On the other hand, should the exemption be enacted and Atlanta be awarded the Super Bowl for 2019 or 2020, direct spending by visitors could be expected to result in substantial sales tax revenue gains to the state and local governments. According to a PricewaterhouseCoopers (PwC) estimate (see PwC press release of Feb 1, 2016), the 2016 Super Bowl was expected to generate \$220 million in direct spending in the San Francisco area on "lodging, transportation, food and beverage, entertainment, business services, and tourism activities related to Super Bowl 50." A study

published by the host committee and researchers at the University of New Orleans after the 2013 Super Bowl estimated direct spending there of about \$149 million. Assuming this spending is all taxable at 4 percent, this equates to between \$6.0 and \$8.8 million in state sales tax revenues (and a similar amount in local, given Atlanta's 4 percent rate, though some spending would likely be taxed at lower rates in surrounding jurisdictions). This compares favorably to the likely amount of forgone sales tax revenue on tickets to the game, which at 75,000 seats and an assumed average ticket price of \$1,800 would be \$5.4 million for the state.

- **Other potentially-awarded named events.** None of these events are known to be awarded conditional on exempting ticket sales and all but one have been held in Atlanta in either 2000 or 2003 (see below), thus it is arguable that Atlanta may be equally likely to be awarded one or more of these events in the future without the proposed exemption. For these, the direct spending economic impact is estimated, to the degree possible, and sales taxes on that spending are netted out of the cost to state and local revenues to show the minimum net cost. However, it should be noted that 1) some of these revenues would likely be earned in the absence of the event (other, smaller events may be crowded out) and 2) costs to local governments for increases in service levels for police and other services are not accounted for and may be significant. Effects on other tax revenues such as hotel, rental car, or alcohol taxes are also not addressed. These events are as follows (estimated gross revenue losses and revenue effects net of potential sales tax gains are in Table 3):
- **NCAA WFF** (1st open date April 2021, Mercedes-Benz Stadium). Atlanta last hosted the WFF in 2003 at the Georgia Dome (attendance 56,420 over 2 days). No independent estimates of the economic impact of hosting the WFF are available at this time, but the NCAA estimated in October 2013 that the *direct* economic impact that host cities could expect in spending by an estimated 30,000 visitors is about \$20 million or \$667 per visitor. Assuming this level of direct spending is taxable and occurs primarily in the city of Atlanta, the resulting state and local sales tax revenues would be \$0.8 million each.
- **MLB All-Star Game** (1st open date July 2019, SunTrust Park). Atlanta last hosted this event in 2000 at Turner Field (attendance 51,323), but the locations for the 2015 through 2018 games are all National League teams' ballparks, so it is unclear how soon Georgia may have the opportunity to host again. For the 2016 All-Star Game in San Diego, 60,000 tourists are expected in the city for the game and related events over the days before, according to reporting in the San Diego Star-Tribune (Dec 30, 2014). No direct spending estimate could be found, but assuming the same \$667 per visitor as in the case of the NCAA WFF, this implies about \$40 million of direct spending. The 2014 game in Minneapolis, according to the Minnesota Department of Revenue (cited in the Minneapolis Star Tribune, Nov 12, 2014) generated about \$21.3 million of added taxable sales above what would have

otherwise been expected that July. These spending estimates equate to between \$0.85 and \$1.6 million in state sales tax revenues at Georgia's tax rate and slightly less locally, given that much of the spending for a MLB All-Star Game here would be taxed at Cobb County's lower local rate.

- **NBA All-Star Game** (1st open date Feb 2019, Philips Arena). Atlanta last hosted this event in 2003 at Philips Arena (official attendance 20,325). Researchers at the University of New Orleans (cited at NBA.com) estimated direct spending arising from the 2014 NBA All-Star Game at \$904 per visitor and \$60.4 million in total, suggesting almost 67,000 visitors, though the host committee estimated the number of visitors at only 50,000. A study by Strategic Market Services and SportsEconomics (cited by the Orlando Sentinel, July 3, 2012) estimated the direct spending impact of the 2012 NBA All-Star Game in Orlando was about \$56.3 million. Counting only the estimated 36,890 "incremental visitors" from outside the county, the study found that these visitors spent about \$1,020 on average, for a total of \$37.6 million. These estimates suggest state sales at revenues at Georgia's tax rate of between \$1.5 and \$2.4 million.
- **MLS All-Star Game** (1st open date July/Aug 2017, Mercedes-Benz Stadium). Less information is available on economic impacts of MLS All-Star Games, though the Orlando City soccer club, in a presentation to the city of Orlando about a proposed new stadium, reported an average economic impact on host cities for this event of about \$5.7 million. Assuming that amount includes only direct spending, it would equate to about \$0.2 million of state sales tax revenues at Georgia's tax rate.

C. Unnamed events: These events include any that may qualify for the proposed exemption based on the expectation of the commissioners of revenue and economic

development that the event will generate at least \$50 million of direct spending in the host locality. Three annual events in Georgia have been identified that are likely to, or may, hit this threshold. However, because all are events that are already held in Georgia annually, one for many years, and none are expected to consider relocating outside of Georgia for the foreseeable future, tax revenues from direct spending would occur with or without the proposed exemption. Thus the annual revenue loss is simply the forgone sales tax revenue from admissions sales, provided they are approved by the two commissioners. These events potentially include:

- The Masters (Augusta). Golf Digest magazine (Feb 23, 2015) estimated patron spending the week of the tournament of \$7.75 million for food concessions, \$47.5 million for merchandise, and \$12 million for access to the entertainment/dining venue Berckmans Place, adjacent to the 5th Fairway, thus exceeding the \$50 million threshold from tournament venue revenues alone, before including lodging or other spending off the tournament grounds. Golf Digest also reported sales of approximately 150,000 admissions badges for practice rounds at \$65 each and 40,000 badges for Thursday-Sunday rounds at \$325 each, for total admissions revenue of about \$22.75 million. Foregone state sales tax revenue would thus be about \$0.91 million and the local revenue loss at Richmond County's 4 percent sales tax rate would be the same.
- **Folds of Honor QuickTrip 500** (Atlanta Motor Speedway). Seating capacity for this venue is reportedly 111,000 and this event is the major NASCAR Sprint Cup Series race held there each year. Practice sessions over the days leading up to the race mean that many visitors come for a weekend or longer. No estimates are available as to direct spending by visitors for this event, but assuming a sold out event, average spending per attendee would need to reach \$450 for this event to qualify for the exemption. Seat prices range from \$39 to \$104, depending on location and when they are purchased, while suites tickets for race day only are \$295 each while "Club One" premium tickets are \$545 each. If qualified for the exemption, and assuming an average ticket price of \$80, state sales tax revenue losses for this event would be about \$0.4 million and local revenue losses at Henry County's 3 percent tax rate would be about \$0.3 million. Nevertheless, insufficient information is available to predict whether this event would qualify.
- One other identified annual large sports event that could conceivably qualify is the **Chick-fil-A Peach Bowl** (Mercedes-Benz Stadium), which on average attracts over 71,000 attendees each year. Peach Bowl attendees would need to spend around \$700 each for the event to reach the \$50 million threshold, excluding business services and other related direct spending, but should it qualify, the state revenue loss would be about \$0.4 million per year, assuming an average ticket price of \$150.

It is also important to note about these events that most have related, ticketed events in the days leading up to the main event (e.g. home run and slam dunk competitions for the MLB and NBA all-star games), and it is unclear whether tickets to these events would also be exempted from sales taxes under the bill.

Finally, for purposes of the summary effects of the bill in Table 1, no prediction is made as to whether or when the state might be awarded any events subject to bidding or similar processes, thus only currently scheduled, named events or recurring events that are highly certain to meet the \$50 million direct spending threshold are included. These are:

- NCAA College Football Playoff Final, affecting FY 2018;
- NCAA College Football Playoff Semi-Final, affecting FY 2020;
- NCAA Men's Division I Basketball Final Four, affecting FY 2020; and
- The Masters, affecting all years (assumed to grow at 2 percent per annum).

A BILL TO BE ENTITLED
AN ACT

To amend Title 19 of the Official Code of Georgia Annotated, relating to domestic relations, so as to change provisions relating to a grandparent's right to intervention in

certain domestic relation cases; to allow for intervention by great-grandparents and siblings of parents; to provide for definitions; to provide for an evidentiary standard; to conform cross-references relating to adoption; to provide for the creation, authorization, procedure, revocation, rescission, and termination of a power of attorney from a parent, guardian, or legal custodian of a child to a kinship caregiver for the temporary delegation of certain power and authority for the care and custody of a child; to provide a short title; to provide for and correct a definition; to provide for procedure; to provide for legislative findings; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

Title 19 of the Official Code of Georgia Annotated, relating to domestic relations, is amended by revising Code Section 19-7-3, relating to grandparent visitation rights and intervention, as follows:

"19-7-3.

(a) As used in this Code section, the term '~~grandparent~~':

(1) 'Family member' means a grandparent, great-grandparent, or sibling.

(2) 'Grandparent' means the parent of a parent of a minor child, the parent of a minor child's parent who has died, and the parent of a minor child's parent whose parental rights have been terminated.

(3) 'Great-grandparent' means the parent of the parent of a parent of a minor child, the parent of the parent of a minor child's parent who has died, and the parent of the parent of a minor child's parent whose parental rights have been terminated.

(4) 'Sibling' means the brother or sister of a parent of a minor child, the brother or sister of a minor child's parent who has died, and the brother or sister of a minor child's parent whose parental rights have been terminated.

(b)(1) Except as otherwise provided in paragraph (2) of this subsection, ~~any~~:

(A) Any grandparent shall have the right to file an original action for visitation rights to a minor child ~~or~~; and

(B) Any family member shall have the right to intervene in and seek to obtain visitation rights in any action in which any court in this state shall have before it any question concerning the custody of a minor child, a divorce of the parents or a parent of such minor child, a termination of the parental rights of either parent of such minor child, or visitation rights concerning such minor child or whenever there has been an adoption in which the adopted child has been adopted by the child's blood relative or by a stepparent, notwithstanding the provisions of Code Section 19-8-19.

(2) This subsection shall not authorize an original action ~~where~~ when the parents of the minor child are not separated and the child is living with both parents.

(c)(1) Upon the filing of an original action or upon intervention in an existing

proceeding under subsection (b) of this Code section, the court may grant any ~~grandparent~~ family member of the child reasonable visitation rights if the court finds by clear and convincing evidence that the health or welfare of the child would be harmed unless such visitation is granted and if the best interests of the child would be served by such visitation. The mere absence of an opportunity for a child to develop a relationship with a family member shall not be considered as harming the health or welfare of the child when there is no substantial preexisting relationship between the child and such family member. In considering whether the health or welfare of the child would be harmed without such visitation, the court shall consider and may find that harm to the child is reasonably likely to result ~~where~~ when, prior to the original action or intervention:

- (A) The minor child resided with the ~~grandparent~~ family member for six months or more;
- (B) The ~~grandparent~~ family member provided financial support for the basic needs of the child for at least one year;
- (C) There was an established pattern of regular visitation or child care by the ~~grandparent~~ family member with the child; or
- (D) Any other circumstance exists indicating that emotional or physical harm would be reasonably likely to result if such visitation is not granted.

The court shall make specific written findings of fact in support of its rulings.

(2) An original action requesting visitation rights shall not be filed by any grandparent more than once during any two-year period and shall not be filed during any year in which another custody action has been filed concerning the child. After visitation rights have been granted to any grandparent, the legal custodian, guardian of the person, or parent of the child may petition the court for revocation or amendment of such visitation rights, for good cause shown, which the court, in its discretion, may grant or deny; but such a petition shall not be filed more than once in any two-year period.

(3) While a parent's decision regarding ~~grandparent~~ family member visitation shall be given deference by the court, the parent's decision shall not be conclusive when failure to provide ~~grandparent~~ family member contact would result in emotional harm to the child. A court may presume that a child who is denied any contact with his or her ~~grandparent~~ family member or who is not provided some minimal opportunity for contact with his or her ~~grandparent~~ family member when there is a preexisting relationship between the child and such family member may suffer emotional injury that is harmful to such child's health. Such presumption shall be a rebuttable presumption.

(4) In no case shall the granting of visitation rights to a ~~grandparent~~ family member interfere with a child's school or regularly scheduled extracurricular activities.

(5) Visitation time awarded to a ~~grandparent~~ family member shall not be less than 24 hours in any one-month period; provided, however, that when more than one individual seeks visitation under this Code section, the court shall determine the amount of time to award to each petitioner which shall not be less than 24 hours in

any one-month period in the aggregate.

(d) Notwithstanding the provisions of subsections (b) and (c) of this Code section, if one of the parents of a minor child dies, is incapacitated, or is incarcerated, the court may award the parent of the deceased, incapacitated, or incarcerated parent of such minor child reasonable visitation to such child during his or her minority if the court in its discretion finds that such visitation would be in the best interests of the child. The custodial parent's judgment as to the best interests of the child regarding visitation shall be given deference by the court but shall not be conclusive.

(e) If the court finds that the ~~grandparent or grandparents~~ family member can bear the cost without unreasonable financial hardship, the court, at the sole expense of the petitioning ~~grandparent or grandparents~~ family member, may:

(1) Appoint a guardian ad litem for the minor child; and

(2) Assign the issue of visitation rights of a ~~grandparent~~ family member for mediation.

(f) In the event that the court does not order mediation or upon failure of the parties to reach an agreement through mediation, the court shall fix a time for the hearing of the issue of visitation rights of the ~~grandparent or grandparents~~ family member.

(g) Whether or not visitation is awarded to a ~~grandparent~~ family member, the court may direct a custodial parent, by court order, to notify such ~~grandparent~~ family member of every performance of the minor child to which the public is admitted, including, but not limited to, musical concerts, graduations, recitals, and sporting events or games.

(h) When more than one family member files an action pursuant to this Code section, the court shall determine the priority of such actions."

SECTION 1-2.

Said title is further amended by revising subsection (f) of Code Section 19-8-13, relating to the petition for adoption, filing, and contents, as follows:

"(f)(1) As used in this subsection, the term 'family member' shall have the same meaning as set forth in Code Section 19-7-3.

(2) Whenever a petitioner is a blood relative of the child to be adopted and a ~~grandparent~~ family member other than the petitioner has visitation rights to the child granted pursuant to Code Section 19-7-3, the petitioner shall cause a copy of the petition for adoption to be served upon the ~~grandparent~~ family member with the visitation rights or upon such person's counsel of record."

SECTION 1-3.

Said title is further amended by revising Code Section 19-8-15, relating to when objections may be filed by relatives to petition for adoption, as follows:

"19-8-15.

(1) As used in this Code section, the term 'family member' shall have the same meaning as set forth in Code Section 19-7-3.

(2) If the child sought to be adopted has no legal father or legal mother living, it shall be the privilege of any person related by blood to the child to file objections to the

petition for adoption. A ~~grandparent~~ family member with visitation rights to a child granted pursuant to Code Section 19-7-3 shall have the privilege to file objections to the petition of adoption if neither parent has any further rights to the child and if the petition for adoption has been filed by a blood relative of the child. The court, after hearing such objections, shall determine, in its discretion, whether or not the same constitute a good reason for denying the petition and the court shall have the authority to grant or continue such visitation rights of the ~~grandparent to~~ family member of the child in the adoption order in the event the adoption by the blood relative is approved by the court."

PART II SECTION 2-1.

The General Assembly finds that:

- (1) From time to time, parents experience short-term difficulties that impair their ability to perform the regular and expected functions to provide care and support to their children;
- (2) Parents need a means to confer to a relative or fictive kin the temporary authority to act on behalf of a child without the time and expense of a court proceeding or the involvement of the Division of Family and Children Services of the Department of Human Services; and
- (3) Providing a statutory mechanism for granting such authority enhances family preservation and stability.

SECTION 2-2.

Said title is further amended by adding a new article to Chapter 9, relating to child custody proceedings, to read as follows:

"ARTICLE 5

19-9-140.

This article shall be known and may be cited as the 'Supporting and Strengthening Families Act.'

19-9-141.

As used in this article, the term:

- (1) 'Child' means an unemancipated individual who is under 18 years of age.
- (2) 'Fictive kin' shall have the same meaning as provided in Code Section 15-11-2.
- (3) 'Guardian' means an individual appointed pursuant to a court order establishing a permanent guardianship for a child.
- (4) 'Kinship caregiver' means a grandparent, aunt, uncle, great aunt, great uncle, cousin, or sibling of a child or a fictive kin who resides in this state.
- (5) 'Legal custodian' shall have the same meaning as provided in Code Section 15-11-2.

(6) 'Parent' shall have the same meaning as provided in Code Section 19-3-37.

19-9-142.

(a) A parent, guardian, or legal custodian of a child may delegate caregiving authority regarding his or her child to a kinship caregiver for a period not to exceed one year, except as provided in Code Section 19-9-150, by executing a power of attorney that substantially complies with this article. A parent, guardian, or legal custodian of a child may delegate to an agent in such power of attorney any power and authority regarding the care and custody of such child, except the power to consent to the marriage or adoption of such child, the performance or inducement of an abortion on or for such child, or the termination of parental rights to such child. Such power and authority may be delegated without the approval of a court, provided that such delegation of power and authority shall not operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order, including a standing order, or deprive a parent, guardian, or legal custodian of a child of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of such child. Furthermore, such delegation of power and authority shall not deprive or limit any support for a child that should be received by such child pursuant to a court order or for any other reason. No such power of attorney shall be executed during the pendency of a divorce or custody action.

(b) Except as limited by federal law, this article, or the direction of a parent, guardian, or legal custodian of a child as expressed in the power of attorney, an agent shall have the same rights, duties, and responsibilities that would otherwise be exercised by such parent, guardian, or legal custodian of a child pursuant to the laws of this state.

(c) An agent shall acknowledge in writing his or her acceptance of the responsibility for caring for a child for the duration of the power of attorney. An agent shall certify that he or she is not currently on the state sexual offender registry of this state or the sexual offender registry for any other state, a United States territory, the District of Columbia, or any Indian Tribe nor has he or she ever been required to register for any such registry. Such certification shall include a criminal background check if requested by the party executing the power of attorney.

(d) The agent under a power of attorney shall act in the best interests of the child. Such agent shall not be liable for consenting or refusing to consent to medical, dental, or mental health care for a child when such decision is made in good faith and is exercised in the best interests of the child.

(e)(1) The agent under a power of attorney shall have the right to enroll the child in a public school serving the area where the agent resides and may enroll the child in a private school, pre-kindergarten program, or home study program.

(2) A public school shall allow such agent with a power of attorney executed under this article to enroll a child.

(3) At the time of enrollment, the agent shall provide to such public school such residency documentation as is customary in that school system.

(4) A public school shall not unreasonably deny enrollment of a child. If a public

school denies enrollment of a child by an agent, such denial may be appealed and shall be treated as any other denial of enrollment of a child in that school system, including all of the remedies otherwise available when enrollment is denied to a child.

19-9-143.

(a) At least 30 days prior to executing a power of attorney under this article:

(1) An individual with sole custody of a child who intends to execute such power of attorney shall provide written notice of such intention to the noncustodial parent by certified mail or statutory overnight delivery, return receipt requested. Such notice shall constitute a change in material conditions or circumstances for the purpose of a child custody modification proceeding; and

(2) An individual who is a guardian or legal custodian of a child who intends to execute such power of attorney shall provide written notice to the child's parents by certified mail or statutory overnight delivery, return receipt requested.

(b) An individual receiving the notice set forth in subsection (a) of this Code section may object to the execution of such power of attorney within 21 days of the delivery of such notice and shall serve his or her objection on the individual intending to execute such power of attorney by certified mail or statutory overnight delivery, return receipt requested. An objection shall prohibit the execution of a power of attorney under this article.

(c) In addition to the notice provided in subsection (a) of this Code section, a parent with sole custody of a child who executes a power of attorney under this article shall comply with any applicable relocation notice requirements under subsection (f) of Code Section 19-9-3.

(d) In the event of an emergency, the written requirement provisions of this Code section may be waived, but in no event shall this provision be interpreted as a means to violate a court order entered pursuant to subsection (f) of Code Section 19-9-3.

19-9-144.

Nothing in this article shall preclude a parent, guardian, legal custodian, or agent from granting temporary written permission to seek emergency medical treatment or other services for a child while such child is in the custody of an adult who is not the parent, guardian, legal custodian, or agent and who is temporarily supervising the child at the request of such parent, guardian, legal custodian, or agent.

19-9-145.

(a) Except as may be permitted by the federal No Child Left Behind Act (P.L. 107-110), an individual executing a power of attorney under this article shall swear or affirm under penalty of law that such action is not being taken for the purpose of enrolling the child in a school to participate in the academic or interscholastic athletic programs provided by that school or for any other unlawful purpose. Violation of this subsection shall be punishable in accordance with state law and may require, in addition to any other remedies, repayment by such parent, guardian, or legal custodian of all

costs incurred by the school as a result of the violation.

(b) An individual shall not execute a power of attorney under this article for the purpose of subverting an investigation of the child's welfare initiated by the Division of Family and Children Services of the Department of Human Services and shall not execute such power of attorney so long as the Division of Family and Children Services of the Department of Human Services has an open child welfare and youth services case with regard to the parent, guardian, or legal custodian, the child, or another child of the parent.

19-9-146.

A power of attorney executed under this article shall be signed and acknowledged before a notary public by the parent, guardian, or legal custodian executing such power of attorney and by the agent accepting such delegation.

19-9-147.

(a)(1) An agent shall have the authority to act on behalf of the minor child on a continuous basis, without compensation, and shall not be subject to any provision concerning the licensing or regulation of foster care homes for the duration of the power of attorney so long as the duration does not exceed the length of time authorized in Code Sections 19-9-142 and 19-9-150 or until the individual who executed the power of attorney revokes the power of attorney in writing and provides notice of the revocation to the agent as provided in this Code section.

(2) An agent shall have the authority to act on behalf of the child until a copy of the revocation of the power of attorney is received by certified mail or statutory overnight delivery, return receipt requested, and upon receipt of the revocation, the agent shall cease to act as agent.

(3) The individual revoking the power of attorney shall send a copy of the revocation of the power of attorney to the agent within five days of the execution of the revocation by certified mail or statutory overnight delivery, return receipt requested. If an individual revokes the power of attorney, the child shall be returned to the custody of the individual who granted the power of attorney as soon as reasonably possible.

(4) The revoking individual shall notify the school, health care providers, and others known to the revoking individual to have relied upon such power of attorney.

(b) The power of attorney executed under this article may also be terminated by any order of a court of competent jurisdiction.

(c) The agent shall notify the school, health care providers, and others known to the agent to have relied upon such power of attorney.

(d) An agent may resign by notifying the individual who appointed the agent in writing by certified mail or statutory overnight delivery, return receipt requested.

(e) Upon the death of the authorizing individual, the agent shall notify the parents of the child, if possible, as soon as practicable.

(f) The authority to designate an agent to act on behalf of a minor child is in addition to

any other lawful action an individual may take for the benefit of such minor child.

(g) A parent shall continue to have the right to medical, dental, mental health, and school records pertaining to the minor child, even when a power of attorney has been executed under this article.

19-9-148.

The execution of a power of attorney under this article shall not constitute abandonment under Code Section 19-10-1 nor be reportable as child abuse or neglect under Code Section 19-7-5 unless the individual who executed such power of attorney fails to take custody of the child or execute a new power of attorney under this article after the expiration or revocation of the power of attorney.

19-9-149.

(a) A child subject to a power of attorney executed under this article shall not be considered placed in foster care as defined in any other provision of law, and the parties to the power of attorney shall not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to community care for children.

(b) An agent who has been delegated caregiving authority under this article shall not be subject to the requirements of any other child care facility or foster care licensing provisions, and such delegation shall not constitute an out-of-home child placement.

(c) This article shall not be construed to exempt a person from the requirements of Chapter 5 of Title 49 regarding the licensing and inspection of child welfare agencies if such person fails to have evidence of a power of attorney executed under this article.

19-9-150.

Except as limited by or in conflict with federal law regarding the armed forces of the United States, a parent who is a member of the armed forces of the United States, including any reserve component thereof, or the commissioned corps of the National Oceanic and Atmospheric Administration or the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the armed forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty, may delegate caregiving authority for a period longer than one year if such parent is deployed as defined in Code Section 19-9-6. Such term of delegation, however, shall not exceed the term of deployment plus 30 days.

19-9-151.

(a) The power of attorney contained in this Code section may be used for the temporary delegation of caregiving authority to an agent. The form contained in this Code section shall be sufficient for the purpose of creating a power of attorney under this article, provided that nothing in this Code section shall be construed to require the use of this particular form.

7. Except as may be permitted by the federal No Child Left Behind Act (P.L. 107-110), I hereby swear or affirm under penalty of law that this power of attorney is not being executed for the purpose of enrolling a child in a school so that the child may participate in the academic or interscholastic athletic programs provided by that school or for any other unlawful purpose.

"(a)(1) The State Board of Education shall annually compute, based upon the initial allotment of funds to each local school system, the total funds needed for direct instructional costs for each program identified in Code Section 20-2-161, specifying the number of positions earned and salaries and operational costs portions. 'Direct instructional costs' is defined as those components of the program weights which are specified in subsections (a) through (g) of Code Section 20-2-182. In computing the total funds needed for direct instructional costs for each program, the state board shall apply the percentage that these costs represent of the total costs used in developing the program weights. The direct instructional costs for the five instructional programs for disabled students shall be summed into one amount for special education. Following the midterm adjustment, the state board shall issue allotment sheets for each local school system and each school reflecting the total amount of earnings, initial earnings, and midterm adjustment, if any, for each program authorized by Code Section 20-2-161. For each such program, each local school system shall spend a minimum of 90 percent of funds designated for direct instructional costs on the direct instructional costs of such program at the school site in which the funds were earned, except that funds earned for special education programs shall be summed for the purposes of this expenditure control. For the purposes of this expenditure control, funds earned for counselors and technology specialists shall each be summed to the school level. Only the state salary amounts resulting from the amount earned on the state-wide salary schedule as approved by the State Board of Education pursuant to Code Section 20-2-212 plus associated benefits funded by the state and the salaries and any state earned benefits or comparable state earned benefits of technology specialists and classroom aides may be applied to the salary cost components for the purpose of meeting this expenditure control. Except as otherwise provided by law or rule and regulation of the state board, local school systems may decide whether direct instructional funds shall be used for teacher salaries, aide salaries, instructional material or equipment, or any other appropriate direct instructional expense; provided, however, that 100 percent of funds earned for direct instructional salaries shall be expended for salaries of direct instructional personnel and classroom aides. The total number of positions earned for direct instruction as specified in Code Section 20-2-182, adjusted for maximum class size, shall be employed for the delivery of services for which the funds were earned. This position control shall be for the kindergarten program, the

kindergarten early intervention program, the primary grades program, and the primary grades early intervention program combined and the combined total for all other programs; provided, however, that positions earned for art, music, foreign language, and physical education, technology specialists, and counselors shall be totaled for all programs. Fractional amounts may be combined and used for any direct instructional position. Funds earned for any fractional amounts may be used for any direct instructional expense. Quality Basic Education Formula funds in excess of the amount required by this paragraph to be expended by a local school system for the direct instructional costs of an instructional program specified by Code Section 20-2-161 which are not expended for direct instructional costs or for the direct instructional costs for virtual instruction which are not expended for virtual instruction pursuant to subsection (f) of this Code section must be returned to the state treasury."

"(f) Ninety percent of funds earned pursuant to this article by a local school system for students enrolled in and receiving only virtual instruction from such local school system but residing in another local school system, shall be spent for costs for such virtual instruction; provided, however, that this shall not apply to virtual instruction received through the Georgia Virtual School established pursuant to Code Section 20-2-319.1 or the clearing-house established pursuant to Code Section 20-2-319.3, or through a state charter school which provides virtual instruction; provided, further, that this subsection shall not be subject to waiver pursuant to Code Section 20-2-82 for a strategic waivers school system, Code Section 20-2-2063.2 for a charter system, Code Section 20-2-2065 for a charter school, or Code Section 20-2-244."

HB 920. By Representatives Kelley of the 16th, Powell of the 171st, Fleming of the 121st, Petrea of the 166th and Cooper of the 43rd:

A BILL to be entitled an Act to amend Article 1 of Chapter 7 of Title 31 of the Official Code of Georgia Annotated, relating to regulation of hospitals and related institutions, so as to restrict civil actions against passive investors in nursing homes and intermediate care homes; to provide for definitions; to provide for procedure; to provide for insurance or self-insurance trusts as a condition precedent to obtaining or maintaining a permit to operate a nursing

home or intermediate care home; to provide for related matters; to repeal conflicting laws; and for other purposes.

Senate Sponsor: Senator Bethel of the 54th.

The Senate Committee on Health and Human Services offered the following substitute to HB 920:

A BILL TO BE ENTITLED
AN ACT

To amend Article 1 of Chapter 7 of Title 31 of the Official Code of Georgia Annotated, relating to regulation of hospitals and related institutions, so as to restrict civil actions against certain parties involved in nursing homes and intermediate care homes; to provide for definitions; to provide for procedure; to provide for insurance or self-insurance trusts as a condition precedent to obtaining or maintaining a permit to operate a nursing home or intermediate care home; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 7 of Title 31 of the Official Code of Georgia Annotated, relating to regulation of hospitals and related institutions, is amended by adding two new Code sections to read as follows:

"31-7-3.3.

(a) As used in this Code section, the term 'excluded party' means a person or entity that neither performs, has the duty to perform, nor controls the performance of any of the following functions at or on behalf of a nursing home or intermediate care home where alleged injuries occurred:

(1) Providing management, operation, or administrative services for such home;

(2) Hiring or firing of the administrator, director of nursing, or other staff working at such home;

(3) Setting or controlling the budget of such home;

(4) Staffing or determining the level of staff at such home;

(5) Providing direct care, treatment, or services to the residents of such home;

(6) Making decisions regarding the care, treatment, or services provided to residents at such home; or

(7) Adopting, implementing, or enforcing the policies and procedures for such home.

(b) Except as otherwise provided by law, the mere ownership of an entity shall not, by itself, create the duty to perform the functions listed in subsection (a) of this Code section.

(c) An excluded party shall not be named in a civil action that alleges their direct or

vicarious liability for the personal injury or death of one or more residents of a nursing home or intermediate care home or a violation of residents' rights at such home under Article 5 of Chapter 8 of this title.

(d) Any person or entity named as a defendant in a civil action or arbitration, who claims to be an excluded party, may serve a notice of such claim upon the plaintiff. Such notice shall be sent to counsel for the plaintiff by certified mail, return receipt requested, or, if the plaintiff does not have an attorney, to the plaintiff personally via certified mail, return receipt requested. Such notice shall be served after the discovery period begins under applicable law for the case but not later than 30 days after such discovery period begins.

(e) If, after the expiration of 90 days from the date the notice described in subsection (d) of this Code section is received, the plaintiff does not agree to a dismissal without prejudice of such defendant claiming to be an excluded party, and:

(1) The court later determines that there is no genuine issue of material fact as to whether such defendant is an excluded party, grants summary judgment to such defendant as to this issue, and such order becomes final after any appeal; or

(2) If an arbitrator enters judgment for such defendant as to this issue and determines that there was not a good faith basis in law and fact for the plaintiff's claim that such defendant was not an excluded party and such order becomes final after any appeal,

then such finding by an arbitrator or final judgment by a court shall be deemed a finding that the plaintiff's claim against such defendant was substantially frivolous, substantially groundless, or substantially vexatious. Upon such a final judgment or finding, such excluded party shall be entitled to an award of reasonable and necessary attorneys' fees and expenses of litigation upon the filing of a motion. The court or arbitrator shall award only such reasonable and necessary attorneys' fees and expenses of litigation as the court or arbitrator determines were related to the defense of only such excluded party and not to the defense of other defendants in such action, unless otherwise authorized by law. Such attorneys' fees and expenses so awarded shall be assessed against the party asserting such claim, or against such party's attorney, or against both in such manner as is just.

(f) In the event that the plaintiff prevails on any claim against a defendant claiming to be an excluded party and if the court or an arbitrator determines that there was not a good faith basis in law and fact for the defendant's claim that such defendant was an excluded party, and such order becomes final after appeal, then such judgment by a court or arbitrator shall be deemed a finding that the contention by such defendant that it was an excluded party was substantially frivolous, substantially groundless, or substantially vexatious. Upon such a final judgment or finding, the plaintiff shall be entitled to an award of reasonable and necessary attorneys' fees and expenses of litigation upon the filing of a motion. The court or arbitrator shall award only such reasonable and necessary attorneys' fees and expenses of litigation that were incurred in the pursuit of the action against the defendant claiming to be an excluded party, and the plaintiff shall not be entitled to an award of reasonable and necessary attorneys' fees and expenses of litigation that were incurred in the pursuit of the action against other

defendants, unless otherwise authorized by law. Such attorneys' fees and expenses so awarded shall be assessed against the party asserting such claim, or against such party's attorney, or against both in such manner as is just.

(g) Notwithstanding Code Section 51-7-85, subsections (e) and (f) of this Code section shall be in addition to and shall not limit a party's right to pursue a recovery pursuant to Code Section 9-15-14 or Article 5 of Chapter 7 of Title 51.

(h) The time period set forth in subsection (e) of this Code section may be extended by agreement of the parties or by order of the court; provided, however, that if during such time period any party files a motion to stay the case or a motion to compel arbitration, such time period shall be extended for 30 days following the date the court rules on such motion; and provided, further, that if any party files a motion to compel discovery, such period shall be extended until 30 days following the date that the party complies with the court's order to produce discovery, whichever is later.

(i) A defendant which is a licensee shall not identify an excluded party as a potentially at-fault nonparty for purposes of apportionment under Code Section 51-12-33, unless such nonparty has entered into a settlement agreement with the plaintiff or claimant.

31-7-3.4.

(a) As used in this Code section, the term 'nursing home claim' means a claim alleging direct or vicarious liability for the personal injury or death of one or more residents of a nursing home or intermediate care home or a violation of residents' rights at such home under Article 5 of Chapter 8 of this title.

(b)(1) As a condition precedent to obtaining or maintaining a permit under this article to operate a nursing home or intermediate care home, a licensee shall carry or be covered by liability insurance coverages or establish or have established for its benefit a self-insurance trust for a nursing home claim.

(2) If a licensee fails to carry or be covered by liability insurance coverages or establish or have established for its benefit a self-insurance trust for a nursing home claim, the department shall provide notice to such licensee of its noncompliance and allow such licensee 60 days in which to comply. A licensee's failure to maintain such coverage or establish such trust shall result in the department:

(A) Revoking such licensee's permit issued pursuant to this article to operate the nursing home or intermediate care home;

(B) Denying any application to renew such permit; and

(C) Denying any application for a change of ownership of the nursing home or intermediate care home."

SECTION 2.

This Act shall become effective on July 1, 2016, and shall apply to any claim filed on or after July 1, 2016.

SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.

Such written verification shall certify that the party and his or her attorney of record, if any, have read the claim; that to the best of their knowledge, information, and belief formed after reasonable inquiry it is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; that the act forming the basis for the claim is not a privileged communication under paragraph (4) of Code Section 51-5-7; and that the claim is not interposed for any improper purpose such as to suppress a person's or entity's right of free speech or right to petition government, or to harass, or to cause unnecessary delay or needless increase in the cost of litigation. If the claim is not verified as required by this subsection, it shall be stricken unless it is verified within ten days after the omission is called to the attention of the party asserting the claim. If a claim is verified in violation of this Code section, the court, upon motion or upon its own initiative, shall impose upon the persons who signed the verification, a represented party, or both an appropriate sanction which may include dismissal of the claim and an order to pay to the other party or parties the amount of the reasonable expenses incurred because of the filing of the pleading, including a reasonable attorney's fee.~~

~~(2) In making the determination as provided for in paragraph (1) of this subsection, the court shall consider the pleadings and supporting and opposing affidavits stating the facts upon which the liability or defense is based; provided, however, that if there exists a claim that the nonmoving party is a public figure plaintiff, then the nonmoving party shall be entitled to discovery on the sole issue of actual malice whenever actual malice is relevant to the court's determination under paragraph (1) of this subsection.~~

~~(3) If the court determines that the nonmoving party under paragraph (1) of this subsection has established a probability that he or she would prevail on the claim, neither that determination nor the fact of such determination shall be admissible in evidence at any later stage of the case or in any subsequent action and no burden or proof or degree of proof otherwise applicable shall be affected by such determination in any later stage of the case or in any subsequent proceeding.~~

~~(b.1) In any action subject to subsection (b) of this Code section, a prevailing moving party on a motion to strike shall be granted the recovery of attorney's fees and expenses of litigation related to the action in an amount to be determined by the court based on~~

the facts and circumstances of the case. If the court finds that a motion to strike is frivolous or is solely intended to cause unnecessary delay, the court shall award attorney's fees and expenses of litigation to the nonmoving party prevailing on the motion for the attorney's fees and expenses of litigation associated with the motion in an amount to be determined by the court based on the facts and circumstances of the case.

(c) As used in this Code section, the term 'act in furtherance of the person's or entity's right of petition or free speech or the right to petition government for a redress of grievances under the Constitution of the United States or the Constitution of the State of Georgia in connection with an issue of public interest or concern' includes any shall include:

(1) Any written or oral statement, or writing, or petition made before or to a legislative, executive, or judicial proceeding, or any other official proceeding authorized by law, or any;

(2) Any written or oral statement, or writing, or petition made in connection with an issue under consideration or review by a legislative, executive, or judicial body, or any other official proceeding authorized by law;

(3) Any written or oral statement or writing or petition made in a place open to the public or a public forum in connection with an issue of public interest or concern; or

(4) Any other conduct in furtherance of the exercise of the constitutional right of petition or free speech in connection with a public issue or an issue of public concern.

(d) All discovery and any pending hearings or motions in the action shall be stayed upon the filing of a motion to dismiss or a motion to strike made pursuant to subsection (b) of this Code section until a final decision on the motion. The motion shall be heard not more than 30 days after service unless the emergency matters before the court require a later hearing. The court, on noticed motion and for good cause shown, may order that specified discovery or other hearings or motions be conducted notwithstanding this subsection.

(e) An order granting or denying a motion to dismiss or a motion to strike shall be subject to direct appeal in accordance with subsection (a) of Code Section 5-6-34.

~~(e)~~(f) Nothing in this Code section shall affect or preclude the right of any party to any recovery otherwise authorized by common law, statute, law, or rule.

(g) This Code section shall not apply to any action brought by the Attorney General or a prosecuting attorney, or a city attorney acting as a prosecutor, to enforce laws aimed at public protection.

~~(f)~~(h) Attorney's fees and expenses of litigation under this Code section ~~may~~ shall be requested by motion at any time during the course of the action but not later than 45 days after the final disposition, including but not limited to dismissal by the plaintiff, of the action."

SECTION 3.

Chapter 5 of Title 51 of the Official Code of Georgia Annotated, relating to libel and slander, is amended in Code Section 51-5-7, relating to privileged communications, by

revising paragraph (4) as follows:

"(4) Statements made in good faith as part of an act in furtherance of the person's or entity's right of petition or free speech ~~or the right to petition government for a redress of grievances~~ under the Constitution of the United States or the Constitution of the State of Georgia in connection with an issue of public interest or concern, as defined in subsection (c) of Code Section 9-11-11.1;"

Senate Sponsor: Senator Bethel of the 54th.

The Senate Committee on State and Local Governmental Operations (General) offered the following substitute to HB 691:

A BILL TO BE ENTITLED
AN ACT

To amend Article 1 of Chapter 32 of Title 36 of the Official Code of Georgia Annotated, relating to municipal courts generally, so as to provide for the removal of appointed municipal court judges under certain circumstances; to provide for procedure; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 32 of Title 36 of the Official Code of Georgia Annotated, relating to municipal courts generally, is amended by revising subsection (a) of Code Section 36-32-2, relating to appointment of judges, as follows:

"(a) Notwithstanding any other provision of this chapter or any general or local Act, the governing authority of each municipal corporation within this state having a municipal court, as provided by the Act incorporating the municipal corporation or any amendments thereto, is authorized to appoint a judge of such court. Any ~~person~~ individual appointed as a judge under this Code section shall possess such qualifications as set forth in Code Section 36-32-1.1 and shall receive such compensation as shall be fixed by the governing authority of the municipal corporation ~~and shall serve at the pleasure of the governing authority.~~ Any individual appointed as a judge under this Code section shall serve for a minimum term of one year and until a successor is appointed or if the judge is removed from office as provided in Code Section 36-32-2.2. Such term shall be memorialized in a written agreement between such individual and the governing authority of the municipal corporation or in an ordinance or a charter. With respect to an individual serving as a municipal court judge in a consolidated government, the local Act shall determine the term of such judge."

SECTION 2.

Said article is further amended by adding a new Code section to read as follows:

"36-32-2.2.

(a) As used in this Code section, the term 'judge' means an individual serving as an appointed municipal court judge.

(b)(1) A judge may be removed during his or her term of office by a two-thirds' vote of the entire membership of the governing authority of the municipal corporation for:

(A) Willful misconduct in office;

(B) Willful and persistent failure to perform duties;

(C) Habitual intemperance;

(D) Conduct prejudicial to the administration of justice which brings the judicial office into disrepute; or

(E) Disability seriously interfering with the performance of duties, which is, or is likely to become, of a permanent character.

(2) A municipality may define in its charter further conduct that may lead to a judge's removal.

(c) Removal proceedings pursuant to subsection (b) of this Code section may be initiated only by written petition setting forth the grounds for removal of a judge signed by one or more members of the governing authority of the municipal corporation. Upon submission of the petition to remove the judge to such governing authority, the governing authority may consider the petition and determine if the petition relates to and adversely affects the administration of the office of the judge and the rights and interests of the public. If it is determined at a public meeting by a majority vote of the governing authority of the municipal corporation that there is an adverse impact, the judge may be suspended immediately and without further action for up to 60 days pending the final determination pursuant to subsection (e) of this Code section. A judge suspended pursuant to this subsection shall continue to receive the compensation from his or her office until the final determination on the petition or expiration of the suspension.

(d) If by the expiration of the suspension period no formal resolution of the petition has been made, the judge shall be reinstated.

(e) Removal proceedings shall consist of an open and public hearing held by the governing authority of the municipal corporation, provided that the judge against whom such charges have been brought shall be furnished a copy of the charges at least ten days prior to the hearing. At the conclusion of the hearing, the governing authority of the municipal corporation shall determine whether or not to remove the judge from office. The governing authority of the municipal corporation may adopt rules governing the procedures at such hearings, provided that such hearings comport with due process. The right of certiorari from the decision to remove a judge from office shall exist, and such certiorari shall be obtained under the sanction of a judge of the superior court of the circuit in which the governing authority of the municipal corporation is situated.

(f) This Code section shall not affect the power and authority of the Judicial

Qualifications Commission to discipline, remove, or cause the involuntary retirement of judges.

(g) Any vacancy in a judgeship created by the removal of a judge pursuant to this Code section may be temporarily filled by the governing authority of the municipal corporation for a period not longer than 90 days by any individual qualified by law to serve as a municipal court judge. If after the conclusion of the removal proceedings, including the appeal period, there is a vacancy for such judgeship, the governing authority of the municipal corporation may appoint a judge in the same manner as set forth in Code Section 36-32-2.

(h) The provisions of this Code section shall expressly supersede any conflicting local law of this state; provided, however, that this Code section shall not apply to a local Act creating a municipal court for a consolidated government."

Honorable Kevin Tanner
State Representative
401-E Coverdell Legislative Office Bldg.
Atlanta, Georgia 30334

SUBJECT: Fiscal Note
House Bill 726 (LC 34 4723)

Dear Representative Tanner:

The bill would amend the excise tax on tobacco products. Specifically, it would exclude the amount of federal excise tax and shipping charges from the taxable base, as long as those amounts are stated separately on the sales invoice. This bill would only affect products in which the tax is a percentage of the wholesaler's cost (cigars, loose tobacco, and smokeless tobacco). Products in which the tax is per unit (cigarettes and little cigars) would not be impacted. The legislation would become effective on July 1, 2016.

Georgia State University's Fiscal Research Center (FRC) estimated that the bill would reduce state revenue by \$3.5 million in fiscal year 2017. As shown in **Table 1**, the estimated annual reduction gradually increases to \$4.1 million in fiscal year 2021. Details of FRC's analysis are included in the appendix.

Table 1. State Revenue Effects of LC 34 4723

<i>(\$ millions)</i>	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021
Current Law Revenue	\$45.6	\$47.7	\$49.8	\$52.1	\$54.5
Proposed Law Revenue	\$42.2	\$44.1	\$46.0	\$48.1	\$50.3
Change in State Revenue	(\$3.5)	(\$3.6)	(\$3.8)	(\$4.0)	(\$4.1)

Note: Numbers may not add due to rounding

Sincerely,

/s/ Greg S. Griffin
State Auditor

Office of Planning and Budget

Appendix: Analysis by the Fiscal Research Center

Given the methodology for taxation by units rather than price for cigarettes (37 cents per pack of 20 cigarettes) and little cigars (two and one-half mills or 0.25 cents each) under §48-11-2, the taxable base for these items will not change under the proposed legislation, thus these products are excluded from this analysis. Products affected include cigars (other than little cigars), loose tobacco (pipe and roll-you-own cigarette tobacco), and smokeless tobacco (chewing tobacco and snuff). The applicable tax rates on these products are as follows:

- Cigars: 23 percent of wholesale price, not to exceed 46 cents per cigar.
- Loose and smokeless tobacco: 10 percent of wholesale price.

The Department of Revenue reports excise tax collections on these products in FY 2015 of approximately \$24.8 million for cigars, \$14.8 million for smokeless products, and \$2.3 million for loose tobacco. Combined revenue from these products was up about 4.4 percent over FY 2014, with loose tobacco down 3.9 percent and the other two categories up 4.9 percent each. These revenue figures were used to estimate the current law's taxable base for these products and to estimate the portions of these amounts attributable to federal excise taxes and shipping costs.

Shipping costs are estimated, based on industry sources, to average about 3 percent of wholesale cost. Federal excise taxes on these products are as follows:

- Cigars: 52.75 percent of wholesale price, not to exceed 40.26 cents per cigar.
- Loose tobacco
 - Pipe: \$2.8311 per pound
 - Roll-your-own: \$24.78 per pound
- Smokeless tobacco
 - Chewing: \$0.5033 per pound
 - Snuff: \$1.51 per pound

Based on information from the Department of Revenue about current industry practices, it is assumed that federal excise taxes are itemized on about 20 percent of transactions and shipping is itemized on about 95 percent of transactions. Practices for calculating the state excise tax have been inconsistent in the past, with these costs generally excluded when itemized but included when not itemized. As a result, the tax base implied by recent actual collections is estimated to exceed the tax base under the proposed law by 1) the amount of shipping for 5 percent of transactions and 2) the amount of federal taxes for 80 percent of transactions.

In estimating the revenue effects of the bill, it is assumed that federal excise and shipping costs will be itemized for substantially all transactions after the effective date. Proposed law revenues are estimated on the basis of the estimated tax base after

adjusting for these factors. Both the current law and proposed law revenues are then projected forward from FY 2015 levels at the growth rates described above. Recent revenue growth rates appear to be consistent with the limited available industry data media reports on expected sales growth, so these rates are assumed to continue. For example, a Marketplace (public radio news) report in June 2014 quoted a Bloomberg analyst as forecasting 6 percent annual growth in smokeless products while market research firm Euromonitor International reported in an August 2015 report that large cigar sales in the U.S. are expected to grow by 5 percent per year through 2019.

The breakdown of revenue estimates by category are included in Table 2.

Table 2. Revenue Effects of LC 34 4723 by Category

Product Type	(\$ millions)	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021

	Proposed Law Revenue	\$24.5	\$25.7	\$27.0	\$28.3	\$29.7
Loose Tobacco	Current Law Revenue	\$2.1	\$2.0	\$1.9	\$1.9	\$1.8
	Proposed Law Revenue	\$1.9	\$1.8	\$1.7	\$1.7	\$1.6
Smokeless Tobacco	Current Law Revenue	\$16.3	\$17.1	\$17.9	\$18.8	\$19.7
	Proposed Law Revenue	\$15.8	\$16.6	\$17.4	\$18.2	\$19.1

A BILL TO BE ENTITLED
AN ACT

To amend Title 43 of the Official Code of Georgia Annotated, relating professions and businesses, so as to enact the "Georgia Professional Regulation Reform Act"; to provide for executive oversight of licensing boards; to establish state policy for the regulation of certain professions and businesses; to provide for legislative intent; to provide for definitions; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

The General Assembly finds, determines, and declares that:

(1) In *N.C. State Bd. of Dental Exam'rs v. FTC*, 135 S. Ct. 1101 (2015), the Supreme Court of the United States established a new standard for determining whether state professional licensing boards and board members are entitled to immunity for federal antitrust violations. Pursuant to *N.C. State Bd. of Dental Exam'rs*, state professional licensing boards and board members are entitled to antitrust immunity only if:

(A) Their anticompetitive conduct is consistent with "clearly articulated" state policy; and

(B) The state provides "active supervision" of their conduct.

(2) It is the policy of the State of Georgia to increase economic opportunities for all of its citizens by promoting competition and thereby encouraging innovation and job growth. It is therefore also the policy of the State of Georgia to displace competition only when necessary to protect consumers from present, significant, and substantiated harms that threaten public health and safety.

(3) By establishing the policies and procedures of this chapter, the General Assembly intends to ensure that the state's professional licensing boards and board members are entitled to antitrust immunity and that state laws relating to professions and businesses are interpreted and enforced in a manner consistent with clearly articulated state policy.

SECTION 2.

Title 43 of the Official Code of Georgia Annotated, relating to professions and businesses, is amended by adding a new chapter to read as follows:

"CHAPTER 1C

43-1C-1.

This chapter shall be known and may be cited as the 'Georgia Professional Regulation Reform Act.'

43-1C-2.

As used in this chapter, the term:

(1) 'Governor' means the Governor of the State of Georgia or his or her designee.

(2) 'Professional licensing board' means any board, bureau, commission, or other agency of the executive branch of state government which is created for the purpose of licensing or otherwise regulating or controlling any profession, business, or trade, including all boards, bureaus, commissions, or other agencies established pursuant to this title or Chapter 4 of Title 26; provided, however, that such term shall not include the State Bar of Georgia.

(3) 'Rule' means a regulation, standard, or statement of general applicability, whether formal or informal, that implements, interprets, or prescribes law or policy or describes the organization, procedure, or practice requirements of any professional licensing board. Such term shall include the amendment or repeal of a prior rule but shall not include statements of policy or interpretation made as part of a decision in a contested case.

43-1C-3.

(a) The Governor shall have the authority and duty to actively supervise the professional licensing boards of this state to ensure that their actions are consistent with clearly articulated state policy and shall therefore have the authority and duty to:

(1) Review and, in writing, approve or veto any rule before it is filed in the office of the Secretary of State if such rule is required to be filed in the office of the Secretary of State by Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' or before such rule becomes effective, if filing is not required;

(2) Review and, in writing, approve or veto any rule that is:

(A) Challenged via an appeal to the Governor after the denial of a petition filed pursuant to Code Section 50-13-9; or

(B) Submitted by a professional licensing board for review by the Governor;

(3) Review and, in writing, approve, remand, modify, or reverse any action by a professional licensing board that is:

(A) Challenged via an appeal to the Governor; or

(B) Submitted by a professional licensing board for review by the Governor; and

(4) Promulgate any regulations or executive orders necessary to effectuate the provisions of this chapter, including regulations or orders relating to the process, procedures, and timelines that will govern any appeal or submission filed in accordance with this Code section.

(b) Any review undertaken by the Governor pursuant to subsection (a) of this Code section shall be fully completed within 90 days.

(c) Nothing in this Code section shall be interpreted to subject the Governor to any of the administrative procedures of Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'"

SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.

On the adoption of the substitute, there were no objections, and the committee substitute was adopted.

SECTION 1.

Chapter 13 of Title 10 of the Official Code of Georgia Annotated, relating to tobacco product manufacturers, is amended by revising Code Section 10-13-2, relating to definitions regarding tobacco product manufacturers, as follows:

(1) 'Adjusted for inflation' means increased in accordance with the formula for inflation adjustment set forth in Exhibit C to the Master Settlement Agreement.

(2) 'Affiliate' means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another person. Solely for purposes of this definition, the terms 'owns,' 'is owned,' and 'ownership' mean ownership of an equity interest, or the equivalent thereof of 10 percent or more, and the term 'person' means an individual, partnership, committee, association, corporation, or any other organization or group of persons.

(3) 'Allocable share' means Allocable Share as that term is defined in the Master Settlement Agreement.

(4) 'Cigarette' means any product that contains nicotine, is intended to be burned or heated under ordinary conditions of use, and consists of or contains (A) any roll of tobacco wrapped in paper or in any substance not containing tobacco; or (B) tobacco, in any form, that is functional in the product, which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette; or (C) any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette described in clause (A) of this definition. The principal balance in the qualified escrow fund must always be maintained so that both the face value and the cost basis of the account are each equal to or greater than the accumulated principal deposits.

~~(7)~~(8) 'Released claims' means Released Claims as that term is defined in the Master

Settlement Agreement.

The state revenue commissioner shall and the Attorney General may promulgate such regulations as are necessary to ascertain the amount of state excise tax paid on the cigarettes of such tobacco product manufacturer for each year."

SECTION 2.

Said chapter is further amended by revising Code Section 10-13-3, relating to deposits into escrow accounts, as follows:

(c) Neither a tobacco product manufacturer nor brand family shall be included or retained in the directory if the Attorney General concludes, in the case of a nonparticipating manufacturer, that:

10-13A-6.

(a) Any nonresident or foreign nonparticipating manufacturer or importer that has not registered to do business in this state as a foreign corporation or business entity shall, as a condition precedent to having its brand families included or retained in the directory, appoint and continually engage without interruption the services of an agent in this state as required by Code Section 48-11-5 to act as agent for the service of process on whom all process and any action or proceeding against it concerning or arising out of the enforcement of Chapter 13 of this title or this chapter may be served in any manner authorized by law. Such service shall constitute legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer shall provide the name, address, phone number, and proof of the appointment and availability of such agent to the satisfaction of the commissioner and Attorney General.

(b) The nonparticipating manufacturer or importer shall provide notice to the commissioner and Attorney General 30 calendar days prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the Attorney General of the appointment of a new agent no less than five calendar days prior to the termination of an existing agent appointment. In the event an agent terminates an

(c) Any nonparticipating manufacturer or importer whose cigarettes are sold in this state who has not appointed and engaged an agent as required in this Code section shall be deemed to have appointed the Secretary of State as such agent and may be proceeded against in courts of this state by service of process upon the Secretary of State; provided, however, that the appointment of the Secretary of State as such agent shall not satisfy the condition precedent for having the brand families of the nonparticipating manufacturer or importer included or retained in the directory.

(d) The Attorney General shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of this chapter. Unless otherwise provided by agreement between a retail dealer and the wholesaler or a tobacco product manufacturer, a retail dealer shall be entitled to a refund from the wholesaler or a tobacco product manufacturer for any money paid by the retail dealer to the wholesaler or such tobacco product manufacturer for any cigarettes of the tobacco product manufacturer still in the possession of the retail dealer on the effective date of removal from the directory of that tobacco product manufacturer or brand family.

Escrow obligations above the amount collected on the bond remain due from that nonparticipating manufacturer and from the importers that sold its cigarettes during that calendar quarter and at any time prior to the removal of the nonparticipating manufacturer and brand from the directory.

The distributor shall also certify that the information provided to the Attorney General is complete and accurate. The distributor shall maintain and make available to the Attorney General all invoices and documentation of sales of all nonparticipating manufacturer cigarettes and any other information relied upon in reporting to the Attorney General for a period of five years.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

The General Assembly finds that:

- (1) From time to time, parents experience short-term difficulties that impair their ability to perform the regular and expected functions to provide care and support to their children;
- (2) Parents need a means to confer to a relative or individual with whom a child has a significant relationship the temporary authority to act on behalf of a child without the time and expense of a court proceeding or the involvement of the Division of Family and Children Services of the Department of Human Services; and
- (3) Providing a statutory mechanism for granting such authority enhances family preservation and stability.

SECTION 1-2.

Chapter 9 of Title 19 of the Official Code of Georgia Annotated, relating to child custody proceedings, is amended by adding a new article to read as follows:

"ARTICLE 5

19-9-140.

This article shall be known and may be cited as the 'Supporting and Strengthening Families Act.'

19-9-141.

As used in this article, the term:

- (1) 'Child' means an individual who is under the age of 18 years.
- (2) 'Fictive kin' shall have the same meaning as provided in Code Section 15-11-2.
- (3) 'Guardian' means an individual appointed pursuant to Title 29 or by a court of law.
- (4) 'Kinship caregiver' means a grandparent, aunt, uncle, great aunt, great uncle, cousin, or sibling of a child or a fictive kin.
- (5) 'Legal custodian' shall have the same meaning as provided in Code Section 15-11-2.
- (6) 'Parent' shall have the same meaning as provided in Code Section 15-11-2.

19-9-142.

(a) A parent, guardian, or legal custodian of a child, by a properly executed power of attorney provided in Code Section 19-9-150, may delegate to a kinship caregiver residing in this state caregiving authority regarding his or her child for a period not to exceed one year, except as provided in Code Section 19-9-149. A parent, guardian, or legal custodian of a child may delegate to such attorney-in-fact any power and authority regarding the care and custody of such child, except the power to consent to the marriage or adoption of such child, the performance or inducement of an abortion on or for such child, or the termination of parental rights to such child. Such power and authority may be delegated without the approval of a court by executing in writing a power of attorney for the care and custody of a child in a form substantially complying with the provisions of this article. A delegation of power and authority under this Code section shall not operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order or deprive a parent, guardian, or legal custodian of a child of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of such child.

(b) Except as limited by federal law, this Code section, or the wishes of the parent, guardian, or legal custodian of a child as expressed in the power of attorney, the attorney-in-fact shall have the same rights, duties, and responsibilities that would otherwise be exercised by such parent, guardian, or legal custodian of a child pursuant to the laws of this state.

(c) An attorney-in-fact shall acknowledge in writing his or her acceptance of the responsibility for caring for a child for the duration of the power of attorney. An attorney-in-fact shall certify that he or she is not currently on the state sexual offender registry of this state or the sexual offender registration for any other state, a United States territory, the District of Columbia, or any Indian Tribe nor has he or she ever been required to register for any such registry.

(d) The attorney-in-fact under a power of attorney for the care and custody of a child shall act in the best interest of the child. Such attorney-in-fact shall not be liable for consenting or refusing to consent to medical, dental, or mental health care for a child when such decision is made in good faith and is exercised in the best interest of the child.

(e)(1) The attorney-in-fact shall have the right to enroll the child in a public school serving the area where the attorney-in-fact resides and may enroll the child in a private school, pre-kindergarten program, or home study program.

(2) A public school shall allow such attorney-in-fact with a properly executed power of attorney for the care and custody of a child to enroll such child.

(3) At the time of enrollment, the attorney-in-fact shall provide to such public school such residency documentation as is customary in that school district.

(4) A public school shall not unreasonably deny enrollment of a child. If a public school denies enrollment of a child by an attorney-in-fact, such denial may be appealed and shall be treated as any other denial of enrollment of a child in that school district, including all of the remedies otherwise available when enrollment is

denied to a child.

19-9-143.

(a) When only one parent has legal custody of a child, he or she shall provide written notice to the other parent, by certified mail or statutory overnight delivery, 30 days prior to the executing of a power of attorney under this article.

(b) The parent receiving the notice set forth in subsection (a) of this Code section may object to the execution of a power of attorney within 21 days of the delivery of such notice. Such objection shall be filed in the superior court of circuit where the child resides and shall be served by certified mail or statutory overnight delivery. Within 30 days of the objection being filed, the court shall hold an expedited hearing and determine whether the power of attorney is in the best interest of the child. The power of attorney shall not become effective until the court finds it to be in the best interest of the child.

(c) In addition to the notice provided in subsection (a) of this Code section, a parent executing a power of attorney under this article shall comply with any applicable relocation notice requirements under subsection (f) of Code Section 19-9-3.

(d) In the event of an emergency, the written requirement provisions of this Code section may be waived, but in no event shall this provision be interpreted as a means to violate a court order entered pursuant to subsection (f) of Code Section 19-9-3.

19-9-144.

Nothing in this article shall preclude a parent, guardian, legal custodian, or attorney-in-fact from granting temporary written permission to seek emergency medical treatment or other services for a child while in the custody of an adult who is not the parent, guardian, legal custodian, or attorney-in-fact and who is temporarily supervising the child at the request of the parent, guardian, legal custodian, or attorney-in-fact.

19-9-145.

(a) Except as may be permitted by the federal No Child Left Behind Act (P.L. 107-110), a parent, guardian, or legal custodian executing the power of attorney for the care and custody of a child shall swear or affirm under penalty of law that such action is not being taken for the purpose of enrolling the child in a school to participate in the academic or interscholastic athletic programs provided by that school or for any other unlawful purpose. Violation of this subsection shall be punishable in accordance with state law and may require, in addition to any other remedies, repayment by such parent, guardian, or legal custodian of all costs incurred by the school as a result of the violation.

(b) A parent, guardian, or legal custodian shall not execute a power of attorney for the care and custody of a child for the purpose of subverting an investigation of the child's welfare initiated by the Division of Family and Children Services of the Department of Human Services and shall not execute such power of attorney so long as the Division of Family and Children Services has an open child welfare and youth services case with

regard to the parent, guardian, or legal custodian, the child, or another child of the parent.

(c) The power of attorney for the care and custody of a child shall be signed and acknowledged before a notary public by the parent, guardian, or legal custodian executing the power of attorney.

19-9-146.

SECTION 1.

This Act shall be known and may be cited as the "Protecting Military Children Act."

SECTION 2.

Article 1 of Chapter 7 of Title 19 of the Official Code of Georgia Annotated, relating to parent and child relationship general provisions, is amended in Code Section 19-7-5, relating to the reporting of child abuse, by revising subsections (e) and (f) and by adding a new subsection to read as follows:

"(e) With respect to reporting required by subsection (c) of this Code section, an oral report by telephone or other oral communication or a written report by electronic submission or facsimile shall be made immediately, but in no case later than 24 hours

from the time there is reasonable cause to believe that suspected child abuse has occurred. When a report is being made by electronic submission or facsimile to the Division of Family and Children Services of the Department of Human Services, it shall be done in the manner specified by the division. Oral reports shall be followed by a later report in writing, if requested, to a child welfare agency providing protective services, as designated by the Division of Family and Children Services of the Department of Human Services, or, in the absence of such agency, to an appropriate police authority, including military law enforcement if applicable, or district attorney. If a report of child abuse is made to the child welfare agency or independently discovered by the agency, and the agency has reasonable cause to believe such report is true or the report contains any allegation or evidence of child abuse, then the agency shall immediately notify the appropriate police authority or district attorney. Such reports shall contain the names and addresses of the child and the child's parents or caretakers, if known, the child's age, the nature and extent of the child's injuries, including any evidence of previous injuries, and any other information that the reporting person believes might be helpful in establishing the cause of the injuries and the identity of the perpetrator. Photographs of the child's injuries to be used as documentation in support of allegations by hospital employees or volunteers, physicians, law enforcement personnel, school officials, or employees or volunteers of legally mandated public or private child protective agencies may be taken without the permission of the child's parent or guardian. Such photographs shall be made available as soon as possible to the chief welfare agency providing protective services and to the appropriate police authority.

(e.1) The child welfare agency shall make efforts as soon as practicable to determine the military status of parents or guardians whose children are subject to abuse or neglect allegations. If the agency determines that a parent or guardian of an abused or neglected child maintains active duty status within the military, the agency shall notify the applicable military installation family advocacy program that there is an allegation of abuse or neglect that relates to such child.

(f) Any person or persons, partnership, firm, corporation, association, hospital, or other entity participating in the making of a report or causing a report to be made to a child welfare agency providing protective services or to an appropriate police authority or military law enforcement pursuant to this Code section or any other law or participating in any judicial proceeding or any other proceeding resulting therefrom shall in so doing be immune from any civil or criminal liability that might otherwise be incurred or imposed, provided that such participation pursuant to this Code section or any other law is made in good faith. Said article is further amended in Code Section 19-7-1, relating to in whom parental power lies, how much power lost, and recovery for homicide of a child, by revising subsection (b.1) as follows:

"(b.1) Notwithstanding subsections (a) and (b) of this Code section or any other law to the contrary, in any action involving the custody of a child between the parents or either parent and a third party limited to grandparent, great-grandparent, aunt, uncle, great aunt, great uncle, sibling, ~~or~~ adoptive parent, or fictive kin as such term is defined in paragraph (33) of Code Section 15-11-2, parental power may be lost by the parent, parents, or any other person if the court hearing the issue of custody, in the exercise of its sound discretion and taking into consideration all the circumstances of the case, determines that an award of custody to such third party is for the best interest of the child or children and will best promote their welfare and happiness. There shall be a rebuttable presumption that it is in the best interest of the child or children for custody to be awarded to the parent or parents of such child or children, but this presumption may be overcome by a showing that an award of custody to such third party is in the best interest of the child or children. The sole issue for determination in any such case shall be what is in the best interest of the child or children."

SUBJECT: State Auditor's Certification
 Substitute to House Bill 602
 (LC 43 0213S)

Dear Representative Willard:

This substitute bill would amend provisions relating to the Fulton County Board of Education Pension Plan. With respect to all plan members, this bill would:

- Amend provisions relating to the terms of office for Board members.

This is to certify that this substitute bill is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

SUBJECT: Fiscal Note
House Bill 922 (LC 34 4801)

Dear Chairman Powell:

The bill modifies the definition of a taxpayer that could qualify for the Quality Jobs Tax Credit (QJTC). It expands the number that may receive the credit by allowing a taxpayer to combine the employment growth in all disregarded entities to fulfill the 50-person employment threshold necessary for the credit.

Georgia State University's Fiscal Research Center (FRC) was not able to estimate the fiscal impact of the bill due to a lack of necessary data. FRC provided the following narrative regarding the bill:

Under current law, single member limited liability companies (SMLLC) may be treated as disregarded entities for the purpose of determining state income tax liability. If the SMLLC is solely owned by an individual, the income from the entity may be included as sole proprietorship income on the taxpayer's return. If the SMLLC is solely owned by a corporation, the income associated with the LLC may be included on the corporate return. However, credits are generally earned on a separate legal entity basis. As such, to qualify for the QJTC, the SMLLC must meet the 50-person employment threshold as a separate entity.

This bill would allow the owner of the SMLLC to combine the employment growth of all disregarded SMLLCs owned by that taxpayer with the employment growth of the principal sole proprietorship or corporation for the purpose of qualifying for the QJTC. Consider the example of someone who owns two fast food restaurants, each organized as a SMLLC. If Restaurant A increases employment by 25 people and Restaurant B increases employment by 25 people, under current law neither entity would meet the employment threshold.

Alternatively, this legislation would allow the taxpayer to combine the employment gains at Restaurant A and B in order to meet the 50 person employment threshold.

At this time, we do not have sufficient information to provide an exact revenue cost associated with this provision other than to state that this provision will have a negative impact on state revenues. Allowing taxpayers to aggregate the increase in employment across all the disregarded SMLLCs and the principal entity that they may own allows additional taxpayers to qualify for the QJTC. To qualify for the QJTC a taxpayer must create at least 50 new full-time jobs in any one year. The value of the credit per employee ranges from \$2,500 to \$5,000 depending on the wage paid relative to the average wage of the county in which the position is located. Once eligible, the taxpayer may claim the credit annually for five years. All jobs have to be maintained by the employer for the period for which the tax credit is claimed.

Based on data from the latest report from the Department of Revenue, in 2014 the value of the QJTC was \$28.7 million of which \$26.6 million was taken against withholding taxes. In 2013, the value of the QJTC was \$22.5 million, with \$18.8 million taken against withholding. Statistics from the Georgia Secretary of State indicate that there are 513,806 active domestic LLCs in Georgia as of February 16, 2016 but we have no information on the number that are SMLLCs. In researching the fiscal impact of this legislation, we spoke with several attorneys who are knowledgeable in the area of SMLLCs. From these conversations, we found that the formation of SMLLC is common and there are many examples of corporations reorganizing their subsidiaries to form a SMLLC. Therefore, the pool of potential beneficiaries of this proposal may be large. Additionally, this legislation also appears to apply to qualified Subchapter S subsidiaries, which can also be disregarded, further increasing the possible scope of the revenue loss.

Sincerely,

/s/ Greg S. Griffin
State Auditor

A BILL TO BE ENTITLED
 AN ACT

To amend Code Section 40-5-67.1, relating to chemical tests, implied consent notices, rights of motorists, test results, refusal to submit, suspensions and denials, and right to a

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Code Section 40-5-67.1, relating to chemical tests, implied consent notices, rights of motorists, test results, refusal to submit, suspensions and denials, and right to a hearing and review, is amended by revising paragraph (1) of subsection (f) and by adding a new subsection to read as follows:

"(f)(1) The law enforcement officer, acting on behalf of the department, shall personally serve the notice of intention to suspend or disqualify the license of the arrested person or other person refusing such test on such person at the time of the person's refusal to submit to a test or at the time at which such a test indicates that suspension or disqualification is required under this Code section. The law enforcement officer shall take possession of any driver's license or permit held by any person whose license is subject to suspension pursuant to subsection (c) or (d) of this Code section, if any, and shall issue a 30 day temporary driving permit. The officer shall forward the person's driver's license to the department along with the notice of intent to suspend or disqualify and the report required by subsection (c) or (d) of this Code section within ten calendar days after the date of the arrest of such person. A report submitted by an officer shall not later be withdrawn by such officer. This paragraph shall not apply to any person issued a 180 day temporary driving permit pursuant to subsection (b) of Code Section 40-5-67. The failure of the officer to transmit the report required by this Code section within ten calendar days shall not prevent the department from accepting such report and utilizing it in the suspension of a driver's license as provided in this Code section."

"(k) No law enforcement officer shall be authorized to withdraw a report required by subsection (c) or (d) of this Code section, enter into a joint withdrawal agreement on behalf of the department, or take any other action involving the criminal disposition of the matter which otherwise would be in the discretion of the prosecuting attorney."

"(15) 'Resident' means a person who has a permanent home or abode in Georgia to which, whenever such person is absent, he or she has the intention of returning. For the purposes of this chapter, there is a rebuttable presumption that the following person is a resident:

provided, however, that no person shall be considered a resident for purposes of this chapter unless such person is either a United States citizen or an alien ~~with legal authorization from the U.S. Immigration and Naturalization Service~~ having lawful status to be present in the United States."

SECTION 2.

Said chapter is further amended by revising subsections (a) and (c) and adding new subsections to Code Section 40-5-20, relating to license required, surrender of prior licenses, and local licenses prohibited, to read as follows:

"(a) No person, except those expressly exempted in this chapter or in Chapter 6 of this title, shall drive any motor vehicle upon a highway in this state unless such person has a valid driver's license or a driving safety card under this chapter for the type or class of vehicle being driven. Any person who is a resident of this state for 30 days shall obtain a Georgia driver's license before operating a motor vehicle in this state. Any court having jurisdiction over traffic offenses in this state shall report to the department the name and other identifying information of any individual convicted of driving without a

license. This Code section shall not apply to a person driving with a suspended license or license that has been revoked. Any person convicted of violating this Code section shall be punished as provided in subsection (a) of Code Section 40-5-121; provided, however, that if:

(1) Such person is driving with a driver's license issued by this state that has been expired for less than 31 days at the time of the offense and he or she produces in court a driver's license that would have been valid at the time of the offense, he or she shall not be guilty of such offense; and

(2) Such person is driving without a valid driver's license or receipt issued by the department reflecting issuance, renewal, replacement, or reinstatement in his or her possession but he or she has a valid driver's license, Code Section 40-5-29 shall apply to such offense.

(a.1)(1) Except as provided for in subsection (a.2) of this Code section, any person who is a current recipient of a grant of deferred action on deportation from the United States Department of Homeland Security shall obtain a Georgia driving safety card before operating a motor vehicle in this state. Pursuant to the terms of this subsection, upon payment of the required fee, the department shall issue to every applicant qualifying therefor a driving safety card indicating the type or general class of vehicle the applicant may drive. Notwithstanding any other provision of this title and except as otherwise provided for in this subsection, such driving safety card shall:

(A) In every way operate in like manner for types or classes of vehicles as a citizen's driver's license, including but not limited to fees, instructional permits, training, examinations, expirations, restrictions, points, issuances, renewals, and replacements, as if such driving safety card were a driver's license;

(B) Be subject to the same carrying, exhibition, reporting, and motor vehicle insurance requirements as a citizen's driver's license;

(C) Confer the same privileges and responsibilities for driving a motor vehicle upon a highway in this state as a citizen's driver's license; and

(D) Be subject to the same laws and penalties in the law, including but not limited to suspension or revocation, in the same manner as a citizen's driver's license.

(2) A driving safety card shall be valid only during the period of time of the applicant's grant of deferred action on deportation or five years, whichever occurs first.

(3)(A) A driving safety card shall be valid only for the privilege of operating a motor vehicle upon a highway in this state and shall not be valid for identification purposes, including but not limited to verifying the identity, residency, or citizenship status of its holder.

(B) It shall be a misdemeanor to attempt, with intent to deceive, to use a driving safety card for identification purposes other than presentment to a law enforcement officer.

(4) Prior to the issuance of a driving safety card, the department shall obtain the fingerprints of the applicant.

(5)(A) The department shall distinguish a driving safety card from a driver's license

issued by the department by the use of font and color.

(B) A driving safety card shall bear the legend: 'The individual shown hereon has passed the driving skills, knowledge, and vision tests required by state law.' A driving safety card shall, in white letters displayed on a black banner positioned at the top or bottom, or both, of the driving safety card, include the terms 'DRIVING SAFETY CARD', 'NOT FOR IDENTIFICATION', 'NO LAWFUL STATUS', and 'NOT ACCEPTABLE FOR OFFICIAL PURPOSES'. The driving safety card shall have a vertical orientation. Other than as provided for in this paragraph, a driving safety card shall contain the same physical characteristics of, and be similar in form to, a driver's license issued by the department.

(6) The department shall not issue any temporary driving privileges as provided for in subsection (e) of Code Section 40-5-24 to any person who is a current recipient of a grant of deferred action on deportation from the United States Department of Homeland Security.

(a.2) No person who is a current recipient of a grant of deferred action on deportation from the United States Department of Homeland Security shall be eligible to obtain a driver's license or a special identification card other than a special identification card provided for under subsection (d) of Code Section 40-5-21.1; provided, however, that any person who is a current recipient of such grant of deferred action on deportation and who has a valid driver's license or special identification card other than a special identification card provided for under subsection (d) of Code Section 40-5-21.1 shall, upon expiration of such driver's license or special identification card, be subject to the provisions of this chapter relating to a driving safety card or special identification card."

"(c)(1) Except as provided in paragraph (2) of this subsection and in Code Section 40-5-32, no person shall receive a driver's license or driving safety card unless and until such person surrenders to the department all valid licenses in such person's possession issued to him or her by this or any other jurisdiction. All surrendered licenses issued by another jurisdiction shall be destroyed. The license information shall be forwarded to the previous jurisdiction. No person shall be permitted to have more than one valid driver's license or more than one valid driving safety card at any time or a valid driver's license and a valid driving safety card at the same time.

(2) Any noncitizen who is eligible for issuance of a driver's license or driving safety card pursuant to the requirements of this chapter may be issued a driver's license or driving safety card without surrendering any driver's license or such other similar licenses previously issued to him or her by any foreign jurisdiction. This exemption shall not apply to a person who is applying for a commercial driver's license or who is required to terminate any previously issued driver's license or similar license pursuant to federal law. The department shall make a notation on the driving record of any person who retains a foreign driver's license, and this information shall be made available to law enforcement officers and agencies on such person's driving record through the Georgia Crime Information Center."

SECTION 3.

Said chapter is further amended by revising Code Section 40-5-21.1, relating to temporary licenses, permits, or special identification cards, foreign licenses or identification cards as evidence of legal presence in the United States, and extensions, as follows:

"40-5-21.1.

(a) Except as provided in subsections (a.1) and (a.2) of Code Section 40-5-20, notwithstanding ~~Notwithstanding~~ any other provision of this title, an applicant who presents in person valid documentary evidence of:

- (2) A pending or approved application for asylum in the United States;
- (3) Admission into the United States in refugee status;
- (4) An approved application for temporary protected status in the United States;

(b) A driver's license or identification card issued by any state or territory which, on or after July 1, 2006, authorized such driver's license or identification card to be issued to persons not lawfully present in the United States may not be accepted as evidence of legal presence in the United States.

(c) Any noncitizen applicant whose Georgia driver's license or identification card has expired, or will expire within 30 days, and who has filed, or on whose behalf has been filed, a request for an extension with the United States Department of Homeland Security, or similar such federal issuing agency, for time to remain lawfully within the United States shall be issued a temporary driving permit or identification card valid for 120 days from the date of the expiration of his or her valid driver's license or identification card. The noncitizen applicant shall be required to present evidence of the application for extension by submitting a copy or copies of documentation designated by the department. A temporary driving permit or identification card shall be issued upon submission of the required documentation and an application fee in an amount to be determined by the department. Upon the expiration of the temporary driving permit or identification card, no further consecutive temporary permits or identification cards shall be authorized; provided, however, that application may be made following the expiration of an additional valid Georgia driver's license or identification card.

(d)(1) Notwithstanding any other provision of the title, an applicant who is a current recipient of a grant of deferred action on deportation from the United States

Department of Homeland Security may be issued a special identification card which shall be valid only during the period of time of the applicant's grant of deferred action on deportation or five years, whichever occurs first. Notwithstanding any other provision of this title and except as otherwise provided for in this subsection, such special identification card shall in every way conform to the provisions governing personal identification cards provided for by this title, including but not limited to fees, proof of birth date, unlawful use, issuances, renewals, and replacements.

(2) Prior to the issuance of such special identification card as provided for in paragraph (1) of this subsection, the department shall obtain the fingerprints of the applicant.

(3)(A) The department shall distinguish the special identification card provided for in this subsection from other personal identification cards issued by the department by the use of font and color.

"20-2-172.

(a) For the 2016-2017 school year only, the Department of Education shall be authorized to conduct a pilot program in which local school systems participating in the pilot program consolidate federal, state, and local funds to support a school-wide program, as allowed by 20 U.S.C. Section 6314(a)(1).

(b) The purpose of the pilot program shall be to:

(1) Determine whether state fiscal and accounting barriers can be modified or eliminated so that schools can easily consolidate federal, state, and local funds to improve educational opportunities and reduce fiscal and accounting requirements, as provided in Section 1005 of the federal Every Student Succeeds Act;

(2) Demonstrate that consolidation of funds creates flexibility to more effectively upgrade the entire educational program of a Title I school, with a focus on academically struggling students;

(3) Simplify the consolidated application and accelerate the approval of the application and disbursement of federal program funds;

(4) Demonstrate the benefit of not having to identify individual services as supplementary or track individual expenditures by the federal program;

(5) Simplify time and effort relative to documentation;

(6) Determine how state financial reporting requirements can be changed to accommodate local school systems that may want to consolidate funds in future years;

(7) Study various methodologies that might be used by local school systems to demonstrate, in accordance with Section 1012 of the federal Every Student Succeeds Act, within two years of the enactment of such federal act, that the methodology used to allocate state and local funds to each school ensures that each such school receives all of the state and local funds it would otherwise receive if it were not receiving assistance under Title I;

(8) Assist the department in identifying important issues that will help the department optimize the new Title I plan that it will submit to the United States Department of Education as required by the federal Every Student Succeeds Act; and

- (9) Identify any other objectives by the department and the local school systems participating in the pilot program that arise during the pilot program.
- (c) To allow the department flexibility in operating the pilot program for the 2016-2017 school year, notwithstanding any other provision of law to the contrary, the State Board of Education shall be authorized to waive or provide variances to provisions of this title and state board rules, to the extent reasonably necessary, regarding financial reporting requirements, including but not limited to Code Sections 20-2-320, 20-2-321, 20-14-33, and 20-14-34 and any rule promulgated by the State Board of Education regarding financial reporting requirements, to implement the pilot program in accordance with the purposes established pursuant to subsection (b) of this Code section, allowing, in particular, the pilot school systems to submit financial reports based on consolidated funds rather than segregating state and local funds from the consolidated pool.
- (d) The department shall be authorized to add one or more data elements to the certified/classified personnel information data collection procedure for the purpose of allowing the pilot school systems to report personnel paid from a consolidated pool of funds in a manner that will allow the school system to receive the correct amount of state dollars for training and experience and insurance premiums for the state health benefit plan.
- (e) The department and the pilot school systems shall continue to comply with all federal laws, regulations, and reporting requirements.
- (f) During the pilot program, the department and the pilot school systems shall jointly report each month to the State Board of Education concerning the progress of the pilot program, including an assessment of risks and benefits. The State Board of Education shall be authorized to approve additional waivers of state requirements that may be reasonably necessary to meet the goals of the pilot program.
- (g) On or before February 15, 2017, the department and the pilot school systems shall jointly report to the Senate Education and Youth Committee and the House Committee on Education the progress of the pilot program and any recommendations for legislative changes.

"20-2-49.

The General Assembly finds that local boards of education play a critical role in setting the policies that lead to the operation and success of local school systems. School board members hold special roles as trustees of public funds, including local, state, and federal funds, while they focus on the singular objective of ensuring each student in the local school system receives a quality ~~basic~~ education enabling the student to fulfill his or her God-given potential and equipping him or her for full citizenship in our constitutional republic. Board duties require ~~specialized~~ skills and training in the performance of vision setting, policy making, approving multimillion dollar budgets, and hiring a qualified superintendent. The motivation to serve as a member of a local board of education should be the improvement of schools, which should include maintaining accreditation, and the academic achievement of all students, and the effective representation of parents' and other constituents' interests in the operation of the local school system. Service on a local board of education is important citizen service. ~~Given service and representation, given the specialized nature and unique role of membership on a local board of education, this elected office should be characterized and treated differently from other elected offices where the primary duty is independently to represent constituent views. Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to elementary and secondary education, is amended by adding new subsections to Code Section 20-2-281, relating to student assessments, to read as follows:

"(r) With respect to any standardized assessments developed and administered pursuant to this Code section, the State Board of Education or local school system may administer such assessment in a paper-and-pencil format to any student whose parent or guardian requests such format and to any student 18 years of age or older who requests such format; provided, however, that this shall not apply to make-up assessments.

(s) The State School Superintendent shall develop guidelines, approved by the State Board of Education, by September 1, 2016, that identify a range of appropriate policies that may be adopted by a school system when considering how students not participating in a state-wide assessment will be supervised and what, if any, alternative to the assessment will be provided to them during the test administration. The guidelines should prohibit a school system from taking punitive action against a student, including, but not limited to, the adoption of sit and stare policies, in response to a student's refusal to participate in a federal, state, or locally mandated standardized assessment. The guidelines shall offer positive learning opportunities for students and not be undirected free time. The guidelines shall also address how and when the school system's policy will be communicated to parents, students, and school system staff. As used in this subsection, the term 'sit and stare' means any policy that requires a student whose parent or guardian has given written instructions for such student not to participate in federal, state, or locally mandated standardized assessments to remain with his or her class in the test room or in another location without any alternate instructional activity provided."

SECTION 2C.

Said chapter is further amended by adding a new Code section to read as follows:

(b) A student who is absent or otherwise unable to take any federal, state, or locally mandated assessment on the first administration or its designated make-up day or days may take the assessment on the second administration day or days or may take an alternative to the assessment as specified by the State Board of Education or the local board of education, which is appropriate for the student's grade level. Placement or promotion of these students shall follow the same procedures as students who do not achieve grade level on the first administration of the assessment; provided, however, that students who have not taken a federal, state, or locally mandated assessment due to parental refusal or medical or professional exemption shall be offered an appeals process if grade retention is based solely on the fact that the student failed to take the assessment, and teachers, principals, assistant principals, schools, and local school systems shall not be subject to any penalties due to any student's nonparticipation.

(c) If the rating on a school performance report is affected by the number of students excused or otherwise not taking the standardized assessments, the Department of Education shall include on the school performance report:

(1) An indication that the rating was affected by a federal law requirement;

(2) A brief explanation of the federal law requirement that affected the rating; and

(3) The rating the school would have received if not for the federal law requirement of the 95 percent participation threshold.

SUBJECT: Fiscal Note
House Bill 763 (LC 43 0191)

Dear Representative Houston:

The bill would eliminate the sunsets of exemptions from state sales and use tax for sales of food and food ingredients to qualified food banks (O.C.G.A. § 48-3-57.1) and for donations of food and food ingredients to qualified nonprofit agencies for hunger relief purposes (O.C.G.A. § 48-3-57.2). These provisions sunset under current law on June 30, 2016 and 2020, respectively.

Using recent data on Georgia food banks, Georgia State University's Fiscal Research Center (FRC) estimated that the state would experience a loss in revenues of about \$0.7 million in FY 2017 from eliminating the 2016 sunset on the exemption for sales to food banks, increasing to \$0.8 million in FY 2021. Because the current sunset for the donations exemption is at the end of FY 2020, the revenue effect of eliminating this sunset is zero before FY 2021 and estimated at about a \$3.2 million loss in FY 2021. Table 1 below summarizes the estimated annual impact. FRC's detailed analysis, including key assumptions, is included as an appendix.

Analysis by Fiscal Research Center

Under current law, O.C.G.A. §48-3-57.1 provides a sales and use tax exemption for sales of food and food ingredients to qualified food banks through June 30, 2016. O.C.G.A. §48-3-57.2 provides a sales and use tax exemption for donations of food and food ingredients to qualified nonprofit agencies for use for hunger relief purposes through June 30, 2020. The proposed legislation would eliminate both sunset provisions.

Absent these exemptions, purchases of food and food ingredients by food banks would be subject to state sales tax (the existing exemption for groceries applies only to individual purchasers, not businesses), and donations of food and food ingredients would be subject to state use tax. However, in the case of donations by individuals, it is assumed that few donors would file and pay use tax on their donations, so only donations by businesses are considered.

Estimated effects on state sales and use tax revenues from elimination of the sunset provisions are based on the following reported facts and assumptions:

- The Georgia Food Bank Association (GFBA) reports that in 2014, Georgia food banks distributed approximately 130 million pounds of food in hunger relief programs.

- Based on annual reports, audited financial statements, and IRS Form 990 filings from several GFBA member food banks, including but not limited to Atlanta Community Food Bank (ACFB),
 - the value per pound of donated and purchased food is estimated to be approximately \$1.58 in 2014;
 - the share of food that is purchased is estimated to be about 8.0 percent; and
 - the share of food that is donated by food industry partners is estimated to be about 31.5 percent.
- Note that GFBA member food banks reviewed generally operate on a June 30 fiscal year end, so all figures are assumed applicable for FY 2014.
- Purchases and donations are assumed to grow from 2014 levels at an annual rate of 3.0% to allow for inflation and population growth.

Table 2 below projects the estimated value of food purchases and donations affected by these exemptions through FY 2021. Estimated sales tax revenues for periods beyond the current law sunset dates are calculated at the state tax rate of 4% and reported in Table 1.

These provisions sunset under current law on June 30, 2016 and 2020, respectively. Both would be extended to June 30, 2021. The bill also adds reporting requirements for taxpayers claiming the qualified food bank exemption and for the Department of Revenue with respect to food donations, exempt purchases, and numbers of clients served.

Using recent data on Georgia food banks, Georgia State University's Fiscal Research Center (FRC) estimated that the state would experience a loss in revenues of about \$0.7 million in FY 2017 from eliminating the 2016 sunset on the exemption for sales to food banks, increasing to \$0.8 million in FY 2021. Each department shall consist of such officers, employees, and positions of employment as may be provided by this charter or by ordinance and shall be subject to the general supervision and guidance of the mayor and councilmembers.

(e) In all cases, unless otherwise prohibited by this charter or by state law, those functions and duties necessary for the efficient and proper administration of the affairs of government of the city may be provided through intergovernmental agreements or private contracts or both.

- (b) Special meetings of the city council may be held on call of the mayor or four members of the city council. Notice of such special meeting shall be served on all other members personally, or by telephone personally, at least 48 hours in advance of the meeting. Such notice to councilmembers shall not be required if the mayor and all councilmembers are present when the special meeting is called. Such notice of any special meeting may be waived by a councilmember in writing before or after such a meeting and attendance at the meeting shall also constitute a waiver of notice on any business transacted in such councilmember's presence. Only the business stated in the call may be transacted at the special meeting.

SECTION 3.16.

An emergency ordinance may be adopted, with or without amendment, or rejected at the meeting at which it is introduced, but the

affirmative vote of a majority of the councilmembers present shall be required for adoption. It shall become effective upon adoption or at such later time as it may specify. Every emergency ordinance shall automatically stand repealed 30 days following the date upon which it was adopted, but this shall not prevent reenactment of the ordinance in the manner specified in this section if the emergency continues to exist. An emergency ordinance shall also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

SECTION 3.19.

Codes.

(a) The city council may adopt any standard code of technical regulations by reference thereto in an adopting ordinance. The general codification shall be adopted by the city council by ordinance and shall be published promptly together with all amendments thereto and shall contain such codes of technical regulations and other rules and regulations as the city council may specify. This compilation shall be known and cited officially as "The Code of the City of South Fulton, Georgia." Copies of the code shall be furnished to all officers, departments, and agencies of the city and shall be made available for purchase by the public at a reasonable price as fixed by the city council.

(c) The city council shall cause each ordinance and each amendment to this charter to be promptly delivered in an appropriate format to that entity or agency that the city has retained to facilitate the codification and online viewing and download of all city ordinances, charter amendments, and technical regulations. Ordinances, charter amendments, and technical regulations shall otherwise be available in hard copy format

for viewing and copying at the office of the city clerk in conformance with Code Section 50-18-70, et seq., of the O.C.G.A. Following publication of the first code under this charter and at all times thereafter, the ordinances and charter amendments shall be made available, whether in electronic or hard copy format, in substantially the same style as the code then in effect and shall be suitable in form for incorporation within the code. The city council shall make such further arrangements as deemed desirable with reproduction and distribution of any changes in or additions to codes of technical regulations and other rules and regulations included in the code.

However, if the mayor fails to return an ordinance to the city clerk within ten business days of receipt, it shall become law at 12:00 Midnight on the tenth business day after receipt. If the ordinance is vetoed by the mayor, the mayor shall submit to city council, through the city clerk, the reasons for the mayor's veto. The city clerk shall record upon the ordinance the date of its delivery to and its receipt from the mayor.
- (c) An ordinance vetoed by the mayor shall automatically be on the agenda at the next regular meeting of the city council for reconsideration. If the minimum number of councilmembers necessary to vote to override the veto are not present, the action may be continued until the next meeting at which such minimum number of councilmembers are present. The city council may override a veto by the mayor and adopt any ordinance that has been vetoed by the mayor by the affirmative votes of at least five councilmembers, not including the mayor.
- (d) In addition, the mayor may disapprove or reduce any item or items of appropriation in any ordinance or resolution. The total appropriations from any fund shall not exceed the estimated fund balance, reserves, and revenues.

(b) After the conducting of a budget hearing, the city council shall adopt the final operating budget for the ensuing fiscal year on or before a date fixed by ordinance of the council. Adoption of the budget shall take the form of an appropriations ordinance setting out the estimated revenues in detail by sources and making appropriations according to fund and by organizational unit, purpose, or activity as set out in the budget preparation ordinance adopted pursuant to Section 6.23 of this charter.

(c) The amount set out in the adopted operating budget for each organizational unit shall constitute the annual appropriation for such, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriations or allotments thereof to which it is chargeable.

SECTION 6.26.

Levy of taxes.

Following adoption of the operating budget, the city council shall levy by ordinance such taxes as are necessary. The taxes and tax rates set by such ordinance shall be such that reasonable estimates of revenues from such levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for each of the several funds set forth in the annual operating budget for defraying the expense of the general government of this city.

(b) During such transition period, Fulton County shall continue to provide within the territorial limits of the City of South Fulton all government services and functions which Fulton County provided in that area during 2016 and at the same actual cost, except to the extent otherwise provided in this section; provided, however, that upon at least 30 days' prior written notice to Fulton County by the City of South Fulton, responsibility for any such service or function shall be transferred to the City of South Fulton. Beginning on May 1, 2017, the City of South Fulton shall collect taxes, fees, assessments, fines and forfeitures, and other moneys within the territorial limits of the City of South Fulton; provided, however, that upon at least 30 days' prior written notice to Fulton County by the City of South Fulton, the authority to collect any tax, fee, assessment, fine or forfeiture, or other moneys shall remain with Fulton County after May 1, 2017, until such time as Fulton County receives subsequent notice from the City of South Fulton that such authority shall be transferred to the City of South Fulton.

(c) During the transition period, the governing authority of the City of South Fulton:

- (1) Shall hold regular meetings and may hold special meetings as provided in this charter;
- (2) May enact ordinances and resolutions as provided in this charter;
- (3) May amend this charter by home rule action as provided by general law;
- (4) May accept gifts and grants;
- (5) May borrow money and incur indebtedness to the extent authorized by this charter and general law;
- (6) May levy and collect an ad valorem tax for calendar years 2018 and 2019;
- (7) May establish a fiscal year and budget;
- (8) May create, alter, or abolish departments, boards, offices, commissions, and agencies of the city; appoint and remove officers and employees; and exercise all necessary or appropriate personnel and management functions; and
- (9) May generally exercise any power granted by this charter or general law, except to the extent that a power is specifically and integrally related to the provision of a governmental service, function, or responsibility not yet provided or carried out by the city.

(d) Except as otherwise provided in this section, during the transition period, the Municipal Court of the City of South Fulton shall not exercise its jurisdiction. During the transition period, all ordinances of Fulton County shall remain applicable within the territorial limits of the City of South Fulton and the appropriate court or courts of Fulton County shall retain jurisdiction to enforce such ordinances. However, by appropriate agreement (and concurrent resolutions and ordinances if needed) Fulton County and the City of South Fulton may during the transition period transfer all or part of such regulatory authority and the appropriate court jurisdiction to the City of South Fulton. Any transfer of jurisdiction to the City of South Fulton during or at the end of the transition period shall not in and of itself abate any judicial proceeding pending in Fulton County or the pending prosecution of any violation of any ordinance of Fulton County.

(e) During the transition period, the governing authority of South Fulton may at any

time, without the necessity of any agreement by Fulton County, commence to exercise its planning and zoning powers; provided, however, that the city shall give the county notice of the date on which the city will assume the exercise of such powers. Upon the governing authority of South Fulton commencing to exercise its planning and zoning powers, the Municipal Court of the City of South Fulton shall immediately have jurisdiction to enforce the planning and zoning ordinances of the city. The provisions of this subsection shall control over any conflicting provisions of any other subsection of this section.

(f) Effective upon the termination of the transition period, subsections (b) through (e) of this section shall cease to apply except for the last sentence of subsection (d) which shall remain effective. Effective upon the termination of the transition period, the City of South Fulton shall be a full functioning municipal corporation and subject to all general laws of this state.

SECTION 7.17.

Directory nature of dates.

It is the intention of the General Assembly that this Act be construed as directory rather than mandatory with respect to any date prescribed in this Act. If it is necessary to delay any action called for in this Act for providential cause or any other reason, it is the intention of the General Assembly that the action be delayed rather than abandoned. Any delay in performing any action under this Act, whether for cause or otherwise, shall not operate to frustrate the overall intent of this Act. Without limiting the generality of the foregoing it is specifically provided that:

- (1) If it is not possible to hold the referendum election provided for in Section 7.14 of this Act on the date specified in that section, then such referendum shall be held as soon thereafter as is reasonably practicable; and
- (2) If it is not possible to hold the first municipal election provided for in Section 2.11 of this Act on the date specified in that section, then there shall be a special election for the initial members of the governing authority to be held as soon thereafter as is reasonably practicable, and the commencement of the initial terms of office shall be delayed accordingly.

SECTION 7.18.

Charter commission.

At the first regularly scheduled city council meeting, five years after the inception of the City of South Fulton, the mayor and city council shall call for a charter commission to review the city's experience and recommend to the General Assembly any changes to the city charter. Members of the charter commission shall be appointed as follows: one by the mayor, one by the city council, and one by each member of the Georgia House of Representatives and Senate whose district lies wholly or partially within the corporate boundaries of the City of South Fulton. All members of the charter commission must

reside in the City of South Fulton. The commission must complete the recommendations within six months of its creation.

SECTION 7.19.

Severability.

In the event any section, subsection, sentence, clause, or phrase of this Act shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other sections, subsections, sentences, clauses, or phrases of this Act, which shall remain of full force and effect, as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof. The General Assembly hereby declares that it would have passed the remaining parts of this Act if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

SECTION 7.20.

General repealer.

All laws and parts of laws in conflict with this Act are repealed.

SECTION 1-1.

Title 19 of the Official Code of Georgia Annotated, relating to domestic relations, is amended in Code Section 19-8-23, relating to where records of adoption are kept, examination by parties and attorneys, and use of information by agency and department, by adding a new subsection to read as follows:

"(b.1) The department may, in its sole discretion, make use of any information contained in the records of the department concerning an adopted child and the adopted child's biological parents in connection with the placement of another child in the home of the adoptive parents of the child or in connection with the investigation of a report of child abuse or neglect made concerning the adopted child's biological parents."

PART II
SECTION 2-1.

The General Assembly finds that:

- (1) From time to time, parents experience short-term difficulties that impair their ability to perform the regular and expected functions to provide care and support to their children;
- (2) Parents need a means to confer to a relative or fictive kin the temporary authority to act on behalf of a child without the time and expense of a court proceeding or the involvement of the Division of Family and Children Services of the Department of Human Services; and
- (3) Providing a statutory mechanism for granting such authority enhances family preservation and stability.

SECTION 2-2.

Said title is further amended by adding a new article to Chapter 9, relating to child custody proceedings, to read as follows:

"ARTICLE 5**19-9-140.**

This article shall be known and may be cited as the 'Supporting and Strengthening Families Act.'

19-9-141.

As used in this article, the term:

- (1) 'Child' means an unemancipated individual who is under 18 years of age.
- (2) 'Fictive kin' shall have the same meaning as provided in Code Section 15-11-2.
- (3) 'Guardian' means an individual appointed pursuant to a court order establishing a permanent guardianship for a child.
- (4) 'Kinship caregiver' means a grandparent, aunt, uncle, great aunt, great uncle, cousin, or sibling of a child or a fictive kin who resides in this state.
- (5) 'Legal custodian' shall have the same meaning as provided in Code Section 15-11-2.
- (6) 'Parent' shall have the same meaning as provided in Code Section 19-3-37.

19-9-142.

(a) A parent, guardian, or legal custodian of a child may delegate caregiving authority regarding his or her child to a kinship caregiver for a period not to exceed one year, except as provided in Code Section 19-9-150, by executing a power of attorney that substantially complies with this article. A parent, guardian, or legal custodian of a child may delegate to an agent in such power of attorney any power and authority regarding the care and custody of such child, except the power to consent to the marriage or adoption of such child, the performance or inducement of an abortion on or for such child, or the termination of parental rights to such child. Such power and authority may be delegated without the approval of a court, provided that such delegation of power and authority shall not operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order, including a standing order, or deprive a parent, guardian, or legal custodian of a child of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of such child. Furthermore, such delegation of power and authority shall not deprive or limit any support for a child that should be received by such child pursuant to a court order or for any other reason. No such power of attorney shall be executed during the pendency of a divorce or custody action.

(b) Except as limited by federal law, this article, or the direction of a parent, guardian, or legal custodian of a child as expressed in the power of attorney, an agent shall have the same rights, duties, and responsibilities that would otherwise be exercised by such

parent, guardian, or legal custodian of a child pursuant to the laws of this state.

(c) An agent shall acknowledge in writing his or her acceptance of the responsibility for caring for a child for the duration of the power of attorney. An agent shall certify that he or she is not currently on the state sexual offender registry of this state or the sexual offender registry for any other state, a United States territory, the District of Columbia, or any Indian Tribe nor has he or she ever been required to register for any such registry. Such certification shall include a criminal background check if requested by the party executing the power of attorney.

(d) The agent under a power of attorney shall act in the best interests of the child. Such agent shall not be liable for consenting or refusing to consent to medical, dental, or mental health care for a child when such decision is made in good faith and is exercised in the best interests of the child.

(e)(1) The agent under a power of attorney shall have the right to enroll the child in a public school serving the area where the agent resides and may enroll the child in a private school, pre-kindergarten program, or home study program.

(2) A public school shall allow such agent with a power of attorney executed under this article to enroll a child.

(3) At the time of enrollment, the agent shall provide to such public school such residency documentation as is customary in that school system.

(4) A public school shall not unreasonably deny enrollment of a child. If a public school denies enrollment of a child by an agent, such denial may be appealed and shall be treated as any other denial of enrollment of a child in that school system, including all of the remedies otherwise available when enrollment is denied to a child.

19-9-143.

(a) At least 30 days prior to executing a power of attorney under this article:

(1) An individual with sole custody of a child who intends to execute such power of attorney shall provide written notice of such intention to the noncustodial parent by certified mail or statutory overnight delivery, return receipt requested. Such notice shall constitute a change in material conditions or circumstances for the purpose of a child custody modification proceeding; and

(2) An individual who is a guardian or legal custodian of a child who intends to execute such power of attorney shall provide written notice to the child's parents by certified mail or statutory overnight delivery, return receipt requested.

(b) An individual receiving the notice set forth in subsection (a) of this Code section may object to the execution of such power of attorney within 21 days of the delivery of such notice and shall serve his or her objection on the individual intending to execute such power of attorney by certified mail or statutory overnight delivery, return receipt requested. An objection shall prohibit the execution of a power of attorney under this article.

(c) In addition to the notice provided in subsection (a) of this Code section, a parent with sole custody of a child who executes a power of attorney under this article shall comply with any applicable relocation notice requirements under subsection (f) of Code

Section 19-9-3.

(d) In the event of an emergency, the written requirement provisions of this Code section may be waived, but in no event shall this provision be interpreted as a means to violate a court order entered pursuant to subsection (f) of Code Section 19-9-3.

19-9-144.

Nothing in this article shall preclude a parent, guardian, legal custodian, or agent from granting temporary written permission to seek emergency medical treatment or other services for a child while such child is in the custody of an adult who is not the parent, guardian, legal custodian, or agent and who is temporarily supervising the child at the request of such parent, guardian, legal custodian, or agent.

19-9-145.

(a) Except as may be permitted by the federal No Child Left Behind Act (P.L. 107-110), an individual executing a power of attorney under this article shall swear or affirm under penalty of law that such action is not being taken for the purpose of enrolling the child in a school to participate in the academic or interscholastic athletic programs provided by that school or for any other unlawful purpose. Violation of this subsection shall be punishable in accordance with state law and may require, in addition to any other remedies, repayment by such parent, guardian, or legal custodian of all costs incurred by the school as a result of the violation.

(b) An individual shall not execute a power of attorney under this article for the purpose of subverting an investigation of the child's welfare initiated by the Division of Family and Children Services of the Department of Human Services and shall not execute such power of attorney so long as the Division of Family and Children Services of the Department of Human Services has an open child welfare and youth services case with regard to the parent, guardian, or legal custodian, the child, or another child of the parent.

19-9-146.

A power of attorney executed under this article shall be signed and acknowledged before a notary public by the parent, guardian, or legal custodian executing such power of attorney and by the agent accepting such delegation.

19-9-147.

(a)(1) An agent shall have the authority to act on behalf of the minor child on a continuous basis, without compensation, and shall not be subject to any provision concerning the licensing or regulation of foster care homes for the duration of the power of attorney so long as the duration does not exceed the length of time authorized in Code Sections 19-9-142 and 19-9-150 or until the individual who executed the power of attorney revokes the power of attorney in writing and provides notice of the revocation to the agent as provided in this Code section.

(2) An agent shall have the authority to act on behalf of the child until a copy of the

revocation of the power of attorney is received by certified mail or statutory overnight delivery, return receipt requested, and upon receipt of the revocation, the agent shall cease to act as agent.

(3) The individual revoking the power of attorney shall send a copy of the revocation of the power of attorney to the agent within five days of the execution of the revocation by certified mail or statutory overnight delivery, return receipt requested. If an individual revokes the power of attorney, the child shall be returned to the custody of the individual who granted the power of attorney as soon as reasonably possible.

(4) The revoking individual shall notify the school, health care providers, and others known to the revoking individual to have relied upon such power of attorney.

(b) The power of attorney executed under this article may also be terminated by any order of a court of competent jurisdiction.

(c) The agent shall notify the school, health care providers, and others known to the agent to have relied upon such power of attorney.

(d) An agent may resign by notifying the individual who appointed the agent in writing by certified mail or statutory overnight delivery, return receipt requested.

(e) Upon the death of the authorizing individual, the agent shall notify the parents of the child, if possible, as soon as practicable.

(f) The authority to designate an agent to act on behalf of a minor child is in addition to any other lawful action an individual may take for the benefit of such minor child.

(g) A parent shall continue to have the right to medical, dental, mental health, and school records pertaining to the minor child, even when a power of attorney has been executed under this article.

19-9-148.

The execution of a power of attorney under this article shall not constitute abandonment under Code Section 19-10-1 nor be reportable as child abuse or neglect under Code Section 19-7-5 unless the individual who executed such power of attorney fails to take custody of the child or execute a new power of attorney under this article after the expiration or revocation of the power of attorney.

19-9-149.

(a) A child subject to a power of attorney executed under this article shall not be considered placed in foster care as defined in any other provision of law, and the parties to the power of attorney shall not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to community care for children.

(b) An agent who has been delegated caregiving authority under this article shall not be subject to the requirements of any other child care facility or foster care licensing provisions, and such delegation shall not constitute an out-of-home child placement.

(c) This article shall not be construed to exempt a person from the requirements of Chapter 5 of Title 49 regarding the licensing and inspection of child welfare agencies if such person fails to have evidence of a power of attorney executed under this article.

19-9-150.

Except as limited by or in conflict with federal law regarding the armed forces of the United States, a parent who is a member of the armed forces of the United States, including any reserve component thereof, or the commissioned corps of the National Oceanic and Atmospheric Administration or the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the armed forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty, may delegate caregiving authority for a period longer than one year if such parent is deployed as defined in Code Section 19-9-6. Such term of delegation, however, shall not exceed the term of deployment plus 30 days.

19-9-151.

(a) The power of attorney contained in this Code section may be used for the temporary delegation of caregiving authority to an agent. The form contained in this Code section shall be sufficient for the purpose of creating a power of attorney under this article, provided that nothing in this Code section shall be construed to require the use of this particular form.

(b) A power of attorney shall be legally sufficient if the form is properly completed and the signatures of the parties are notarized.

(c) The power of attorney delegating caregiving authority of a child shall be in substantially the following form:

**A BILL TO BE ENTITLED
AN ACT**

To amend an Act creating one or more community improvement districts within DeKalb County, approved May 13, 2008 (Ga. L. 2008, p. 3817), as amended, so as to provide for election of board members and levy of taxes by certain municipal corporations; to change certain provisions relating to administration; to change certain provisions relating to taxes, fees, and assessments; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act creating one or more community improvement districts within DeKalb County, approved May 13, 2008 (Ga. L. 2008, p. 3817), as amended, is amended by revising subsection (a) of Section 5 to read as follows:

"(a)(1) Except as otherwise provided in paragraph (2) of this subsection, each district created pursuant to this Act shall be administered by a board composed of at least seven board members to be appointed and elected as provided in this section. Two board members shall be appointed by the governing authority of DeKalb County should the district boundaries lie entirely within unincorporated DeKalb County. Should any of the district lie within the incorporated area of DeKalb County, only one board member shall be appointed by the governing authority of DeKalb County. One board member shall be appointed by the governing authority of each municipality within which any portion of the district lies. Two board members shall be elected by the vote of electors, and three members shall be elected by the vote of equity electors. The members representing electors and equity electors shall be elected to serve in post positions 1 through 5, respectively. Each elected board member must receive a majority of the votes cast for the post for which he or she is a candidate. Votes for Posts 1 and 2 shall be cast by electors and votes for Posts 3, 4, and 5 shall be cast by equity electors. The initial terms of office of the members representing Posts 1 and 4 shall be one year. The initial terms of office of the members representing Posts 2 and 5 shall be two years, and the initial term of office of the member representing Post 3

shall be three years. Thereafter, all terms of office shall be for three years. The appointed board members shall serve at the pleasure of the appointing authority.

(2) In addition to the requirements of paragraph (1) of this subsection, the board of any district described in paragraph (2) of subsection (a) of Section 6 of this Act shall include three additional board members representing and elected by the equity electors and serving in post positions 6, 7, and 8 for initial terms of one, two, and three years, respectively. Thereafter, all terms of office for the additional board members shall be for three years."

SECTION 2.

Said Act is further amended by revising subsection (a) of Section 6 to read as follows:

"(a)(1) Except as otherwise provided in paragraph (2) of this subsection, the board may levy taxes, fees, and assessments within the district only on real property used nonresidentially, specifically excluding all property exempt from ad valorem taxation under the Constitution or laws of the State of Georgia; all property used for residential, agricultural, or forestry purposes; and all tangible personal property and intangible property. Any tax, fee, or assessment so levied shall not exceed five mills of the aggregate assessed value of all such real property. The taxes, fees, and assessments levied by the board shall be equitably apportioned among the properties subject to such taxes, fees, and assessments according to the need for governmental services and facilities created by the degree of density of development of each such property. The proceeds of taxes, fees, and assessments levied by the board shall be used only for the purpose of providing governmental services and facilities which are specially required by the degree of density of development within the district and not for the purpose of providing those governmental services and facilities provided to the county or municipality as a whole. Any tax, fee, or assessment so levied shall be collected by DeKalb County in the same manner as taxes, fees, and assessments are levied by DeKalb County. Delinquent taxes shall bear the same interest and penalties as DeKalb County or municipal ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so levied, less a fee to cover the costs of collection of 1 percent of such proceeds, but not more than \$25,000.00 in any one calendar year, shall be transmitted by DeKalb County to the board and shall be expended by the board only for the purposes authorized by this Act.

(2) Regarding any district composed of property located wholly within a municipality that exceeds 130 acres, but is less than 140 acres, in size and that forms all or part of a tax allocation district of such municipality, the board of such district may levy taxes, fees, and assessments within the district only on real property used nonresidentially, specifically excluding all property exempt from ad valorem taxation under the Constitution or laws of the State of Georgia; all property used for residential, agricultural, or forestry purposes; and all tangible personal property and intangible property. Any tax, fee, or assessment so levied shall not exceed the limitation provided for by Paragraph III of Section VII of Article IX of the Constitution of the

State of Georgia. The taxes, fees, and assessments levied by the board shall be equitably apportioned among the properties subject to such taxes, fees, and assessments according to the need for governmental services and facilities created by the degree of density of development of each such property. The proceeds of taxes, fees, and assessments levied by the board shall be used only for the purpose of providing governmental services and facilities which are specially required by the degree of density of development within the district and not for the purpose of providing those governmental services and facilities provided to the county or municipality as a whole. Any tax, fee, or assessment so levied shall be collected by DeKalb County in the same manner as taxes, fees, and assessments are levied by DeKalb County. Delinquent taxes shall bear the same interest and penalties as DeKalb County or municipal ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so levied, less a fee to cover the costs of collection of 1 percent of such proceeds, but not more than \$25,000.00 in any one calendar year, shall be transmitted by DeKalb County to the board and shall be expended by the board only for the purposes authorized by this Act."

(c) A corporation or other entity shall be allowed a credit against the tax imposed by this chapter for qualified rural health care organization expenses in an amount not to exceed 80 percent of the actual amount expended or 75 percent of the corporation's income tax liability, whichever is less.

(d) In no event shall the total amount of the tax credit under this Code section for a taxable year exceed the taxpayer's income tax liability. The department shall establish a web based donation approval process to implement this subsection.

The department shall maintain an ongoing, current list on its website of the amount of tax credits available under this Code section.

(5) Notwithstanding any laws to the contrary, the department shall not take any adverse action against donors to rural health care organizations if the commissioner preapproved a donation for a tax credit prior to the date the rural health care organization is removed from the Department of Community Health list pursuant to Code Section 31-8-9.1, and all such donations shall remain as preapproved tax credits subject only to the donor's compliance with paragraph (3) of this subsection.

(f) In order for the taxpayer to claim the tax credit under this Code section, a letter of confirmation of donation issued by the rural health care organization to which the contribution was made shall be attached to the taxpayer's tax return. However, in the event the taxpayer files an electronic return, such confirmation shall only be required to be electronically attached to the return if the Internal Revenue Service allows such attachments when the return is transmitted to the department. BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to ad valorem taxation of property, is amended in Code Section 48-5-342, relating to the review of county tax digests by the Commissioner of Revenue, by adding a new subsection to read as follows:

"(e)(1) The commissioner may, upon his or her own initiative or upon complaint by a taxpayer, examine the itemizations of properties appearing on the digest, and if in the judgment of the commissioner any properties are illegally appearing on the digest and should not be subject to taxation under this chapter, the commissioner shall strike such items from the digest and return the digest to the county for removal of such items and resubmission to the commissioner. The commissioner shall provide by rule and regulation procedures by which the county board of tax assessors may appeal such finding to the commissioner. If appealed by the board of tax assessors, the commissioner shall, after reviewing such appeal, issue a final order and include a finding as to the taxability of the digest items in dispute and shall finalize the digest in accordance therewith.

(2) If a property has been found by the commissioner to not be subject to taxation under this chapter and again appears on the digest at any time within five years of the initial determination of nontaxability and is again determined to be nontaxable, the commissioner shall strike such item from the digest and return the digest to the county for removal of such item and resubmission to the commissioner. The commissioner shall notify the Department of Community Affairs in writing of his or her finding and, upon receipt of such notice, the qualified local government status of such county shall be revoked for a period of three years following the receipt of such notice by the Department of Community Affairs unless reinstated earlier pursuant to this subsection. Upon such revocation, the governing authority of such county, without regard to any limitation of Code Section 48-5-295, shall be specifically authorized to remove immediately every member of the board of tax assessors and reappoint new members who shall serve for the unexpired terms of the removed members. The county governing authority shall provide written notification of such removal and new appointment to the commissioner. Upon certification of the corrected digest, the commissioner shall notify in writing the Department of Community Affairs, and upon receipt thereof, the Department of Community Affairs shall immediately reinstate the qualified local government status of such county.

(3) If a property has been found by the commissioner to not be subject to taxation under this chapter and if such nontaxable property has appeared on a county digest in any year within the preceding five-year period, then the taxpayer shall be entitled to file a petition directly with the Georgia Tax Tribunal for a refund of all such taxes illegally collected or taxes paid, interest equal to the bank prime loan rate as posted by the Board of Governors of the Federal Reserve System in statistical release H. 15 or any publication that may supersede it plus 3 percent calculated from the date of

Such petition shall name the board of tax assessors and the tax receiver or tax commissioner of the county as the respondent in their official capacities and shall be served upon such board and tax receiver or tax commissioner. Service shall be accomplished by certified mail or statutory overnight delivery. The petition shall include a summary statement of facts and law upon which the petitioner relies in seeking the requested relief. The respondents shall file a response to the petitioner's statement of facts and law which constitutes their answer with the tribunal no later than 30 days after the service of the petition. The respondents shall serve a copy of their response on the petitioner's representative or, if the petitioner is not represented, on the petitioner and shall file a certificate of service with such response. If in any case a response has not been filed within the time required by this paragraph, the case shall automatically become in default unless the time for filing the response has been extended by agreement of the parties, for a period not to exceed 30 days, or by the judge of the tribunal. The default may be opened as a matter of right by the filing of a response within 15 days of the day of the default and payment of costs. At any time before the final judgment, the judge of the tribunal, in his or her discretion, may allow the default to be opened for providential cause that prevented the filing of the response, for excusable neglect, or when the tribunal judge, from all the facts, determines that a proper case has been made for the default to be opened on terms to be fixed by the tribunal judge. The tribunal judge shall proceed to hear and decide the matter and may grant appropriate relief under the law and facts presented."

ARTICLE 229-11-10.

In determining under Code Section 29-11-12 and subsection (e) of Code Section 29-11-20 whether a respondent has a significant connection with a particular state, the court shall consider:

- (1) The location of the respondent's family and other persons required to be notified of the guardianship proceeding or conservatorship proceeding;
- (2) The length of time the respondent at any time was physically present in the state and the duration of any absence;
- (3) The location of the respondent's property;
- (4) The extent to which the respondent has ties to the state such as voting registration, state or local tax return filing, vehicle registration, driver's license, social relationship, and receipt of services; and
- (5) The extent to which the respondent considers or, in the absence of an impairment of mental faculties, would consider himself or herself to have a significant connection with the state.

29-11-11.

This article provides the exclusive jurisdictional basis for a court of this state to appoint a guardian or issue a conservatorship order for an adult.

29-11-12.

A court of this state has jurisdiction to appoint a guardian or issue a conservatorship order for a respondent if:

- (1) This state is the respondent's home state;
- (2) On the date the petition is filed, this state is a significant-connection state and:
 - (A) The respondent does not have a home state or a court of the respondent's home state has declined to exercise jurisdiction because this state is a more appropriate forum; or
 - (B) The respondent has a home state, a petition for an appointment or order is not pending in a court of that state or another significant-connection state, and, before the court makes the appointment or issues the order:
 - (i) A petition for an appointment or order is not filed in the respondent's home state;
 - (ii) An objection to the court's jurisdiction is not filed by a person required to be notified of the proceeding; and
 - (iii) The court in this state concludes that it is an appropriate forum under the factors set forth in Code Section 29-11-15;
- (3) This state does not have jurisdiction under either paragraph (1) or (2) of this Code section, the respondent's home state and all significant-connection states have declined to exercise jurisdiction because this state is the more appropriate forum, and jurisdiction in this state is consistent with the Constitutions of this state and the United

States; or

(4) The requirements for special jurisdiction under Code Section 29-11-13 are met.

29-11-13.

(a) A court of this state lacking jurisdiction under paragraphs (1) through (3) of Code Section 29-11-12 has special jurisdiction to do any of the following:

(1) Appoint a guardian in an emergency for a term not exceeding 90 days for a respondent who is physically present in this state;

(2) Issue a conservatorship order with respect to real or tangible personal property located in this state; or

(3) Appoint a guardian or conservator for an incapacitated person or protected person for whom a provisional order to transfer the proceeding from another state has been issued under procedures similar to Code Section 29-11-20.

(b) If a petition for the appointment of a guardian in an emergency is brought in this state and this state was not the respondent's home state on the date the petition was filed, the court shall dismiss the proceeding at the request of the court of the home state, if any, whether dismissal is requested before or after the emergency appointment.

29-11-14.

Except as otherwise provided in Code Section 29-11-13, a court that has appointed a guardian or issued a conservatorship order consistent with this chapter shall have exclusive and continuing jurisdiction over the proceeding until it is terminated by the court or the appointment or order expires by its own terms.

29-11-15.

(a) A court of this state having jurisdiction under Code Section 29-11-12 to appoint a guardian or conservator may decline to exercise its jurisdiction if it determines at any time that a court of another state is a more appropriate forum.

(b) If a court of this state declines to exercise its jurisdiction under subsection (a) of this Code section, it shall either dismiss or stay the proceeding. The court may impose any condition the court considers just and proper, including the condition that a petition for the appointment of a guardian or issuance of a conservatorship order be filed promptly in another state.

(c) In determining whether it is an appropriate forum, the court shall consider all relevant factors, including:

(1) Any expressed preference of the respondent;

(2) Whether abuse, neglect, or exploitation of the respondent has occurred or is likely to occur and which state could best protect the respondent from the abuse, neglect, or exploitation;

(3) The length of time the respondent was physically present in or was a legal resident of this or another state;

(4) The distance of the respondent from the court in each state;

(5) The financial circumstances of the respondent's estate;

- (6) The nature and location of the evidence;
- (7) The ability of the court in each state to decide the issue expeditiously and the procedures necessary to present evidence;
- (8) The familiarity of the court of each state with the facts and issues in the proceeding; and
- (9) If an appointment were made, the court's ability to monitor the conduct of the guardian or conservator.

29-11-16.

(a) If at any time a court of this state determines that it acquired jurisdiction to appoint a guardian or issue a conservatorship order because of unjustifiable conduct, the court may:

- (1) Decline to exercise jurisdiction;
- (2) Exercise jurisdiction for the limited purpose of fashioning an appropriate remedy to ensure the health, safety, and welfare of the respondent or the protection of the respondent's property or prevent a repetition of the unjustifiable conduct, including staying the proceeding until a petition for the appointment of a guardian or issuance of a conservatorship order is filed in a court of another state having jurisdiction; or
- (3) Continue to exercise jurisdiction after considering:
 - (A) The extent to which the respondent and all persons required to be notified of the proceedings have acquiesced in the exercise of the court's jurisdiction;
 - (B) Whether it is a more appropriate forum than the court of any other state under the factors set forth in subsection (c) of Code Section 29-11-15; and
 - (C) Whether the court of any other state would have jurisdiction under factual circumstances in substantial conformity with the jurisdictional standards of Code Section 29-11-12.

(b) If a court of this state determines that it acquired jurisdiction to appoint a guardian or issue a conservatorship order because a party seeking to invoke its jurisdiction engaged in unjustifiable conduct, it may assess against that party necessary and reasonable expenses, including attorney's fees, investigative fees, court costs, communication expenses, witness fees and expenses, and travel expenses. The court may not assess fees, costs, or expenses of any kind against this state or a governmental subdivision, agency, or instrumentality of this state unless authorized by law other than this chapter.

29-11-17.

(a) If a petition for the appointment of a guardian or issuance of a conservatorship order is brought in this state and this state was not the respondent's home state on the date the petition was filed, in addition to complying with the notice requirements of this state, notice of the petition must be given to those persons that would be entitled to notice of the petition if a proceeding were brought in the respondent's home state. The notice must be given in the same manner as notice is required to be given in this state.

(b) If compliance with the notice requirements under subsection (a) of this Code

section would require personal service on any person outside this state, a court of competent jurisdiction in this state may order that such person be served by registered or certified mail or statutory overnight delivery, in the manner provided in subsection (e) of Code Section 29-9-4, or by a special process server, if the petitioner so requests in the petition or on the court's own motion.

(c) If compliance with the notice requirements under subsection (a) of this Code section would require service on any person outside this state that is not sui juris, such person shall be served in a manner provided in subsection (d) of Code Section 29-9-4.

29-11-18.

Except for a petition for the appointment of a guardian in an emergency or issuance of a conservatorship order limited to property located in this state under paragraph (1) or (2) of subsection (a) of Code Section 29-11-13, if a petition for the appointment of a guardian or issuance of a conservatorship order is filed in this state and in another state and neither petition has been dismissed or withdrawn, the following rules shall apply:

(1) If the court in this state has jurisdiction under Code Section 29-11-12, it may proceed with the case unless a court in another state acquires jurisdiction under provisions similar to Code Section 29-11-12 before the appointment or issuance of the order; and

(2) If the court in this state does not have jurisdiction under Code Section 29-11-12, whether at the time the petition is filed or at any time before the appointment or issuance of the order, the court shall stay the proceeding and communicate with the court in the other state. If the court in the other state has jurisdiction, the court in this state shall dismiss the petition unless the court in the other state determines that the court in this state is a more appropriate forum.

ARTICLE 3

29-11-20.

(a) A guardian or conservator appointed in this state may petition the court to transfer the guardianship or conservatorship to another state.

(b) Notice of a petition under subsection (a) of this Code section shall be given to the persons that would be entitled to notice of a petition in this state for the appointment of a guardian or conservator.

(c) On the court's own motion or on request of the guardian or conservator, the incapacitated person or protected person, or other person required to be notified of the petition, the court shall hold a hearing on a petition filed pursuant to subsection (a) of this Code section.

(d) The court shall issue an order provisionally granting a petition to transfer a guardianship and shall direct the guardian to petition for guardianship in the other state if the court is satisfied that the guardianship will be accepted by the court in the other state and the court finds that:

(1) The incapacitated person is physically present in or is reasonably expected to

move permanently to the other state;

(2) An objection to the transfer has not been made or, if an objection has been made, the objector has not established that the transfer would be contrary to the interests of the incapacitated person; and

(3) Plans for care and services for the incapacitated person in the other state are reasonable and sufficient.

(e) The court shall issue a provisional order granting a petition to transfer a conservatorship and shall direct the conservator to petition for conservatorship in the other state if the court is satisfied that the conservatorship will be accepted by the court of the other state and the court finds that:

(1) The protected person is physically present in or is reasonably expected to move permanently to the other state or the protected person has a significant connection to the other state considering the factors in Code Section 29-11-10;

(2) An objection to the transfer has not been made or, if an objection has been made, the objector has not established that the transfer would be contrary to the interests of the protected person; and

(3) Adequate arrangements will be made for management of the protected person's property.

(f) The court shall issue a final order confirming the transfer and terminating the guardianship or conservatorship upon its receipt of:

(1) A provisional order accepting the proceeding from the court to which the proceeding is to be transferred which is issued under provisions similar to Code Section 29-11-21; and

(2) The documents required to terminate a guardianship or conservatorship in this state.

29-11-21.

(a) To confirm transfer of a guardianship or conservatorship transferred to this state under provisions similar to Code Section 29-11-20, the guardian or conservator must petition the court in this state to accept the guardianship or conservatorship. The petition must include a certified copy of the other state's provisional order of transfer.

(b) Notice of a petition under subsection (a) of this Code section shall be given to those persons that would be entitled to notice if the petition were a petition for the appointment of a guardian or issuance of a conservatorship order in both the transferring state and this state. The notice must be given in the same manner as notice is required to be given in this state.

(c) On the court's own motion or on request of the guardian or conservator, the incapacitated person or protected person, or other person required to be notified of the proceeding, the court shall hold a hearing on a petition filed pursuant to subsection (a) of this Code section.

(d) The court shall issue an order provisionally granting a petition filed under subsection (a) of this Code section unless:

(1) An objection is made and the objector establishes that transfer of the proceeding

would be contrary to the interests of the incapacitated person or protected person; or

(2) The guardian or conservator is ineligible for appointment in this state.

(e) The court shall issue a final order accepting the proceeding and appointing the guardian or conservator as guardian or conservator in this state upon its receipt from the court from which the proceeding is being transferred of a final order issued under provisions similar to Code Section 29-11-20 transferring the proceeding to this state.

(f) Not later than 90 days after issuance of a final order accepting transfer of a guardianship or conservatorship, the court shall determine whether the guardianship or conservatorship needs to be modified to conform to the law of this state.

(g) In granting a petition under this Code section, the court shall recognize a guardianship order or conservatorship order from the other state, including the determination of the incapacitated person's or protected person's incapacity and the appointment of the guardian or conservator.

(h) The denial by a court of this state of a petition to accept a guardianship or conservatorship transferred from another state does not affect the ability of the guardian or conservator to seek appointment as guardian or conservator in this state under Article 2 of Chapter 4 and Article 2 of Chapter 5 of this title if the court has jurisdiction to make an appointment other than by reason of the provisional order of transfer.

ARTICLE 4

29-11-30.

(b) A court of this state may grant any relief available under this chapter and other law of this state to enforce a registered order.

ARTICLE 5

29-11-40.

29-11-41.

This chapter modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. SUBJECT: State Auditor's Certification
Substitute to House Bill 690
(LC 43 0270S)

Dear Representative Carter:

This bill would amend provisions relating to creditable service for certain members of the Employees' Retirement System. Specifically, this bill would define the term 'law enforcement officer' to mean any member in service of the Uniform Division of the Department of Public Safety, any conservation ranger of the Department of Natural Resources, any officer or agent of the Georgia Bureau of Investigation, any district attorney investigator who is compensated from State funds pursuant to Code Section §15-18-14.1, and any alcohol and tobacco officer or agent of the Department of Revenue. Under the provisions of this bill, 'law enforcement officers' would be eligible to obtain up to five years of creditable service for certain prior service as a full-time employee of a local governing authority. Creditable services would only be granted if the member:

- Held a position in which he or she was vested with the authority to enforce the criminal or traffic laws, had the power to arrest, and had duties which included the preservation of public order, the protection of life and property, or the prevention, detection, or investigation of crime;
- Was not eligible for a defined benefit or defined contribution retirement or pension plan while employed by the local governing authority; and
- Has been a member of the Employees' Retirement System for at least 10 years.

Any eligible member wishing to obtain such creditable service must make an application to the Board of Trustees and must pay an amount determined by the Board of Trustees to be sufficient to cover the full actuarial cost of granting such creditable service.

This is to certify that the changes made in this substitute bill are nonfiscal amendments as defined in the Public Retirement Systems Standards Law. Therefore, the initial actuarial investigation prepared for House Bill 690 (LC 21 3778) would apply to this bill. A copy of the actuarial investigation and State Auditor's Summary for House Bill 690 (LC 21 3778) is attached.

SUBJECT: Actuarial Investigation
House Bill 690 (LC 21 3778)
Employees' Retirement System

Dear Chairman Battles:

This bill would amend provisions relating to creditable service for certain members of the Employees' Retirement System. Specifically, 'law enforcement officers' would be eligible to obtain up to five years of creditable service for certain prior service as a full-

time employee of a local governing authority. Creditable service would only be granted if the member:

- Held a position in which he or she was vested with the authority to enforce the criminal or traffic laws, had the power to arrest, and had duties which included the preservation of public order, the protection of life and property, or the prevention, detection, or investigation of crime;
- Was not eligible for a defined benefit or defined contribution retirement or pension plan while employed by the local governing authority; and
- Has been a member of the Employees' Retirement System for at least 10 years.

Any eligible member wishing to obtain such creditable service must make application to the Board of Trustees and must pay an amount determined by the Board of Trustees sufficient to cover the full actuarial cost of granting such service. Under the provisions of this legislation, 'law enforcement officer' is defined as any member in service of the Uniform Division of the Department of Public Safety, any conservation ranger of the Department of Natural Resources, any officer or agent of the Georgia Bureau of Investigation, and any alcohol and tobacco officer or agent of the Department of Revenue.

This legislation would not result in any additional cost to the Employees' Retirement System since eligible members would be required to pay the full actuarial cost of the service granted. There would be no increase in the employer contribution rate or the unfunded actuarial accrued liability of the Employees'

Retirement System as a result of this legislation. The estimate is based on current member data, actuarial assumptions, and actuarial methods. It should be noted that changes in any of these variables could affect the cost of this legislation. Any future costs would be paid through State appropriations.

The following is a summary of the relevant findings of the actuarial investigation for this bill pursuant to a request by the House Retirement Committee. The investigation was to be conducted according to O.C.G.A. §47-20-36, which outlines the factors to be considered in an actuarial investigation. The figures are based on employee data and the most recent actuarial assumptions and methods.

- (1) The amount of the unfunded actuarial accrued liability which will result from the bill. \$ 0
- (2) The amount of the annual amortization of the unfunded actuarial accrued liability which will result from the bill. \$ 0
- (3) The number of years that the unfunded actuarial accrued liability created by this bill would be amortized. N/A

- (4) The amount of the annual normal cost which will result from the bill. \$ 0
- (5) The employer contribution rate currently in effect for Non-GSEPS Members. 24.69%*
- (6) The employer contribution rate recommended for Non-GSEPS Members (in conformity with minimum funding standards specified in Code Section 47-20-10). 24.69%
- (7) The employer contribution rate currently in effect for GSEPS Members. 21.69%*
- (8) The employer contribution rate recommended for GSEPS Members (in conformity with minimum funding standards specified in Code Section 47-20-10). 21.69%
- (9) The total dollar amount of the increase in the annual employer contribution which is necessary to maintain the retirement system in an actuarially sound condition. \$ 0

**This rate represents the employer contribution rate that has been recommended by the actuary beginning July 1, 2016 in order to meet the minimum funding standards.*

It should be noted that any subsequent changes in the retirement bill will invalidate the actuarial investigation and the findings included therein.

Respectfully,

The Senate Committee on Finance offered the following substitute to HB 936:

A BILL TO BE ENTITLED
AN ACT

To amend Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to the imposition, rate, computation, and exemptions from income taxes, so as to provide for an income tax credit for members of the Georgia State Defense Force; to clarify certain terms in respect to the wages necessary to qualify for a jobs tax credit; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to the imposition, rate, computation, and exemptions from income taxes, is amended by adding a new Code section to read as follows:

"48-7-29.20.

(a) As used in this Code section, the term:

(1) 'Georgia State Defense Force' means the organization established pursuant to Part 3 of Article 1 of Chapter 2 of Title 38.

(2) 'Georgia State Defense Force member' means an individual who is an active member in good standing of the Georgia State Defense Force for at least eight months.

(b) A Georgia State Defense Force member shall be allowed a credit against the tax imposed by Code Section 48-7-20 in an amount not to exceed \$500.00 per taxable year.

In no event shall the amount of the tax credit exceed the taxpayer's income tax liability for any taxable year, and any unused tax credit shall not be allowed to be carried forward to apply to the taxpayer's succeeding years' tax liability. No such tax credit shall be allowed the taxpayer against prior years' tax liability.

(c) The commissioner shall promulgate any rules and regulations necessary to implement and administer this Code section."

SECTION 2.

Said article is further amended by revising paragraph (1) of subsection (e) of Code Section 48-7-40, relating to designating counties as less developed areas, as follows:

"(e)(1) Business enterprises in counties designated by the commissioner of community affairs as tier 1 counties shall be allowed a tax credit for taxes imposed under this article equal to \$3,500.00 annually per eligible new full-time employee job for five years beginning with the first taxable year in which the new full-time employee job is created and for the four immediately succeeding taxable years; provided, however, that where the amount of such credit exceeds a business enterprise's liability for such taxes in a taxable year, the excess may be taken as a credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 but not to exceed in any one taxable year \$3,500.00 for each new full-time employee job when aggregated with the credit applied against taxes under this article. Each employee whose employer receives credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 shall receive credit against his or her income tax liability under Code Section 48-7-20 for the corresponding taxable year for the full amount which would be credited against such liability prior to the application of the credit provided for in this paragraph. Credits against quarterly or monthly payments under Code Section 48-7-103 and credits against liability under Code Section 48-7-20 established by this paragraph shall not constitute income to the taxpayer. Business enterprises in counties designated by the commissioner of community affairs as tier 2 counties shall be allowed a job tax credit for taxes imposed under this article equal to \$2,500.00 annually, business enterprises in counties designated by the commissioner of community affairs as tier 3 counties shall be allowed a job tax credit for taxes imposed under this article equal to \$1,250.00 annually, and business enterprises in counties designated by the commissioner of community affairs as tier 4 counties shall be allowed a job tax credit for taxes imposed under this article equal to \$750.00 annually for each new full-time employee job for five years beginning with the first taxable year in which the new full-time employee job is created and for the four immediately succeeding taxable years. Where a business enterprise is engaged in a competitive project located in a county designated by the commissioner of community affairs as a tier 2 county and where the amount of the credit provided in this paragraph exceeds such business enterprise's liability for taxes imposed under this article in a taxable year, or where a business enterprise is engaged in a competitive project located in a county designated by the commissioner of community affairs as a tier 3 or tier 4 county and where the

amount of the credit provided in this paragraph exceeds 50 percent of such business enterprise's liability for taxes imposed under this article in a taxable year, the excess may be taken as a credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 but not to exceed in any one taxable year \$2,500.00 for each new full-time employee job when aggregated with the credit applied against taxes under this article. Each employee whose employer receives credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 shall receive credit against his or her income tax liability under Code Section 48-7-20 for the corresponding taxable year for the full amount which would be credited against such liability prior to the application of the credit provided for in this paragraph. Credits against quarterly or monthly payments under Code Section 48-7-103 and credits against liability under Code Section 48-7-20 established by this paragraph shall not constitute income to the taxpayer. The number of new full-time employee jobs shall be determined by comparing the monthly average number of full-time employees subject to Georgia income tax withholding for the taxable year with the corresponding period of the prior taxable year. In tier 1 counties, those business enterprises that increase employment by two or more shall be eligible for the credit. In tier 2 counties, only those business enterprises that increase employment by ten or more shall be eligible for the credit. In tier 3 counties, only those business enterprises that increase employment by 15 or more shall be eligible for the credit. In tier 4 counties, only those business enterprises that increase employment by 25 or more shall be eligible for the credit. The average wage of ~~the~~ each new jobs job created must be above the average wage of the county that has the lowest average wage of any county in the state to qualify as reported in the most recently available annual issue of the Georgia Employment and Wages Averages Report of the Department of Labor. To qualify for a credit under this paragraph, the employer must make health insurance coverage available to the employee filling the new full-time employee job; provided, however, that nothing in this paragraph shall be construed to require the employer to pay for all or any part of health insurance coverage for such an employee in order to claim the credit provided for in this paragraph if such employer does not pay for all or any part of health insurance coverage for other employees. Credit shall not be allowed during a year if the net employment increase falls below the number required in such tier. The state revenue commissioner shall adjust the credit allowed each year for net new employment fluctuations above the minimum level of the number required in such tier."

SECTION 3.

Said article is further amended by revising subsections (a) and (e) of Code Section 48-7-40.1, relating to tax credits for business enterprises in less developed areas, as follows:

"(a) As used in this Code section, the term:

(1) 'Broadcasting' means the transmission or licensing of audio, video, text, or other programming content to the general public, subscribers, or to third parties via radio, television, cable, satellite, or the Internet or Internet Protocol and includes motion

picture and sound recording, editing, production, postproduction, and distribution. 'Broadcasting' is limited to establishments classified under the 2007 North American Industry Classification System Codes 515, broadcasting; 519, Internet publishing and broadcasting; 517, telecommunications; and 512, motion picture and sound recording industries.

(2) 'Business enterprise' means any business or the headquarters of any such business which is engaged in manufacturing, including, but not limited to, the manufacturing of alternative energy products for use in solar, wind, battery, bioenergy, biofuel, and electric vehicle enterprises, warehousing and distribution, processing, telecommunications, broadcasting, tourism, biomedical manufacturing, and research and development industries. Such term shall not include retail businesses. Businesses are eligible for the tax credit provided by this Code section at an individual establishment of the business based on the classification of the individual establishment under the North American Industry Classification System. For purposes of this Code section, the term 'establishment' means an economic unit at a single physical location where business is conducted or where services or industrial operations are performed. If more than one business activity is conducted at the establishment, then only those jobs engaged in the qualifying activity will be eligible for the tax credit provided by this Code section.

(3) 'New full-time employee job' means a newly created position of employment that was not previously located in this state, requires a minimum of 35 hours a week, and pays at or above the average wage earned in the county with the lowest average wage earned in this state, as reported in the most recently available annual issue of the Georgia Employment and Wages Averages Report of the Department of Labor."

"(e) Business enterprises in areas designated by the commissioner of community affairs as less developed areas shall be allowed a job tax credit for taxes imposed under this article equal to \$3,500.00 annually per eligible new full-time employee job for five years beginning with the first taxable year in which the new full-time employee job is created and for the four immediately succeeding taxable years; provided, however, that where the amount of such credit exceeds a business enterprise's liability for such taxes in a taxable year, the excess may be taken as a credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 but not to exceed in any one taxable year \$3,500.00 for each new full-time employee job when aggregated with the credit applied against taxes under this article. Each employee whose employer receives credit against such business enterprise's quarterly or monthly payment under Code Section 48-7-103 shall receive credit against his or her income tax liability under Code Section 48-7-20 for the corresponding taxable year for the full amount which would be credited against such liability prior to the application of the credit provided for in this subsection. Credits against quarterly or monthly payments under Code Section 48-7-103 and credits against liability under Code Section 48-7-20 established by this subsection shall not constitute income to the taxpayer. The number of new full-time employee jobs shall be determined by comparing the monthly average number of full-time employees subject to Georgia income tax withholding for the taxable year

with the corresponding period of the prior taxable year. Only those business enterprises that increase employment by five or more in a less developed area shall be eligible for the credit; provided, however, that within areas of pervasive poverty as designated under paragraphs (2) and (4) of subsection (c) of this Code section businesses shall only have to increase employment by two or more jobs in order to be eligible for the credit, provided that, if a business only increases employment by two jobs, the persons hired for such jobs shall not be married to one another. The average wage of ~~the~~ each new ~~jobs~~ job created must be above the average wage of the county that has the lowest wage of any county in the state to qualify as reported in the most recently available annual issue of the Georgia Employment and Wages Averages Report of the Department of Labor. To qualify for a credit under this subsection, the employer must make health insurance coverage available to the employee filling the new full-time employee job; provided, however, that nothing in this subsection shall be construed to require the employer to pay for all or any part of health insurance coverage for such an employee in order to claim the credit provided for in this subsection if such employer does not pay for all or any part of health insurance coverage for other employees. Credit shall not be allowed during a year if the net employment increase falls below five or two, as applicable. The state revenue commissioner shall adjust the credit allowed each year for net new employment fluctuations above the minimum level of five or two."

STATE AUDITOR

Honorable Jay Powell
Chairman, House Ways and Means
113 State Capitol
Atlanta, Georgia 30334

SUBJECT: Fiscal Note
House Bill 960 (LC 34 4901ERS)

Dear Chairman Powell:

The bill would amend a number of provisions associated with the Department of Revenue's (DOR) administration of tax revenue, including interest rates paid by taxpayers and by DOR, notification to local governments of taxpayer refund requests that could significantly impact their budgets, and transferal of the refund requests to the Georgia Tax Tribunal if pending more than two years. It would also require the Department of Audits and Accounts (DOAA) to review DOR's audit of these refund requests. Finally, the bill would change the penalties and interest associated with late payments of ad valorem taxes held in trust.

Change in Interest Rate

The bill's most significant fiscal impact is associated with the change in the interest rate. Current law requires that taxpayers pay 1% interest each month that taxes are late and that DOR pay the same rate when refunding payments erroneously or illegally collected from a taxpayer. The bill would change the rate to the published bank loan prime rate plus three percent (currently 6.5%). The change would result in less revenue from taxpayers but also lower payments made by the state. In fiscal year 2015, the net interest collections (interest collected minus interest paid) totaled \$23.8 million. If the rate had been 6.5%, net interest collections would have been \$10.9 million lower.

Cases to Tax Tribunal

If a refund claim of local significance is pending after two years, the Georgia Tax Tribunal will determine the reason for the delay. If DOR is found primarily at fault, it will be required to pay interest due to the taxpayer, including interest on the local tax revenue. The tribunal may also require that attorneys' fees for both parties be paid. While the provision could result in additional state costs, we do not have the data that would allow for a reliable estimate.

Reviews by Department of Audits and Accounts

Once DOR has completed its audit of a "refund claim of local significance," DOAA may assess the procedures and methodology used by DOR to make the final refund determination. The number of these DOAA reviews is projected at approximately five

annually . Given the limited number and scope of the reviews, DOAA estimates that the work can be conducted with existing resources.

DOR Programming Costs

DOR must update its information systems to address several bill requirements. The agency plans to make the required changes with existing resources.

Change in Penalties and Interest on Ad Valorem

The bill changes the penalty on unpaid ad valorem tax owed to local governments from ten to five percent. After 180 days, the penalty increases until it reaches a maximum of 20 percent. This provision would have no fiscal impact on the state, and the fiscal note does not assess the local impact.

Sincerely,

/s/ Greg S. Griffin
State Auditor

/s/ Teresa A. MacCartney, Director
Office of Planning and Budget

The Senate Committee on Finance offered the following substitute to HB 960:

A BILL TO BE ENTITLED
AN ACT

To amend Chapter 2 of Title 48 of the Official Code of Georgia Annotated, relating to state administration and collection of revenue, so as to provide for confidentiality of certain tax information; to provide for an interest rate on delinquent payments that adjusts to reflect changes in the prime rate; to adjust the penalties for nonpayment of ad valorem taxes to offset the reduction in interest rate; to make distribution of penalties equitable between taxing jurisdictions; to provide for additional procedures, conditions, and limitations; to provide for notice to political subdivisions upon the filing of certain tax refund requests; to provide for confidentiality of taxpayer information; to amend Chapter 13A of Title 50 of the Official Code of Georgia Annotated, relating to tax tribunals, so as to provide for automatic transfer to the Georgia Tax Tribunal in certain cases; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 2 of Title 48 of the Official Code of Georgia Annotated, relating to state administration and collection of revenue, is amended by revising subsection (b) and

adding a new subsection to Code Section 48-2-15, relating to confidential information, to read as follows:

"(b) This Code section shall not:

- (1) Be construed to prevent the use of confidential information as evidence before any state or federal court in the event of litigation involving tax liability of any taxpayer;
- (2) Be deemed to prevent the print or electronic publication of statistics so arranged as not to reveal information respecting an individual taxpayer;
- (3) Apply in any way whatsoever to any official finding of the commissioner with respect to any assessment or any information properly entered upon an assessment roll or other public record;
- (4) Affect any information which in the regular course of business is by law made the subject matter of a public document in any federal or state office or in any local office in this state; ~~or~~
- (5) Apply to information, records, and reports required and obtained under Article 1 of Chapter 9 of this title, which requires distributors of motor fuels to make reports of the amounts of motor fuels sold and used in each county by the distributor, or under Article 2 of Chapter 9 of this title, relating to road tax on motor carriers; or
- (6) Be construed to prevent the disclosure of information, so arranged as not to reveal information respecting an individual taxpayer, requested by the House Committee on Ways and Means or the Senate Finance Committee regarding the department's administration of any tax."

"(f) This Code section shall not be construed to prohibit disclosure as required in subsection (h) of Code Section 48-2-35."

SECTION 2.

Said chapter is further amended by revising subsections (a) and (f) and adding new subsections in Code Section 48-2-35, relating to refunds of taxes and fees determined to have been erroneously or illegally assessed and collected, to read as follows:

"(a) A taxpayer shall be refunded any and all taxes or fees which are determined to have been erroneously or illegally assessed and collected from such taxpayer under the laws of this state, whether paid voluntarily or involuntarily, and shall be refunded interest, except as provided in subsection (b) of this Code section, on the amount of the taxes or fees ~~at the rate of 1 percent per month~~ from the date of payment of the tax or fee to the commissioner at an annual rate equal to the bank prime loan rate as posted by the Board of Governors of the Federal Reserve System in statistical release H. 15 or any publication that may supersede it, plus 3 percent, to accrue monthly. Such annual interest rate shall be determined for each calendar year based on the first weekly posting of statistical release H. 15 on or after January 1 of each calendar year. For the purposes of this Code section, any period of less than one month shall be considered to be one month. Refunds shall be drawn from the treasury on warrants of the Governor issued upon itemized requisitions showing in each instance the person to whom the refund is to be made, the amount of the refund, and the reason for the refund."

"(f) For purposes of all claims for refund of sales and use taxes erroneously or illegally assessed and collected, the term 'taxpayer,' as defined under Code Section 48-2-35.1, shall apply. Such claim for refund shall contain the total refund claimed and the allocation of the local sales and use tax by the political subdivision.

(g) Any taxpayer required to pay taxes electronically in accordance with paragraph (2.1) of subsection (f) of Code Section 48-2-32 shall also file any claims for refund electronically. The department shall make claim for refund forms consistent with this subsection electronically available.

(h)(1) As used in this subsection, the term:

(A) 'Political subdivision designee' means the chief officer or officers designated by the political subdivision to receive information about a refund claim of local significance pursuant to this subsection. Each political subdivision shall certify to the commissioner that any such designee is so authorized on a form and in a manner prescribed by the department.

(B) 'Refund claim of local significance' means a taxpayer's claim for refund of sales and use taxes erroneously or illegally assessed and collected or the department's discovery of any overpayment of such taxes, if such claim for refund or overpayment is for an amount equal to or greater than 10 percent of the total yearly average of aggregate sales and use tax distributions to any single political subdivision based on the average of the three most recent calendar years.

(2) Within 30 business days following the department's receipt of a refund claim of local significance, the department shall notify each affected political subdivision's political subdivision designee that a refund claim of local significance has been received and shall furnish the taxpayer with a copy of such notification. Such notification shall include the date the refund claim of local significance was filed, the amount in the claim for refund for which the political subdivision itself would be responsible if the request is granted, and a copy of the confidentiality provisions in Code Section 48-2-15 and this Code section. After the department has completed an audit of the claim for refund and determined a final refund amount, the department shall supplement the above notice by transmitting to the political subdivision designee the final refund amount for which the political subdivision is responsible.

(3) Any information supplied to a political subdivision designee pursuant to this subsection shall retain, in the hands of the local official, its privileged and confidential nature to the same extent and under the same conditions as such information is privileged and confidential in the hands of the commissioner, pursuant to Code Section 48-2-15. It shall be the responsibility of the political subdivision designee, and not the department, to protect privileged and confidential information received under this subsection. Any person who divulges any tax information obtained under this subsection shall be subject to the same civil and criminal penalties as provided for divulgence of tax information by employees of the department. Though privileged and confidential information shall not be disclosed, the political subdivision designee may make reasonable budgetary recommendations to elected officials, city managers, and tax officials in political subdivisions based on the confidential information

furnished. The department shall not be subject to any criminal or civil liability for the unauthorized divulgence of privileged and confidential information by a political subdivision designee. Notwithstanding the foregoing, in the event all or any portion of the refund claim of local significance is for a tax levied under Part 1 of Article 3 of Chapter 8 of this title, the affected county shall not be in violation of this confidential provision if it notifies all municipal political subdivision designees in the county that such notification has been received from the department.

(4) The commissioner, by rule or regulation, shall establish guidelines for identifying and producing documents to the Department of Audits and Accounts for review relating to the handling of refund claims of local significance. In the event of such review, the Department of Audits and Accounts shall assess whether the department followed proper procedures and used appropriate methodology to reach its final determination on a refund claim of local significance.

(5) Any refund claims of local significance pending with the department for two years after the claim for refund was filed shall be automatically transferred to the Georgia Tax Tribunal as a declaratory judgment of the commissioner requesting a show cause proceeding pursuant to Code Section 50-13A-19.1."

SECTION 3.

Said chapter is further amended by revising Code Section 48-2-40, relating to the rate of interest on past due taxes, as follows:

"48-2-40.

Except as otherwise expressly provided by law, taxes owed the state or any local taxing jurisdiction shall bear interest at the rate of 1 percent per month at an annual rate equal to the bank prime loan rate as posted by the Board of Governors of the Federal Reserve System in statistical release H. 15 or any publication that may supersede it, plus 3 percent, to accrue monthly. Such annual interest rate shall be determined for each calendar year based on the first weekly posting of statistical release H. 15 on or after January 1 of each calendar year. Interest shall begin to accrue from the date the tax is due until the date the tax is paid. For the purposes of this Code section, any period of less than one month shall be considered to be one month. This Code section shall also apply to alcoholic beverage taxes."

additional penalty of 5 percent of any tax amount remaining due shall be imposed at each subsequent 120 day period, together with interest as specified by law. The aggregate amount of penalties imposed pursuant to this subsection shall not exceed an amount equal to 20 percent of the principal amount of the tax originally due. These penalties shall not, however, apply in the case of:

(B) With respect to tax year 1986 and future tax years, ad valorem taxes of any amount on homestead property as defined in Part 1 of Article 2 of Chapter 5 of this title, if the homestead property was during the tax year acquired by a new owner who did not receive a tax bill for the tax year and who immediately before acquiring the homestead property resided outside the State of Georgia and if the taxes are paid within one year following the due date.

(2) Any city or county authorized as of April 22, 1981, by statute or constitutional amendment to receive a penalty of greater than 10 percent for failure to pay an ad valorem tax is authorized to continue to receive that amount.

(3) With respect to all penalties and interest received by the tax commissioner on or after July 1, 1998, unless otherwise specifically provided for by general law, the tax commissioner shall distribute penalties collected and interest collected or earned as follows:

~~(A) Penalties collected for failure to return property for ad valorem taxation or for failure to pay ad valorem taxes, and interest earned by the tax commissioner on taxes collected but not yet disbursed, shall be paid into the county treasury in the same manner and at the same time the tax is collected and distributed to the county, and they shall remain the property of the county~~ Interest earned by the tax commissioner on taxes collected but not yet disbursed shall be distributed pro rata based on each taxing jurisdiction's share of the total amount upon which the interest was computed; and

~~(B) Interest collected on delinquent ad valorem taxes shall be distributed pro rata based on each taxing jurisdiction's share of the total tax on which the interest was computed~~ Penalties collected for failure to return property for ad valorem taxation or failure to pay ad valorem taxes, and interest collected on delinquent ad valorem taxes, shall be distributed pro rata based on each taxing jurisdiction's share of the total tax on which the penalty or interest was computed."

(b)(1) The tribunal shall determine by interlocutory order the party at fault for the

delay in finally determining a claim for refund.

(2) If the tribunal determines that the Department of Revenue is primarily at fault, the order shall require that the Department of Revenue pay all interest due to the taxpayer on the claim for refund, including the interest due on the local sales and use tax deemed to have been illegally or erroneously collected. The tribunal shall thereafter remand the matter back to the Department of Revenue for determination on the underlying claim for refund.

(3) If the tribunal determines that the taxpayer who made the claim for refund is primarily at fault, the order shall prohibit the accrual of any interest due to the taxpayer on the finally determined claim for refund. The tribunal shall thereafter remand the matter back to the Department of Revenue for determination on the underlying claim for refund.

(4) If the tribunal determines that the delay is justified, the order shall remand the matter back to the Department of Revenue for determination and for further hearings at the tribunal's discretion.

(c) The tribunal, at its discretion, may award reasonable attorneys' fees to either party in such proceedings.

(d) Orders of the tribunal issued pursuant to this Code section shall be excluded from the provisions of subsection (d) of Code Section 50-13A-15.

(e) Except as otherwise provided in this Code section, such actions shall follow the procedures and tribunal rules applicable to other proceedings within the tribunal."
