- (b) The city council may quitclaim any rights it may have in property not needed for public purposes upon request by the mayor and adoption of a resolution, both finding that the property is not needed for public or other purposes and that the interest of the city has no readily ascertainable monetary value.
- (c) Whenever in opening, extending, or widening any street, avenue, alley, or public place of the city a small parcel or tract of land is cut off or separated by such work from a larger tract or boundary of land owned by the city, the city council may authorize the mayor to execute and deliver in the name of the city a deed conveying said cut-off or separated parcel or tract of land to an abutting or adjoining property owner or owners in exchange for rights of way of said street, avenue, alley, or public place when such exchange is deemed to be in the best interest of the city. SECTION 7.17.

Directory nature of dates.

It is the intention of the General Assembly that this Act be construed as directory rather than mandatory with respect to any date prescribed in this Act. If it is necessary to delay any action called for in this Act for providential cause or any other reason, it is the intention of the General Assembly that the action be delayed rather than abandoned. Any delay in performing any action under this Act, whether for cause or otherwise, shall not operate to frustrate the overall intent of this Act. Without limiting the generality of the foregoing it is specifically provided that:

- (1) If it is not possible to hold the referendum election provided for in Section 7.14 of this Act on the date specified in that section, then such referendum shall be held as soon thereafter as is reasonably practicable; and

SECTION 7.19.

In the event any section, subsection, sentence, clause, or phrase of this Act shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other sections, subsections, sentences, clauses, or phrases of this Act, which shall remain of full force and effect, as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof. The General Assembly hereby declares that it would have passed the remaining parts of this Act if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

SECTION 7.20.
General repealer.

All laws and parts of laws in conflict with this Act are repealed.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

This Act shall be known and may be cited as the "Safe Harbor/Rachel's Law Act."

SECTION 1-2.

(a) The General Assembly finds that arresting, prosecuting, and incarcerating victimized children serves to retraumatize children and increases their feelings of low self-esteem, making the process of recovery more difficult. The General Assembly acknowledges that both federal and state laws recognize that sexually exploited children are the victims of crime and should be treated as victims. The General Assembly finds that sexually exploited children deserve the protection of child welfare services, including family support, crisis intervention, counseling, and emergency housing services. The General Assembly finds that it is necessary and appropriate to adopt uniform and reasonable assessments and regulations to help address the deleterious secondary effects, including but not limited to, prostitution and sexual exploitation of children, associated with adult entertainment establishments that allow the sale, possession, or consumption of alcohol on premises and that provide to their patrons performances and interaction involving various forms of nudity. The General Assembly finds that a correlation exists between adult live entertainment establishments and the sexual exploitation of children. The General Assembly finds that adult live entertainment establishments present a point of access for children to come into contact with individuals seeking to sexually exploit children. The General Assembly further finds that individuals seeking to exploit children utilize adult live entertainment establishments as a means of locating children for the purpose of sexual exploitation. The General Assembly acknowledges that many local

governments in this state and in other states found deleterious secondary effects of adult entertainment establishments are exacerbated by the sale, possession, or consumption of alcohol in such establishments.

(b) The purpose of this Act is to protect a child from further victimization after he or she is discovered to be a sexually exploited child by ensuring that a child protective response is in place in this state. The purpose and intended effect of this Act in imposing assessments and regulations on adult entertainment establishments is not to impose a restriction on the content or reasonable access to any materials or performances protected by the First Amendment of the United States Constitution or Article I, Section I, Paragraph V of the Constitution of this state.

A BILL TO BE ENTITLED
AN ACT

To amend Article 3 of Chapter 7 of Title 19 of the Official Code of Georgia Annotated, relating to determination of paternity, so as to revise provisions relative to paternity testing in certain cases; to provide for reimbursement of paternity testing costs incurred by the Department of Human Services; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 3 of Chapter 7 of Title 19 of the Official Code of Georgia Annotated, relating to determination of paternity, is amended by revising Code Section 19-7-43, relating to petitions for determination of paternity, as follows:

"19-7-43.

(a) A petition to establish the paternity of a child may be brought by:

(1) The child;

(2) The mother of the child;

(3) Any relative in whose care the child has been placed;

(4) The Department of Human Services in the name of and for the benefit of a child for whom public assistance is received or in the name of and for the benefit of a child not the recipient of public services whose custodian has applied for services for the child; or

(5) One who is alleged to be the father.

(b) Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with this article, between an alleged or presumed father and the mother or child does not bar a petition under this Code section.

(c) If a petition under this article is brought before the birth of the child, all proceedings shall be stayed until after the birth except service of process, discovery, and the taking of depositions.

(d) In any case in which the paternity of a child or children has not been established, any party may make a motion for the court to order the mother, the alleged father, and the child or children to submit to genetic tests as specified in Code Section 19-7-45. Such motion shall be supported by a sworn statement (1) alleging paternity and setting forth facts establishing a reasonable possibility of the requisite sexual contact between

the parties; or (2) denying paternity and setting forth facts establishing a reasonable possibility of the nonexistence of sexual contact between the parties. Appropriate orders shall be issued in accordance with the provisions of this article. The court shall grant the motion unless it finds good cause as defined by the federal Social Security Act or if other good excuse for noncooperation is established.

(e) In any case for the collection of child support involving the Department of Human Services in which the paternity of a child or children has not been established or in which the individual receiving services alleges that paternity rests in a person other than the previously established father, the Department of Human Services ~~may~~ shall order genetic testing of the mother, the alleged father, and the child or children to submit to genetic tests as specified in Code Section 19-7-45. No genetic testing shall be undertaken by the Department of Human Services if the child was adopted either by the applicant for services or other alleged parent or if the child was conceived by means of artificial insemination. ~~The request for the order~~ need for genetic testing shall be supported by a sworn statement alleging paternity and setting forth facts establishing a reasonable possibility of the requisite sexual contact between the parties. The parties shall be given notice and an opportunity to contest the order before the department Department of Human Services prior to the testing or the imposition of any noncooperation sanction.

(f) In any case in which the court or the ~~department~~ Department of Human Services orders genetic testing and one or both of the parties to the action is receiving child support services pursuant to Code Section 19-11-6, the ~~department~~ Department of Human Services shall pay the costs of such tests subject to recoupment from the alleged father if paternity is established. If the genetic test excludes the possibility of the alleged father being the biological father, then the applicant for services who named the alleged father shall be liable to the Department of Human Services for reimbursement of the paternity testing fee. Upon completion of the first test, but prior to the entry of any order, a ~~A~~ second genetic test shall be ordered by the department if an order for paternity has not been issued and if the person making the request tenders payment in full of the cost of the initial test as well as the cost of the second test at the time of the request. Any party who, after notice sent by mail to his or her last known address, fails to cooperate with paternity testing or fails to make any child available for paternity testing may be sanctioned by the Department of Human Services. Such sanctions may include but shall not be limited to loss of the opportunity for paternity testing, loss of state benefits, denial of services, and administrative case closure. The Department of Human Services may bring a petition for contempt in the event of such noncooperation in violation of any court order."

SECTION 2.

Said article is further amended by revising Code Section 19-7-45, relating to genetic tests, as follows:

"19-7-45.

(a) All orders requiring parties to submit to genetic tests shall be issued in conformance

with Code Sections 19-7-43, ~~and~~ 19-7-46, and 19-7-54. In all cases such tests ~~must~~ shall be conducted by a laboratory certified by the American Association of Blood Banks and shall be conducted so that the results meet the standards the American Association of Blood Banks requires in order for such results to be admitted as evidence in a court of law.

(b) When an action to determine paternity is initiated prior to the birth of a child, the court shall order that the genetic tests be made as soon as medically feasible after the birth.

(c) Genetic ~~The~~ tests shall be performed by a duly qualified licensed practicing physician, duly qualified immunologist, or other qualified person. In all cases, however, the court shall determine the number and qualifications of the experts. In all cases the results shall be made known to all parties at interest as soon as available.

(d) An order issued under this Code section is enforceable by contempt, provided that, if the petitioner refuses to submit to an order for a genetic test, the court may dismiss the action upon motion of the respondent.

(e)(1) The Department of Human Services and any court issuing an order with respect to a determination of paternity shall not, insofar as possible, attach the written results from a genetic test to any pleading or court order.

(2) The genetic material collected for a genetic test shall be destroyed within a reasonable time, as set forth by rule of the Department of Human Services.

(3) The genetic material collected for a genetic test shall not be shared with any other person or entity."

SECTION 3.

Said article is further amended by revising Code Section 19-7-54, relating to motions to set aside determinations of paternity, as follows:

"19-7-54.

(a) Unless otherwise specified in this Code section, in ~~in~~ any action in which a male is required to pay child support as the father of a child, a motion to set aside a determination of paternity may be made at any time upon the grounds set forth in this Code section. Any such motion shall be filed in the superior or state court that entered the order and shall include:

(1) An affidavit executed by the movant that the newly discovered evidence has come to movant's knowledge since the entry of judgment; and

(2) The results from scientifically credible parentage-determination genetic testing, as authorized under Code Section 19-7-46 and administered within 90 days prior to the filing of such motion, that finds that there is a 0 percent probability that the male ordered to pay such child support is the father of the child for whom support is required.

(b) The court shall grant relief on a motion filed in accordance with subsection (a) of this Code section upon a finding by the court of all of the following:

(1) The genetic test required in paragraph (2) of subsection (a) of this Code section was properly conducted;

- (2) The male ordered to pay child support has not adopted the child;
 - (3) The child was not conceived by artificial insemination while the male ordered to pay child support and the child's mother were in wedlock;
 - (4) The male ordered to pay child support did not act to prevent the biological father of the child from asserting his paternal rights with respect to the child; and
 - (5) The male ordered to pay child support with knowledge that he is not the biological father of the child has not:
 - (A) Married the mother of the child and voluntarily assumed the parental obligation and duty to pay child support;
 - (B) Acknowledged his paternity of the child in a sworn statement;
 - (C) Been named as the child's biological father on the child's birth certificate with his consent;
 - (D) Been required to support the child because of a written voluntary promise;
 - (E) Received written notice from the Department of Human Services, any other state agency, or any court directing him to submit to genetic testing which he disregarded;
 - (F) Signed a voluntary acknowledgment of paternity as provided in Code Section 19-7-46.1; or
 - (G) Proclaimed himself to be the child's biological father.
- (c) In the event movant fails to make the requisite showing provided in subsection (b) of this Code section, the court may grant the motion or enter an order as to paternity, duty to support, custody, and visitation privileges as otherwise provided by law.
- (d) In any case when the underlying child support order was issued by a court of this state or by the Department of Human Services and is being enforced by the Department of Human Services, a movant may request a genetic test from the Department of Human Services, contingent upon advance payment of the genetic test fee by such movant. In any case when the custodian of the child does not consent to testing, a movant may petition the court to ask for testing of the other parent and the child or children.

The court may also relieve the obligor of the same that is owed to any other person or entity so long as the obligor adds that person or entity to the underlying motion and provides that person or entity with notice of the action. In all motions brought under this Code section when there is any amount owed to the state, the Department of Human Services shall be made a party. Failure to include the Department of Human Services as a party shall prevent the waiver of any amount owed to the state.
- ~~(e)~~(f) The duty to pay child support and other legal obligations for the child shall not be suspended while the motion is pending except for good cause shown; however, the

court may order the child support be held in the registry of the court until final determination of paternity has been made.

~~(f)~~(g)(1) In any action brought pursuant to this Code section, if the genetic test results submitted in accordance with paragraph (2) of subsection (a) of this Code section are provided solely by the male ordered to pay child support, the court on its own motion may, and on the motion of any party shall, order the child's mother, the child, and the male ordered to pay child support to submit to genetic tests. The court shall provide that such genetic testing be done no more than 30 days after the court issues its order.

(2) If the mother of the child or the male ordered to pay child support willfully fails to submit to genetic testing, or if either such party is the custodian of the child and willfully fails to submit the child for testing, the court shall issue an order determining the relief on the motion against the party so failing to submit to genetic testing. If a party shows good cause for failing to submit to genetic testing, such failure shall not be considered willful.

(3) The party requesting genetic testing shall pay any fees charged for the tests. If the custodian of the child is receiving services from an administrative agency in its role as an agency providing enforcement of child support orders, such agency shall pay the cost of genetic testing if it requests the test and may seek reimbursement for the fees from the person against whom the court assesses the costs of the action.

~~(g)~~(h) If relief on a motion filed in accordance with this Code section is not granted, the court shall assess the costs of the action and attorney's fees against the movant."

Said title is further amended in Chapter 5, relating to programs and protection for children and youth, by adding a new Code section to read as follows:

"49-5-24.

(a)(1) In an effort to improve the availability and quality of programs and services for the protection of children and youth, the General Assembly supports interagency efforts to gather comprehensive data and to actively share and disseminate data among those agencies responsible for making informed decisions regarding the treatment, care, security, and protection of children within this state.

(2) The General Assembly finds that the sharing and integration of appropriate data and information may have numerous benefits for children and families in this state, as well as for the state and local agencies attempting to provide services for them.

(3) The General Assembly finds that such data sharing and integration can serve the best interests of the child and the family, contribute to higher levels of effectiveness in service delivery, provide greater efficiency and productivity, and assist in the protection of children. Specifically, such data sharing and integration can reduce redundant data entry, expedite data sharing between agencies, provide for more timely service delivery, ensure more accurate and up-to-date information, assist in the development of a seamless system of services, and contribute to better performance and greater accountability by all involved parties.

(4) The General Assembly finds that the goals and purposes of this chapter, including the goal to develop a seamless system of services for children and their families, would be furthered by the development of a central repository of data for planning and evaluation purposes and urges the agencies to work toward the development of such a central repository.

(b) The department, working with the following agencies, shall develop and implement a workable state-wide system for sharing data relating to the care and protection of children between such agencies, utilizing existing state-wide data bases and data delivery systems to the greatest extent possible, to streamline access to such data:

- (2) Department of Early Care and Learning;
- (3) Department of Community Health;

- (1) Include protocols and procedures to be used by agencies in data processing, including but not limited to collecting, storing, manipulating, sharing, retrieving, and releasing data;
- (2) Delineate the specific data to be shared among all or specified agencies, the person or persons authorized by each agency to have access to another agency's data,

and the security arrangements between agencies to ensure the protection of the data from unauthorized access that may threaten the privacy of persons and the confidentiality of the data;

(3) Establish the circumstances under which and the reasons for which an agency may share information with another agency, with a local political subdivision, with a nongovernmental entity, or with an individual; and

(4) Ensure compliance with all state and federal laws and regulations concerning the privacy of information, including but not limited to the federal Family Educational Rights and Privacy Act of 1974, 20 U.S.C. Section 1232g, and the federal Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. Section 1320d to 1320d-9.

(d) To further delineate the parameters for the sharing of data with one or more agencies, specific interagency agreements may be executed between or among agencies. (e) If a federal law or regulation impedes necessary data sharing between agencies, the appropriate agency or agencies shall make all reasonable attempts to be granted a waiver or exemption from the applicable law or regulation.

(f) The Department of Human Services and any of the agencies in subsection (b) of this Code section may apprise chairpersons of the appropriate committees of the General Assembly of the need for any legislative action necessary to facilitate or improve data sharing between agencies for the purposes of this Code section.

(g)(1) Notwithstanding any provision to the contrary, nothing in this Code section shall be construed to nullify any memoranda of understanding existing as of June 30, 2015, or prohibit the creation of memoranda of understanding on and after July 1, 2015, between or among agencies concerning data sharing or any other data sharing practices.

(2) Notwithstanding any provision to the contrary, nothing in this Code section shall prohibit the release to or sharing of data with nongovernmental entities or individuals if the release or sharing is otherwise required, permitted, or allowed pursuant to state or federal law."

SECTION 10.

A department or agency shall respond to a request for access to a child's record within 14 days of receipt of such written request. It shall be a rebuttable presumption that any such notice is received five days after deposit in the United States mail with the current address of the alleged child abuser and proper postage affixed. The notice shall further inform such alleged child abuser of such person's right to a hearing to appeal such determination. The notice shall further inform such alleged child abuser of the procedures for obtaining the hearing, and that an opportunity shall be afforded all parties to be represented by legal counsel and to respond and present evidence on all issues involved.

The Office of State Administrative Hearings shall give notice of the time and place of the hearing to the alleged child abuser by first-class mail to the address specified in the written request for a hearing and to the division by first-class mail at least ten days prior to the date of the hearing. The general public shall be excluded from hearings of the Office of State Administrative Hearings held pursuant to this article and the files and records relating thereto shall be confidential and not subject to public inspection.

The procedures for such appeal shall be substantially the same as those for judicial review of contested cases under Code Section 50-13-19 except that the filing of a petition for judicial review stays the listing of the petitioner's name upon the child abuse registry and the superior court shall conduct the review and render its decision thereon within 30 days following the filing of the petition. The review and records thereof shall be closed to the public and not subject to public inspection.

(g) The administrative law judge shall transmit to the division his or her decision regarding the alleged child abuser and the investigator's report regarding such individual within ten days following that decision unless a petition for judicial review of that decision is filed within the permitted time period. In order to exercise such right, the person must file a written request for a hearing with the division. The provisions of this subsection shall not apply to persons who have waived their hearing after receipt of notice.

"(c) If the court finds, as of the date of the hearing, that another planned permanent living arrangement is in the best interests of a child who has attained the age of 16 years old, the court shall make findings of fact explaining such determination and, in its order, provide compelling reasons why it is not or continues to ~~that there is a compelling reason that it would~~ not be in a child's best interests to be returned to his or her parent, referred for termination of parental rights and adoption, ~~or~~ placed with a permanent guardian, or placed with a fit and willing relative ~~then the court's order shall document the compelling reason and provide that such child should be placed in another planned permanent living arrangement as defined in the court's order."~~

ARTICLE I
SECTION 1.

That the State of Georgia is the owner of the hereinafter described real property lying and being in Land Lots 259, 260, 287, and 288, 1st Land District, City of Milledgeville, Baldwin County, Georgia, and that the property is in the custody of the Department of Behavioral Health and Developmental Disabilities and the Department of Corrections, which on May 2, 2013, declared Bostick State Prison surplus to its needs. On June 27, 2013, the State Properties Commission approved the 2013 Resolution Act 313 (H.R. 205) authorizing conveyance of the property and sale by competitive bid. The bid was opened on August 6, 2013, and the State Properties Commission approved the bid from CorrectHealth GDC, LLC, on October 10, 2013. The Department of Behavioral Health and Developmental Disabilities and the Department of Corrections do not object to the granting of this easement, hereinafter referred to as the easement area, and that, in all matters relating to the easement area, the State of Georgia is acting by and through its State Properties Commission.

SECTION 2.

SECTION 4.

That CorrectHealth GDC, LLC, shall, with the permission of the Department of Behavioral Health and Developmental Disabilities, have the right to remove or cause to be removed from said easement area only such trees and bushes as may be reasonably necessary for the easement area.

SECTION 5.

That, after CorrectHealth GDC, LLC, has put into use the easement area this easement is granted for, a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement granted herein. Upon abandonment, CorrectHealth GDC, LLC, or its successors and assigns, shall have the option of removing any facilities from the easement area or leaving the same in place, in which event the easement area and any facilities shall become the property of the State of Georgia, or its successors and assigns.

Upon written request from the grantee or any third party, the State Properties Commission, in its sole discretion, may grant a substantially equivalent nonexclusive easement within the property for the relocation of the facilities without cost, expense, or reimbursement from the State of Georgia.

SECTION 8.

That the easement granted to CorrectHealth GDC, LLC, shall contain such other reasonable terms, conditions, and covenants as the State Properties Commission shall deem to be in the best interest of the State of Georgia and that the State Properties Commission is authorized to use a more accurate description of the easement area, so long as the description utilized by the State Properties Commission describes the same easement area herein granted.

48-8-263.

(a)(1) The ballot submitting the question of the imposition of the tax to the voters within the special district shall have written or printed thereon the following:

' () YES Shall a special _____ percent sales and use tax be imposed in the special district consisting of _____ County for a period of time not to exceed

() NO _____ and for the raising of not more than an estimated amount of \$ _____ for transportation purposes?'

(2) If debt is to be issued, the ballot shall also have written or printed thereon, following the language specified by paragraph (1) of this subsection, the following:

'If imposition of the tax is approved by the voters, such vote shall also constitute approval of the issuance of general obligation debt of _____ County in the principal amount of \$ _____ for the above purpose.'

(b) The election superintendent shall issue the call and conduct the election in the manner authorized by general law. The superintendent shall canvass the returns, declare the result of the election, and certify the result to the Secretary of State and to the commissioner. The expense of the election shall be paid from county funds. All persons desiring to vote in favor of imposing the tax shall vote 'Yes,' and all persons opposed to imposing the tax shall vote 'No.' If more than one-half of the votes cast throughout the entire special district are in favor of imposing the tax, then the tax shall be imposed as provided in this article.

(c) Where such question is not approved by the voters, the county may resubmit such question from time to time upon compliance with the requirements of this article.

(d)(1) If the intergovernmental agreement, if applicable, and proposal include the authority to issue general obligation debt and if more than one-half of the votes cast are in favor of the proposal, then the authority to issue such debt in accordance with Article IX, Section V, Paragraph I of the Constitution is given to the proper officers of the county; otherwise, such debt shall not be issued. If the authority to issue such debt is so approved by the voters, then such debt may be issued without further approval by the voters.

(2) If the issuance of general obligation debt is included and approved as provided in this Code section, then the governing authority of the county may incur such debt either through the issuance and validation of general obligation bonds or through the execution of a promissory note or notes or other instrument or instruments. If such debt is incurred through the issuance of general obligation bonds, such bonds and their issuance and validation shall be subject to Articles 1 and 2 of Chapter 82 of Title 36 except as specifically provided otherwise in this article. If such debt is incurred through the execution of a promissory note or notes or other instrument or instruments, no validation proceedings shall be necessary, and such debt shall be subject to Code Sections 36-80-10 through 36-80-14 except as specifically provided otherwise in this article. In either event, such general obligation debt shall be payable first from the separate account in which are placed the proceeds received by the county from the tax. Such general obligation debt shall, however, constitute a pledge of the full faith, credit, and taxing power of the county; and any liability on such debt which is not satisfied from the proceeds of the tax shall be satisfied from the general funds of the county.

48-8-264.

(a)(1) If the imposition of the tax is approved at the election, the tax shall be imposed

on the first day of the next succeeding calendar quarter which begins more than 80 days after the date of the election at which the tax was approved by the voters.

(2) With respect to services which are regularly billed on a monthly basis, however, the resolution shall become effective with respect to and the tax shall apply to services billed on or after the effective date specified in paragraph (1) of this subsection.

(b) The tax shall cease to be imposed on the earliest of the following dates:

(1) If the resolution calling for the imposition of the tax provided for the issuance of general obligation debt and such debt is the subject of validation proceedings, as of the end of the first calendar quarter ending more than 80 days after the date on which a court of competent jurisdiction enters a final order denying validation of such debt;

(2) On the final day of the maximum period of time specified for the imposition of the tax; or

(3) As of the end of the calendar quarter during which the commissioner determines that the tax will have raised revenues sufficient to provide to the special district net proceeds equal to or greater than the amount specified as the maximum amount of net proceeds to be raised by the tax.

(c)(1) At any time, no more than a single tax under this article shall be imposed within a special district. Any tax imposed under this article may, subject to the requirements of subsection (c) of Code Section 48-8-262, be imposed at a rate of up to 1 percent but shall not exceed 1 percent. Any tax imposed under this article at a rate of less than 1 percent shall be in an increment of .05 percent.

(2) In any special district in which a tax is in effect under this article, proceedings may be commenced, while the tax is in effect, calling for the reimposition of the tax upon the termination of the tax then in effect; and an election may be held at the next scheduled election for this purpose while the tax is in effect. Such proceedings for the reimposition of a tax under this article shall be in the same manner as proceedings for the initial imposition of the tax, but the newly authorized tax shall not be imposed until the expiration of the tax then in effect.

(3) Following the expiration of a tax under this article, proceedings for the reimposition of a tax under this article may be initiated in the same manner as provided in this article for initial imposition of such tax.

48-8-265.

A tax levied pursuant to this article shall be exclusively administered and collected by the commissioner for the use and benefit of the county and qualified municipalities within the special district imposing the tax. Such administration and collection shall be accomplished in the same manner and subject to the same applicable provisions, procedures, and penalties provided in Article 1 of this chapter; provided, however, that all moneys collected from each taxpayer by the commissioner shall be applied first to such taxpayer's liability for taxes owed the state; and provided, further, that the commissioner may rely upon a representation by or on behalf of the special district or the Secretary of State that such a tax has been validly imposed, and the commissioner and the commissioner's agents shall not be liable to any person for collecting any such

tax which was not validly imposed. Dealers shall be allowed a percentage of the amount of the tax due and accounted for and shall be reimbursed in the form of a deduction in submitting, reporting, and paying the amount due if such amount is not delinquent at the time of payment. The deduction shall be at the rate and subject to the requirements specified under subsections (b) through (f) of Code Section 48-8-50.

48-8-266.

Each sales tax return remitting taxes collected under this article shall separately identify the location of each retail establishment at which any of the taxes remitted were collected and shall specify the amount of sales and the amount of taxes collected at each establishment for the period covered by the return in order to facilitate the determination by the commissioner that all taxes imposed by this article are collected and distributed according to situs of sale.

48-8-267.

(a) The proceeds of the tax collected by the commissioner in each special district under this article shall be disbursed as soon as practicable after collection as follows:

(1) One percent of the amount collected shall be paid into the general fund of the state treasury in order to defray the costs of administration; and

(2) Except for the percentage provided in paragraph (1) of this subsection, the remaining proceeds of the tax shall be distributed:

(A) Pursuant to the terms of the intergovernmental agreement, if applicable; or

(B) If no intergovernmental agreement has been entered into, in accordance with subsection (b) of this Code section.

(b) In the event an intergovernmental agreement has not been entered into, then distribution of the proceeds shall be as follows:

(1) The state auditor shall determine the most recent three fiscal years for which an audit under Code Section 36-81-7 has been made;

(2) Utilizing the audit information under paragraph (1) of this subsection, the county and each qualified municipality shall receive a proportional amount of proceeds of the tax based upon the amount of expenditures made for transportation in the most recent three fiscal years. The proportional amount for the county and each qualified municipality shall be determined by dividing the average expended on transportation during the most recent three fiscal years by the county or qualified municipality by the aggregate average expended on transportation by the county and all qualified municipalities in the special district during the most recent three fiscal years. Amounts expended on transportation include transportation maintenance and operation costs and shall correspond with classifications and subclassifications specified in the local government uniform chart of accounts under subsection (e) of Code Section 36-81-3 within section 4200, including noncapital expenditures within sections 4210-4270, and shall be reported in the local government audit. Total general fund expenditures by the local government within these categories shall be specified in the footnotes of the audited financial statement. If such transportation

expenditures include maintenance and operation costs to support local government airport and transit operations, reported in functions 7561 and 7563 of the uniform chart, the general fund costs for those functions shall be included in the footnotes of the local government's audited financial report; and

(3) Following the determinations made pursuant to paragraph (2) of this subsection and at least 30 days prior to the referendum, the state auditor shall certify the appropriate distribution percentages to the commissioner and the commissioner shall utilize such percentages for the distribution of proceeds for the term of the tax.

48-8-268.

(a) The proceeds of a tax under this article shall not be subject to any allocation or balancing of state and federal funds provided for by general law, and such proceeds shall not be considered or taken into account in any such allocation or balancing.

(b) The approval of the tax under this article shall not in any way diminish the percentage of state or federal funds allocated to any of the local governments under Code Section 32-5-27 within the special district levying the tax. The amount of state or federal funds expended in the county or any qualified municipality within the special district shall not be decreased or diverted due to the use of proceeds from the tax levied under this article for transportation purposes that have a high priority in the state-wide strategic transportation plan.

48-8-269.

(a) Except as to rate, a tax imposed under this article shall correspond to the tax imposed by Article 1 of this chapter. No item or transaction which is not subject to taxation under Article 1 of this chapter shall be subject to a tax imposed under this article, except that a tax imposed under this article shall not apply to:

(1) The sale or use of any type of fuel used for off-road heavy-duty equipment, off-road farm or agricultural equipment, or locomotives;

(2) The sale or use of jet fuel to or by a qualifying airline at a qualifying airport;

(3) The sale or use of fuel that is used for propulsion of motor vehicles on the public highways;

(4) The sale or use of energy used in the manufacturing or processing of tangible goods primarily for resale;

(5) The sale or use of motor fuel as defined under paragraph (9) of Code Section 48-9-2 for public mass transit; or

(6) The purchase or lease of any motor vehicle pursuant to Code Section 48-5C-1.

(b) Except as otherwise specifically provided in this article, the tax imposed pursuant to this article shall be subject to any sales and use tax exemption which is otherwise imposed by law; provided, however, that the tax levied by this article shall be applicable to the sale of food and food ingredients as provided for in paragraph (57) of Code Section 48-8-3.

48-8-269.1.

Where a local sales or use tax has been paid with respect to tangible personal property by the purchaser either in another local tax jurisdiction within this state or in a tax jurisdiction outside this state, the tax may be credited against the tax authorized to be imposed by this article upon the same property. If the amount of sales or use tax so paid is less than the amount of the tax due under this article, the purchaser shall pay an amount equal to the difference between the amount paid in the other tax jurisdiction and the amount due under this article. The commissioner may require such proof of payment in another local tax jurisdiction as he or she deems necessary and proper. No credit shall be granted, however, against the tax under this article for tax paid in another jurisdiction if the tax paid in such other jurisdiction is used to obtain a credit against any other local sales and use tax levied in the county or in a special district which includes the county.

48-8-269.2.

No tax shall be imposed upon the sale of tangible personal property which is ordered by and delivered to the purchaser at a point outside the geographical area of the county in which the tax is imposed regardless of the point at which title passes, if the delivery is made by the seller's vehicle, United States mail, or common carrier or by private or contract carrier.

48-8-269.3.

The commissioner shall have the power and authority to promulgate such rules and regulations as shall be necessary for the effective and efficient administration and enforcement of the collection of the tax.

48-8-269.4.

Except as provided in Code Section 48-8-6, the tax authorized under this article shall be in addition to any other local sales and use tax. Except as otherwise provided in this article and except as provided in Code Section 48-8-6, the imposition of any other local sales and use tax within a county or qualified municipality within a special district shall not affect the authority of a county to impose the tax authorized under this article, and the imposition of the tax authorized under this article shall not affect the imposition of any otherwise authorized local sales and use tax within the special district.

48-8-269.5.

(a)(1) The proceeds received from the tax shall be used by the county and qualified municipalities within the special district exclusively for the transportation purposes specified in the resolution calling for imposition of the tax. Such proceeds shall be kept in a separate account from other funds of any county or qualified municipality receiving proceeds of the tax and shall not in any manner be commingled with other funds of any county or qualified municipality prior to the expenditure.

(2) The governing authority of each county and the governing authority of each

qualified municipality receiving any proceeds from the tax under this article shall maintain a record of each and every purpose for which the proceeds of the tax are used. A schedule shall be included in each annual audit which shows for each purpose in the resolution calling for imposition of the tax the original estimated cost, the current estimated cost if it is not the original estimated cost, amounts expended in prior years, and amounts expended in the current year. The auditor shall verify and test expenditures sufficient to provide assurances that the schedule is fairly presented in relation to the financial statements. The auditor's report on the financial statements shall include an opinion, or disclaimer of opinion, as to whether the schedule is presented fairly in all material respects in relation to the financial statements taken as a whole.

(b) No general obligation debt shall be issued in conjunction with the imposition of the tax unless the county governing authority determines that, and if the debt is to be validated it is demonstrated in the validation proceedings that, during each year in which any payment of principal or interest on the debt comes due, the county will receive from the tax net proceeds sufficient to fully satisfy such liability. General obligation debt issued under this article shall be payable first from the separate account in which are placed the proceeds received by the county from the tax. Such debt, however, shall constitute a pledge of the full faith, credit, and taxing power of the county; and any liability on such debt which is not satisfied from the proceeds of the tax shall be satisfied from the general funds of the county.

(c) The intergovernmental agreement, if applicable, and resolution calling for the imposition of the tax may specify that all of the proceeds of the tax will be used for payment of general obligation debt issued in conjunction with the imposition of the tax, and, in that event, such proceeds shall be solely for such purpose except as otherwise provided in subsection (f) of this Code section.

(d) The intergovernmental agreement, if applicable, and resolution calling for the imposition of the tax may specify that a part of the proceeds of the tax will be used for payment of general obligation debt issued in conjunction with the imposition of the tax. The intergovernmental agreement, if applicable, and resolution shall specifically state the other purposes for which such proceeds will be used. In such a case, no part of the net proceeds from the tax received in any year shall be used for such other purposes until all debt service requirements of the general obligation debt for that year have first been satisfied from the account in which the proceeds of the tax are placed.

(e) The resolution calling for the imposition of the tax may specify that no general obligation debt is to be issued in conjunction with the imposition of the tax. The intergovernmental agreement, if applicable, and resolution shall specifically state the purpose or purposes for which the proceeds will be used.

(f)(1)(A) If the proceeds of the tax are specified to be used solely for the purpose of payment of general obligation debt issued in conjunction with the imposition of the tax, then any net proceeds of the tax in excess of the amount required for final payment of such debt shall be subject to and applied as provided in paragraph (2) of this subsection.

(B) If the special district receives from the tax net proceeds in excess of the maximum cost of the transportation projects and purposes stated in the resolution calling for the imposition of the tax or in excess of the actual cost of such projects and purposes, then such excess proceeds shall be subject to and applied as provided in paragraph (2) of this subsection unless otherwise specified in the intergovernmental agreement, if applicable.

(C) If the tax is terminated under paragraph (1) of subsection (b) of Code Section 48-8-264 by reason of denial of validation of debt, then all net proceeds received by the special district from the tax shall be excess proceeds subject to paragraph (2) of this subsection.

(2) Excess proceeds subject to this subsection shall be used solely for the purpose of reducing any indebtedness of any county or qualified municipality within the special district other than indebtedness incurred pursuant to this article. If there is no such other indebtedness or if the excess proceeds exceed the amount of any such other indebtedness, then the excess proceeds shall next be paid into the general fund of such county or qualified municipality, it being the intent that any funds so paid into the general fund of such county or qualified municipality be used for the purpose of reducing ad valorem taxes.

48-8-269.6.

Not later than December 31 of each year, the governing authority of each county and each qualifying municipality receiving any proceeds from the tax under this article shall publish annually, in a newspaper of general circulation in the boundaries of such county or municipality, a simple, nontechnical report which shows for each purpose in the resolution calling for the imposition of the tax the original estimated cost, the current estimated cost if it is not the original estimated cost, amounts expended in prior years, and amounts expended in the current year. The report shall also include a statement of what corrective action the county or qualified municipality intends to implement with respect to each purpose which is underfunded or behind schedule and a statement of any surplus funds which have not been expended for a purpose."

SECTION 3.

Said title is further amended by adding a new Code section to read as follows:

"48-13-50.3.

(a) As used in this Code section, the term:

(1) 'Extended stay rental' means providing for value to the public a hotel or motel room for longer than 30 consecutive days to the same customer.

(2) 'Innkeeper' means any person who is subject to taxation under this article for the furnishing for value to the public a hotel or motel room.

(3) 'Transportation purposes' means and includes roads, bridges, public transit, rails, airports, buses, seaports, including without limitation road, street, and bridge purposes pursuant to paragraph (1) of subsection (b) of Code Section 48-8-121, and all accompanying infrastructure and services necessary to provide access to these

transportation facilities, including general obligation debt and other multiyear obligations issued to finance such purposes.

(b) On or after July 1, 2015, each innkeeper in this state shall charge a \$5.00 per night fee to the customer, unless it is an extended stay rental, for each calendar day a hotel or motel room is rented or leased. The innkeeper shall collect the fee at the time the customer pays for the rental or lease of such hotel or motel room. The innkeeper collecting the fee shall remit the fee on a monthly basis to the department.

(c) The commissioner shall promulgate and make available forms for the use of innkeepers to assist in compliance with this Code section. The commissioner shall promulgate rules and regulations as necessary to implement and administer the provisions of this Code section.

(d) It is the intention of the General Assembly, subject to appropriations, that the fees collected pursuant to subsection (b) of this Code section shall be made available and used exclusively for transportation purposes in this state.

(e) If the amount collected under this Code section is ever not appropriated for a fiscal year as provided by subsection (d) of this Code section, as determined jointly by the House Budget and Research Office and the Senate Budget and Evaluation Office, then the amount collected shall be reduced by 50 percent. Upon the conclusion of a second fiscal year in which the amount collected is not so appropriated, this Code section shall stand repealed and reserved, and such fees shall cease to be collected, on the date the appropriations Act for such fiscal year becomes effective. Such budget offices shall certify any such lack of appropriation to the Code Revision Commission for purposes of updating the Code in accordance with this subsection."

SECTION 4.

This Act shall become effective on July 1, 2015.

(C)(i) The public body implementing the project and the sponsoring local government, with the participation of any designated representatives of other participating public bodies as determined by the sponsoring local government, may engage in individual discussions and interviews with each respondent deemed fully qualified, responsible, and suitable on the basis of initial responses and with emphasis on professional competence and ability to meet the level of private financial participation as called for in such request. Repetitive interviews may be conducted. Any such interviews shall be deemed to be a part of the procurement process.

(ii)(I) At the conclusion of the final stage, on the basis of evaluation factors published in the request and all information developed in the selection process, the public body implementing the surface transportation project, in an open and public meeting subject to the provisions of Chapter 14 of Title 50, shall rank the proposals in accordance with the factors set forth in the request for proposal or invitation for bids.

(II) After ranking the proposals, the public body implementing the project shall begin negotiations with the first ranked private entity. If such public body and first ranked private entity do not reach a comprehensive agreement or interim agreement, such public body may conduct negotiations with the next ranked private entity. Such process shall continue until such public body either voluntarily abandons the process or executes a comprehensive agreement or interim agreement with a private entity. Negotiations conducted with one or more selected respondent pursuant to this Code section shall continue to be deemed an active procurement until the execution of the final, definitive agreement with the selected respondent or respondents.

(iii) The public body implementing the project shall select for approval the respondent offering the most satisfactory and advantageous contract terms for the

project based upon a thorough assessment of any one or more of the following: experience and reputation with similar projects; engineering and design quality; value; projected savings during, before, or after construction; and the ability of the final project's characteristics to meet the goals of the sponsoring local government, consistent with applicable plans and programs. The fair market value of any property included as a part of the procurement may be based on the consideration of the above factors, but it shall not be less than the initial cost to obtain the property. Before making such selection, the designated representative shall consult in an open and public meeting subject to the provisions of Chapter 14 of Title 50 with the representatives of any participating local governing authority, participating local authority, participating state agency, department, or authority, and affected local government. Notwithstanding the foregoing, if the terms and conditions for multiple awards are included in the request, the implementing public body may award contracts to more than one respondent. Should the implementing public body determine in writing that only one respondent is fully qualified, or that one respondent is clearly more highly qualified and suitable than the other respondents under consideration, a contract may be negotiated and awarded to that respondent.

(iv) Upon approval of the selection by the implementing public body, a contract or contracts not exceeding 50 years in duration may be entered into by the urban redevelopment agency or any one or more of the participating public bodies and the selected respondent or respondents. The private financial data or financial plans which qualify as trade secrets pursuant to Code Section 10-1-761 and paragraph (34) of subsection (a) of Code Section 50-18-72 provided by the respondents shall remain exempt from Code Section 50-18-72 during and after the conclusion of the related selection process.

(D) A dispute over the award of a contract under this chapter shall be resolved by the filing of a petition in the superior court of the county in which the sponsoring local government is located within 30 days of the awarding of such contract and shall be determined through the use of a special master appointed by the judge of the superior court of the county in which the sponsoring local government is located. The special master shall not be authorized to enjoin or otherwise delay or suspend the execution of the contract and any work to be performed under such contract. The decision of the special master with regard to such dispute shall be appealable for a de novo review to the superior court of the county in which the sponsoring local government is located within 30 days following the decision of the special master.

(E) Nothing in this chapter shall require the designated representatives, the sponsoring local government, the implementing public body, or any participating public body to continue negotiations or discussions arising out of any request or any other procurement initiated under the provisions of this Code section.

(F) Every public body shall be authorized to promulgate reasonable rules and regulations to assist in its evaluation of responses and to implement the purposes of

this chapter; provided, however, that unsolicited proposals shall not be permitted;
(4) No public officer, employee, or member of any participating public body, with respect to contracts of such public body, or the General Assembly shall serve as an agent, lobbyist, or board member for any private entity directly or indirectly under a contract or negotiating a contract provided for by this chapter for one year after leaving his or her position as a public officer, employee, or member of the public body or the General Assembly; and
(5) Contracts entered into with a private enterprise in respect to the design, construction, operation, financing, or management of the public components of a surface transportation project shall not constitute the acquisition of property for a private use, nor shall such contracts be deemed a sale, lease, or other disposition of the related interests in property under any provisions of this chapter or other provision of applicable law, and such public components of a surface transportation project shall be deemed a public use for all purposes under applicable provisions of law, including, without limitation, Code Sections 36-61-9 and 36-61-10."

SECTION 4.

Said title is further amended by revising Code Section 36-61-6, relating to formulation of a workable program for urban redevelopment, as follows:

"36-61-6.

Such workable program may include, without limitation, provision for the prevention of the spread of slums into areas of the municipality or county which are free from slums, through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation or conservation of slum areas or portions thereof by replanting, removing congestion, providing parks, playgrounds, and other public improvements, including without limitation surface transportation projects, encouraging voluntary rehabilitation, and compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of slum areas or portions thereof."

SECTION 5.

Said title is further amended by revising paragraph (1) of subsection (b) of Code Section 36-61-10, relating to the disposal of property in a redevelopment area, as follows:

"(b)(1) A municipality or county may dispose of real property in an urban redevelopment area to private persons only under such reasonable competitive bidding procedures as it shall prescribe, ~~or~~ as are provided in this subsection or, solely with respect to and for the benefit of advancing surface transportation projects, as

provided in Code Section 36-61-4. A municipality or county, by public notice by publication once each week for two consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under this Code section, may invite proposals from and make available all pertinent information to private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban redevelopment area or any part thereof. The notice shall identify the area or portion thereof and shall state that such further information as is available may be obtained at such office as shall be designated in the notice. The municipality or county shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out and may negotiate with any persons for proposals for the purchase, lease, or other transfer of any real property acquired by the municipality or county in the urban redevelopment area. The municipality or county may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this chapter. The municipality or county may execute contracts in accordance with subsection (a) of this Code section and deliver deeds, leases, and other instruments and take all steps necessary to effectuate such contracts."

SECTION 6.

Said title is further amended by revising Code Section 36-61-12, relating to the issuance of bonds for urban redevelopment projects, as follows:

"36-61-12.

(a) A municipality or county shall have power to issue bonds, in its discretion, from time to time, to finance the undertaking of any urban redevelopment project under this chapter, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans for urban redevelopment projects and shall also have power to issue refunding bonds for the payment of retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality or county derived from or held in connection with its undertaking and carrying out of urban redevelopment projects under this chapter; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban redevelopment projects of the municipality or county under this chapter, and by a mortgage of any such urban redevelopment projects or any part thereof, title to which is in the municipality ~~or~~, county, or redevelopment agency.

(b) Bonds issued under this Code section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under this chapter are declared to be issued for an essential public and governmental purpose and, together with interest thereon and

income therefrom, shall be exempted from all taxes.

(c) Bonds issued under this Code section shall be authorized by resolution or ordinance of the local governing body. They may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics as may be provided by the resolution of the local governing body or by the trust indenture or mortgage issued pursuant thereto.

~~(d) Such bonds may be sold at not less than par at public sales held after notice published prior to such sales in a newspaper having a general circulation in the area of operation and in such other medium of publication as the municipality or county may determine or may be exchanged for other bonds on the basis of par. Such bonds may be sold to the federal government or to an institution insured by an agency of the federal government at private sale at not less than par and, in the event that less than all of the authorized principal amount of such bonds is sold to the federal government or to an institution insured by an agency of the federal government, the balance may be sold at private sale at not less than par at an interest cost to the municipality or county, such cost not to exceed the interest cost to the municipality or county of the portion of the bonds sold to the federal government or to an institution insured by an agency of the federal government.~~ All revenue bonds, but not notes or other obligations, issued under this Code section shall be issued and validated under and in accordance with the procedure set forth in Article 3 of Chapter 82 of this title. The provisions of any resolution or ordinance authorizing the issuance of bonds under this Code section shall be a contract with every holder of such bonds and enforceable by any bondholder by mandamus or other appropriate action or proceeding at law or in equity.

(e) If any of the public officials of the municipality or county whose signatures appear on any bonds or coupons issued under this chapter cease to be such officials before the delivery of the bonds, such signatures, nevertheless, shall be valid and sufficient for all purposes, the same as if the officials had remained in office until the delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

(f) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality or county in connection with an urban redevelopment project, as defined in paragraph ~~(22)~~(24) of Code Section 36-61-2, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with this chapter.

(g) Any urban redevelopment agency or housing authority which a municipality or county has elected to exercise powers under Code Section 36-61-17 may also issue

bonds, as provided in this Code section, in the same manner as a municipality or county, except that such bonds shall be authorized and the terms and conditions thereof shall be prescribed by the commissioners of such urban redevelopment agency or housing authority in lieu of the local governing body."

SECTION 7.

Said title is further amended by revising subsection (b) of Code Section 36-61-14, related to property exempt from taxes and from levy and sale by virtue of an execution, as follows:

"(b) The property of a municipality, ~~or~~ county, or any other public body, acquired or held for the purpose of this chapter, is declared to be public property used for essential public and governmental purposes and such property shall be exempt from all taxes of the municipality, the county, the state, or any political subdivision thereof. Such tax exemption shall terminate when the municipality or county sells, leases, or otherwise disposes of property in an urban redevelopment area to a purchaser or lessee who or which is not a public body."

SECTION 8.

Said title is further amended by revising subsection (a) of Code Section 36-61-16, relating to cooperation by public bodies, as follows:

If at any time title to or possession of any urban redevelopment project is held by any public body or governmental agency, other than the municipality or county, which is authorized by law to engage in the undertaking, carrying out, or administration of urban redevelopment projects, including any agency or instrumentality of the United States of America, the provisions of the agreements referred to in this subsection shall inure to the benefit of and may be enforced by such public body or governmental agency. As used in this subsection, the terms 'municipality' and 'county' shall also include an urban redevelopment agency or a housing authority vested with all of the urban redevelopment project powers pursuant to Code Section 36-61-17."

A BILL TO BE ENTITLED
AN ACT

To amend Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles, so as to provide for definitions; to provide for the safe operation of a motorcycle or bicycle through an inoperative traffic-control signal; to require drivers of motor vehicles to stop at crosswalks with pedestrian-activated rectangular rapid flash beacons; to make it unlawful to activate such devices when there is no intent to cross a roadway; to remove provisions regarding height of handlebars; to provide for a short title; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

This Act shall be known and may be cited as the "Motorcycle Mobility Safety Act."

SECTION 2.

Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles, is amended in Code Section 40-1-1, relating to definitions, by adding a new paragraph to read as follows:

"(50.02) 'Rectangular rapid flash beacon' means user-activated amber light emitting diodes (LEDs) that supplement warning signals at unsignalized intersections or mid-block crosswalks. Such devices emit an irregular flash pattern and may be activated by pedestrians manually by a push button or passively by a pedestrian detection system. The term shall be interchangeable with LED rapid-flash system, stutter flash, or LED beacons."

SECTION 3.

Said title is further amended in Code Section 40-6-20, relating to obedience to traffic-control devices, by revising subsections (a) and (e) as follows:

"(a) The driver of any vehicle shall obey the instructions of an official traffic-control

device applicable thereto, placed in accordance with this chapter, unless otherwise directed by a police officer, subject to the exceptions granted the driver of an authorized emergency vehicle in this chapter. A violation of this subsection shall be a misdemeanor, except as otherwise provided by paragraph (2) of subsection (e) and subsection (f) of this Code section."

"(e)(1) Except as provided for in paragraph (2) of this subsection, the ~~The~~ disregard or disobedience of the instructions of any official traffic-control device or signal placed in accordance with the provisions of this chapter by the driver of a vehicle shall be deemed prima-facie evidence of a violation of law, without requiring proof of who and by what authority such sign or device has been erected.

(2) If a driver has stopped pursuant to the instructions of a traffic-control device and has a reasonable belief that the traffic-control device or signal is inoperative due to the lightweight design of his or her motorcycle or bicycle, the driver may disregard or disobey the instructions of the traffic-control device or signal and proceed through the intersection, provided that:

(A) There is no other motor vehicle within 500 feet approaching or entering the same intersection from a different highway, or from the same highway approaching or entering the intersection from the opposite direction; and

(B) The driver cautiously proceeds through the intersection with reasonable care and consideration for all other applicable rules of the road.

(4) As used in this subsection, the term 'reasonable belief' means the belief of a reasonable person in consideration of the conditions of his or her stop, including but not limited to the number of seconds he or she has been stopped or the number of signal changes he or she has observed of the traffic-control device or signal which did not include a change of instruction to him or her."

(b) The driver of a vehicle shall stop and remain stopped to allow a pedestrian to cross the roadway within a crosswalk when an approved rectangular rapid flash beacon or similar device has been activated.

(c) No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impractical for the driver to yield. No pedestrian shall manually activate or intentionally cause to be activated a rapid flash beacon or similar device at a crosswalk unless such person intends to cross a roadway.

~~(e)~~(d) Subsection (a) of this Code section shall not apply under the conditions stated in subsection (b) of Code Section 40-6-92.

A BILL TO BE ENTITLED
AN ACT

To amend Article 2 of Chapter 10 of Title 32 of the Official Code of Georgia Annotated, relating to the State Road and Tollway Authority, so as to authorize the collection of tolls for the management of traffic flow; to provide for administrative fees for drivers failing to pay the appropriate tolls; to provide for notice; to provide for permitted uses of funds collected through tolls; to provide for sales tax exemptions for the authority; to amend Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles, so as to

provide for definitions; to provide for the installation of managed lane signs, barriers, or gates; to prohibit entry or exit of a managed lane under certain conditions; to provide for an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 10 of Title 32 of the Official Code of Georgia Annotated, relating to the State Road and Tollway Authority, is amended in Code Section 32-10-64, relating to general toll powers, police powers, and rules and regulations, by revising subsection (a) and paragraph (1) of subsection (c) as follows:

"(a)(1) For the purpose of earning sufficient revenue to make possible, in conjunction with other funds available to the authority, the financing of the construction or acquisition of projects of the authority with revenue bonds, the authority is authorized and empowered to collect tolls on each and every project which it, the department, or local governing authority shall cause to be constructed ~~or acquired~~. It is found, determined, and declared that the necessities of revenue bond financing are such that the authority's toll earnings on each project or projects, in conjunction with other funds available to the authority, must exceed the actual maintenance, repair, and normal reserve requirements of such projects, together with monthly or yearly sums needed for the sinking fund payments upon the principal and interest obligations of financing such project or projects; however, within the framework of these legitimate necessities of the authority and subject to all bond resolutions, trust indentures, and all other contractual obligations of the authority, the authority is charged with the duty of the operation of all projects in the aggregate at the most reasonable possible level of toll charges; and, furthermore, the authority is charged with the responsibility of a reasonable and equitable adjustment of such toll charges as between the various classes of users of any given project in which the repayment of financing is the primary or exclusive purpose for the exercise of the toll power of the authority.

(2) For the purpose of managing the flow of traffic, the authority is authorized and empowered to collect tolls on each and every project which it, the department, or local governing authority shall cause to be constructed in which managing the flow of traffic is the primary or exclusive purpose. It is found, determined, and declared that the necessities of managing the flow of traffic are such that the authority is charged with the responsibility of taking into consideration value pricing and lane management as those terms are described in subsection (d) of Code Section 40-6-54 in determining toll charges on such projects."

"(c)(1) No motor vehicle shall be driven or towed through a toll collection facility, where appropriate signs have been erected to notify traffic that it is subject to the payment of tolls beyond such sign, without payment of the proper toll. In the event of nonpayment of the proper toll, as evidenced by video or electronic recording, the registered owner of such vehicle shall be liable to make prompt payment to the authority of the proper toll and an administrative fee of up to \$25.00 per violation to

recover the cost of collecting the toll. The authority or its authorized agent shall provide notice to the registered owner of a vehicle, and a reasonable time to respond to such notice, of the authority's finding of a violation of this subsection. The authority or its authorized agent may provide subsequent notices to the registered owner of a vehicle if such owner fails to respond to the initial notice. The administrative fee may increase with each notice, provided that such fee shall not exceed a cumulative total of \$25.00 per violation. Upon failure of the registered owner of a vehicle to pay the proper toll and administrative fee to the authority after notice thereof and within the time designated in such notice, the authority may proceed to seek collection of the proper toll and the administrative fee as debts owing to the authority, in such manner as the authority deems appropriate and as permitted under law. If the authority finds multiple failures by a registered owner of a vehicle to pay the proper toll and administrative fee after notice thereof and within the time designated in such ~~notice~~ notices, the authority may refer the matter to the Office of State Administrative Hearings. The scope of any hearing held by the Office of State Administrative Hearings shall be limited to consideration of evidence relevant to a determination of whether the registered owner has failed to pay, after notice thereof and within the time designated in such notice, the proper toll and administrative fee. The only affirmative defense that may be presented by the registered owner of a vehicle at such a hearing is theft of the vehicle, as evidenced by presentation at the hearing of a copy of a police report showing that the vehicle has been reported to the police as stolen prior to the time of the alleged violation. A determination by the Office of State Administrative Hearings of multiple failures to pay by a registered owner of a vehicle shall subject such registered owner to imposition of, in addition to any unpaid tolls and administrative fees, a civil monetary penalty payable to the authority of not more than \$70.00 per violation. Upon failure by a registered owner to pay to the authority, within 30 days of the date of notice thereof, the amount determined by the Office of State Administrative Hearings as due and payable for multiple violations of this subsection, the motor vehicle registration of such registered owner shall be immediately suspended by operation of law. The authority shall give notice to the Department of Revenue of such suspension. Such suspension shall continue until the proper toll, administrative fee, and civil monetary penalty as have been determined by the Office of State Administrative Hearings are paid to the authority. Actions taken by the authority under this subsection shall be made in accordance with policies and procedures approved by the members of the authority."

SECTION 2.

Said article is further amended by revising Code Section 32-10-65, relating to fixing, revising, charging, and collecting tolls and the use and disposition of tolls, as follows:

"32-10-65.

The authority is authorized to fix, revise, charge, and collect tolls for the use of each project. Such tolls shall be so fixed and adjusted as to carry out and perform the terms and provisions of any resolution, trust indenture, or contract with or for the benefit of

bondholders; and such tolls shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the state. Notwithstanding any provision of this article to the contrary, if the repayment of financing is not the primary or exclusive purpose for the exercise of the authority's toll power, the authority shall not be required to issue or have outstanding bonds or other indebtedness in respect to a project in order to fix, revise, charge, enforce, or collect tolls for such project. The use and disposition of tolls and revenues shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust indenture securing the same, if there are any."

SECTION 3.

Said article is further amended by revising Code Section 32-10-109, relating to covenant with holders as to tax-exempt status of authority property and bonds, as follows:

"32-10-109.

It is found, determined, and declared that the creation of the authority and the carrying out of its corporate purpose are in all respects for the benefit of the people of this state and that the authority is an institution of purely public charity and will be performing an essential governmental function in the exercise of the power conferred upon it by this article; and this state covenants with the holders of the bonds that the authority shall not be required to pay any taxes or assessments upon any of the property acquired or leased by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation or maintenance of the projects erected by it or upon any fees, tolls, or other charges for the use of such projects or upon other income received by the authority. The bonds of the authority, their transfer, and the income therefrom shall at all times be exempt from taxation within this state. The tax exemption provided for in this chapter shall include an exemption from sales and use tax on property purchased by the authority or for use by the authority."

SECTION 4.

Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles, is amended in Code Section 40-1-1, relating to definitions, by adding a new paragraph to read as follows:

"(25.2) 'Managed lane' means a designated lane or series of designated lanes which utilize tolls payable to the State Road and Tollway Authority and which may use other lane management strategies in order to manage the flow of traffic. Such additional lane management strategies may include, but are not limited to, value pricing, vehicle occupancy requirements, or vehicle type restrictions, or any combination thereof."

SECTION 5.

Said title is further amended by adding a new Code section to read as follows:

"40-6-28.

(a) The department may install gates, signs, or barriers, or any combination thereof, to restrict access to managed lanes.

(b) No person shall drive any vehicle through, around, or under any barrier or closed or moving gate of a managed lane.

(c) No vehicle shall enter or exit a managed lane at any point other than designated entry or exit points unless directed by authorized emergency personnel."

SECTION 6.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 7.

All laws and parts of laws in conflict with this Act are repealed.

36-91-114.

- (a) The local government may approve the project in an unsolicited proposal submitted by a private entity pursuant to Code Section 36-91-113 as a qualifying project. Determination by the local government of a qualifying project shall not bind the local government or the private entity to proceed with the qualifying project.

This process shall continue until the local government either voluntarily abandons the process or executes a comprehensive agreement or interim agreement with a private entity.

(e) At any time during the process outlined in this Code section but before the full execution of a comprehensive agreement, the local government may, without liability to any private entity or third party, cancel its request for proposals or reject all proposals received in response to its request for proposals, including the unsolicited proposal, for any reason whatsoever.

(f) Nothing in this article shall enlarge, diminish, or affect the authority, if any, otherwise possessed by the local government to take action that would impact the debt capacity of the State of Georgia or any local government. The credit of this state shall not be pledged or loaned to any private entity. The local government shall not loan money to the private entity in order to finance all or a portion of the qualifying project. In the event such surviving spouse remarries, such person shall cease to be qualified to receive the exemption under this charter effective December 31 of the taxable year in which such person remarries. The value of all property in excess of such exemption granted to such unremarried surviving spouse shall remain subject to taxation.

(c) In order to qualify for the exemption provided for in this charter, the unremarried surviving spouse shall furnish to the governing authority of the City of LaVista Hills, or the designee thereof, documents from the Secretary of Defense evidencing that such unremarried surviving spouse receives spousal benefits as a result of the death of such person's spouse who, as a member of the armed forces of the United States, was killed or died as a result of any war or armed conflict while on active duty or while performing authorized travel to or from active duty during such war or armed conflict in which the armed forces of the United States engaged, whether under United States command or otherwise, pursuant to the Survivor Benefit Plan under Subchapter II of Chapter 73 of Title 10 of the United States Code or pursuant to any preceding or subsequent federal law which provides survivor benefits for spouses of members of the armed forces who were killed or died as a result of any war or armed conflict.

(d) An unremarried surviving spouse filing for the exemption under this section shall be required to file with the governing authority of the City of LaVista Hills, or the designee thereof, information relative to marital status and such other information which the governing authority of the City of LaVista Hills, or the designee thereof, deems necessary to determine eligibility for the exemption. An unremarried surviving spouse shall file for the exemption only once with the governing authority of the City of LaVista Hills or the designee thereof. Once filed, the exemption shall automatically be renewed from year to year, except that the governing authority of the City of LaVista Hills, or the designee thereof, may require annually that the holder of an exemption substantiate his or her continuing eligibility for the exemption. It shall be the duty of any person granted the homestead exemption under this section to notify the governing authority of the City of LaVista Hills, or the designee thereof, in the event such person for any reason becomes ineligible for such exemption.

(e) The exemption granted by this section shall be in lieu of and not in addition to any other exemption from ad valorem taxation for municipal purposes which is equal to or lower in amount than such exemption granted by this section. If the amount of any other exemption from ad valorem taxation for municipal purposes applicable to any resident qualifying under this section is greater than or is increased to an amount greater than the amount of the applicable exemption granted by this section, such other exemption shall

apply and shall be in lieu of and not in addition to the exemption granted by this section.

(f) The exemptions granted by this section shall apply to all taxable years beginning on or after January 1, 2017.

SECTION 5.12.

Homestead exemption; one mill equivalent.

(a) As used in this section, the term:

(1) "Ad valorem taxes for municipal purposes" means all ad valorem taxes for municipal purposes levied by, for, or on behalf of the City of LaVista Hills, including, but not limited to, any ad valorem taxes to pay interest on and to retire municipal bonded indebtedness.

(2) "Homestead" means homestead as defined and qualified in Code Section 48-5-40 of the O.C.G.A., as amended.

(b) Each resident of the City of LaVista Hills is granted an exemption on such person's homestead from City of LaVista Hills ad valorem taxes for municipal purposes in an amount that provides the dollar equivalent of a one mill reduction of the millage rate applicable to the homestead property with respect to ad valorem taxes for municipal purposes for the taxable year. The value of such property in excess of such exempted amount shall remain subject to taxation.

(c) A person shall not receive the homestead exemption granted by subsection (b) of this section unless the person or person's agent files an application with the governing authority of the City of LaVista Hills, or the designee thereof, giving such information relative to receiving such exemption as will enable the governing authority of the City of LaVista Hills, or the designee thereof, to make a determination regarding the initial and continuing eligibility of such owner for such exemption. The governing authority of the City of LaVista Hills, or the designee thereof, shall provide application forms for this purpose.

(d) The exemption shall be claimed and returned as provided in Code Section 48-5-50.1 of the O.C.G.A., as amended. The exemption shall be automatically renewed from year to year so long as the owner occupies the residence as a homestead. After a person has filed the proper application as provided in subsection (c) of this section, it shall not be necessary to make application thereafter for any year, and the exemption shall continue to be allowed to such person. It shall be the duty of any person granted the homestead exemption under subsection (b) of this section to notify the governing authority of the City of LaVista Hills, or the designee thereof, in the event such person for any reason becomes ineligible for such exemption.

(e) The exemption granted by subsection (b) of this section shall not apply to or affect state ad valorem taxes, county ad valorem taxes for county purposes, or county or independent school district ad valorem taxes for educational purposes. The homestead exemption granted by subsection (b) of this section shall be in addition to and not in lieu of any other homestead exemption applicable to municipal ad valorem taxes for municipal purposes.

(f) The exemption granted by subsection (b) of this section shall apply to all taxable years beginning on or after January 1, 2017.

SECTION 5.13.

Homestead exemption; Fire Services Tax District HOST Equivalent.

(a) As used in this section, the term:

(1) "Ad valorem taxes for fire services" means all ad valorem taxes for the purpose of providing fire services levied by, for, or on behalf of the City of LaVista Hills, including, but not limited to, any ad valorem taxes to pay interest on and to retire municipal bonded indebtedness.

(2) "Homestead" means homestead as defined and qualified in Code Section 48-5-40 of the O.C.G.A., as amended.

(b) In the event that the City of LaVista Hills assumes responsibility for the transfer of fire services from DeKalb County, each resident of the City of LaVista Hills is granted an annual exemption on such person's homestead from City of LaVista Hills ad valorem taxes in a fixed amount equal to the HOST tax credit provided to DeKalb County residences who participate in the Fire Services Special Tax District at a level equal to the average percentage credit for the five years immediately preceding the cutover of fire services. The value of such property in excess of such exempted amount shall remain subject to taxation.

(c) A person shall receive the homestead exemption granted by subsection (b) of this section provided that the person or person's agent has filed or files an application with the governing authority of the City of LaVista Hills in accordance with subsection (c) of Section 5.10 or subsection (c) of Section 5.12 of this charter giving such information relative to receiving such exemption as will enable the governing authority of the City of LaVista Hills, or the designee thereof, to make a determination regarding the initial and continuing eligibility of such owner for such exemption. No additional homestead exemption form or application is required to grant the homestead exemption under this section.

(d) The exemption shall be automatically renewed from year to year so long as the owner occupies the residence as a homestead. After a person has filed the proper application, it shall not be necessary to make application thereafter for any year, and the exemption shall continue to be allowed to such person. It shall be the duty of any person granted the homestead exemption under subsection (b) of this section to notify the governing authority of the City of LaVista Hills, or the designee thereof, in the event such person for any reason becomes ineligible for such exemption.

(e) The exemption granted by subsection (b) of this section shall not apply to or affect state ad valorem taxes, county ad valorem taxes for county purposes, or county or independent school district ad valorem taxes for educational purposes. The homestead exemption granted by subsection (b) of this section shall be in addition to and not in lieu of any other homestead exemption applicable to municipal ad valorem taxes for municipal purposes.

(f) The exemption granted by subsection (b) of this section shall apply to all taxable years beginning in the year in which the City of LaVista Hills assumes responsibility for the transfer of fire services from DeKalb County. In the event that the transfer of fire services does not coincide with a taxable year end, the homestead exemption shall be prorated in the first year in an amount equal to the percent of the first year in which LaVista Hills provides fire services.

For the taxable years beginning on or after January 1, 2017, the adjusted ad valorem tax millage rate and amount for service charges or fees for district services assessed by DeKalb County, Georgia, for the LaVista Hills special services tax district shall be 0 percent. This section is enacted pursuant to the authority granted to the General Assembly under Section 1 of that local constitutional amendment providing that certain municipalities in DeKalb County shall constitute special services tax districts, Resolution Act. No. 168, House Resolution No. 715-1916, Ga. L. 1978, p. 2468, to control the subject matter of such local constitutional amendment. Municipal services provided by DeKalb County for the City of LaVista Hills will be established through intergovernmental agreements or established as otherwise authorized by statute.

SECTION 6.02.

Referendum and initial election.

(a) The election superintendent of DeKalb County shall call a special election for the purpose of submitting this Act to the qualified voters of the proposed City of LaVista Hills for approval or rejection. The superintendent shall set November 3, 2015, as the date of such election. The superintendent shall issue the call for such election at least 30 days prior to the date thereof. The superintendent shall cause the date and purpose of the election to be published once a week for two weeks immediately preceding the date thereof in the official organ of DeKalb County. The ballot shall have written or printed thereon the words:

"() YES Shall the Act incorporating the City of LaVista Hills in DeKalb County according to the charter contained in the Act and the homestead
() NO exemptions described in the Act be approved?"

All persons desiring to vote for approval of the Act shall vote "Yes," and all persons desiring to vote for rejection of the Act shall vote "No." If more than one-half of the votes cast on such question are for approval of the Act, it shall become of full force and effect as provided in this charter, otherwise it shall be void and of no force and effect. The initial expense of such election shall be borne by DeKalb County. Within two years

after the elections if the incorporation is approved, the City of LaVista Hills shall reimburse DeKalb County for the actual cost of printing and personnel services for such election and for the initial election of the mayor and councilmembers pursuant to Section 2.02 of this charter. It shall be the duty of the superintendent to hold and conduct such election. It shall be his or her further duty to certify the result thereof to the Secretary of State.

(b) For the purposes of the referendum election provided for in subsection (a) of this section and for the purposes of the special election of the City of LaVista Hills to be held in conjunction with and on the date of the 2016 presidential preference primary, the qualified electors of the City of LaVista Hills shall be those qualified electors of DeKalb County residing within the corporate limits of the City of LaVista Hills as described by Appendix A of this charter. At subsequent municipal elections, the qualified electors of the City of LaVista Hills shall be determined pursuant to the authority of Chapter 2 of Title 21 of the O.C.G.A., the "Georgia Election Code."

(c) Only for the purposes of holding and conducting the referendum election provided for by subsection (a) of this section and holding and conducting the special election of the City of LaVista Hills to be held on the date of the 2016 presidential preference primary, the election superintendent of DeKalb County is vested with the powers and duties of the election superintendent of the City of LaVista Hills and the powers and duties of the governing authority of the City of LaVista Hills.

SECTION 6.03.

Effective dates and transition.

(a) The initial mayor and councilmembers shall take the oath of office the next business day after certification of the election of such officers and, by action of any four members of the governing authority, may meet and take actions binding on the city.

(b) A period of time will be needed for an orderly transition of various government functions from DeKalb County to the City of LaVista Hills. Accordingly, there shall be a two-year transition period as allowed by law beginning at 12:01 A.M. on July 1, 2016.

(c) During such transition period, DeKalb County shall continue to provide within the territorial limits of the city all government services and functions which DeKalb County provided in 2016 and at the same actual direct cost and level of service, except to the extent otherwise provided in this section; provided, however, that upon at least 30 days' prior written notice to the governing authority of DeKalb County by the governing authority of the City of LaVista Hills, responsibility for any such service or function shall be transferred to the City of LaVista Hills. The governing authority of the City of LaVista Hills shall determine the date of commencement of collection of taxes, fees, assessments, fines and forfeitures, and other moneys within the territorial limits of the city and the date upon which the City of LaVista Hills is considered removed from the DeKalb County special services tax district.

(d) During the transition period, the governing authority of the City of LaVista Hills may generally exercise any power granted by this charter or general law, except to the extent

that a power is specifically and integrally related to the provision of a governmental service, function, or responsibility not yet provided or carried out by the city.

(e) During the transition period, all ordinances of DeKalb County shall remain applicable within the territorial limits of the city unless otherwise amended, repealed, or replaced by the City of LaVista Hills. Any transfer of jurisdiction to the City of LaVista Hills during or at the end of the transition period shall not in and of itself abate any judicial proceeding pending in DeKalb County or the pending prosecution of any violation of any ordinance of DeKalb County.

(f) During the transition period, the governing authority of the City of LaVista Hills may at any time, without the necessity of any agreement by DeKalb County, commence to exercise its planning and zoning powers; provided, however, that the city shall give the county notice of the date on which the city will assume the exercise of such powers. Upon the governing authority of the City of LaVista Hills commencing to exercise its planning and zoning powers, the Municipal Court of the City of LaVista Hills shall immediately have jurisdiction to enforce the planning and zoning ordinances of the city. The provisions of this subsection shall have control over any conflicting provisions of any other subsection of this section.

(g) Effective upon the termination of the transition period, subsections (b) through (f) of this section shall cease to apply except for the last sentence of subsection (e) which shall remain effective. Effective upon the termination of the transition period, the City of LaVista Hills shall be a fully functioning municipal corporation and subject to all general laws of this state.

SECTION 6.04.

Directory nature of dates.

It is the intention of the General Assembly that this Act be construed as directory rather than mandatory with respect to any date prescribed in this Act. If it is necessary to delay any action called for in this Act for providential cause or any other reason, it is the intention of the General Assembly that the action be delayed rather than abandoned. Any delay in performing any action under this Act, whether for cause or otherwise, shall not operate to frustrate the overall intent of this Act. Without limiting the generality of the foregoing, it is specifically provided that if it is not possible to hold the referendum election provided for in Section 6.02 of this Act on the date specified in that section, then such referendum shall be held as soon thereafter as is reasonably practicable. If the referendum election provided for in Section 6.02 of this Act is conducted on or before November 3, 2015, the special election for the initial members of the governing authority shall be conducted on the date specified in Section 2.02 of this Act. If the referendum election provided for under Section 6.02 of this Act is conducted after November 3, 2015, then the special election for the initial members of the governing authority shall be held as soon thereafter as is reasonably practicable, and the commencement of the initial terms of office shall be delayed accordingly. If the first election provided for in Section 2.02 of this Act occurs after the date of the 2016 presidential preference primary, the city council shall be authorized to delay the dates otherwise specified in Section 6.03 of this charter.

SECTION 6.05.
Charter commission.

Not later than five years after the inception of the City of LaVista Hills, the mayor and the city council shall call for a charter commission to review the city's experience and recommend to the General Assembly any changes to the charter. Members of the charter commission shall be appointed as follows: one by the mayor, one by each member of the city council, and one member appointed by a vote of the members of the Georgia House of Representatives and Georgia Senate whose districts lie wholly or partially within the corporate boundaries of the City of LaVista Hills. All members of the charter commission shall reside in the City of LaVista Hills. The charter commission shall complete the recommendations within the time frame required by the city council.

SECTION 6.06.
Severability.

In the event any section, subsection, sentence, clause, or phrase of this Act shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other sections, subsections, sentences, clauses, or phrases of this Act, which shall remain of full force and effect, as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof. The General Assembly hereby declares that it would have passed the remaining parts of this Act if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

SECTION 6.07.
Effective date.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 6.08.
Repealer.

All laws and parts of laws in conflict with this Act are repealed.

SECTION 2.09.

The oath shall, to the extent that it comports with federal and state law, be as follows:

"I do solemnly swear or affirm that I will faithfully execute the office of [councilmember or mayor, as the case may be] of the City of Tucker, and will, to the best of my ability, support and defend the Constitution of the United States, the Constitution of the State of Georgia, and the charter, ordinances, and regulations of the City of Tucker. I am not the holder of any unaccounted for public money due this state or any political subdivision or authority thereof. I am not the holder of any office of trust under the government of the United States, any other state, or any foreign state which I by the laws of the State of Georgia am prohibited from holding. I am otherwise qualified to hold said office according to the Constitution and laws of Georgia. I have been a resident of my district and the City of Tucker for the time required by the Constitution and laws of this state and by the municipal charter. I will perform the duties of my office in the best interests of the City of Tucker to the best of my ability without fear, favor, affection, reward, or expectation thereof."

(b) Following the induction of the mayor and councilmembers, the city council, by a majority vote of the councilmembers, shall elect a councilmember to be mayor pro tempore, who shall serve for a term of two years and until a successor is elected and qualified. The number of successive terms an individual may hold a position as mayor pro tempore shall be unlimited.

(c) The mayor pro tempore shall assume the duties and powers of the mayor during the mayor's temporary disability, suspension, or absence. Such notice shall not be required if the mayor, all councilmembers, and the city manager are present when the special meeting is called. Such notice of any special meeting may be waived by the mayor, a councilmember, or the city manager in writing before or after

(b) Any voting member of the council may abstain from voting on an issue or may recuse himself or herself from voting only when a conflict of interest exists. Such conflict shall be disclosed to the city council and entered on the record. A vote to abstain may be entered by any voting member as a protest under the councilmember's First Amendment rights and shall be reflected as such in the record of the vote. If any councilmember or the mayor is present and eligible to vote on a matter and refuses to do so for a reason he or she will not disclose, he or she shall be deemed to have voted with the majority of the votes of the other councilmembers on the issue involved, provided that if there is a tie in the vote of the voting councilmembers, then the mayor and each councilmember shall be required to vote unless he or she discloses a reason for not voting. The mayor shall have one vote on all matters brought before the council.

(b) The city manager shall continue to receive his or her salary until the effective date of a final resolution of his or her removal. The action of the city council in suspending or removing the city manager shall not be subject to review by any court or agency.

SECTION 6.03.

Effective dates and transition.

(b) A period of time will be needed for an orderly transition of various government functions from DeKalb County to the City of Tucker. Accordingly, there shall be a two-year transition period as allowed by law beginning at 12:01 A.M. on the first day of the second month immediately following the 2016 presidential preference primary.

(c) During such transition period, DeKalb County shall continue to provide within the territorial limits of the city all government services and functions which DeKalb County provided in 2015 and at the same actual direct cost and level of service, except to the extent otherwise provided in this section; provided, however, that upon at least 30 days' prior written notice to the governing authority of DeKalb County by the governing authority of the City of Tucker, responsibility for any such service or function shall be transferred to the City of Tucker. The governing authority of the City of Tucker shall determine the date of commencement of collection of taxes, fees, assessments, fines and forfeitures, and other moneys within the territorial limits of the city and the date upon which the City of Tucker is considered removed from the special services tax district.

(e) During the transition period, all ordinances of DeKalb County shall remain applicable within the territorial limits of the city unless otherwise amended, repealed, or replaced by the City of Tucker. Any transfer of jurisdiction to the City of Tucker during or at the end of the transition period shall not in and of itself abate any judicial proceeding pending in DeKalb County or the pending prosecution of any violation of any ordinance of DeKalb County.

(f) During the transition period, the governing authority of the City of Tucker may at any time, without the necessity of any agreement by DeKalb County, commence to exercise its planning and zoning powers; provided, however, that the city shall give the county notice of the date on which the city will assume the exercise of such powers. SECTION 6.04.

Directory nature of dates.

It is the intention of the General Assembly that this Act be construed as directory rather than mandatory with respect to any date prescribed in this Act. If it is necessary to delay

any action called for in this Act for providential cause or any other reason, it is the intention of the General Assembly that the action be delayed rather than abandoned. Any delay in performing any action under this Act, whether for cause or otherwise, shall not operate to frustrate the overall intent of this Act. Without limiting the generality of the foregoing, it is specifically provided that, if it is not possible to hold the referendum election provided for in Section 6.02 of this Act on the date specified in that section, then such referendum shall be held as soon thereafter as is reasonably practicable. BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 32 of the Official Code of Georgia Annotated, relating to highways, bridges, and ferries, is amended by revising Code Section 32-4-20, relating to the composition of the state highway system, as follows:

"32-4-20.

The state highway system shall consist of an integrated network of arterials and of other public roads or bypasses serving as the major collectors therefor. No public road shall be designated as a part of the state highway system unless it meets at least one of the following requirements:

- (1) Serves trips of substantial length and duration indicative of regional, state-wide, or interstate importance;
- (2) Connects adjoining county seats;
- (3) Connects urban or regional areas with outlying areas, both intrastate and interstate; or
- (4) Serves as part of the principal collector network for the state-wide and interstate arterial public road system; ~~or~~
- (5) ~~Serves as part of a programmed road improvement project plan in which the department will utilize state or federal funds for the acquisition of rights of way."~~

SECTION 2.

Said title is further amended by revising Code Section 32-5-2, relating to the appropriation of funds to the Department of Transportation, as follows:

"32-5-2.

All federal funds received by the state treasurer under Code Section 32-5-1 are continually appropriated to the department for the purpose specified in the grants of such funds except as such funds may be directed by the federal government to the State Road and Tollway Authority, ~~provided that no federal funds or funds appropriated to the department shall be expended for procurement of rights of way for a road to be constructed on a county road system except as otherwise provided by law or by agreement between the federal government and the department."~~

SECTION 3.

Said title is further amended by revising Code Section 32-7-4, relating to procedure for the disposition of property by the Department of Transportation, as follows:

"32-7-4.

- (a)(1) In disposing of property, as authorized under Code Section 32-7-3, the

department, a county, or a municipality, provided that such department, county, or municipality has held title to the property for no more than 30 years, shall notify the owner of such property at the time of its acquisition or, if the tract from which the department, a county, or a municipality acquired its property has been subsequently sold, shall notify the owner of abutting land holding title through the owner from whom the department, a county, or a municipality acquired its property. The notice shall be in writing delivered to the appropriate owner or by publication if his or her address is unknown; and he or she shall have the right to acquire, as provided in this subsection, the property with respect to which the notice is given. Publication, if necessary, shall be in a newspaper of general circulation in the county where the property is located. If, after a search of the ~~land and probate~~ available public records, the address of any interested party cannot be found, ~~an affidavit stating such a record of the~~ facts and reciting the steps taken to establish the address of any such person shall be placed in the department, county, or municipal records and shall be accepted in lieu of service of notice by mailing the same to the last known address of such person. After properly completing and ~~filing such affidavit~~ documenting the search, the department, county, or municipality may dispose of the property in accordance with the provisions of subsection (b) of this Code section.

(2)(A) When an entire parcel acquired by the department, a county, or a municipality, or any interest therein, is being disposed of, it may be acquired under the right created in paragraph (1) of this subsection at such price as may be agreed upon, but in no event less than the price paid for its acquisition. When only remnants or portions of the original acquisition are being disposed of, they may be acquired for the market value thereof at the time the department, county, or municipality decides the property is no longer needed. The department shall use a real estate appraiser with knowledge of the local real estate market who is licensed in Georgia ~~and not an employee of the department~~ to establish the fair market value of the property prior to listing such property.

(B) The provisions of subparagraph (A) of this paragraph notwithstanding, if the value of the property is ~~\$30,000.00~~ \$75,000.00 or less as determined by department estimate, the department, county, or municipality may negotiate the sale.

(3) If the right of acquisition is not exercised within ~~60~~ 30 days after due notice, the department, county, or municipality may proceed to sell such property as provided in subsection (b) of this Code section.

(4) When the department, county, or municipality in good faith and with reasonable diligence attempted to ascertain the identity of persons entitled to notice under this Code section and mailed such notice to the last known address of record of those persons or otherwise complied with the notification requirements of this Code section, the failure to in fact notify those persons entitled thereto shall not invalidate any subsequent disposition of property pursuant to this Code section.

(b)(1)(A) Unless a sale of the property is made pursuant to paragraph (2) or (3) of this subsection, such sale shall be made to the bidder submitting the highest of the sealed bids received after public advertisement for such bids for two weeks. If the

highest of the sealed bids received is less than but within 15 percent of the established market value, the department may accept that bid and convey the property in accordance with the provisions of subsection (c) of this Code section. The department or the county or municipality shall have the right to reject any and all bids, in its discretion, to readvertise, or to abandon the sale.

(B) Such public advertisement shall be inserted once a week in such newspapers or other publication, or both, as will ensure adequate publicity, the first insertion to be at least two weeks prior to the opening of bids, the second to follow one week after the first publication. Such advertisement shall include but not be limited to the following items:

- (i) A description sufficient to enable the public to identify the property;
- (ii) The time and place for submission and opening of sealed bids;
- (iii) The right of the department or the county or municipality to reject any one or all of the bids;
- (iv) All the conditions of sale; and
- (v) Such further information as the department or the county or municipality may deem advisable as in the public interest.

(2)(A) Such sale of property may be made by the department or a county or municipality by listing the property through a real estate broker licensed under Chapter 40 of Title 43 who has a place of business located in the county where the property is located or outside the county if no such business is located in the county where the property is located. Property shall be listed for a period of at least three months. Such property shall not be sold at less than its fair market value. The department shall use a real estate appraiser with knowledge of the local real estate market who is licensed in Georgia ~~and not an employee of the department~~ to establish the fair market value of the property prior to listing such property. All sales shall be approved by the commissioner on behalf of the department or shall be approved by the governing authority of the county or municipality at a regular meeting ~~and that shall be open to the public at which meeting, and~~ public comments shall be allowed at such meeting regarding such sale.

(B) Commencing at the time of the listing of the property as provided in subparagraph (A) of this paragraph, the department, county, or municipality shall provide for a notice to be inserted once a week for two weeks in the legal organ of the county indicating the names of real estate brokers listing the property for the political subdivision. The department, county, or municipality may advertise in magazines relating to the sale of real estate or similar publications.

(C) The department, county, or municipality shall have the right to reject any and all offers, in its discretion, and to sell such property pursuant to the provisions of paragraph (1) of this subsection.

(3)(A) Such sale of property may be made by the department, a county, or a municipality to the highest bidder at a public auction conducted by an auctioneer licensed under Chapter 6 of Title 43. Such property shall not be sold at less than its fair market value.

(B) The department, county, or municipality shall provide for a notice to be inserted once a week for the two weeks immediately preceding the auction in the legal organ of the county including, at a minimum, the following items:

- (i) A description sufficient to enable the public to identify the property;
- (ii) The time and place of the public auction;
- (iii) The right of the department or the county or municipality to reject any one or all of the bids;

Such power and authority may be delegated without the approval of a court by executing in writing a power of attorney for the care and custody of the child in a form substantially complying with the provisions of this article. A delegation of power and authority under this Code section shall not operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order or deprive a parent, guardian, or legal custodian of a child of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of such child.

(b) Except as limited by federal law, this Code section, or the wishes of the parent, guardian, or legal custodian of a child as expressed in the power of attorney, the attorney-in-fact shall have the same rights, duties, and responsibilities that would otherwise be exercised by such parent, guardian, or legal custodian of a child pursuant to the laws of this state.

(c) An attorney-in-fact shall acknowledge in writing his or her acceptance of the responsibility for caring for a child for the duration of the power of attorney. An attorney-in-fact shall swear or affirm under penalty of law that he or she is not currently on the state sexual offender registry of this state or the sexual offender registration for any other state, a United States territory, the District of Columbia, or any Indian Tribe nor has he or she ever been required to register for any such registry.

(d) The attorney-in-fact under a power of attorney for the care and custody of a child shall act in the best interest of the child. Such attorney-in-fact shall not be liable for consenting or refusing to consent to medical, dental, or mental health care for a child when such decision is made in good faith and is exercised in the best interest of the child.

(e)(1) The attorney-in-fact shall have the right to enroll the child in a public school serving the area where the attorney-in-fact resides and may enroll the child in a private school, pre-kindergarten program, or home study program.

(2) A public school shall allow such attorney-in-fact with a properly executed power of attorney for the care and custody of a child to enroll such child.

(3) At the time of enrollment, the attorney-in-fact shall provide to such public school such residency documentation as is customary in that school district.

(4) A public school shall not unreasonably deny enrollment of a child. If a public school denies enrollment of a child by an attorney-in-fact, such denial may be appealed and shall be treated as any other denial of enrollment of a child in that school district, including all of the remedies otherwise available when enrollment is denied to a child.

19-9-143.

(a) When only one parent has legal custody of a child, he or she shall provide to the other parent a copy of the proposed power of attorney and the text of this Code section,

by certified mail or statutory overnight delivery, 30 days prior to executing a power of attorney under this article.

(b) The parent receiving the notice set forth in subsection (a) of this Code section may object to the execution of a power of attorney within 21 days of the transmittal of such notice. Such objection shall be filed in the superior court of the county where the child resides and shall be served by certified mail or statutory overnight delivery. Within 30 days of the objection being filed, the court shall hold an expedited hearing and determine whether the power of attorney is in the best interest of the child. The power of attorney shall not become effective until the court finds it to be in the best interest of the child.

(c) In addition to the notice provided in subsection (a) of this Code section, a parent executing a power of attorney under this article shall comply with any applicable relocation notice requirements under subsection (f) of Code Section 19-9-3.

(d) In the event of an emergency, the written requirement provisions of this Code section may be waived, but in no event shall this provision be interpreted as a means to violate a court order entered pursuant to subsection (f) of Code Section 19-9-3.

19-9-144.

Nothing in this article shall preclude a parent, guardian, legal custodian, or attorney-in-fact from granting temporary written permission to seek emergency medical treatment or other services for a child while in the custody of an adult who is not the parent, guardian, legal custodian, or attorney-in-fact and who is temporarily supervising the child at the request of the parent, guardian, legal custodian, or attorney-in-fact.

19-9-145.

(a) Except as may be permitted by the federal No Child Left Behind Act (P.L. 107-110), a parent, guardian, or legal custodian executing the power of attorney for the care and custody of a child shall swear or affirm under penalty of law that such action is not being taken for the purpose of enrolling the child in a school to participate in the academic or interscholastic athletic programs provided by that school or for any other unlawful purpose. Violation of this subsection shall be punishable in accordance with state law and may require, in addition to any other remedies, repayment by such parent, guardian, or legal custodian of all costs incurred by the school as a result of the violation.

(b) A parent, guardian, or legal custodian shall not execute a power of attorney for the care and custody of a child for the purpose of subverting an investigation of the child's welfare initiated by the Division of Family and Children Services of the Department of Human Services and shall not execute such power of attorney so long as the Division of Family and Children Services has an open child welfare and youth services case with regard to the parent, guardian, or legal custodian, the child, or another child of the parent.

(c) The power of attorney for the care and custody of a child shall be signed and acknowledged before a notary public by the parent, guardian, or legal custodian executing the power of attorney.

19-9-146.

(a) The parent, guardian, or legal custodian of a child shall have the authority to revoke or withdraw the power of attorney by providing written notice to the attorney-in-fact at any time. If a parent, guardian, or legal custodian withdraws or revokes the power of attorney, the child shall be returned to the custody of the parent, guardian, or legal custodian as soon as reasonably possible.

(b) Unless the authority is revoked or withdrawn by the parent, guardian, or legal custodian, the attorney-in-fact shall exercise parental or legal authority on a continuous basis without compensation for the duration of the power of attorney authorized in such power of attorney so long as it does not exceed the length of time authorized in Code Sections 19-9-142 and 19-9-149 and shall not be subject to any provision concerning the licensing or regulation of foster care homes.

19-9-147.

The execution of a power of attorney by a parent, guardian, or legal custodian, as authorized by this article, shall not constitute abandonment under Code Section 19-10-1 nor be reportable as child abuse or neglect under Code Section 19-7-5 unless the parent, guardian, or legal custodian fails to take custody of the child or execute a new power of attorney after the expiration of the power of attorney.

19-9-148.

(a) A child subject to the power of attorney authorized by this article shall not be considered placed in foster care as defined in any other provision of law, and the parties to the power of attorney shall not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to community care for children.

(b) An attorney-in-fact who has been delegated caregiving authority under this article shall not be subject to the requirements of any other child care facility or foster care licensing provisions, and such delegation shall not constitute an out-of-home child placement.

19-9-149.

A parent who is a member of the armed forces of the United States, including any reserve component thereof, or the commissioned corps of the National Oceanic and Atmospheric Administration or the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the armed forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty, may delegate caregiving authority for a period longer than one year if such parent is on active duty service. Such term of delegation, however, shall not exceed the term of active duty service plus 30 days.

19-9-150.

(a) The statutory power of attorney contained in this Code section may be used for the temporary delegation of parental caregiving authority to an attorney-in-fact. This

power of attorney is not intended to be exclusive. No provision of this article shall be construed to bar use by a parent, guardian, or legal custodian of any other or different form of power of attorney for the care and custody of a child that substantially complies with this article.

(b) A power of attorney shall be legally sufficient under this Code section if the wording of the form complies substantially with the provisions of this Code section, the form is properly completed, and the signatures of the parties are acknowledged.

(c) The power of attorney for the care and custody of a child shall be in substantially the following form:

(f) In the event that the commission grants a waiver under this Code section and within two years following the effective date of this Code section determines by clear and convincing evidence that the person to whom such waiver was granted failed to file the report or reports for which such waiver was granted or that the affidavit submitted under subsection (d) of this Code section was false, the commission may revoke such waiver, reimpose all such late fees, fines, and penalties, and take such further actions as the commission is authorized to do as if such waiver had never been granted.

(g) If the commission grants a waiver under this Code section or the statute of limitations has run on a violation or failure to file reports, the commission shall remove the name of the person for whom the waiver is granted from its web page listing of persons who owe late fees, fines, or penalties for all matters covered by such waiver.

(h) The commission shall promulgate rules and regulations for the consideration of the waivers authorized by this Code section not later than 60 days following its effective date.

(i) The commission shall not require a person requesting a waiver to perform any additional acts or make any additional filings as a condition of receiving such waiver."

The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer ~~(under Code Section 11-2-401)~~ is limited in effect to a reservation of a 'security interest.'

Whether a transaction creates in the form of a lease or creates a 'security interest' is shall be determined pursuant to Code Section 11-1-203. ~~by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and~~

Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;~~

~~(y) 'Reasonably predictable' and 'remaining economic life of the goods' are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and~~

~~(z) 'Present value' means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.~~

~~(38)(36) 'Send' in connection with a writing, record, or notice means:~~

~~(a)(A) To deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and, in the case of an instrument, to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances; or~~

An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless the communication is part of the individual's regular duties or the individual has reason to know of the transaction and that the transaction would be materially affected by the information.

11-1-203. **Lease distinguished from security interest. Obligation of good faith.**

~~Every contract or duty within this title imposes an obligation of good faith in its performance or enforcement.~~

(a) Whether a transaction in the form of a lease creates a security interest is determined by the facts of each case.

(b) A transaction in the form of a lease creates a security interest if the consideration that the lessee is to pay to the lessor for the right to possession and use of the goods is an obligation for the term of the lease and is not subject to termination by the lessee, and:

(1) The original term of the lease is equal to or greater than the remaining economic life of the goods;

(2) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(4) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

(c) A transaction in the form of a lease does not create a security interest merely because:

(1) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;

(2) The lessee assumes risk of loss of the goods;

(3) The lessee agrees to pay, with respect to the goods, taxes, insurance, filing, recording, or registration fees, or service or maintenance costs;

(4) The lessee has an option to renew the lease or to become the owner of the goods;

(6) The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

(d) Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised.

Additional consideration is not nominal if:

(1) When the option to renew the lease is granted to the lessee, the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed; or

(2) When the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed.

(e) The 'remaining economic life of the goods' and 'reasonably predictable' fair market rent, fair market value, or cost of performing under the lease agreement must be determined with reference to the facts and circumstances at the time the transaction is entered into.

11-1-204. Value.

Except as otherwise provided in Articles 3, 4, 5, and 6 of this title, a person gives value for rights if the person acquires them:

(1) In return for a binding commitment to extend credit or for the extension of immediately available credit, whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection;

(2) As security for, or in total or partial satisfaction of, a preexisting claim;

(3) By accepting delivery under a preexisting contract for purchase; or

(4) In return for any consideration sufficient to support a simple contract.

~~11-1-204. 11-1-205. Reasonable time; seasonableness. Time; reasonable time; 'seasonably.'~~

~~(1) Whenever this title requires any action to be taken within a reasonable time, any time which is not manifestly unreasonable may be fixed by agreement.~~

~~(2) What is a reasonable~~

~~(a) Whether a time for taking any action required by this title is reasonable depends on the nature, purpose, and circumstances of such action.~~

~~(3)(b) An action is taken 'seasonably' when if it is taken at or within the time agreed, or if no time is agreed, at or within a reasonable time.~~

~~11-1-205. Course of dealing and usage of trade.~~

~~(1) A course of dealing is a sequence of previous conduct between the parties to a particular transaction which is fairly to be regarded as establishing a common basis of understanding for interpreting their expressions and other conduct.~~

~~(2) A usage of trade is any practice or method of dealing having such regularity of observance in a place, vocation, or trade as to justify an expectation that it will be~~

~~observed with respect to the transaction in question. The existence and scope of such a usage are to be proved as facts. If it is established that such a usage is embodied in a written trade code or similar writing the interpretation of the writing is for the court.~~

~~(3) A course of dealing between parties and any usage of trade in the vocation or trade in which they are engaged or of which they are or should be aware give particular meaning to and supplement or qualify terms of an agreement.~~

~~(4) The express terms of an agreement and an applicable course of dealing or usage of trade shall be construed wherever reasonable as consistent with each other; but when such construction is unreasonable express terms control both course of dealing and usage of trade and course of dealing controls usage of trade.~~

~~(5) An applicable usage of trade in the place where any part of performance is to occur shall be used in interpreting the agreement as to that part of the performance.~~

~~(6) Evidence of a relevant usage of trade offered by one party is not admissible unless and until he has given the other party such notice as the court finds sufficient to prevent unfair surprise to the latter.~~

11-1-206. Presumptions. ~~Statute of frauds for kinds of personal property not otherwise covered.~~

Whenever this title creates a 'presumption' with respect to a fact, or provides that a fact is 'presumed,' the trier of fact must find the existence of the fact presumed unless and until evidence is introduced that supports a finding of its nonexistence.

~~(1) Except in the cases described in subsection (2) of this Code section a contract for the sale of personal property is not enforceable by way of action or defense beyond \$5,000.00 in amount or value of remedy unless there is some writing which indicates that a contract for sale has been made between the parties at a defined or stated price, reasonably identifies the subject matter, and is signed by the party against whom enforcement is sought or by his authorized agent.~~

~~(2) Subsection (1) of this Code section does not apply to contracts for the sale of goods (Code Section 11-2-201) nor of securities (Code Section 11-8-113) nor to security agreements (Code Section 11-9-203).~~

11-1-207. ~~Performance or acceptance under reservation of rights.~~

~~(1) A party who, with explicit reservation of rights, performs or promises performance or assents to performance in a manner demanded or offered by the other party does not thereby prejudice the rights reserved. Such words as 'without prejudice,' 'under protest' or the like are sufficient.~~

~~(2) Subsection (1) of this Code section does not apply to an accord and satisfaction.~~

11-1-208. ~~Option to accelerate at will.~~

~~A term providing that one party or his successor in interest may accelerate payment or performance or require collateral or additional collateral 'at will' or 'when he deems himself insecure' or in words of similar import shall be construed to mean that he shall have power to do so only if he in good faith believes that the prospect of payment or~~

~~performance is impaired. The burden of establishing lack of good faith is on the party against whom the power has been exercised.~~

~~11-1-209. **Subordinated obligations.**~~

~~An obligation may be issued as subordinated to payment of another obligation of the person obligated, or a creditor may subordinate his right to payment of an obligation by agreement with either the person obligated or another creditor of the person obligated. Such a subordination does not create a security interest as against either the common debtor or a subordinated creditor. This Code section shall be construed as declaring the law as it existed prior to the enactment of this Code section and not as modifying it.~~

Part 3

Territorial Applicability and General Rules

11-1-301. **Territorial applicability; parties' power to choose applicable law.**

(a) Except as otherwise provided in this Code section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties.

(b) In the absence of an agreement under subsection (a) of this Code section, and except as provided in subsection (c) of this Code section, this title applies to transactions bearing an appropriate relation to this state.

(c) If one of the following provisions of this title specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law so specified:

- (1) Code Section 11-2-402;
- (2) Code Sections 11-2A-105 and 11-2A-106;
- (3) Code Section 11-4-102;
- (4) Code Section 11-4A-507;
- (5) Code Section 11-5-116;
- (6) Code Section 11-6-103;
- (7) Code Section 11-8-110; or
- (8) Code Sections 11-9-301 through 11-9-307.

11-1-302. **Variation by agreement.**

(a) Except as otherwise provided in subsection (b) of this Code section or elsewhere in this title, the effect of provisions of this title may be varied by agreement.

(b) The obligations of good faith, diligence, reasonableness, and care prescribed by this title may not be disclaimed by agreement. The parties may by agreement determine the standards by which the performance of such obligations is to be measured if such standards are not manifestly unreasonable. Whenever this title requires an action to be taken within a reasonable time, a time that is not manifestly unreasonable may be fixed by agreement.

(c) The presence in certain provisions of this title of the phrase 'unless otherwise agreed' or words of similar import does not imply that the effect of other provisions may not be varied by agreement under this Code section.

11-1-303. Course of performance, course of dealing, and usage of trade.

(a) A 'course of performance' is a sequence of conduct between the parties to a particular transaction that exists if:

(1) The agreement of the parties with respect to the transaction involves repeated occasions for performance by a party; and

(2) The other party, with knowledge of the nature of the performance and opportunity for objection to it, accepts the performance or acquiesces in it without objection.

(b) A 'course of dealing' is a sequence of conduct concerning previous transactions between the parties to a particular transaction that is fairly to be regarded as establishing a common basis of understanding for interpreting their expressions and other conduct.

(c) A 'usage of trade' is any practice or method of dealing having such regularity of observance in a place, vocation, or trade as to justify an expectation that it will be observed with respect to the transaction in question. The existence and scope of such a usage must be proved as facts. If it is established that such a usage is embodied in a trade code or similar record, the interpretation of the record is a question of law.

(d) A course of performance or course of dealing between the parties or usage of trade in the vocation or trade in which they are engaged or of which they are or should be aware is relevant in ascertaining the meaning of the parties' agreement, may give particular meaning to specific terms of the agreement, and may supplement or qualify the terms of the agreement. A usage of trade applicable in the place in which part of the performance under the agreement is to occur may be so utilized as to that part of the performance.

(e) Except as otherwise provided in subsection (f) of this Code section, the express terms of an agreement and any applicable course of performance, course of dealing, or usage of trade shall be construed whenever reasonable as consistent with each other. If such a construction is unreasonable:

(1) Express terms prevail over course of performance, course of dealing, and usage of trade;

(2) Course of performance prevails over course of dealing and usage of trade; and

(3) Course of dealing prevails over usage of trade.

(f) Subject to Code Section 11-2-209, a course of performance is relevant to show a waiver or modification of any term inconsistent with the course of performance.

(g) Evidence of a relevant usage of trade offered by one party shall not be admissible unless that party has given the other party notice that the court finds sufficient to prevent unfair surprise to the other party.

11-1-304. Obligation of good faith.

Every contract or duty within this title imposes an obligation of good faith in its performance and enforcement.

11-1-305. Remedies to be liberally administered.

(a) The remedies provided by this title shall be liberally administered to the end that the aggrieved party may be put in as good a position as if the other party had fully performed but neither consequential or special damages nor penal damages may be had except as specifically provided in this title or by other rule of law.

(b) Any right or obligation declared by this title shall be enforceable by action unless the provision declaring it specifies a different and limited effect.

11-1-306. Waiver or renunciation of claim or right after breach.

(b) A debtor who is generally not paying his or her debts as they become due other than as a result of a bona fide dispute is presumed to be insolvent. The presumption imposes on the party against which the presumption is directed the burden of proving that the nonexistence of insolvency is more probable than its existence.

~~(c) A partnership is insolvent under subsection (a) of this Code section if the sum of the partnership's debts is greater than the aggregate of all of the partnership's assets, at a fair valuation, and the sum of the excess of the value of each general partner's nonpartnership assets over the partner's nonpartnership debts.~~

~~(d)~~(c) Assets under this Code section do not include property that has been transferred, concealed, or removed with intent to hinder, delay, or defraud creditors or that has been transferred in a manner making the transfer voidable under this article.

~~(e)~~(d) Debts under this Code section do not include an obligation to the extent it is secured by a valid lien on property of the debtor not included as an asset.

18-2-73.

(a) Value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied, but value does not include an unperformed promise made otherwise than in the ordinary course of the promisor's business to furnish support to the debtor or another person.

(b) For the purposes of paragraph (2) of subsection (a) of Code Section 18-2-74 and Code Section 18-2-75, a person gives a reasonably equivalent value if the person acquires an interest of the debtor in an asset pursuant to a regularly conducted, noncollusive foreclosure sale or execution of a power of sale for the acquisition or disposition of the interest of the debtor upon default under a mortgage, deed of trust, or security agreement.

(c) A transfer is made for present value if the exchange between the debtor and the transferee is intended by them to be contemporaneous and is in fact substantially contemporaneous.

18-2-74.

(a) A transfer made or obligation incurred by a debtor is ~~fraudulent~~ voidable as to a creditor, whether the creditor's claim arose before or after the transfer was made or the obligation was incurred, if the debtor made the transfer or incurred the obligation:

- (1) With actual intent to hinder, delay, or defraud any creditor of the debtor; or
- (2) Without receiving a reasonably equivalent value in exchange for the transfer or obligation, and the debtor:

(A) Was engaged or was about to engage in a business or a transaction for which the remaining assets of the debtor were unreasonably small in relation to the business or transaction; or

(B) Intended to incur, or believed or reasonably should have believed that he or she

would incur, debts beyond his or her ability to pay as they became due.

(b) In determining actual intent under paragraph (1) of subsection (a) of this Code section, consideration may be given, among other factors, to whether:

- (1) The transfer or obligation was to an insider;
- (2) The debtor retained possession or control of the property transferred after the transfer;
- (3) The transfer or obligation was disclosed or concealed;
- (4) Before the transfer was made or obligation was incurred, the debtor had been sued or threatened with suit;
- (5) The transfer was of substantially all the debtor's assets;
- (6) The debtor absconded;
- (7) The debtor removed or concealed assets;
- (8) The value of the consideration received by the debtor was reasonably equivalent to the value of the asset transferred or the amount of the obligation incurred;
- (9) The debtor was insolvent or became insolvent shortly after the transfer was made or the obligation was incurred;
- (10) The transfer occurred shortly before or shortly after a substantial debt was incurred; and
- (11) The debtor transferred the essential assets of the business to a lienor who transferred the assets to an insider of the debtor.

(c) If a creditor is a successor or assignee, a right of action under subsection (a) of this Code section is automatically assigned to such successor or assignee.

(d) A creditor making a claim for relief under subsection (a) of this Code section has the burden of proving the elements of the claim for relief by a preponderance of the evidence.

18-2-75.

(a) A transfer made or obligation incurred by a debtor is ~~fraudulent~~ voidable as to a creditor whose claim arose before the transfer was made or the obligation was incurred if the debtor made the transfer or incurred the obligation without receiving a reasonably equivalent value in exchange for the transfer or obligation and the debtor was insolvent at that time or the debtor became insolvent as a result of the transfer or obligation.

(b) A transfer made by a debtor is ~~fraudulent~~ voidable as to a creditor whose claim arose before the transfer was made if the transfer was made to an insider for an antecedent debt, the debtor was insolvent at that time, and the insider had reasonable cause to believe that the debtor was insolvent.

(c) If a creditor is a successor or assignee, a right of action under subsection (a) or (b) of this Code section is automatically assigned to such successor or assignee.

(d) Subject to subsection (b) of Code Section 18-2-72, a creditor making a claim for relief under subsection (a) or (b) of this Code section has the burden of proving the elements of the claim for relief by a preponderance of the evidence.

A BILL TO BE ENTITLED
AN ACT

To amend Article 1 of Chapter 1 of Title 31 of the Official Code of Georgia Annotated, relating to general provisions relative to health, so as to clarify the use and effectiveness of Physician Orders for Life-Sustaining Treatment forms; to provide alternate

terminology for do not resuscitate orders; to amend other Code sections of the Official Code of Georgia Annotated for purposes of conformity; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 1 of Title 31 of the Official Code of Georgia Annotated, relating to general provisions relative to health, is amended by adding a new Code section to read as follows:

"31-1-14.

(a) As used in this Code section, the term:

(1) 'Attending physician' means the physician who has primary responsibility at the time of reference for the treatment and care of the patient.

(2) 'Authorized person' shall have the same meaning as in Code Section 31-39-2.

(3) 'Decision-making capacity' means the ability to understand and appreciate the nature and consequences of an order regarding end of life care decisions, including the benefits and disadvantages of such an order, and to reach an informed decision regarding the order.

(4) 'Health care facility' shall have the same meaning as in Code Section 31-32-2.

(5) 'Health care provider' shall have the same meaning as in Code Section 31-32-2.

(6) 'Life-sustaining procedures' means medications, machines, or other medical procedures or interventions which, when applied to a patient in a terminal condition or in a state of permanent unconsciousness, could in reasonable medical judgment keep the patient alive but cannot cure the patient and where, in the judgment of the attending physician and a second physician, death will occur without such procedures or interventions. The term 'life-sustaining procedures' shall not include the provision of nourishment or hydration but a patient may direct the withholding or withdrawal of the provision of nourishment or hydration in a POLST form. The term 'life-sustaining procedures' shall not include the administration of medication to alleviate pain or the performance of any medical procedure deemed necessary to alleviate pain.

(7) 'Physician Orders for Life-Sustaining Treatment form' or 'POLST form' means a form executed pursuant to this Code section which provides directions regarding the patient's end of life care.

(8) 'Provision of nourishment or hydration' means the provision of nutrition or fluids by tube or other medical means.

(9) 'State of permanent unconsciousness' means an incurable or irreversible condition in which the patient is not aware of himself or herself or his or her environment and in which the patient is showing no behavioral response to his or her environment.

(10) 'Terminal condition' means an incurable or irreversible condition which would result in the patient's death in a relatively short period of time.

(b) The department shall develop and make available a Physician Orders for Life-Sustaining Treatment form. Such form shall provide directions regarding the patient's

end of life care and may be voluntarily executed by either a patient who has decision-making capacity and an attending physician or, if the patient does not have decision-making capacity, by the patient's authorized person and an attending physician; provided, however, that this shall not prevent a health care facility from imposing additional administrative or procedural requirements regarding a patient's end of life care decisions. A POLST form may be executed when a patient has a serious illness or condition and the attending physician's reasoned judgment is that the patient will die within the next 365 days; provided, however, that a POLST form may be executed at any time if a person has been diagnosed with dementia or another progressive, degenerative disease or condition that attacks the brain and results in impaired memory, thinking, and behavior. A POLST form, if signed by an authorized person, shall indicate the relationship of the authorized person to the patient pursuant to paragraph (3) of Code Section 31-39-2.

(c)(1) A POLST form shall constitute a legally sufficient order that may be utilized by a health care provider or health care facility in accordance with its policies and procedures regarding end of life care. Such an order shall remain effective unless the order is revoked by the attending physician upon the consent of the patient or the patient's authorized person. An attending physician who has issued such an order and who transfers care of the patient to another physician shall inform the receiving physician and the health care facility, if applicable, of the order. Review of the POLST form is recommended at care transitions, and such review should be specified on the form.

(2) A POLST form signed by the patient and attending physician and indicating 'allow natural death' or 'do not resuscitate' or the equivalent may be implemented without restriction. If the POLST form (i) is signed by the attending physician and an authorized person instead of the patient and (ii) indicates 'allow natural death' or 'do not resuscitate' or the equivalent, in compliance with subsection (c) of Code Section 31-39-4, the POLST form may be implemented or become effective when the patient is a candidate for nonresuscitation, and such consent shall be based in good faith upon what such authorized person determines such candidate for nonresuscitation would have wanted had such candidate for nonresuscitation understood the circumstances under which such order is being considered.

(3) A POLST form addressing interventions other than resuscitation and signed by the patient and attending physician may be implemented without restriction. If the POLST form is signed by an authorized person who is the health care agent named by the patient in an advance directive for health care and the attending physician, in compliance with paragraph (1) of subsection (e) of Code Section 31-32-7, all treatment indications on the POLST form may be implemented. If the POLST form is signed by an authorized person who is not the health care agent named by the patient in an advance directive for health care, treatment indications on the POLST form may be implemented or become effective only when the patient is in a terminal condition or a state of permanent unconsciousness; provided, however, that a POLST form may become effective at any time if a person has been diagnosed with dementia or another

progressive, degenerative disease or condition that attacks the brain and results in impaired memory, thinking, and behavior.

(4) A POLST form shall be portable with the patient across care settings and shall be valid in any health care facility in which the patient who is the subject of such form is being treated; provided, however, that this shall not prevent a health care facility from imposing additional requirements regarding a patient's end of life care decisions. A health care facility and a health care provider, in its discretion, may rely upon a POLST form as legally valid consent by the patient to the terms therein.

(5) A copy of a POLST form shall be valid and have the same meaning and effect as the original document.

(6) A physician orders for life-sustaining treatment form which was executed in another state, which is valid under the laws of such state and which is substantially similar to the Georgia POLST form, and contains signatures of (i) either the patient or an authorized person and (ii) the attending physician, shall be treated as a POLST form which complies with this Code section.

(d)(1) Each health care provider, health care facility, and any other person who acts in good faith reliance on a POLST form shall be protected and released to the same extent as though such provider, facility, or other person had interacted directly with the patient as a fully competent person. Without limiting the generality of the foregoing, the following specific provisions shall also govern, protect, and validate the acts of an authorized person and each such health care provider, health care facility, and any other person acting in good faith reliance on such POLST form:

(A) No such health care provider, health care facility, or person shall be subject to civil or criminal liability or discipline for unprofessional conduct solely for complying with a patient's end of life care decisions as provided in a POLST form, even if death or injury to the patient ensues;

(B) No such health care provider, health care facility, or person shall be subject to civil or criminal liability or discipline for unprofessional conduct solely for failure to comply with a patient's end of life care decisions in a POLST form, so long as such health care provider, health care facility, or person promptly informs the patient or the patient's authorized person of such health care provider's, health care facility's, or person's refusal or failure to comply with such patient's end of life care decisions in a POLST form. The authorized person shall then be responsible for arranging the patient's transfer to another health care provider or health care facility. A health care provider, health care facility, or person who is unwilling to comply with a patient's end of life care decisions in a POLST form shall continue to provide reasonably necessary consultation and care in connection with the pending transfer;

(C) If the actions of a health care provider, health care facility, or person who fails to comply with a patient's end of life care decisions in a POLST form are substantially in accord with reasonable medical standards at the time of reference; and such provider, facility, or person cooperates in the transfer of the patient, then the health care provider, health care facility, or person shall not be subject to civil or criminal liability or discipline for unprofessional conduct for failure to comply with

such patient's end of life care decisions in a POLST form;

(D) No authorized person who, in good faith, acts with due care for the benefit of the patient and in accordance with a patient's end of life care decisions in a POLST form, or who fails to act, shall be subject to civil or criminal liability for such action or inaction; and

(E) If a POLST form is revoked, a person shall not be subject to criminal prosecution or civil liability for acting in good faith reliance upon a patient's end of life care decisions in a POLST form unless such person had actual knowledge of the revocation.

(2) No person shall be civilly liable for failing or refusing in good faith to effectuate a patient's end of life care decisions in a POLST form regarding the withholding or withdrawal of life-sustaining procedures or the withholding or withdrawal of the provision of nourishment or hydration.

(3) No physician or any person acting under a physician's direction and no health care facility or any agent or employee thereof who, acting in good faith in accordance with the requirements of this Code section, causes the withholding or withdrawal of life-sustaining procedures or the withholding or withdrawal of the provision of nourishment or hydration from a patient or who otherwise participates in good faith therein shall be subject to any civil or criminal liability or guilty of unprofessional conduct therefor.

(4) Any person who participates in the withholding or withdrawal of life-sustaining procedures or the withholding or withdrawal of the provision of nourishment or hydration pursuant to a patient's end of life care decisions in a POLST form and who has actual knowledge that such POLST form has been properly revoked shall not have any civil or criminal immunity otherwise granted under this subsection for such conduct.

(e) In the event there are any directions in a patient's previously executed living will, advance directive for health care, durable power of attorney for health care, do not resuscitate order, or other legally authorized instrument that conflict with the directions in a POLST form, the most recent instrument will take precedence to the extent of the conflict.

(f) Nothing in this Code section shall be construed to authorize any act prohibited by Code Section 16-5-5. Any health care provider, health care facility, or any other person who violates Code Section 16-5-5 shall not be entitled to any civil immunity provided pursuant to this Code section."

An attending physician who has issued such an order and who transfers care of the patient to another physician shall inform the receiving physician and the health care facility, if applicable, of the order."

"(c) The appropriate authorized person may, after being informed of the provisions of this Code section, consent orally or in writing to an order not to resuscitate for an adult candidate for nonresuscitation; provided, however, that such consent is based in good faith upon what such authorized person determines such candidate for nonresuscitation would have wanted had such candidate for nonresuscitation understood the circumstances under which such order is being considered. Where such authorized person is an agent under a durable power of attorney for health care or a health care agent under an advance directive for health care appointed pursuant to Chapter 32 of this title or where a Physician Orders for Life-Sustaining Treatment form with a code status of 'do not resuscitate' or its equivalent has been executed in accordance with Code Section 31-1-14 by an authorized person who is an agent under a durable power of attorney for health care or a health care agent under an advance directive for health care appointed pursuant to Chapter 32 of this title, the attending physician may issue an order not to resuscitate a candidate for nonresuscitation pursuant to the requirements of this chapter without the concurrence of another physician, notwithstanding the provisions of paragraph (4) of Code Section 31-39-2."

(4) Any person discontinuing, withholding, or withdrawing medications, medical procedures, nourishment, or hydration pursuant to, without limitation, a living will, a

durable power of attorney for health care, an advance directive for health care, a Physician Orders for Life-Sustaining Treatment form pursuant to Code Section 31-1-14, a consent pursuant to Code Section 29-4-18 or 31-9-2, or a written order not to resuscitate; or"

SECTION 1.

Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles and traffic, is amended by adding a new paragraph to Code Section 40-1-1, relating to definitions regarding motor vehicles and traffic, to read as follows:

"(26.1) 'Manufacturer headquarters' means the headquarters operation of:

(A) A manufacturer as defined in paragraph (26) of this Code section; or

(B) An affiliate of a person engaged in the manufacture of vehicles in this or any other state and which operation is conducted primarily at an established place of business in this state."

SECTION 2.

Said title is further amended by revising Code Section 40-2-38, relating to registration and licensing of manufacturers, distributors, and dealers or vehicles, as follows:

"40-2-38.

(a)(1) Manufacturers, distributors, and dealers engaged in the manufacture, sale, or leasing of vehicles required to be registered under Code Section 40-2-20 shall register

with the commissioner, making application for a distinguishing dealer's number, specifying the name and make of motor vehicle, tractor, or trailer manufactured, sold, or leased by them, upon forms prepared by the commissioner for such purposes, and pay therefor a fee of \$62.00, which shall accompany such application. Upon payment of such fee by a dealer, the commissioner shall furnish to the dealer one master number plate to expire each year in accordance with subsection (f) of this Code section, to be known as a dealer's number and to be distinguished from the number plates provided for in this chapter by different and distinguishing colors to be determined by the commissioner. The dealer plate for a franchise motor vehicle dealer shall be distinguishable from the dealer plate for a used car dealer and from the dealer plate for a motor vehicle wholesaler. A dealer's number plate is for the purpose of demonstrating or transporting dealer's vehicles or trailers for sale or lease. Persons engaged in the business of transporting vehicles for a dealer under a vehicle's own power shall be permitted to use such dealer's plate for the purpose of transporting a vehicle.

(2) No dealer may use or permit to be used a dealer's number for private use or on cars for hire, for lease, or other manner not provided for in this Code section. A dealer may use or permit to be used a dealer's number for private use on vehicles owned by the dealership, regardless of whether such vehicle has been issued a certificate of title or registered, when such vehicles are operated by an employee or corporate officer of the dealer which has been issued such number. A distinguishing dealer's number used by an employee or officer for private use shall authorize such person to operate the vehicle to which the number is attached on the public highways and streets. For purposes of this paragraph, 'employee' means a person who works a minimum of 36 hours per week at the dealership.

(3) The manufacturer's or distributor's license plate is limited to no longer than six months' use per vehicle. Upon payment of such a fee by a manufacturer or distributor, the commissioner shall issue to manufacturers and distributors number plates with the word 'Manufacturer' or 'Distributor' on such plates. Nothing in this subsection shall preclude a manufacturer or distributor from using a 'Manufacturer' or 'Distributor' number plate on motor vehicles it owns when such vehicles are used for evaluation or demonstration purposes, notwithstanding incidental personal use by a manufacturer or distributor. A dealer may apply for one or more distinguishing dealer's numbers. In the event the dealers, distributors, or manufacturers desire more than one tag, they shall so state on the application, and, in addition to the fee of \$62.00 provided in this Code section, shall pay \$12.00 for each and every additional number plate furnished.

(4)(A) Upon application and payment of the required fee, the commissioner shall issue to manufacturer headquarters or its affiliate number license plates with the words 'Manufacturer HQ' on such plates. The manufacturer headquarters license plates must be used exclusively on motor vehicles owned or in possession of a manufacturer headquarters or its affiliate. Such manufacturer headquarters plates are limited to no longer than 24 months' use per vehicle.

(B) A manufacturer headquarters or its affiliate shall apply on a form prescribed by the commissioner and shall provide proof that the applicant:

With respect to any manufacturer headquarters license plate issued to a manufacturer headquarters or its affiliate, notwithstanding anything to the contrary in this title or Code Section 48-5C-1, such manufacturer headquarters or its affiliate, and any person operating or possessing a motor vehicle using a manufacturer headquarters license plate pursuant to this paragraph, shall not be subject to state or local title ad valorem tax fees with respect to such vehicle or manufacturer headquarters license plate.

(D) The manufacturer headquarters or its affiliate shall maintain a system of records regarding the motor vehicle to which the manufacturer headquarters license plate will be attached. Such record shall, at a minimum, contain the:

- (i) Vehicle Identification Number (VIN);
- (ii) Name and address of the primary individual operating the vehicle; and
- (iii) Manner of use of the vehicle selected from the alternative uses referenced in subparagraph (E) of this paragraph.

(E) Vehicles with manufacturer headquarters license plates may be operated by persons authorized by the manufacturer headquarters or its affiliate on vehicles of its brand for the following manners of use:

- (i) Evaluation, marketing, or demonstration purposes, notwithstanding incidental personal use by a manufacturer headquarters' authorized employee or other authorized person designated by such manufacturer headquarters or its affiliate; or
- (ii) As part of a vehicle leasing program operated by such manufacturer headquarters or its affiliate for the benefit of employees. Any operation of a motor vehicle by a person for an approved use pursuant to this subparagraph shall be deemed to be a demonstration of the motor vehicle for purposes of Code Section 48-8-39.

(b) Dealer plates shall be issued in the following manner:

- (1) Dealers shall be issued a master plate and two additional plates, for a total of three initial plates; and
- (2) In addition to the three dealer plates issued in accordance with paragraph (1) of this subsection, each dealer may also be issued one additional dealer plate for every 20 units sold in a calendar year.

In order to determine the additional number and classification of plates to be issued to a dealer, a dealer shall be required to certify by affidavit to the department the number of retail and wholesale units sold in the prior calendar year using the past motor vehicle sales history of the dealer as identified by department records of documentation

approved by the department. If no sales history is available, the department shall issue a number of plates based on an estimated number of sales for the coming calendar year. The department may, in its discretion, request documentation supporting sales history and may increase or decrease the number and classification of plates issued based on actual sales.

(c) This Code section shall not apply in any manner to mopeds as such term is defined in Code Section 40-1-1.

(d) The license plates issued pursuant to this Code section shall be revoked and confiscated upon a determination after a hearing that such dealer, distributor, ~~or~~ manufacturer, or manufacturer headquarters has unlawfully used such license plates in violation of this Code section.

(e) If a license plate issued pursuant to this Code section is lost or stolen, the dealer, manufacturer, distributor, manufacturer headquarters, or other party to whom the license plate was issued must immediately report the lost or stolen plate to local law enforcement agencies. If a replacement license plate is sought, the dealer, manufacturer, distributor, manufacturer headquarters, or other party to whom the license plate was issued shall file a notarized affidavit with the department requesting a replacement plate. Such affidavit shall certify under penalty of perjury that the license plate has been lost or stolen and that the loss has been reported to a local law enforcement agency.

(f)(1) The expiration of a license plate issued pursuant to this Code section shall be the last day of the registration period as provided in division (a)(1)(A)(ii) of Code Section 40-2-21, except that for the purposes of this subsection, the registration period shall be determined by the first letter of the legal name of the business listed on the application for registration or renewal of registration. An application for renewal of registration shall not be submitted earlier than 90 days prior to the last day of the registration period. A penalty of 25 percent of the total registration fees due shall be assessed any person registering pursuant to this Code section who, prior to the expiration of such person's registration period, fails to apply for renewal or if having applied fails to pay the required fees.

(2) A transition period shall commence on October 1, 2007, and conclude on December 31, 2007, for all existing registrations and any new registration applications presented prior to January 1, 2008. On or after January 1, 2008, new applications for registration shall be submitted and remain valid until the expiration of such registration as specified in paragraph (1) of this subsection.

(g) The commissioner shall adopt rules and regulations for the implementation of this Code section."

(B.2) The taxpayer or his or her agent or representative may submit in support of his or her appeal the most current report of the sales ratio study for the county conducted pursuant to Code Section 48-5-274. The board of tax assessors shall consider such sales ratio study upon request of the taxpayer or his or her agent or representative.

(B.3) Any assertion of value by the taxpayer on the uniform appeal form made to the board of tax assessors shall be subject to later amendment or revision by the taxpayer by submission of written evidence to the board of tax assessors.

(B.4) If more than one property of a taxpayer is under appeal, the board of equalization, arbitrator, or hearing officer, as the case may be, shall, upon request of the taxpayer, consolidate all such appeals in one hearing and shall announce separate decisions as to each parcel or item of property. Any appeal from such a consolidated hearing to the superior court as provided in subsection (g) of this Code section shall constitute a single civil action and, unless the taxpayer specifically so indicates in the taxpayer's notice of appeal, shall apply to all such parcels or items of property.

(B.5) Within ten days of a final determination of value under this Code section and the expiration of the 30 day appeal period provided by subsection (g) of this Code section, or, as otherwise provided by law, with no further option to appeal, the county board of tax assessors shall forward such final determination of value to the tax commissioner.

(C) Appeals to the county board of equalization shall be conducted in the manner provided in paragraph (2) of this subsection. Appeals to a hearing officer shall be

conducted in the manner specified in subsection (e.1) of this Code section. Appeals to an arbitrator shall be conducted in the manner specified in subsection (f) of this Code section. Such appeal proceedings shall be conducted between the hours of 8:00 A.M. and 7:00 P.M. on a business day. Following the notification of the taxpayer of the date and time of such taxpayer's scheduled hearing, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the taxpayer's scheduled hearing to a day and time acceptable to the taxpayer and the county board of tax assessors. ~~The clerk of the superior court appeal administrator~~ shall grant additional extensions to the taxpayer or the county board of tax assessors for good cause shown, or by agreement of the parties.

(D) The commissioner, by regulation, shall adopt uniform procedures and standards which shall be followed by county boards of equalization, hearing officers, and arbitrators in determining appeals. Such rules shall be updated and revised periodically and reviewed no less frequently than every five years. The commissioner shall publish and update annually a manual for use by county boards of equalization, arbitrators, and hearing officers.

(2)(A) **Appeal to board of equalization.** An appeal shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, ~~or~~ by mailing to, or by filing with the county board of tax assessors a notice of appeal within 45 days from the date of mailing the notice pursuant to Code Section 48-5-306. A written objection to an assessment of real property received by a county board of tax assessors stating the location of the real property and the identification number, if any, contained in the tax notice shall be deemed a notice of appeal by the taxpayer under the grounds listed in paragraph (1) of this subsection. A written objection to an assessment of personal property received by a county board of tax assessors giving the account number, if any, contained in the tax notice and stating that the objection is to an assessment of personal property shall be deemed a notice of appeal by the taxpayer under the grounds listed in paragraph (1) of this subsection. The county board of tax assessors shall review the valuation or denial in question, and, if any changes or corrections are made in the valuation or decision in question, the board shall send a notice of the changes or corrections to the taxpayer pursuant to Code Section 48-5-306. Such notice shall also explain the taxpayer's right to appeal to the county board of equalization as provided in subparagraph (C) of this paragraph if the taxpayer is dissatisfied with the changes or corrections made by the county board of tax assessors.

(B) If no changes or corrections are made in the valuation or decision, the county board of tax assessors shall send written notice thereof to the taxpayer, to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent, and to the county board of equalization which notice shall also constitute the taxpayer's appeal to the county board of equalization without the necessity of the taxpayer's filing any additional notice of appeal to the county board of tax assessors or to the county board of equalization. The county board of tax

assessors shall also send or deliver all necessary papers to the county board of equalization. If, however, the taxpayer and the county board of tax assessors execute a signed agreement as to valuation, the appeal shall terminate as of the date of such signed agreement.

(C) If changes or corrections are made by the county board of tax assessors, the board shall notify the taxpayer in writing of such changes. The commissioner shall develop and make available to county boards of tax assessors a suitable form which shall be used in such notification to the taxpayer. The notice shall be sent by regular mail properly addressed to the address or addresses the taxpayer provided to the county board of tax assessors and to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent. If the taxpayer is dissatisfied with such changes or corrections, the taxpayer shall, within 30 days of the date of mailing of the change notice, ~~institute an~~ notify the county board of tax assessors to continue the taxpayer's appeal to the county board of tax assessors equalization by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by mailing to or filing with the county board of tax assessors a written notice of appeal continuance. The county board of tax assessors shall send or deliver the notice of appeal and all necessary papers to the county board of equalization.

(D) The written notice to the taxpayer required by this paragraph shall contain a statement of the grounds for rejection of any position the taxpayer has asserted with regard to the valuation of the property. No addition to or amendment of such grounds as to such position shall be permitted before the county board of equalization.

(3)(A) ~~In any each year in which no county wide revaluation is implemented, the county board of tax assessors shall make its determination~~ review the appeal and notify the taxpayer of any corrections or changes within 180 days after receipt of the taxpayer's notice of appeal. If the county board of tax assessors fails to respond to the taxpayer within such 180 day period during such year, the appeal shall be automatically referred to the county board of equalization property valuation asserted by the taxpayer on the property tax return or the taxpayer's notice of appeal shall become the assessed fair market value for the taxpayer's property for the tax year under appeal. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization.

(B) In any county in which the number of appeals exceeds a number equal to or greater than 3 percent of the total number of parcels in the county or the sum of the current assessed value of the parcels under appeal is equal to or greater than 3 percent of the gross tax digest of the county, the county board of tax assessors shall be granted an additional 180 day period to make its determination and notify the taxpayer. The county board of tax assessors shall notify each affected taxpayer of the additional 180 day review period provided in this subparagraph by mail or electronic communication, including posting notice on the website of the county board of tax assessors if such a website is available. Such additional period shall

commence immediately following the last day of the 180 days provided for under subparagraph (A) of this paragraph. If the county board of tax assessors fails to review the appeal and notify the taxpayer of any corrections or changes not later than the last day of such additional 180 day period, the most recent property tax valuation asserted by the taxpayer on the property tax return or on appeal shall prevail and shall be deemed the value established on such appeal unless a time extension is granted under subparagraph (C) of this paragraph. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization.

(C) Upon a sufficient showing of good cause by reason of unforeseen circumstances proven to the commissioner prior to the expiration of the additional 180 day period provided for under subparagraph (B) of this paragraph, the commissioner shall be authorized to provide for a time extension beyond the end of such additional 180 day period. The duration of any such time extension shall be specified in writing by the commissioner and shall also be posted on the website of the county board of tax assessors if such a website is available. If the county board of tax assessors fails to make its review and notify the taxpayer and the taxpayer's attorney not later than the last day of such time extension, the most recent property tax valuation asserted by the taxpayer on the property tax return or on the taxpayer's notice of appeal shall prevail and shall be deemed the value established on such appeal. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization. In addition, the commissioner shall be authorized to require additional training or require such other remediation as the commissioner may deem appropriate for failure to meet the deadline imposed by the commissioner under this subparagraph.

(4) The determination by the county board of tax assessors of questions of factual characteristics of the property under appeal, as opposed to questions of value, shall be prima-facie correct in any appeal to the county board of equalization. However, the board of tax assessors shall have the burden of proving its opinions of value and the validity of its proposed assessment by a preponderance of evidence.

(5) The county board of equalization shall determine all questions presented to it on the basis of the best information available to the board.

(6)(A) Within 15 days of the receipt of the notice of appeal, the county board of equalization shall set a date for a hearing on the questions presented and shall so notify the taxpayer and the county board of tax assessors in writing. Such notice shall be sent by first-class mail to the taxpayer and to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent. Such notice shall be transmitted by e-mail to the county board of tax assessors if such board has adopted a written policy consenting to electronic service, and, if it has not, then such notice shall be sent to such board by first-class mail or intergovernmental mail. Such written notice shall advise each party that he or she may request a list of witnesses, documents, or other written evidence to be presented at the hearing by the other party, which shall be provided to the requesting party not

less than seven days prior to the time of the hearing. Any failure to comply with this requirement shall be grounds for an automatic continuance or for exclusion of such witness, documents, or other written evidence. A taxpayer may appear before the board of equalization concerning any appeal in person, by his or her authorized agent or representative, or both. The taxpayer shall specify in writing to the board of equalization the name of any such agent or representative prior to any appearance by the agent or representative before the board.

(B) Within 30 days of the date of notification to the taxpayer of the hearing required in this paragraph but not earlier than 20 days from the date of such notification to the taxpayer, the county board of equalization shall hold such hearing to determine the questions presented.

(C) If more than one ~~contiguous~~ property of a taxpayer is under appeal, the board of equalization shall, upon request of the taxpayer, consolidate all such appeals in one hearing and ~~render~~ announce separate decisions as to each parcel or item of property. Any appeal from such a consolidated board of equalization hearing to the superior court as provided in this subsection shall constitute a single civil action, and, unless the taxpayer specifically so indicates in his or her notice of appeal, shall apply to all such parcels or items of property.

(D)(i) The board of equalization shall ~~render~~ announce its decision on each appeal at the conclusion of the hearing ~~under~~ held in accordance with subparagraph (B) of this paragraph before proceeding with another hearing. The decision of the county board of equalization shall be in writing, shall be signed by each member of the board, shall specifically decide each question presented by the appeal, shall specify the reason or reasons for each such decision as to the specific issues of taxability, uniformity of assessment, value, or denial of homestead exemptions depending upon the specific issue or issues raised by the taxpayer in the course of such taxpayer's appeal, shall state that with respect to the appeal no member of the board is disqualified from acting by virtue of subsection (j) of this Code section, and shall certify the date on which notice of the decision is given to the parties. Notice of the decision shall be delivered by hand to each party, with written receipt, or given to each party by sending a copy of the decision by registered or certified mail or statutory overnight delivery to the appellant and by filing the original copy of the decision with the county board of tax assessors. Each of the three members of the county board of equalization must be present and must participate in the deliberations on any appeal. A majority vote shall be required in any matter. All three members of the board ~~must~~ shall sign the decision indicating their vote.

(ii) Except as otherwise provided in subparagraph (g)(4)(B) of this Code section, the county board of tax assessors shall use the valuation of the county board of equalization in compiling the tax digest for the county for the year in question and shall indicate such valuation as the previous year's value on the property tax notice of assessment of such taxpayer for the immediately following year rather than substituting the valuation which was changed by the county board of equalization.

(iii)(I) If the county's tax bills are issued before an appeal has been finally determined, the county board of tax assessors shall specify to the county tax commissioner the lesser of the valuation in the last year for which taxes were finally determined to be due on the property or 85 percent of the current year's value, unless the property in issue is homestead property and has been issued a building permit and structural improvements have occurred, or structural improvements have been made without a building permit, in which case, it shall specify 85 percent of the current year's valuation as set by the county board of tax assessors. Depending on the circumstances of the property, this amount shall be the basis for a temporary tax bill to be issued; provided, however, that a nonhomestead owner of a single property valued at \$2 million or more may elect to pay the temporary tax bill which specifies 85 percent of the current year's valuation; or, such owner may elect to pay the amount of the difference between the 85 percent tax bill based on the current year's valuation and the tax bill based on the valuation from the last year for which taxes were finally determined to be due on the property in conjunction with the amount of the tax bill based on valuation from the last year for which taxes were finally determined to be due on the property, to the tax commissioner's office. Only the amount which represents the difference between the tax bill based on the current year's valuation and the tax bill based on the valuation from the last year for which taxes were finally determined to be due will be held in an escrow account by the tax commissioner's office. Once the appeal is concluded, the escrowed funds shall be released by the tax commissioner's office to the prevailing party. The taxpayer may elect to pay the temporary tax bill in the amount of 100 percent of the current year's valuation if no substantial property improvement has occurred. The county tax commissioner shall have the authority to adjust such tax bill to reflect the 100 percent value as requested by the taxpayer. Such tax bill shall be accompanied by a notice to the taxpayer that the bill is a temporary tax bill pending the outcome of the appeal process. Such notice shall also indicate that upon resolution of the appeal, there may be additional taxes due or a refund issued.

(II) For the purposes of this Code section, any final value that causes a reduction in taxes and creates a refund that is owed to the taxpayer shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes with interest, as provided in subsection (m) of this Code section.

(III) For the purposes of this Code section, any final value that causes an increase in taxes and creates an additional billing shall be paid to the tax commissioner as any other tax due along with interest, as provided in subsection (m) of this Code section.

(7) The ~~clerk of the superior court~~ appeal administrator shall furnish the county board of equalization necessary facilities and ~~secretarial and clerical~~ administrative help. The ~~clerk of the superior court~~ appeal administrator shall see that the records and information of the county board of tax assessors are transmitted to the county board of

equalization. The county board of equalization ~~must~~ shall consider in the performance of its duties the information furnished by the county board of tax assessors and the taxpayer.

~~(8) The taxpayer or his or her agent or representative may submit in support of his or her appeal the most current report of the sales ratio study for the county conducted pursuant to Code Section 48-5-274. The board must consider the study upon any such request.~~

~~(9)~~(8) If at any time during the appeal process to the county board of equalization and after certification by the county board of tax assessors to the county board of equalization, the county board of tax assessors and the taxpayer mutually agree in writing on the fair market value, then the county board of tax assessors, or the county board of equalization, as the case may be, shall enter the agreed amount in all appropriate records as the fair market value of the property under appeal, and the appeal shall be concluded. The provisions in subsection (c) of Code Section 48-5-299 shall apply to the valuation unless otherwise waived by both parties.

(e.1) **Appeals to hearing officer.**

(1)(A) For any dispute involving the value or uniformity of a parcel of nonhomestead real property with a fair market value in excess of ~~\$1 million~~ \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, at the option of the taxpayer, an appeal may be submitted to a hearing officer in accordance with this subsection. If such taxpayer owns nonhomestead real property contiguous to such qualified nonhomestead real property, at the option of the taxpayer, such contiguous property may be consolidated with the qualified property for purposes of the hearing under this subsection.

(B)(i) As used in this subparagraph, the term 'wireless property' means tangible personal property or equipment used directly for the provision of wireless services by a provider of wireless services which is attached to or is located underneath a wireless cell tower or at a network data center location but which is not permanently affixed to such tower or data center so as to constitute a fixture.

(ii) For any dispute involving the values or uniformity of one or more account numbers of wireless property as defined in this subparagraph with an aggregate fair market value in excess of \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, at the option of the taxpayer, an appeal may be submitted to a hearing officer in accordance with this subsection.

(2) Individuals desiring to serve as hearing officers and who are either state certified general real property appraisers or state certified residential real property appraisers as classified by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board for real property appeals or are designated appraisers by a nationally recognized appraiser's organization for wireless property appeals shall complete and submit an application, a list of counties the hearing officer is willing to serve, disqualification questionnaire, and resume and be approved by the Georgia

(3) ~~The clerk of the superior court~~ appeal administrator shall furnish any hearing officer so selected the necessary facilities.

(4) An appeal shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by filing with the county board of tax assessors a notice of appeal to a hearing officer within 45 days from the date of mailing the notice of assessment pursuant to Code Section 48-5-306. A written objection to an assessment of real property or wireless property received by a county board of tax assessors stating the taxpayer's election to appeal to a hearing officer and showing the location of the real property or wireless property contained in the assessment notice shall be deemed a notice of appeal by the taxpayer.

(5) The county board of tax assessors may for no more than 90 days review the taxpayer's written appeal, and if changes or corrections are made by the county board of tax assessors, the board shall notify the taxpayer in writing of such changes. ~~If within~~ Within 30 days of the county board of tax assessors' mailing of such notice, the taxpayer notifies may notify the county board of tax assessors in writing that ~~such~~ the changes or corrections made by the county board of tax assessors are not acceptable, in which case, the county board of tax assessors shall, within 30 days of the date of mailing of such taxpayer's notification, send or deliver ~~the notice of appeal and~~ all necessary papers to the ~~clerk of the superior court~~ appeal administrator and mail a copy to the taxpayer or, alternatively, forward the appeal to the board of equalization if so elected by the taxpayer and such election is included in the taxpayer's notification that the changes are not acceptable. If, after review, the county board of tax assessors determines that no changes or corrections are warranted, the county board of tax assessors shall notify the taxpayer of such decision. The taxpayer may elect to forward the appeal to the board of equalization by notifying the county board of tax assessors within 30 days of the mailing of the county board of tax assessor's notice of no changes or corrections. Upon the expiration of 30 days following the mailing of the county board of tax assessors' notice of no changes or corrections, the county board of tax assessors shall certify the notice of appeal and send or deliver all necessary papers to the appeal administrator for the appeal to the hearing officer, or board of equalization if elected by the taxpayer, and mail a copy to the taxpayer.

The hearing officer, in conjunction with all parties to the appeal, shall

set a time and place to hear evidence and testimony from both parties. The hearing shall take place in the county where the property is located, or such other place as mutually agreed to by the parties and the hearing officer. The hearing officer shall provide electronic or written notice to the parties personally or by registered or certified mail or statutory overnight delivery not less than ten days before the hearing. Such written notice shall advise each party that documents or other written evidence to be presented at the hearing by a party must be provided to the other party not less than seven days prior to the time of the hearing and that any failure to comply with this requirement shall be grounds for an automatic continuance or for exclusion of such documents or other written evidence.

(B) If the appeal administrator, after a diligent search, cannot find a qualified hearing officer who is willing to serve, the appeal administrator shall transfer the certification of the appeal to the county or regional board of equalization and notify the taxpayer and the taxpayer's attorney in compliance with subsection (o) of this Code section and the county board of tax assessors of the transmittal of such appeal.

(7) The hearing officer shall swear in all witnesses, perform the powers, duties, and authority of a county or regional board of equalization, and determine the fair market value of the real property or wireless property based upon the testimony and evidence presented during the hearing. Any issues other than fair market value and uniformity raised in the appeal shall be preserved for appeal to the superior court. The board of tax assessors shall have the burden of proving its opinion of value and the validity of its proposed assessment by a preponderance of evidence. At the conclusion of the hearing, the hearing officer shall notify both parties of the decision verbally and shall either send the taxpayer both parties the decision in writing or deliver the decision by hand to each party, with written receipt.

(8) The taxpayer or the board of tax assessors may appeal the decision of the hearing officer to the superior court as provided in subsection (g) of this Code section.

The county board of tax assessors shall then certify the appeal to the county or regional board of equalization.~~

(11) The commissioner shall promulgate rules and regulations for the proper administration of this subsection, including, but not limited to, ~~a uniform appeal form; qualifications; training, including an eight-hour course on Georgia property law, Georgia evidence law, preponderance of evidence, burden of proof, credibility of the witnesses, and weight of evidence; disqualification questionnaire; selection; removal; an annual continuing education requirement of at least four hours of instruction in recent legislation, current case law, and updates on appraisal and equalization procedures, as prepared and required by the commissioner; and any other matters necessary to the proper administration of this subsection. The failure of any hearing officer to fulfill the requirements of this paragraph shall render such officer ineligible to serve. Such rules and regulations shall also include a uniform appeal form which shall require the initial assertion of a valuation of the property by the taxpayer. Any such assertion of value shall be subject to later revision by the taxpayer based upon written evidence.~~ The commissioner shall seek input from all interested parties prior to such promulgation.

(12) If the county's tax bills are issued before the hearing officer has rendered his or her decision on property which is on appeal, a temporary tax bill shall be issued in the same manner as otherwise required under division (e)(6)(D)(iii) of this Code section.

The interest accrued after the sixtieth day and forward shall not be subject to the limits imposed by this subsection. The tax commissioner shall pay the tax refund and any interest for the refund from current collections in the same proportion for each of the levying authorities for whom the taxes were collected.

(2) For the purposes of this Code section, any final value that causes an increase in taxes and creates an additional billing shall be paid to the tax commissioner as any other tax due ~~along with interest, as specified in Code Section 48-2-35~~. ~~The tax commissioner shall adjust the tax bill, including interest, within 15 days from the date of the final determination of value and mail the adjusted bill to the taxpayer. Such interest shall accrue from November 15 of the taxable year in question or the final installment of the tax was due through the date on which the bill was adjusted and mailed or 15 days from the date of the final determination, whichever is earlier. The interest computed on the additional billing shall in no event exceed \$150.00 for homestead property or \$5,000.00 for nonhomestead property. After the tax bill notice has been mailed out, the taxpayer shall be afforded 60 days from the date of the postmark to make full payment of the adjusted bill and interest. Once the 60 day payment period has expired, the bill shall be considered past due and interest shall accrue from the original billing due date as specified in Code Section 48-2-40 without limit until the bill is paid in full. Once past due, all other fees, penalties, and late and collection notices shall apply as prescribed in this chapter for the collection of delinquent taxes.~~

(n) **Service of notice.**

A notice of appeal to a board of tax assessors under subsection (e), (e.1), (f), or (g) of this Code section shall be deemed filed as of the date of the United States Postal Service postmark, receipt of delivery by statutory overnight delivery, or, if the board of tax assessors has adopted a written policy consenting to electronic service, by transmitting a copy to the board of tax assessors via e-mail in portable document format using all e-mail addresses provided by the board of tax assessors ~~and showing in the subject line of the e-mail message the words 'STATUTORY ELECTRONIC SERVICE' in capital letters~~. Service by mail, statutory overnight delivery, or electronic transmittal is complete upon such service. Proof of service may be made within 45 days of receipt of the annual notice of current assessment under Code Section 48-5-306 to the taxpayer by certificate of the taxpayer, the taxpayer's attorney, or the taxpayer's employee by written admission or by affidavit. Failure to make proof of service shall not affect the validity of service.

(o) When a taxpayer authorizes an agent, representative, or attorney in writing to act on the taxpayer's behalf, and a copy of such written authorization is provided to the county board of tax assessors, all notices required to be provided to the taxpayer under this Code section, including those regarding hearing times, dates, certifications, notice of changes or corrections, or other official actions, shall instead be provided to such the taxpayer and the authorized agent, representative, or attorney. Upon agreement by the county board of tax assessors and the taxpayer's agent, representative, or attorney, notices required by this Code section to be sent to the taxpayer or the taxpayer's agent, representative, or attorney may be sent by e-mail. The failure to comply with this subsection with respect to a notice required under this Code section shall result in the tolling of any deadline imposed on the taxpayer under this Code section with respect to that notice."

SECTION 16.

Said title is further amended in Code Section 48-5-311, relating to county boards of equalization and ad valorem tax appeals, by repealing and reenacting subsections (f) and (g) and by adding a new subsection to read as follows:

"(f) Nonbinding arbitration.

(1) As used in this subsection, the term 'certified appraisal' means an appraisal or appraisal report given, signed, and certified as such by a real property appraiser as classified by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board.

(2) At the option of the taxpayer, an appeal shall be submitted to nonbinding arbitration in accordance with this subsection.

(3)(A) Following an election by the taxpayer to use the arbitration provisions of this subsection, an arbitration appeal shall be effected by the taxpayer by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by filing a written notice of arbitration appeal with the county board of tax assessors. The notice of arbitration appeal shall specifically state the grounds for arbitration. The notice shall be filed within 45 days from the date of mailing the notice pursuant to Code Section 48-5-306. Within ten days of receipt of a taxpayer's notice of arbitration appeal, the board of tax assessors shall send to the taxpayer an acknowledgment of receipt of the appeal and a notice that the taxpayer shall, within 45 days of the date of transmittal of the acknowledgment of receipt of the appeal, provide to the county board of tax assessors for consideration a copy of a certified appraisal. Failure of the taxpayer to provide such certified appraisal within such 45 days shall terminate the appeal unless the taxpayer within such 45 day period elects to have the appeal immediately forwarded to the board of equalization. Prior to appointment of the arbitrator and within 45 days of the acknowledgment of the receipt of the appeal, the taxpayer shall provide a copy of the certified appraisal as specified in this paragraph to the county board of tax assessors for consideration. Within 45 days of receiving the taxpayer's certified appraisal, the county board of tax assessors shall either accept the taxpayer's appraisal, in which case that value

shall become final, or the county board of tax assessors shall reject the taxpayer's appraisal by sending within ten days of the date of such rejection a written notification by certified mail of such rejection to the taxpayer and the taxpayer's attorney of record in compliance with subsection (o) of this Code section, in which case the county board of tax assessors shall certify within 45 days the appeal to the appeal administrator of the county in which the property is located along with any other papers specified by the person seeking arbitration under this subsection, including, but not limited to, the staff information from the file used by the county board of tax assessors. In the event the taxpayer is not notified of a rejection of the taxpayer's appraisal within such ten-day period, the taxpayer's appraisal value shall become final. In the event that the county board of tax assessors neither accepts nor rejects the value set out in the certified appraisal within 45 days after the receipt of the certified appraisal, then the certified appraisal shall become the final value. All papers and information certified to the appeal administrator shall become a part of the record on arbitration. At the time of certification of the appeal, the county board of tax assessors shall serve the taxpayer and the taxpayer's attorney of record in compliance with subsection (o) of this Code section, if any, or employee with a copy of the certification along with any other papers specified by the person seeking arbitration along with the civil action file number assigned to the appeal, if any. Within 15 days of filing the certification to the appeal administrator, the presiding or chief judge of the superior court of the circuit in which the property is located shall issue an order authorizing the arbitration.

(B) At any point, the county board of tax assessors and the taxpayer may execute a signed, written agreement establishing the fair market value without entering into or completing the arbitration process. The fair market value as set forth in such agreement shall become the final value.

(C) The arbitration shall be conducted pursuant to the following procedure:

(i) The county board of tax assessors shall, at the time the appeal is certified to the appeal administrator under subparagraph (A) of this paragraph, provide to the taxpayer a notice of a meeting time and place to decide upon an arbitrator, to occur within 60 days after the date of sending the rejection of the taxpayer's certified appraisal. Following the notification of the taxpayer of the date and time of the meeting, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the meeting to a date and time acceptable to the taxpayer and the county board of tax assessors. If the parties agree, the matter shall be submitted to a single arbitrator chosen by the parties. If the parties cannot agree on the single arbitrator, the arbitrator may be chosen by the presiding or chief judge of the superior court of the circuit in which the property is located within 30 days after the filing of a petition by either party;

(ii) In order to be qualified to serve as an arbitrator, a person shall be classified as a state certified general real property appraiser or state certified residential real property appraiser pursuant to the rules and regulations of the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board and shall have

experience or expertise in appraising the type of property that is the subject of the arbitration;

(iii) The arbitrator, within 30 days after his or her appointment, shall set a time and place to hear evidence and testimony from both parties. The arbitrator shall provide written notice to the parties personally or by registered or certified mail or statutory overnight delivery not less than ten days before the hearing. Such written notice shall advise each party that documents or other written evidence to be presented at the hearing by a party must be provided to the other party not less than seven days prior to the time of the hearing and that any failure to comply with this requirement, unless waived by mutual written agreement of such parties, shall be grounds for a continuance or for exclusion of such documents or other written evidence. The arbitrator, in consultation with the parties, may adjourn or postpone the hearing. Following notification of the taxpayer of the date and time of the hearing, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the hearing to a date and time acceptable to the taxpayer and the county board of tax assessors. The presiding or chief judge of the superior court of the circuit in which the property is located may direct the arbitrator to proceed promptly with the hearing and the determination of the appeal upon application of any party. The hearing shall occur in the county in which the property is located or such other place as may be agreed upon in writing by the parties;

(iv) At the hearing, the parties shall be entitled to be heard, to present documents, testimony, and other matters, and to cross-examine witnesses. The arbitrator may hear and determine the controversy upon the documents, testimony, and other matters produced notwithstanding the failure of a party duly notified to appear;

(v) The arbitrator shall maintain a record of all pleadings, documents, testimony, and other matters introduced at the hearing. The arbitrator or any party to the proceeding may have the proceedings transcribed by a court reporter;

(vi) The provisions of this paragraph may be waived at any time by written consent of the taxpayer and the board of tax assessors;

(vii) At the conclusion of the hearing, the arbitrator shall render a decision regarding the fair market value of the property subject to nonbinding arbitration;

(viii) In order to determine the fair market value, the arbitrator may consider the final value for the property submitted by the county board of tax assessors at the hearing and the final value submitted by the taxpayer at the hearing. The taxpayer shall be responsible for the cost of any appraisal by the taxpayer's appraiser;

(ix) The arbitrator shall consider the final value submitted by the county board of tax assessors, the final value submitted by the taxpayer, and evidence supporting the values submitted by the county board of tax assessors and the taxpayer. The arbitrator shall determine the fair market value of the property under appeal. The arbitrator shall notify both parties of the decision verbally and shall either send both parties the decision in writing or deliver the decision by hand to each party, with written receipt;

(x) If the taxpayer's value is closest to the fair market value determined by the arbitrator, the county shall be responsible for the fees and costs of such arbitrator. If the value of the board of tax assessors is closest to the fair market value determined by the arbitrator, the taxpayer shall be responsible for the fees and costs of such arbitrator; and

(xi) The board of tax assessors shall have the burden of proving its opinion of value and the validity of its proposed assessment by a preponderance of evidence.

(4) If the county's tax bills are issued before an arbitrator has rendered his or her decision on property which is on appeal, a temporary tax bill shall be issued in the same manner as otherwise required under division (e)(6)(D)(iii) of this Code section.

(5) Upon determination of the final value, the temporary tax bill shall be adjusted as required under division (e)(6)(D)(iii) of this Code section.

(g) Appeals to the superior court.

(1) The taxpayer or the county board of tax assessors may appeal decisions of the county board of equalization, hearing officer, or arbitrator, as applicable, to the superior court of the county in which the property lies. By mutual written agreement, the taxpayer and the county board of tax assessors may waive an appeal to the county board of equalization and initiate an appeal under this subsection. A county board of tax assessors shall not appeal a decision of the county board of equalization, arbitrator, or hearing officer, as applicable, changing an assessment by 20 percent or less unless the board of tax assessors gives the county governing authority a written notice of its intention to appeal, and, within ten days of receipt of the notice, the county governing authority by majority vote does not prohibit the appeal. In the case of a joint city-county board of tax assessors, such notice shall be given to the city and county governing authorities, either of which may prohibit the appeal by majority vote within the allowed period of time.

(2) An appeal by the taxpayer as provided in paragraph (1) of this subsection shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by mailing to or filing with the county board of tax assessors a written notice of appeal. An appeal by the county board of tax assessors shall be effected by giving notice to the taxpayer. The notice to the taxpayer shall be dated and shall contain the name and the last known address of the taxpayer. The notice of appeal shall specifically state the grounds for appeal. The notice shall be mailed or filed within 30 days from the date on which the decision of the county board of equalization, hearing officer, or arbitrator is delivered pursuant to subparagraph (e)(6)(D), paragraph (7) of subsection (e.1), or division (f)(3)(C)(ix) of this Code section. Within 45 days of receipt of a taxpayer's notice of appeal and before certification of the appeal to the superior court, the county board of tax assessors shall send to the taxpayer notice that a settlement conference, in which the county board of tax assessors and the taxpayer shall confer in good faith, will be held at a specified date and time which shall be no later than 30 days from the notice of the settlement conference, and notice of the amount of the filing fee, if any, required by the clerk of the superior court. The taxpayer may exercise a one-time option to

reschedule the settlement conference to a different date and time acceptable to the taxpayer, but in no event later than 30 days from the date of the notice. If at the end of the 45 day review period the county board of tax assessors elects not to hold a settlement conference, then the appeal shall terminate and the taxpayer's stated value shall be entered in the records of the board of tax assessors as the fair market value for the year under appeal and the provisions of subsection (c) of Code Section 48-5-299 shall apply to such value. If the taxpayer chooses not to participate in the settlement conference, he or she may not seek and shall not be awarded fees and costs at such time when the appeal is settled in superior court. If at the conclusion of the settlement conference the parties reach an agreement, the settlement value shall be entered in the records of the county board of tax assessors as the fair market value for the tax year under appeal and the provisions of subsection (c) of Code Section 48-5-299 shall apply to such value. If at the conclusion of the settlement conference the parties cannot agree on a fair market value, then written notice shall be provided to the taxpayer that the filing fees must be paid by the taxpayer to the clerk of the superior court within ten days of the date of the conference, with a copy of the check delivered to the county board of tax assessors. Notwithstanding any other provision of law to the contrary, the amount of the filing fee for an appeal under this subsection shall be \$25.00. An appeal under this subsection shall not be subject to any other fees or additional costs otherwise required under any provision of Title 15 or under any other provision of law. Immediately following payment of such \$25.00 filing fee by the taxpayer to the clerk of the superior court, the clerk shall remit the proceeds thereof to the governing authority of the county which shall deposit the proceeds into the general fund of the county. Within 30 days of receipt of proof of payment to the clerk of the superior court, the county board of tax assessors shall certify to the clerk of the superior court the notice of appeal and any other papers specified by the person appealing including, but not limited to, the staff information from the file used by the county board of tax assessors, the county board of equalization, the hearing officer, or the arbitrator. All papers and information certified to the clerk shall become a part of the record on appeal to the superior court. At the time of certification of the appeal, the county board of tax assessors shall serve the taxpayer and his or her attorney of record, if any, with a copy of the notice of appeal and with the civil action file number assigned to the appeal. Such service shall be effected in accordance with subsection (b) of Code Section 9-11-5. No discovery, motions, or other pleadings may be filed by the county board of tax assessors in the appeal until such service has been made.

(3) The appeal shall constitute a de novo action. The board of tax assessors shall have the burden of proving its opinions of value and the validity of its proposed assessment by a preponderance of evidence. Upon a failure of the board of tax assessors to meet such burden of proof, the court may, upon motion or sua sponte, authorize the finding that the value asserted by the board of tax assessors is unreasonable and authorize the determination of the final value of the property.

(4)(A) The appeal shall be placed on the court's next available jury or bench trial calendar, at the taxpayer's election, following the filing of the appeal unless

continued by the court. If only questions of law are presented in the appeal, the appeal shall be heard as soon as practicable before the court sitting without a jury. Each hearing before the court sitting without a jury at the taxpayer's election shall be held within 30 days following the date on which the appeal is filed with the clerk of the superior court.

(B)(i) The county board of tax assessors shall use the valuation of the county board of equalization, the hearing officer, or the arbitrator, as applicable, in compiling the tax digest for the county.

(ii)(I) If the final determination of value on appeal is less than the valuation thus used, the tax commissioner shall be authorized to adjust the taxpayer's tax bill to reflect the final value for the year in question.

(II) If the final determination of value on appeal causes a reduction in taxes and creates a refund that is owed to the taxpayer, it shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes with interest, as provided in subsection (m) of this Code section.

(III) If the final determination of value on appeal is 85 percent or less of the valuation set by the county board of equalization, hearing officer, or arbitrator as to any real property, the taxpayer, in addition to the interest provided for in subsection (m) of this Code section, shall recover costs of litigation and reasonable attorney's fees incurred in the action. Any appeal of an award of attorney's fees by the county shall be specifically approved by the governing authority of the county.

(iii) If the final determination of value on appeal is greater than the valuation set by the county board of equalization, hearing officer, or arbitrator, as applicable, causes an increase in taxes, and creates an additional billing, it shall be paid to the tax commissioner as any other tax due along with interest, as provided in subsection (m) of this Code section.

(g.1) The provisions in subsection (c) of Code Section 48-5-299 shall apply to the valuation, unless otherwise waived in writing by both parties, as to:

(1) The valuation established or announced by any county board of equalization, arbitrator, hearing officer, or superior court; and

(2) Any written agreement or settlement of valuation reached by the county board of tax assessors and the taxpayer as permitted by this Code section."

SECTION 17.

SECTION 18.

Said title is further amended in Code Section 48-5-345, relating to county tax digests and deviations from certain assessment ratio, by revising paragraph (1) of subsection (a) and by adding a new subsection to read as follows:

"(a)(1) Upon the determination by the commissioner that a county tax digest is in proper form, that the property therein that is under appeal is within the limits of Code

Section 48-5-304, and that the digest is accompanied by all documents, statistics, and certifications required by the commissioner, including the number, overall value and percentage of total real property parcels of appeals in each county to the boards of equalization, arbitration, hearing officer, and superior court, and the number of taxpayers' failure to appear at any hearing, for the prior tax year, the commissioner shall issue a receipt for the digest and enter an order authorizing the use of said digest for the collection of taxes. All statistics and certifications regarding real property appeals provided to the commissioner under this paragraph shall be made publicly available on the Department of Revenue website."

"(c) Beginning with tax digests on or after the effective date of this subsection, no county shall be subject to the assessment authorized by subparagraph (b) of this Code section."

The board of education of the municipality or other authority charged with the duty of operating the independent school system shall annually recommend to the governing authority of the municipality the rate of the tax levy, within the limitations fixed by law, to be made upon all taxable property within the limits of the ~~municipality~~ independent school system. Taxes levied and collected for support and maintenance of the independent school system by the municipal governing authority shall be appropriated, when collected, by the governing authority to the board of education or other authority charged with the duty of operating the independent school system. Funds appropriated to an independent school system shall be expended by the board of education or other authority charged with the duty of operating the independent school system only for educational purposes including, but not limited to, school lunch purposes. The term 'school lunch purposes' shall include payment of costs and expenses incurred in the purchase of school lunchroom supplies; the purchase, replacement, or maintenance of school lunchroom equipment; the transportation, storage, and preparation of foods; and all current operating expenses incurred in the management and operation of school lunch programs in the public common schools of the independent school system. 'School lunch purposes' shall not include the purchase of foods."

(b) Except as provided for mobile homes owned by a dealer, no mobile home location permit shall be issued by the tax collector or tax commissioner until all ad valorem taxes due on the mobile home have been paid. SECTION 21.

Said title is further amended in Code Section 48-5-493, relating to penalties for failure to attach and display certain decals, by revising paragraph (2) of subsection (a) as follows:

"(2) Any person who violates paragraph (1) of this subsection shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than ~~\$25.00~~ \$100.00 nor more than ~~\$200.00~~ \$300.00, except that upon receipt of proof of purchase of a decal prior to the date of the issuance of a summons, the fine shall be ~~\$25.00~~ \$50.00; provided, however, that in the event such person owns more than one mobile home in an individual mobile home park, then the maximum fine under this paragraph for such person with respect to such mobile home park shall not exceed \$1,000.00."

If the owner returns such owner's mobile home for taxation prior to the date that the application for the mobile home location permit is required, such owner shall apply for the permit at the time such owner returns the mobile home for taxation."

SECTION 23.

Said title is further amended by revising subparagraph (c)(3)(A) and subdivision (c)(3)(B)(iii)(III) of Code Section 48-5C-1, relating to the alternative ad valorem tax on motor vehicles, as follows:

"(A) The tag agent of the county shall within 20 days following the end of each calendar month allocate and distribute to the county governing authority and to municipal governing authorities, the board of education of the county school district, and the board of education of any independent school district located in such county and in a county in which a sales and use tax is levied for purposes of a metropolitan area system of public transportation, as authorized by the amendment to the Constitution set out at Ga. L. 1964, p. 1008, the governing body of the transportation authority created by the Metropolitan Atlanta Rapid Transit Authority Act of 1965, Ga. L. 1965, p. 2243, as amended, and the amendment to the Constitution set out at Ga. L. 1964, p. 1008, an amount of those proceeds necessary to offset any reduction in (i) ad valorem tax on motor vehicles collected under Chapter 5 of this title in the taxing jurisdiction of each governing authority and school district from the amount of ad valorem taxes on motor vehicles collected under Chapter 5 of this title in each such governing authority and school district during the same calendar month of 2012 and (ii) with respect to the transportation authority, the monthly average portion of the sales and use tax levied for purposes of a metropolitan area system of public transportation applicable to any motor vehicle titled in a county which levied such tax in 2012. Such amount of tax may be determined by the commissioner for counties which levied such tax in 2012, and any counties which subsequently levy a tax pursuant to a metropolitan area system of public transportation, as authorized by the amendment to the Constitution set out at Ga. L. 1964, p. 1008, the governing body of the transportation authority created by the Metropolitan Atlanta Rapid Transit Authority Act of 1965, Ga. L. 1965, p. 2243, as amended, and the amendment to the Constitution set out at Ga. L. 1964, p. 1008, the Commissioner may determine what amount of sales and use tax would have been collected in 2012, had such tax been levied. This reduction shall be calculated, with respect to (i) above, by subtracting the amount of ad valorem tax on motor vehicles collected under Chapter 5 of this title in each such taxing jurisdiction from the amount of ad valorem tax on motor vehicles collected under Chapter 5 of this title in that taxing jurisdiction in the same calendar month of 2012. In the event that the local title ad valorem tax fee proceeds are insufficient to fully offset such reduction in ad valorem taxes on motor vehicles or the portion of the sales and use tax described in (ii) above, the tag agent shall allocate a proportionate amount of the proceeds to each governing authority and to the board of education of each such school district and the transportation authority, and any remaining shortfall shall be paid from the following month's local title ad valorem tax fee proceeds. In the event that a shortfall remains, the tag agent shall continue to first allocate local title ad valorem tax fee proceeds to offset such shortfalls until the shortfall has been fully repaid; and"

"(III) If such tax is not currently in effect in a county in which a tax is levied for purposes of a metropolitan area system of public transportation, as authorized by the amendment to the Constitution set out at Ga. L. 1964, p. 1008; the continuation of such amendment under Article XI, Section I, Paragraph IV(d) of the Constitution; and the laws enacted pursuant to such constitutional amendment, such proceeds shall be distributed ~~to the governing body of the authority created by local Act to operate such metropolitan area system of public transportation~~ in such county, in the same manner as ad valorem tax on motor vehicles collected under Chapter 5 of this title in the taxing jurisdiction of each governing authority and school district from the amount of ad valorem taxes on motor vehicles collected under Chapter 5 of this title in each such governing authority and school district during the same calendar month of 2012."

SECTION 24.

Said title is further amended in Code Section 48-6-2, relating to real estate transfer tax exemptions, by revising subsection (b) as follows:

"(b) In order to exercise any exemption provided in this Code section, the total consideration of the transfer ~~shall be shown~~ for real and personal property conveyed shall be shown on the form prescribed in subsection (c) of Code Section 48-6-4."

SECTION 25.

Said title is further amended in Code Section 48-6-4, relating to real estate transfer tax payment as certain filing prerequisites, by revising subsections (a), (b), and (c) as follows:

"(a) It is the intent of the General Assembly that the tax imposed by this article be paid to the clerk of the superior court or his or her deputy, and that the actual consideration of real and personal property conveyed shall be shown separately on the form prescribed in subsection (c) of this Code section, prior to and as a prerequisite to the filing for record of any deed, instrument, or other writing described in Code Section 48-6-1.

(b) No deed, instrument, or other writing described in Code Section 48-6-1 shall be filed for record or recorded in the office of the clerk of the superior court or filed for record or recorded in or on any other official record of this state or of any county until the tax imposed by this article has been paid and until the actual consideration of real and personal property conveyed has been shown separately on the form prescribed in subsection (c) of this Code section; provided, however, that any such deed, instrument, or other writing filed or recorded which would otherwise constitute constructive notice shall constitute such notice whether or not such tax was in fact paid.

(c) The amount of tax to be paid on a deed, instrument, or other writing shall be determined on the basis of written disclosure of the actual consideration ~~or value~~ of the interest in the property granted, assigned, transferred, or otherwise conveyed. The disclosure of the amount of tax and the actual consideration shall be made on a form or in electronic format prescribed by the commissioner and provided by the clerk of the

superior court. By the fifteenth day of the month following the month the deed, instrument, or other writing is recorded, a physical or electronic copy of each disclosure shall be forwarded or made available electronically to the state auditor and to the tax commissioner and the board of tax assessors in the county where the deed, instrument, or other writing is recorded."

SECTION 26.

Said title is further amended by revising paragraphs (94) and (95) of and by adding a new paragraph to Code Section 48-8-3, relating to exemptions from state sales and use tax, as follows:

"(94) The sale, use, consumption, or storage of materials, containers, labels, sacks, or bags used for packaging tangible personal property for shipment or sale. To qualify for the packaging exemption, the items shall be used solely for packaging and shall not be purchased for reuse. The packaging exemption shall not include materials purchased at a retail establishment for consumer use; ~~or~~

(95) The sale or purchase of any motor vehicle titled in this state on or after March 1, 2013, pursuant to Code Section 48-5C-1. Except as otherwise provided in this paragraph, this exemption shall not apply to rentals of motor vehicles for periods of 31 or fewer consecutive days. Lease payments for a motor vehicle that is leased for more than 31 consecutive days for which a state and local title ad valorem tax is paid shall be exempt from sales and use taxes as provided for in this paragraph. No sales and use taxes shall be imposed upon state and local title ad valorem tax fees imposed pursuant to Chapter 5C of this title as a part of the purchase price of a motor vehicle or any portion of a lease or rental payment that is attributable to payment of state and local title ad valorem tax fees under Chapter 5C of this title; or

(96)(A) The sale or use of construction materials used for or in the construction of buildings at a private college to the extent provided in subparagraphs (B) and (C) of this paragraph. As used in this paragraph, the term 'private college' means a college in this state which is operated by an organization which is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code and has an enrollment of between 1,000 and 3,000 students.

(B) This exemption shall apply from July 1, 2015, until June 30, 2016, or until the aggregate state sales and use tax refunded pursuant to this paragraph exceeds \$350,000.00, whichever occurs first. A qualifying private college shall pay sales and use tax on all purchases and uses of construction materials and may obtain the benefit of this exemption from state sales and use tax by filing a claim for refund of tax paid on qualifying items. All refunds made pursuant to this paragraph shall not include interest.

(C)(i) This exemption shall apply from July 1, 2015, until June 30, 2016.
