~~that the street address or post office box address provided by the occupant~~ Occupant in the latest rental agreement or the address provided by ~~the occupant~~ Occupant in a subsequent written notice of a change of address by hand delivery, verified mail, or e-mail.

~~The~~ Owner's lien is superior to any other lien or security interest, except those which are evidenced by a certificate of title or perfected and recorded prior to the date of this rental agreement in Georgia, in the name of ~~the~~ Occupant, either in the county of ~~the~~ Occupant's 'last known address' or in the county where the self-service storage facility is located, except any tax lien as provided by law and except those liens or security interests of whom ~~the~~ Owner has knowledge through ~~the~~ Occupant's disclosure in this rental agreement or through other written notice. Occupant attests that the personal property in his Occupant's space(s) is free and clear of all liens and secured interests except for _____. ~~The~~ Owner's lien attaches as of the date the personal property is brought to the self-service storage facility.

Except as otherwise specifically provided in this rental agreement, the exclusive care, custody, and control of any and all personal property stored in the leased space shall remain vested in ~~the~~ Occupant. ~~The~~ Owner does not become a bailee of ~~the~~ Occupant's personal property by the enforcement of ~~the~~ Owner's lien.

If Occupant has been in default continuously for thirty (30) days, Owner may enforce its lien, provided Owner shall comply with the following procedure:

~~The~~ Occupant shall be notified ~~in writing by delivery in person or by certified mail or statutory overnight delivery to the last known address of Occupant~~ of Owner's intent to enforce Owner's lien by written notice delivered in person, by verified mail, or by e-mail. ~~The~~ Owner also shall notify other parties with superior liens or security interests as defined in this rental agreement. A Such notice given pursuant to this rental agreement shall be presumed delivered as of the date indicated on the proof of delivery or, if there is no proof of delivery, on the fourteenth day after sending as shown by sent when it is deposited with the United States Postal Service or the statutory overnight delivery service properly addressed with postage or delivery fees prepaid or sent by e-mail. If Owner sends notice of a pending sale of property to Occupant's last known e-mail address and does not receive a nonautomated response or a receipt of delivery to the e-mail address, Owner shall send notice of the sale to Occupant by verified mail to Occupant's last known

address or to the last known address of the designated agent of the Occupant before proceeding with the sale.

Owner's notice to Occupant shall include an itemized statement of the Owner's claim showing the sum due, at the time of the notice, and the date when the sum became due. ~~It shall briefly and generally describe the personal property subject to the lien. The description shall be reasonably adequate to permit the person(s) notified to identify it, except that any container included, but not limited to, a trunk, valise, or box that is locked, fastened, sealed, or tied in a manner which deters immediate access to its contents may be described as such without describing its contents.~~ Owner's notice shall notify Occupant of denial of access to the personal property and provide the name, street address, e-mail address, and telephone number of the Owner or its designated agent, whom the Occupant may contact to respond to this notice. Owner's notice shall demand payment within a specified time, not less than fourteen (14) days after delivery of the notice. It shall state that, unless the claim is paid, within the time stated in the notice, the personal property will be advertised for public sale to the highest bidder, and will be sold at a public sale to the highest bidder, at a specified time and place.

After the expiration of the time given in Owner's notice, Owner shall publish an advertisement of the public sale to the highest bidder, once a week, for two consecutive weeks, ~~in a newspaper of general circulation where the self-service storage facility is located~~ the legal organ for the county where the self-service storage facility is located. The sale shall be deemed commercially reasonable if at least three (3) independent bidders attend the sale at the time and place advertised. 'Independent bidder' means a bidder who is not related to and who has no controlling interest in, or common pecuniary interest with, Owner or any other bidder. The advertisement shall include: a brief and general description of the personal property, reasonably adequate to permit its identification; the address of the self-service storage facility, and the number, if any, of the space where the personal property is located, and the name of the Occupant; and the time, place, and manner of the public sale. The public sale to the highest bidder shall take place not sooner than fifteen (15) days after the first publication. ~~If there is no newspaper of general circulation where the self-service storage facility is located, the advertisement shall be posted at least ten (10) days before the date of the public sale and in not less than six (6) conspicuous places in the neighborhood where the self-service storage facility is located.~~ Regardless of whether a sale involves the property of more than one Occupant, a single advertisement may be used to advertise the disposal of property at the sale. A public sale includes offering the property on a publicly accessible website that regularly conducts online auctions of personal property. Such sale shall be considered incidental to the self-storage business and no license shall be required.

If no one purchases the property at the public sale and if the Owner has complied with the foregoing procedures, the Owner may otherwise dispose of the property and shall notify the Occupant of the action taken. Any sale or disposition of the personal property shall be held at the self-service storage facility or at the nearest suitable place

to where the personal property is held or stored.

Before any sale or other disposition of personal property pursuant to this agreement, ~~the~~ Occupant may pay the amount necessary to satisfy the lien and the reasonable expenses incurred and thereby redeem the personal property and thereafter ~~the~~ Owner shall have no liability to any person with respect to such personal property.

A Purchaser in good faith of the personal property sold to satisfy Owner's lien takes the property free of any rights of persons against whom the lien was valid, despite noncompliance by ~~the~~ Owner with the requirements of this agreement.

In the event of a sale, ~~the~~ Owner may satisfy his or her lien from the proceeds of the sale. ~~The~~ Owner shall hold the balance of the proceeds, if any, for ~~the~~ Occupant or any notified secured interest holder. If not claimed within two years of the date of sale, the balance of the proceeds shall be disposed of in accordance with Article 5 of Chapter 12 of Title 44, the 'Disposition of Unclaimed Property Act.' In no event shall ~~the~~ Owner's liability exceed the proceeds of the sale.

If the rental agreement contains a limit on the value of property stored in Occupant's storage space, the limit shall be deemed to be the maximum value of the property stored in that space.

If the property upon which the lien is claimed is a motor vehicle, trailer, or watercraft and rent and other charges related to the property remain unpaid or unsatisfied for 60 days following the maturity of the obligation to pay rent, Owner may have the property towed in lieu of foreclosing on the lien. If a motor vehicle, trailer, or watercraft is towed as authorized in this section, Owner shall not be liable for the motor vehicle, trailer, or watercraft or any damages to the motor vehicle, trailer, or watercraft once the tower takes possession of the property.

10-4-214.

If the rental agreement is with a service member, the owner shall comply with all terms of the Servicemembers Civil Relief Act, 50 U.S.C. § 501 et seq. "45-12-92.2.

(a) As used in this Code section, the term:

(1) 'Base amount' means the amount of fee proceeds collected during the complete fiscal year which immediately precedes the fiscal year for which the new appropriation amount is determined with respect to each fee under paragraph (3) of this subsection. When a fee amount has been reduced pursuant to any provision of this Code section, then for purposes of calculating amounts as required under this Code section for the next fiscal year, base amount shall mean the amount of fee proceeds that would have been collected during a specified fiscal year under the original amount of the fee unreduced by this Code section.

(2) 'Collecting agency' means the Environmental Protection Division of the Department of Natural Resources.

(3) 'Fee' means the:

(A) Solid waste disposal surcharge fee provided for under subsection (e) of Code Section 12-8-39 for the hazardous waste trust fund; and

(B) Tire disposal fee provided for under subsection (h) of Code Section 12-8-40.1 for the solid waste trust fund.

(4) 'New appropriation amount' means the total amount of funds which are appropriated for a purpose or function described under paragraph (3) of this subsection for the newly commencing fiscal year for which the calculations are required under subsection (b) of this Code section.

(b) Effective for the fiscal year beginning July 1, 2014, and each fiscal year thereafter, for paragraph (3) of subsection (a) of this Code section:

(1) The Office of Planning and Budget shall determine the base amount for the purpose or function as described under a subparagraph of paragraph (3) of subsection (a) of this Code section;

(2) The Office of Planning and Budget shall determine the new appropriation amount;

(3) If the new appropriation amount is equal to or greater than the base amount, then the amount of the fee shall not be reduced under this Code section;

(4)(A) If the new appropriation amount is less than the base amount, then the amount of the fee shall be reduced automatically by 25 percent for the fiscal year

beginning on July 1; provided, however, that in no event shall the reduction ever be less than an amount which would be equal to the new appropriation amount;

(B) Immediately following the date the General Appropriations Act for the newly commencing fiscal year is approved by the Governor or becomes law without such approval, the Office of Planning and Budget shall notify the collecting agency of the adjusted fee amount; and

(5)(A) Except as otherwise provided in subparagraph (B) of this paragraph, for any fiscal year following a fee reduction under paragraph (4) of this subsection, if the new appropriation amount is equal to or greater than the base amount, then the fee amount shall be increased back to the fee amount in place immediately prior to the most recent such reduction.

(B) If the new appropriation amount is equal to or greater than the base amount as determined in the fiscal year in which such fee amount was first reduced under this subsection, then such fee amount shall be increased back to the amount in place immediately prior to such first reduction.

(c)(1) Except as otherwise provided in paragraph (2) of this subsection, calculations under subsection (b) of this Code section shall continue in effect for a fee for each fiscal year until the new appropriation amount is equal to or greater than the base amount.

(2) If, in any subsequent fiscal year, the new appropriation amount is less than the base amount, then there shall be a commensurate fee reduction applicable to that fee amount effective the first day of the subsequent fiscal year in such amount as may be necessary to offset the difference between the new appropriation amount and the base amount in such fiscal year.

(d)(1) During any session of the General Assembly, prior to the adoption of the Supplemental Appropriations Act amending the current fiscal year budget or prior to the adoption of the General Appropriations Act providing for the succeeding fiscal year's budget, the General Assembly shall be authorized to waive and suspend the operation of this Code section with respect to each fee identified under paragraph (3) of subsection (a) of this Code section in the manner specified in paragraph (2) of this subsection.

(2) Each such waiver and suspension shall be accomplished by a joint resolution, enacted with the force and effect of law, the duration of which shall not exceed a single fiscal year and which shall apply only to a single fee identified under paragraph (3) of subsection (a) of this Code section.

(e) No provision of this Code section providing for the determination of any amount shall preclude the appropriation of greater amounts for purposes or functions covered by this Code section.

(f) The collecting agency and the Office of Planning and Budget shall promulgate such rules and regulations as are necessary and appropriate to implement and administer this Code section, including, but not limited to, appropriate public notification of any change in a fee amount and the effective date of such change required by any provision of this Code section."

SECTION 6.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 7.

All laws and parts of laws in conflict with this Act are repealed.

SECTION 2.

Said article is further amended by revising Code Section 47-23-109, relating to cessation of retirement allowance for resuming state service, as follows:

"47-23-109.

(a) Except as provided in subsection (b) of this Code section, if any retired member ~~who has not yet reached normal retirement age~~ returns to the service of the state in any position, including, without limitation, service directly or indirectly as or for an independent contractor, except as a member of the General Assembly, his or her retirement allowance shall cease. The Honorable Paul Battles
State Representative
Coverdell Legislative Office Building, Room 613-D
Atlanta, Georgia 30334

SUBJECT: State Auditor's Certification
Substitute to Senate Bill 142
(LC 21 2187S)

Dear Representative Battles:

This substitute bill would amend provisions relating to retirement benefits paid under the Georgia Judicial Retirement System. If this legislation is enacted, the board of trustees would be authorized to determine the time and circumstances of paying benefits to members, to the extent necessary, to preserve the System's status as a qualified plan under federal law. Additionally, this legislation would clarify provisions relating to the continuation of retirement benefits for retired members who return to the service of the State. Specifically, this bill clarifies that benefits will cease for any retired member who returns to service of the State and works more than 1,040 hours in a calendar year. Finally, this substitute bill would require the employer to notify the board of trustees if they hire a retired member, and to subsequently notify the board if the member performs more than 1,040 hours of work in any calendar year. In the event the employer fails to notify the board, the employer may be required to reimburse the board for benefits that have been wrongfully paid. It should be noted that retired members who subsequently are elected to the General Assembly are not subject to the provisions of this bill.

This is to certify that this substitute bill is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

Respectfully,

/s/ Greg S. Griffin
State Auditor

(2) The order was obtained by fraud;

(3) The order has been vacated, suspended, or modified by a later order;

(4) The issuing tribunal has stayed the order pending appeal;

(5) There is a defense under the law of Georgia to the remedy sought;

(6) Full or partial payment has been made; or

(7) The statute of limitation under Code Section 19-11-163 precludes enforcement of some or all of the alleged arrearages; or

(8) The alleged controlling order is not the controlling order.

(b) If a party presents evidence establishing a full or partial defense under subsection (a) of this Code section, a tribunal may stay enforcement of ~~the~~ a registered support order, continue the proceeding to permit production of additional relevant evidence, and issue temporary or other appropriate orders. Any portion of the registered support order which is not in dispute may be enforced by all remedies available under the laws of Georgia.

(c) If the contesting party does not establish a defense under subsection (a) of this Code section to the validity or enforcement of ~~the~~ a registered support order, the registering tribunal shall issue an order confirming the order.

19-11-167.

Confirmation of a registered support order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

19-11-168.

A party or support enforcement agency seeking to modify, or to modify and enforce, a child support order issued in another state shall register that order in Georgia in the same manner provided in Code Sections 19-11-160 through ~~19-11-163~~ 19-11-167 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

19-11-169.

A tribunal of Georgia may enforce a child support order of another state registered for purposes of modification in the same manner as if the order had been issued by a tribunal of Georgia, but the registered support order may be modified only if the requirements of Code Section 19-11-170 or 19-11-172 have been met.

19-11-170.

(a) If Code Section 19-11-172 does not apply, upon petition a tribunal of Georgia may modify ~~After~~ a child support order issued in another state ~~has been~~ which is registered in Georgia, ~~the responding tribunal of Georgia may modify that order only if Code Section 19-11-172 does not apply and if,~~ after notice and hearing, it the tribunal finds that:

(1) The following requirements are met:

(A) Neither the ~~The~~ child, nor the individual obligee who is an individual, ~~and nor~~ the obligor ~~do not reside~~ resides in the issuing state;

(B) A petitioner who is a nonresident of Georgia seeks modification; and

(C) The respondent is subject to the personal jurisdiction of the tribunal of Georgia;
or

(2) This state is the residence of the ~~The child,~~ or a party who is an individual, is subject to the personal jurisdiction of the tribunal of Georgia, and all of the parties who are individuals have filed ~~written~~ consents in a record in the issuing tribunal for a tribunal of this state to modify the support order and assume continuing, exclusive jurisdiction ~~over the order. However, if the issuing state is a foreign jurisdiction that has not enacted a law or established procedures substantially similar to the procedures under this article, the consent otherwise required of an individual residing in this state is not required for the tribunal to assume jurisdiction to modify the child support order.~~

(b) Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this state, and the order may be enforced and satisfied in the same manner.

(c) A tribunal in Georgia may not modify any aspect of a child support order that may not be modified under the law of the issuing state, including the duration of the obligation of support. If two or more tribunals have issued child support orders for the same obligor and same child, the order that controls and must be so recognized under the provisions of Code Section 19-11-116 establishes the aspects of the support order which are nonmodifiable.

(d) In a proceeding to modify a child support order, the law of the state that is determined to have issued the initial controlling order governs the duration of the obligation of support. The obligor's fulfillment of the duty of support established by that order precludes imposition of a further obligation of support by a tribunal of Georgia.

~~(d)~~(e) On issuance of an order by a tribunal of Georgia modifying a child support order issued in another state, a the tribunal of Georgia becomes the tribunal having continuing, exclusive jurisdiction.

(f) Notwithstanding subsections (a) through (e) of this Code section and subsection (b) of Code Section 19-11-110, a tribunal of Georgia retains jurisdiction to modify an order issued by a tribunal of Georgia if:

- (1) One party resides in another state; and
- (2) The other party resides outside the United States.

19-11-171.

If a child support order issued by a ~~A~~ tribunal in Georgia ~~shall recognize a modification of its earlier child support order is modified~~ by a tribunal of another state which assumed jurisdiction pursuant to this article ~~or a law substantially similar to this article and, upon request, except as otherwise provided in this article, shall, a tribunal of Georgia:~~

- (1) May enforce its ~~Enforce the~~ order that was modified only as to ~~amounts~~ arrears and interest accruing before the modification;
- ~~(2) Enforce only nonmodifiable aspects of that order;~~

~~(3)(2)~~ May provide ~~Provide other~~ appropriate relief ~~only~~ for violations of ~~that~~ its order which occurred before the effective date of the modification; and
~~(4)(3)~~ Shall recognize ~~Recognize~~ the modifying order of the other state, upon registration, for the purpose of enforcement.

19-11-172.

(a) If all of the parties who are individuals reside in Georgia and the child does not reside in the issuing state, a tribunal in Georgia has jurisdiction to enforce and to modify the issuing state's child support order in a proceeding to register that order.

(b) A tribunal in Georgia exercising jurisdiction as provided in this Code section shall apply the provisions of Parts 1 and 2 of this article and the procedural and substantive law of Georgia to the proceeding for enforcement or modification. Parts 3, 4, 5, 7, and 8 of this article do not apply.

19-11-173.

Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction.

19-11-174.

(a) Except as otherwise provided in Code Section 19-11-184.6, if a foreign country lacks or refuses to exercise jurisdiction to modify its child support order pursuant to its laws, a tribunal of Georgia may assume jurisdiction to modify the child support order and bind all individuals subject to the personal jurisdiction of the tribunal whether the consent to modification of a child support order otherwise required of the individual pursuant to Code Section 19-11-170 has been given or whether the individual seeking modification is a resident of this state or of the foreign country.

(b) An order issued by a tribunal of this state modifying a foreign child support order pursuant to this Code section is the controlling order.

19-11-175.

A party or support enforcement agency seeking to modify, or to modify and enforce, a foreign child support order not under the convention may register that order in this state under Code Sections 19-11-160 through 19-11-167 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or at another time. The petition must specify the grounds for modification.

19-11-182.

The Department of Human Services is recognized as the agency designated by the United States central authority to perform specific functions under the convention.

19-11-183.

(a) In a support proceeding under this part, the Department of Human Services shall:

(d) A tribunal of Georgia may not require security, bond, or deposit, however described, to guarantee the payment of costs and expenses in proceedings under the convention.

19-11-184.

(a) A petitioner may file a direct request seeking establishment or modification of a support order or determination of parentage of a child. In the proceeding, the law of Georgia applies.

(b) A petitioner may file a direct request seeking recognition and enforcement of a support order or support agreement. In the proceeding, Code Sections 19-11-184.1 through 19-11-184.8 apply.

(c) In a direct request for recognition and enforcement of a convention support order or foreign support agreement:

(1) A security, bond, or deposit is not required to guarantee the payment of costs and expenses; and

(2) An obligee or obligor that in the issuing country has benefited from free legal assistance is entitled to benefit, at least to the same extent, from any free legal

assistance provided for by the law of Georgia under the same circumstances.

(d) A petitioner filing a direct request is not entitled to assistance from the Department of Human Services.

(e) This part does not prevent the application of laws of Georgia that provide simplified, more expeditious rules regarding a direct request for recognition and enforcement of a foreign support order or foreign support agreement.

19-11-184.1.

(a) Except as otherwise provided in this part, a party who is an individual or a support enforcement agency seeking recognition of a convention support order shall register the order in this state as provided in Part 6 of this article.

(b) Notwithstanding Code Sections 19-11-130 and subsection (a) of Code Section 19-11-161, a request for registration of a convention support order must be accompanied by:

(4) A record showing the amount of arrears, if any, and the date the amount was calculated;

(5) A record showing a requirement for automatic adjustment of the amount of support, if any, and the information necessary to make the appropriate calculations; and

(6) If necessary, a record showing the extent to which the applicant received free legal assistance in the issuing country.

(c) A request for registration of a convention support order may seek recognition and partial enforcement of the order.

(d) A tribunal of Georgia may vacate the registration of a convention support order without the filing of a contest under Code Section 19-11-184.2 only if, acting on its own motion, the tribunal finds that recognition and enforcement of the order would be manifestly incompatible with public policy.

(e) The tribunal shall promptly notify the parties of the registration or the order vacating the registration of a convention support order.

19-11-184.2.

(a) Except as otherwise provided in this part, Code Sections 19-11-164 through 19-11-167 apply to a contest of a registered convention support order.

(b) A party contesting a registered convention support order shall file a contest not

later than 30 days after notice of the registration, but if the contesting party does not reside in the United States, the contest must be filed not later than 60 days after notice of the registration.

(c) If the nonregistering party fails to contest the registered convention support order by the time specified in subsection (b) of this Code section, the order is enforceable.

(d) A contest of a registered convention support order may be based only on grounds set forth in Code Section 19-11-184.3. The contesting party bears the burden of proof.

(e) In a contest of a registered convention support order, a tribunal of Georgia:

(1) Is bound by the findings of fact on which the foreign tribunal based its jurisdiction; and

(2) May not review the merits of the order.

(f) A tribunal of Georgia deciding a contest of a registered convention support order shall promptly notify the parties of its decision.

(g) A challenge or appeal, if any, does not stay the enforcement of a convention support order unless there are exceptional circumstances.

19-11-184.3.

(a) Except as otherwise provided in subsection (b) of this Code section, a tribunal of Georgia shall recognize and enforce a registered convention support order.

(b) The following grounds are the only grounds on which a tribunal of Georgia may refuse recognition and enforcement of a registered convention support order:

(1) Recognition and enforcement of the order is manifestly incompatible with public policy, including the failure of the issuing tribunal to observe minimum standards of due process, which include notice and an opportunity to be heard;

(2) The issuing tribunal lacked personal jurisdiction consistent with Code Section 19-11-110;

(3) The order is not enforceable in the issuing country;

(4) The order was obtained by fraud in connection with a matter of procedure;

(5) A record transmitted in accordance with Code Section 19-11-184.1 lacks authenticity or integrity;

(6) A proceeding between the same parties and having the same purpose is pending before a tribunal of Georgia and that proceeding was the first to be filed;

(7) The order is incompatible with a more recent support order involving the same parties and having the same purpose if the more recent support order is entitled to recognition and enforcement under this article in Georgia;

(8) Payment, to the extent alleged arrears have been paid in whole or in part;

(9) In a case in which the respondent neither appeared nor was represented in the proceeding in the issuing foreign country:

(A) If the law of that country provides for prior notice of proceedings, the respondent did not have proper notice of the proceedings and an opportunity to be heard; or

(B) If the law of that country does not provide for prior notice of the proceedings, the respondent did not have proper notice of the order and an opportunity to be

heard in a challenge or appeal on fact or law before a tribunal; or

(10) The order was made in violation of Code Section 19-11-184.6.

(c) If a tribunal of Georgia does not recognize a convention support order under paragraph (2), (4), or (9) of subsection (b) of this Code section:

(1) The tribunal may not dismiss the proceeding without allowing a reasonable time for a party to request the establishment of a new convention support order; and

(2) The Department of Human Services shall take all appropriate measures to request a child support order for the obligee if the application for recognition and enforcement was received under Code Section 19-11-183.

19-11-184.4.

If a tribunal of Georgia does not recognize and enforce a convention support order in its entirety, it shall enforce any severable part of the order. An application or direct request may seek recognition and partial enforcement of a convention support order.

19-11-184.5.

(a) Except as otherwise provided in subsections (c) and (d) of this Code section, a tribunal of Georgia shall recognize and enforce a foreign support agreement registered in this state.

(b) An application or direct request for recognition and enforcement of a foreign support agreement must be accompanied by:

(1) A complete text of the foreign support agreement; and

(2) A record stating that the foreign support agreement is enforceable as an order of support in the issuing country.

(c) A tribunal of Georgia may vacate the registration of a foreign support agreement only if, acting on its own motion, the tribunal finds that recognition and enforcement would be manifestly incompatible with public policy.

(d) In a contest of a foreign support agreement, a tribunal of Georgia may refuse recognition and enforcement of the agreement if it finds:

(1) Recognition and enforcement of the agreement is manifestly incompatible with public policy;

(2) The agreement was obtained by fraud or falsification;

(3) The agreement is incompatible with a support order involving the same parties and having the same purpose in this state, another state, or a foreign country if the support order is entitled to recognition and enforcement under this article in Georgia;
or

(4) The record submitted under subsection (b) of this Code section lacks authenticity or integrity.

(e) A proceeding for recognition and enforcement of a foreign support agreement must be suspended during the pendency of a challenge to or appeal of the agreement before a tribunal of another state or a foreign country.

19-11-184.6.

(a) A tribunal of Georgia may not modify a convention child support order if the obligee remains a resident of the foreign country where the support order was issued unless:

(1) The obligee submits to the jurisdiction of a tribunal of Georgia, either expressly or by defending on the merits of the case without objecting to the jurisdiction at the first available opportunity; or

(2) The foreign tribunal lacks or refuses to exercise jurisdiction to modify its support order or issue a new support order.

(b) If a tribunal of Georgia does not modify a convention child support order because the order is not recognized in this state, subsection (c) of Code Section 19-11-184.3 applies.

19-11-184.7.

Personal information gathered or transmitted under this part may be used only for the purposes for which it was gathered or transmitted.

19-11-184.8.

A record filed with a tribunal of Georgia under this part must be in the original language and, if not in English, must be accompanied by an English translation verified by the translator.

Part 8

19-11-185.

(a) For purposes of this part, the term 'governor' includes an individual performing the functions of governor or the executive authority of a state covered by this article.

(b) The Governor of this state may:

(1) Demand that the governor of another state surrender an individual found in the other state who is charged criminally in this state with having failed to provide for the support of an obligee; or

(2) On the demand ~~by~~ of the governor of another state, surrender an individual found in this state who is charged criminally in the other state with having failed to provide for the support of an obligee.

(c) A provision for extradition of individuals not inconsistent with this article applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled therefrom.

19-11-186.

(a) Before making a demand that the governor of another state surrender an individual charged criminally in this state with having failed to provide for the support of an obligee, the Governor of this state may require a prosecutor of this state to demonstrate that at least 90 days previously the obligee had initiated proceedings for support

pursuant to this article or that the proceeding would be of no avail.

(b) If, under this article or a law substantially similar to this article, ~~the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act,~~ the governor of another state makes a demand that the Governor of this state surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the Governor of this state may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the Governor of this state may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

(c) If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the Governor of this state may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the Governor of this state may decline to honor the demand if the individual is complying with the support order.

Part 9

19-11-190.

In applying and construing this article, consideration must be given to the need to promote uniformity of ~~This article shall be applied and construed to effectuate its general purpose to make uniform~~ the law with respect to ~~the~~ its ~~subject of the article~~ matter among states ~~enacting that enact~~ it.

19-11-190.1.

This article applies to proceedings begun on or after the effective date of this Code section to establish a support order or determine parentage of a child or to register, recognize, enforce, or modify a prior support order, determination, or agreement, whenever issued or entered.

19-11-191.

If any provision of this article or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are severable."
